- e) Members may note that the VC/OAVM Facility, provided by CDSL, allows participation of at least 1,000 Members on a first-come-first-served basis. The large shareholders (i.e. shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, statutory auditors, can attend the 32nd AGM without any restriction on account of first-come first basis .
- f) Attendance of the Members participating in the 32nd AGM through VC/OAVM Facility shall be counted for the purpose of reckoning the quorum under Section 103 of the Act. The venue of AGM shall be deemed to be the registered office of the Company.
- g) Pursuant to the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (“ICSI”) and Regulation 44 of Listing Regulations read with MCA Circulars and SEBI Circular, the Company is providing remote e-Voting facility to its Members in respect of the business to be transacted at the 32nd AGM and facility for those Members participating in the 32nd AGM to cast vote through e-Voting system during the 32nd AGM.
- h) Members may please note that SEBI vide its circular dated 25 January, 2022 has mandated listed companies to issue securities in demat mode only while processing service requests viz., transfer, transmissions, issue of duplicate securities certificate, claim from unclaimed suspense account, renewal/exchange of securities certificate, endorsement, sub-division/ splitting of securities certificate, consolidation of securities certificates/ folios and transposition. Further SEBI vide its circular dated 18 May, 2022 has simplified the procedure and standardized the format of documents for transmission of securities. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR-4 & ISR-5, as the case maybe.
- i) As per the SEBI circular dated 3rd November, 2021, facility for registering nomination is available for members in respect of the shares held by them. The documents referred to in the Resolutions can be inspected at the Registered Office of the Company during 10 am to 5 pm on all working days of the Company

4. THE INSTRUCTIONS FOR SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETING ARE AS UNDER:

- i) The -voting period begins on 24th September, 2024 at 9.00 a.m. (IST) and ends on 26th September, 2024 at 05.00 p. m (IST). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e 20th September, 2024 may cast their votes electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.
- ii) Shareholders who have already voted prior to the Meeting date would not be entitled to vote at the Meeting venue. .
- iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/ CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Management Discussion and Analysis Report on the business of the Company for the year ended 31st March, 2024 has been attempted to include discussion on all the specified matters to the extent relevant or within limits that in our opinion are imposed by the Company's own competitive position.

1. COMPANY AND INDUSTRY STRUCTURE:

The Company manufactures leather garments exclusively for export and has its factory at Pammal, Uttiramerur and Vadadavur. All the units are self-sufficient to perform their duties and functions. The commitment of the Company towards quality and customer orientation reflects in its well-established clientele.

The Leather industry in India holds a significant place in the Indian economy. This sector is known for its consistency in high export earnings and it is among the top ten foreign exchange earners for the Country. India is the second largest exporter of leather garments. Added to this are the strengths of skilled manpower, innovative technology, increasing industry compliance to international environmental standards, and the dedicated support of the allied industries.

The major production centers for leather and leather products in India are located in the States of Tamil Nadu – Chennai, Ambur, Ranipet, Vaniyambadi, Vellore, Pernambur, Trichy, Dindigul and Erode apart from other states like Uttar Pradesh, Maharashtra, Punjab, Karnataka, Kerala, Delhi and Rajasthan.

2. REVIEW OF OPERATIONS:

During the Financial Year 2023-24, your Company achieved a turnover of Rs. 3204.15 lakhs and profit of Rs. 50.10 lakhs. The export sales was Rs. 3130.15 lakhs as against of Rs. 3858.19 lakhs of FY 23. Detailed report on financial performance of the Company is provided in the Director's Report. The Company has no term loan outstanding as on March 31, 2024.

The Company has only one segment i.e. Leather garments and related products and the performance is already captured in Directors Report and Financial Statements

The Company has adopted a time-bound policy in the short term, to balance production to level which could avoid built up inventory and has taken special measures to bring down stocks to optimum levels. However, in spite of the operating gains the margins have been under strain for the following reasons:

- 1) Increase in major input costs particularly of leather.
- 2) Globally leather garments have registered a decline in realization and this affected India also.
- 3) Average price realization per garment to Rs.5744/- during the year. Buyer's domination was pronounced and our buyers abroad bargained hard in view of the falling Indian Rupee against the Euro and U.S.Dollars.
- 4) Freight rates and selling expenses rose appreciably, further pushing the costs. These factors constitute the threats faced by the company.

3. OUTLOOK:

The India Leather Market was valued at USD 6.8 Billion in 2020 and is projected to reach USD 10.3 Billion by 2026, growing at a CAGR of 7.6% during the forecast period 2021-2026. The leather industry is one of India's oldest industries with a long heritage dating back centuries, and it plays an important role in contributing to the country's economy both through exports and employment generation. It has been estimated that this sector employs 2.5 million people directly or indirectly across various segments such as manufacturing, production, tanning, retailing etc., making it one of the largest employers in India after agriculture

Increasing Demand for Leather Goods: Rising disposable income levels among consumers coupled with changing fashion trends have propelled demand for leather-based goods globally including from countries like China; this is expected to drive growth of the market over the next few years. In addition, there are numerous initiatives taken by local as well as regional government authorities encouraging production & sales of leather goods which will further fuel growth prospects for this market in near future

The prices associated with raw materials used in production process is quite expensive which ultimately affects profitability margins resulting reduced revenue opportunities companies operating within space creating challenge them

Consumers increasingly aware environmental problems related use natural resources manufacture commodities including animal hide, they looking eco-friendly alternatives instead of traditional methods sustain their lifestyles without harming planet - thereby boosting popularity of green leather products amongst customers.

The overall impact on revenue and profitability would have been better but for the depreciating rupee, given that sales are export-oriented, while majority of raw materials are procured domestically. Operating margins are expected to remain range bound at 6 to 6.5 per cent over the medium term.

Given increased raw material cost, inventory holding has become costlier. Additionally, due to lower cash generation, working capital requirement at the sector level could be 15 to 20 per cent higher in the near term. However, demand being sluggish, capacity expansion will be on the backburner. Consequently, long-term debt addition should also be low.

The Company's strength lies in the quality of its products and the promising looks continued patronage of its buyers. However, the realization per garment is likely to be low. The peak season is due to start shortly. The order position is expected to be healthy by FY24-25 and the Company should register a healthy improvement in its performance by end of FY 2025.

5. RISK AND CONCERNS

Risks and Concerns Economic and political factors, both national and global that are beyond control and factors force majeure' may directly affect performance of the Company as well as the Leather industry. These factors include interest rates and its impact on availability of retail space, rate of economic growth, fiscal and monetary policies of governments, inflation,

deflation, consumer credit availability, consumer debt levels, tax rates and policy, unemployment trends, terrorist threats and activities, worldwide military and domestic disturbances and conflicts, pandemics, and other matters that influence consumer confidence and spending.

The Company is subject to risks arising from material price and exchange rate fluctuations which may adversely affect our financial performance. The availability and retention of talent, product quality management, innovation and new product development, rapidly changing consumer preferences, impact of strategic and marketing initiatives, data security etc. may affect your Company.

Your Company monitors its major risks and concerns at regular intervals. Appropriate steps are taken in consultation with all the concerned including the Audit Committee and the Board to identify and mitigate such risks.

6. ENVIRONMENT AND SAFETY:

The Company is conscious of the need for environmentally clean and safe operations to ensure safety of all concerned, compliance of statutory and industrial requirements for environment protection and conservation of natural resources.

7. HUMAN RESOURCES:

Over the last year, Human Resources have taken various initiatives for employee benefit and retention. The initiatives undertaken by the Human Resources Department is always aimed at operationalizing the company's Vision and long term & short term strategy. The relationship of your Company with employees has been cordial during the year.

8. OTHER MATTERS:

There were no further or typical areas of risks or concerns outside the usual course of business foreseeable at this time. Internal control systems had been found to be adequate and are continuously reviewed for further improvement. Our team is committed to the Board's dictates on standards of conduct as well as good governance and exercise of due diligence including compliance of all relevant laws and regulations. Our appreciation is due to all employees, gratefulness to our board, shareholders and Banks.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's report, Management discussion and analysis and Report on corporate governance, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and

obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors

(i) in planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure-A statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. A. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Standalone financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone financial statements have been kept so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other comprehensive income, and the Statement of Cash Flow and statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the financial statements.
 - (d) In our opinion, the aforesaid Standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the Company _____ as _____ on 31st March, 2024 taken on record by the Board of Directors of the Company, none of the directors of the Company are disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure – B"; and

- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
 - ii. The Company did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have

been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year, hence compliance with provision of section 123 of the Act is not applicable for the year.
- vi. The reporting under Rule 11(g) of the Companies (Audit and Accounts) Rules, 2014 is applicable for the Company w.e.f. 01 April 2023:

Based on our examination which included test checks, the Company has not used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2024, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

- 3. With respect to the matter to be included in the Auditor’s Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

[Referred to in Paragraph 1 under the heading “Report on Other Legal and Regulatory Requirements” of our report of even date to the members of Euro Leder Fashion Limited (“the Company”) on the accounts of the company for the period ended 31st March 2024]

1. (a) The company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets
(b) According to the information and explanations given to us, physical verification of PPE is being conducted in a phased manner by the management under a programme designed to cover all the PPE over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and nature of its business. Pursuant to the program, a portion of the PPE has been physically verified by the management during the year and no material discrepancies between the books records and the physical PPE have been noticed.
(c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Notes 13 and 14 to the standalone financial statements, are held in the name of the Company.
(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
2. (a) The management has conducted the physical verification of inventory at reasonable intervals during the year. We are informed that management has not discovered discrepancies of 10% or more in the aggregate for each class of inventory on verification between the physical stock and book records.
In our opinion and according to the information and explanations given to us, the procedures for physical verification of inventory followed by the management were reasonable and adequate in relation to the size of the company and the nature of its business.
(b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets.
According to the information and explanations given to us, the quarterly returns filed with the banks are in conformity with the books of accounts.
3. The Company has made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year, in respect of which:
 - (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, and hence reporting under clause 3(iii)(a) of the Order is not applicable.
 - (b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company’s interest.
 - (c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
 - (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
 - (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

- (g) The Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties.
4. The Company has complied with the provisions of the section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees, and security.
5. The Company has not accepted any deposits from public during the year hence the directives issued by RBI and the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules 2015, are not applicable.
6. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Act, related to the manufacturing activities, and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
7. (a) According to the information and explanations given to us, in our opinion, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other statutory dues as applicable to it.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other statutory dues were outstanding as at March 31, 2024 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, the particulars of dues which have not been deposited with the appropriate authorities on account of any dispute are as follows:

Rs. in Lakhs

Name of the Statute	Nature of Dues	Pertaining to period	Amount Demanded (incl Penalty)	Amount under dispute not deposited	Forum where the dispute is pending
Income Tax Act, 1961	Income tax demand	AY 2001-02	4.04	0.00	ITAT, Chennai

8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
9. (a) Based on our audit procedures and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or borrowings to a financial institution, bank, or dues to debenture holders.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- (d) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - (e) The company has not raised loans on the pledge of securities held in subsidiaries, joint ventures and associates.
10. (a) Based on our audit procedures and according to the information and explanations given to us, the Company did not raise any money by way of further public offer (including debt instruments) during the year.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
11. (a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no fraud by the Company or any fraud on the Company by its officers or employees has been noticed or reported during the course of our Audit.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not received any whistle-blower complaints during the year, which have been considered by us for any bearing on our audit and reporting.
12. The company is not a Nidhi Company. Therefore clause 3 (xii) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.
13. In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
14. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
15. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
17. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
18. There has been no resignation of the statutory auditors during the year.

19. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
20. Reporting on CSR: Provisions of Section 135 Corporate Social Responsibility (CSR) are not applicable to the company. Accordingly, reporting under clause 3(xx)(a) and (b) of the Order is not applicable for the year.
21. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Euro Leder Fashion Limited (“the Company”) as of 31st March 2024 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company.

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements for the year ended 31st March, 2024

Note 1: Summary of Material Accounting Policies, Critical Judgments and key estimates

General Information

Euro- Leder Fashion Limited (The “Company”) is engaged in manufacture of leather Garments and leather accessories. The Company’s registered Office at No. 10, P P Amman Koil Street, Nagelkeni, Chrompet, Chennai- 600044. The Company is having units at Pammal, Vadadavur and Uthiramerur. The company is a public limited company and the shares are listed in BSE Limited.

1. Summary of Material accounting policies

1.1 Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules 2015 and other relevant provisions of the Companies Act, 2013. The financial statements are prepared under historical cost convention except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below, in accordance with the Generally Accepted Accounting Principles in India and comply in all material respects with the accounting standards specified under the section 133 of the Act. All the assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle. Based on the nature of the products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current / noncurrent classification of assets and liabilities.

2.2 Use of estimates:

The preparation of the financial statements in conformity with accounting principles generally accepted in India requires the management to make judgment’s, estimates and assumptions that effect the reported amount of assets and liabilities as of the Balance Sheet date, reported amount of revenues and expenses for the year and disclosure of contingent liabilities as of the Balance Sheet date. These estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Although these estimates are based on the management’s best knowledge of current events and actions, uncertainty about the assumptions and estimates may result in outcomes requiring a material adjustment to the carrying amount of assets or liabilities in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting Estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

2.3 Property, Plant and Equipment (PPE)

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment in value, if any. Cost includes purchase price, (inclusive of import duties and non — refundable purchase taxes, after deducting trade discounts and rebates) other costs directly attributable to bring the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and an initial estimate of the costs of dismantling, removing the item and restoring the site on which it is located, if any. If the Company has acquired a Property, Plant and Equipment on deferred term basis and terms are beyond normal credit terms, property plant and equipment will be recognized on cash price equivalent, i.e. discounted amount. The cost of Assets not ready for use as at the Balance Sheet date is disclosed under Capital Work-In-Progress. The cost of replacement spares/ major inspection relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably. When parts of an item of property plant and equipment have different useful lives,

they are accounted for as separate items (major components) of property, plant and equipment.

Depreciation:

Depreciation on Property, Plant and Equipment (Tangible assets) is generally computed on a pro-rata basis on the basis of the estimated life specified in Schedule II of the Companies Act, 2013 under Straight line method. The useful life of assets prescribed in Schedule II to the Companies Act, 2013 are considered for the purpose of Computation of Depreciation. However, If the management's estimate of the useful life of a fixed asset at the time of acquisition of the asset or of the remaining useful life on an annual review is different from that envisaged in the aforesaid schedule, depreciation is provided at a such rate based on the useful life / remaining useful life as technically advised. Accordingly, depreciation is provided based on the useful life indicated below which is different from that stated in Schedule II to the Companies Act, 2013.

Assets	Life (in years)
Vehicles	6
Office Equipments (other than computers)	10
Plant & Machineries	15

Depreciation charge on additions / deletions is restricted to the period of use. Depreciation methods, useful lives and residual values are reviewed annually.

2.4 Impairment

Assessment is done annually as to whether there is any indication that an asset (tangible and intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists an estimate of the recoverable amount of the asset / cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amounts higher of an asset's or cash generating unit's fair value less cost to sell and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. In such cases, impairment losses are reversed to the extent the assets carrying amount does not exceed, the carrying amount that would have been determined if no impairment loss had previously been recognized

2.5 Borrowing Cost

Borrowing costs that are attributable to the acquisition / construction / production of qualifying assets (assets which require substantial period of time to get ready for its intended use) are capitalized as part of the cost of that asset. All other borrowing costs are charged to revenue.

2.6 Inventories

Inventories are stated at lower of weighted average cost and net realizable value. Cost of inventories comprises of purchase cost, cost of conversion and other cost including manufacturing overheads incurred in bringing the inventory to present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

2.7 Foreign Currency Transaction

Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the Functional currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined. All monetary assets and liabilities in foreign currency are reinstated at the end of accounting period. Exchange differences on reinstatement of all monetary items are recognized in the Statement of Profit and Loss.

Derivative Financial instruments and Hedge Accounting

The Company is exposed to foreign currency risk arising out of foreign currency revenue, receivables, cash balances, forecasted cash flows, payables and foreign currency loans. The Company has a detailed foreign currency risk mitigation policy in place, including the use of derivatives like the forward currency contracts/ options contracts to hedge forecasted cash flows denominated in foreign currency. The objective of the same is to mitigate the impact of foreign currency exchange fluctuations caused by transacting in foreign currency in case of future cash flows or highly probable forecast transactions. The Company enters into various foreign currency derivative contracts with Banks in the form of Forward currency contracts ('hedging instrument') and recognize the financial assets / liabilities ('hedged item') through formal documentation of the hedging relationship in line with the Company's foreign currency risk management policy.

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognized in other comprehensive income and accumulated under the heading of cash flow hedging reserve. The gain or loss relating to the ineffective portion is recognized immediately in profit or loss. Amounts previously recognized in other comprehensive income and accumulated in equity relating to effective portion as described above, are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same line as the recognized hedged item. Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or no longer qualifies for hedge accounting.

2.8 Revenue Recognition

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the probable consideration expected to be received in exchange for those products or services. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

The Company accounts for volume discounts and pricing incentives to customers as a reduction of revenue based on the rate-able allocation of the discounts/ incentives to each of the underlying performance obligation that corresponds to the progress by the customer towards earning the discount/ incentive. Also, when the level of discount/pricing incentives varies with increases in levels of revenue transactions, the company recognizes the liability based on its estimate of the customer's future purchases. If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount/pricing incentives is not recognized until the payment is probable and the amount can be estimated reliably. The company recognizes changes in the estimated amount of obligations for discounts/pricing incentives in the period in which the change occurs.

2.9 Employee Benefits

1. Short - Term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and recognized in the period in which the employee renders the related service.

2. Defined Contribution Plans Provident Fund

Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as

the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

3. Defined Benefit Plan

Gratuity

Ind AS 19 stipulates Company to compute its liability towards future payments of gratuity to employees, on actuarial valuation basis which is determined based on project unit credit method. However the company is accounting for the same as an expense as they fall due for payment.

Compensated Absences

As per the Company's policy, employees who are eligible to encash compensated absence should exercise the same every year; if not the same gets lapsed and cannot be carried forward to next year. The company does not have any compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end, hence compensated absences are classified as short term employee benefits.

2.10 Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the relevant prevailing tax laws. Tax expenses relating to the items in profit and loss shall be treated as current tax as part of profit and loss and those relating to items in other comprehensive income (OCI) shall be recognized as part of OCI.

Deferred tax is recognized for all the temporary differences between the carrying amounts of assets and liabilities in the financial statements and corresponding tax bases used in computation of taxable profit. Deferred tax assets are recognized and carried forward only to the extent that it is probable that taxable profit will be available against which those deductible temporary differences can be utilized. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company reassesses unrecognized deferred tax assets, if any and the same is recognized to the extent it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation law.

Minimum Alternate Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period. MAT shall be treated as part of deferred tax assets.

2.11 Financial instruments

Initial recognition

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instruments. All financial assets and liabilities are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition.

Subsequent measurement

i. Financial assets carried at amortized cost

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of

principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through profit or loss A financial asset which is not classified in the above category is subsequently fair valued through profit or loss.

iii. Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method for trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments DE recognition of financial instruments. The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for DE recognition under IND AS 109.A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment

All financial assets classified as at amortized cost shall be tested for impairment under Ind AS 109 and measured using Expected Credit Loss (ECL) model."

2.12 Fair Value

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs

Level 1 — quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 — inputs that are unobservable for the asset or liability

2.13 Government Grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received and the company will comply with all attached conditions. All government grants are initially recognized by way of setting up as deferred income. Government grants relating to income are subsequently recognized in the profit or loss over the period necessary to match them with the costs that they are intended to compensate. Government grants relating to the purchase of property plant and equipment are subsequently recognized in profit or loss on a systematic basis over the expected life of the related depreciable assets. Grants recognized in Profit and Loss as above are presented within other income.

2.14 Research & Development Expenditure

Expenditure on research is recognized as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred Items of property, plant and equipment and acquired Intangible assets utilized for Research and Development are capitalized and depreciated in accordance with the policies stated for property, plant and equipment and intangible assets.

2.15 Provisions and Contingent Liabilities

Provisions: Provisions are recognized when there is a present obligation as result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value unless the effect of time value of money is material.

When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

2.16 Earnings per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting equity dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

3. Critical accounting judgments, assumptions and key sources of estimation uncertainty

The following are the critical judgments, assumptions concerning the future, and key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

3.1. Useful lives of property, plant and equipment

As described at Note 2.3 above, the charge in respect of periodic depreciation for the year is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed annually. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

3.2. Taxation

Significant assumptions and judgments are involved in determining the provision for tax based on tax enactments, relevant judicial pronouncements and tax expert opinions, including an estimation of the likely outcome of any open tax assessments / litigations. Deferred income tax assets are recognized to the extent that it is probable that future taxable income will be available, based on estimates thereof.

3.3. Provisions and contingencies

Critical judgments are involved in measurement of provisions and contingencies and estimation of the likelihood of occurrence thereof based on factors such as expert opinion, past experience etc.

32. Notes forming part of the Financial Statements

Note xi Financial Instruments

A. Capital risk management

The capital structure of the company consists of debt, cash and cash equivalents and equity attributable to equity shareholders of the company which comprises issued share capital and accumulated reserves disclosed in the Statement of Changes in Equity.

The company's capital management objective is to achieve an optimal weighted average cost of capital while continuing to safeguard the company's ability to meet its liquidity requirements (including its commitments in respect of capital expenditure) and repay loans as they fall due.

Particulars	Amount in Lakhs	
	As at 31 March 2024	As at 31 March 2023

Total Equity	1,441.77	1,411.08
Net Debt to equity ratio	1.10	1.49

B. Financial Risk Management

i) Interest rate risk

The company is exposed to interest rate risk as the company borrows funds at both fixed and floating interest rates. The risk is managed by the company by maintaining an appropriate mix between fixed and floating rate borrowings. The use of interest rate swaps are also entered into, especially to hedge the floating rate borrowings or to convert the foreign currency floating interest rates to the domestic currency floating interest rates.

b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group. The Group has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Group only transacts with entities that are rated the equivalent of investment grade and above. The Group uses other publicly available financial information and its own trading records to rate its major customers. The Group's exposure and the credit ratings of its counterparties are continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties.

Trade receivables consist of a large number of customers, concentrated in the automobile industry, mainly the Original Equipment Manufacturers ("OEM"). Ongoing credit evaluation is performed on the financial condition of accounts receivable and, where appropriate, security deposits are received from customers.

At 31 March 2023, the company did not consider there to be any significant concentration of credit risk which had not been adequately provided for. The carrying amount of the financial assets recorded in the financial statements, grossed up for any allowances for losses, represents the maximum exposure to credit risk.

c) Liquidity Risk

The company manages liquidity risk by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities for the company. The company has established an appropriate liquidity risk management framework for its short term, medium term and long term funding requirement

xii. Foreign Currency Risk

The Company's exposure in USD and other foreign currency denominated transactions in connection with import of cotton, capital goods & spares, besides exports of finished goods in foreign currency, gives rise to exchange rate fluctuation risk. The Company has following policies to mitigate this risk: Decisions regarding borrowing in Foreign Currency and hedging thereof, and the quantum of coverage is driven by the necessity to keep the cost comparable. Foreign Currency loans, imports and exports transactions are hedged by way of forward contract after taking into consideration the anticipated Foreign exchange inflows/ outflows, timing of cash flows, tenure of the forward contract and prevailing Foreign exchange market conditions.

The company's exposure to foreign currency risk (Un-hedged) as detailed below:			
Currency	Trade Payables	Trade and other receivables	Amount in lakhs

Euro	3.21	0.03	-0.03	14.20	0.14	-0.14

Cash flow and fair value interest rate risk:

Interest rate risk arises from short term borrowings with variable rates which exposed the Company to cash flow interest rate risk. The Company is exposed to the evolution of interest rates and credit markets for its future refinancing, which may result in a lower or higher cost of financing, which is mainly addressed through the management of the fixed/floating ratio of financial liabilities. The Company constantly monitors credit markets to strategize a well-balanced maturity profile in order to reduce both the risk of refinancing and large fluctuations of its financing cost.

The Company believes that it can source funds for both short term and long term at a competitive rate considering its strong fundamentals on its financial position.

xiii) Capital Management:

For the purpose of the Company's capital management, capital includes issued equity share capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the Shareholders' wealth. The Company manages its capital structure and makes adjustments in the light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus debt.

33. Leases:

The Company incurred Rs.56.12 Lakhs for the year ended March 31, 2024 (March 31, 2023- Rs.61.72 lakhs) towards expenses relating to short-term leases.
