PRESS RELEASE

The Kalyani Group Unveils, first of its kind, the Revolutionary MArG 155mm/45 Cal Mounted Gun System on 4 X4 HMV offering unmatched mobility, fire power and range, at IDEX 2025 at IDEX Abu Dhabi

Abu Dhabi, UAE, February 17, 2025 - Kalyani Strategic Systems Limited, a wholly-owned defence subsidiary of Bharat Forge, proudly unveiled the **MArG 45, mobile gun system mounted on a 4x4 all-terrain platform**, at IDEX Abu Dhabi 2025. The prestigious launch was officiated by **H.E. Shri Sunjay Sudhir, Ambassador of India to the UAE**, reinforcing India's commitment to advancing global defense technology.

MArG 45 exemplifies Kalyani Group's ingenuity in challenging conventions, integrating firepower, range, and mobility into a single, ground-breaking platform. Designed for rapid deployment and superior manoeuvrability, it is a "go-anywhere" gun with unparalleled shoot-and-scoot capabilities.

Mr. Baba Kalyani, Chairman & MD, Bharat Forge Ltd., commented on this milestone: *"This Mounted Gun Platform represents a significant leap in defense technology, showcasing our commitment to innovation and excellence. It is a testament to our capability to develop 'Designed and Made in India' most advanced artillery defence platforms."*

The unveiling of MArG 45 marks a significant milestone in mobile artillery, reinforcing Kalyani Group's commitment to self-reliance and cutting-edge defense innovation. This breakthrough system is set to redefine modern battlefield capabilities with its exceptional agility, firepower, and rapid deployment efficiency.

MArG 45 offers unmatched firepower, capable of firing beyond **36 km** using conventional ammunition. Built for superior mobility, its tailor-made chassis, developed in-house, ensures maximum agility in diverse combat environments. The system is compatible with NATO-standard and in-service ammunition, enhancing its versatility. Weighing **23.5 tons**, it carries **18 rounds with Zone 6** onboard, enabling sustained operations. Designed for rapid deployment, it boasts a coming into action time of just 1.5 minutes during the day and 2 minutes at night. With an **elevation range of -2° to +72°** and a **traverse of 25° left and right**, it delivers exceptional battlefield adaptability. The gun features an **intense rate of fire of 10 rounds in 3 minutes** and a **sustained rate of 42 rounds in 60 minutes**, ensuring continuous firepower during combat.

About Kalyani Strategic Systems Limited KSSL (a wholly owned subsidiary of Bharat Forge Limited), a pioneer in the Indian defense industry with a strong research-and-development focus, has developed a number of indigenous weapon platforms, off-road protected mobility solutions and high-technology military products. It is already exporting its in-house designed and developed artillery systems, munitions, and mobility solutions globally.

About Bharat Forge Bharat Forge Limited (BFL), a Pune-based Indian multinational, is a technology driven global leader in providing high performance, innovative safety critical components and solutions for several sectors including automotive, power, oil and gas, construction & mining, rail, marine, defense and aerospace. BFL has global manufacturing footprint with presence across five countries, with the largest repository of metallurgical knowledge and offers full service supply capability to its geographically dispersed marquee customers from concept to product design, engineering, manufacturing, testing and validation.
