Indkal Tech inks deal with Acer to make & design smartphones

Devices to be priced between ₹15,000 and ₹50,000

FE BUREAU
New Delhi, July 11

CONSUMER ELECTRONICS COMPANY Indkal Technologies has signed a trademark licensing agreement with Acer to design, manufacture and distribute smartphones under the Acer brand in India.

The smartphones will be priced between ₹15,000 and 50,000.

In 2009, Acer first launched its smartphones in India. In 2016, the company also started assembling smartphones at its facility in Pudukchery.

However, the company did not get good traction amid competition from Chinese smartphone companies at that time.

In fact, Acer sold only 30,000 smartphone units in India in 2016, compared to over a million by Xiaomi.

"Acer smartphones are something we have been working on for a couple of years. With Acer smartphones, we are certain that Indian consumers are in for a treat," said Anand Dubey, chief executive officer of Indkal Technologies.

"Our customers will experience exceptionally well-designed smartphones with high end processors, top notch camera technology and a host of premium features across the range," Dubey said, adding that all Acer-branded smartphones will be designed and manufactured in India.

Once launched, Acer smartphones will be available for purchase through both e-commerce platforms and offline retail stores across the country.

"Since its establishment in

1987, the Acer brand mission has always been to break barriers between people and technology. We are excited that Indkal Technologies will further this mission in India by providing a wide range of smartphones under the Acer brand that expand end user choices and enrich their experience in the India market," said Jade Zhou, VP of Global Strategic Alliances at Acer Incorporated.

In the personal computer segment, Acer has a 1.2% market share in India, as per IDC.

₹25,000-cr bank loan fraud ED arrests Amtek Auto promoter

PRESS TRUST OF INDIA
New Delhi, July 11

THE ENFORCEMENT DIRECTORATE (ED) on Thursday said it has arrested the director of an insolvent automotive equipment manufacturing company as part of a money laundering probe linked to an alleged ₹25,000-crore bank loan fraud case. Arvind Dham, the promoter and one of the directors of the Amtek Group, was taken into custody on Tuesday (July 9), it said in a statement.

A special Prevention of Money Laundering Act (PMLA) court in Delhi sent him to a seven-day ED custody after he was produced before it on Wednesday. The money laundering case against the company and its directors stems from an FIR that was registered by CBI on written complaints from IDBI Bank and Bank of Maharashtra, the ED said.

It was alleged that loans were diverted through cheating, fraud and criminal breach of trust, causing a wrongful loss of worth ₹673.35 crore to the banks, the agency said.

The Supreme Court in February, while deciding a public interest petition against the Amtek Auto group of companies, directed the ED to probe the case. The agency conducted raids last month at the premises of Dham, another company director Gautam Malhotra and others in Delhi-NCR, Mumbai

A special PMLA court in Delhi has sent Arvind Dham, the promoter and one of the directors of the Amtek Group, to a seven-day ED custody

and Nagpur. It said the Amtek group defaulted on loans taken from more than 15 banks.

Amtek group companies like ARG, ACIL, Amtek Auto, Metallic Forging and Castex Technologies along with other group firms were taken to insolvency, the resolution of which has led to a huge haircut of more than 80% for the banks, causing substantial loss to the financial system, the agency said.

Dham, it alleged, was the "beneficial owner" of several benami properties in various companies, with employees of the group like peons, drivers, field boys and persons with "no linkage" to the group companies, acting as directors.
