(7) To Consider and approve related party transaction between Zenith Healthcare Limited and Achyut Healthcare Limited arise due to “FACILITY TIE UP AGREEMENT”.

This is to inform all the members that the Company's various pharmaceutical products are well accepted in the Market and the company is receiving good orders for domestic supply as well as for export of the same. For this purpose the company is required to increase its production capacity substantially. Such Increase in production capacity is possible either by making substantial capital investment in Land, Buildings, Plant Machineries etc which will involve huge capital funds to be invested. Another option is to acquire on rent/lease or fix charge basis the existing manufacturing facilities of any other pharmaceutical companies which will be run by the Company Zenith healthcare Limited itself with its own trained and qualified manpower which will ultimately save substantial investment in Capital outlay and long term interest cost whereas acquiring such facilities on fees/ charges basis will increase the overall production cost of products.

But considering the fluctuating interest rates in current market scenario as well as the fees/ charges if any to be paid to facility providers is much less than interest and installment cost for Loans to be obtained from Bankers. Hence, the Company has identified the existing Manufacturing facilities of M/s. Achyut Healthcare Limited, situated at Village: Bhat, Taluka: Vejalpur, District; Ahmedabad which very near to company's existing manufacturing plant and it will be easy to strategically control the movement of materials, manpower, dispatch of raw materials, finished goods etc and will reduce the overall cost of production in the long run.

Mr. Mahendra C Raycha, Mr. Akshit M Raycha and their relatives being Directors in both the companies and Mrs. Neela M Raycha director of the Company being relatives of each other may be deemed to be concerned or interested in this resolution and as per provision of sub-section 3 of section 188 shall not be eligible to vote on this resolution.

Your directors recommend to pass this resolution with requisite majority in the overall business and commercial interest of the Company.

Hence approval of the shareholders is being sought by way of Special Resolution as per our related party transactions policy for the said Related Party Transaction(s) proposed to be entered by our Company with Zenith Healthcare Limited in the financial year 2024-25.

MANAGEMENT DISCUSSION & ANALYSIS REPORT:

As per Clause 34(2) (e) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis Report, is appended to this report.

(A) INDUSTRY STRUCTURE DEVELOPMENT AND OUTLOOK :

The Company operates in the single Business Segment of Manufacturing of Pharmaceutical formulations in the forms of Tablets, Capsules, Oral liquid and Injectable. Industry is expected to achieve average annual growth.

(B) PARTICULARS OF EMPLOYEES

There was no employee drawing salary in excess of limits described under Section 134 of the Companies Act, 2013 read with Companies (Appointment & Remuneration of Managerial Personnel) Rules 2014.

(C) OPPORTUNITIES, THREATS, RISKS & CONCERNS :

Very high competition from large and small and new comers in the Pharma field it is very difficult to stand in stable position. As Government issued revised new DPCO and control the Prices of more than 650 products, many products of our Company are covered under DPCO so may affect the working of the Company. The management has added some products in the products mix and Company has also obtained their plant Registration in the Countries like Kenya, Nigeria and Uzbekistan and few products got registered and other products Registration process are pending hence management have confidence that in near future Company may achieve export revenues in addition to domestic revenues.

(D) INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY :

The Company has a good system of internal controls in all spheres of its activity. The internal control system is supplemented by effective internal audit being carried out by an external firm of Chartered Accountants. The Audit committee regularly reviews the findings of the internal auditors and effective steps to implement the suggestion / observation of the Auditors are taken and monitored regularly. In the opinion of the Board, an effective internal control system adequate to the size of the Company exists.

(E) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECTS TO OPERATIONAL PERFORMANCE :

The management is very much hopeful for bright future of the company as the products of the company enjoys very good reputation in the market as well as with the doctors. The sales team of the company always updates the management and accordingly the management change the products mix as per trend of the market. Here, management would like to inform that due to heavy competition from the large phrama companies as well as new companies' entry in the market, the sales and margin has been decreased substainally but few products are registered in Nigeria and export orders are started so in near future Company may get handsome export business.

(F) CAUTIONARY STATEMENT :

Statements in the Management Discussion and analysis describing the Company's position and expectation may be "Forward Looking Statements" within the meaning of applicable securities laws & regulations. Actual results could differ materially from those expressed or implied Important factors that could make, among other, economic conditions affecting demand / supply and price conditions in the market in which the Company operates, in the Government regulations, Tax Laws and other statutes and incidental factors.

INDEPENDENT AUDITOR'S REPORT

TO
THE MEMBERS OF ZENITH HEALTHCARE LIMITED

Report on the audit of the financial statements

Opinion

We have audited the standalone financial statements of M/s ZENITH HEALTHCARE LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss (including Other Comprehensive Income) the Statement of Changes in Equity, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

1. As required by Section 143(3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid IND AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India.

(e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii. There were no amounts which are required to be transferred by the Company to the Investor Education and Protection Fund.
- iv. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall,

whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the

Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(i) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of ZENITH HEALTHCARE LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of ZENITH HEALTHCARE LIMITED of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

1. In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (b) The Company has maintained proper records showing full particulars of intangible assets.
The Company has a program of physical verification of Property, Plant and Equipment and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on our examination of the registered sale deeds/ transfer deeds/ conveyance deeds provided to us, we report that immovable properties disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right- of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
2. The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. According to the information and explanations given to us and as examined by us, no material discrepancies of 10% or more in the aggregate for each class of inventory were noticed on such verification.
3. The Company has made investments & has provided Loans to Companies during the year, in respect of which:
 - (a) The Company has not provided loans or advances in the nature of loans.
 - (b) In our opinion, the investments made are prima facie, not prejudicial to the Company's interest.
 - (c) The Company has not provided any loans or advances in the nature of loans, hence there is no overdue amount remaining outstanding as at the balance sheet date.
 - (d) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.
 - (e) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.
4. The Company has complied with the provisions of Sections 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
5. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
6. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
7. In respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Income Tax and other material statutory dues applicable to it with the appropriate authorities.
There were no undisputed amounts payable in respect of Goods and Service tax, Income Tax and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
 - (b) However, according to information and explanations given to us, No dues against the Company on account of disputes.
8. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961(43 of 1961).
9.
 - (a) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (b) The Company has not taken any term loan during the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (c) On an overall examination of the financial statements of the Company, funds raised on short- term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (d) The Company is not having any Subsidiary and hence, reporting under clause 3(ix)(e) of the Order is not applicable for the year.
 - (e) The Company is not having any Subsidiary, joint venture or associate company and hence reporting on clause 3(ix)(f) of the Order is not applicable for the year.
10. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the

year and hence reporting under clause 3(x)(a) of the Order is not applicable.

During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

11. No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
12. No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
13. No whistle blower complaints have been received by the Company during the year.
14. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
15. In our opinion, the Company is in compliance with Section 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
16. In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
17. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
18. In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
19. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
20. There has been no resignation of the statutory auditors of the Company during the year.
21. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
22. There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

Notes to Standalone Financial Statements for the year 31st March, 2024**COMPANY INFORMATION**

The company is based in Ahmedabad and is primarily involved in trading and manufacturing of pharmaceutical products.

Note 1 SIGNIFICANT ACCOUNTING POLICIES adopted by the Company in the preparation and presentation of the Accounts: -**1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENT**

The financial statements have been prepared in accordance with Indian Accounting Standards [Ind AS] notified under the Companies [Indian Accounting Standards] Rules, 2015, as amended and other relevant provisions of the Companies Act, 2013.

Current Versus Non-Current Classification

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or noncurrent classification of assets and liabilities.

1.1 Use of Estimates and Judgments

In preparing the financial statements, the Management has to make certain assumptions and estimates that may substantially impact the presentation of the Company's financial position and/ or results of operations.

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Although the Company regularly assesses these estimates, actual results may differ from these estimates. Changes in estimates are recorded in the periods in which they become known.

1.2 Summary of Significant accounting policies**(a) Property, Plant & Equipment****Measurement at recognition:**

An item of property, plant and equipment that qualifies as an asset is measured on initial recognition at cost. Following initial recognition, items of property, plant and equipment are carried at its cost less accumulated depreciation and accumulated impairment losses.

The cost of an item of property, plant and equipment comprises of its purchase price including import duties and other nonrefundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. Any trade discounts and rebates are deducted in arriving at the purchase price. Cost includes cost of replacing a part of a plant and equipment if the recognition criteria are met. Expenses directly attributable to new manufacturing facility during its construction period are capitalized if the recognition criteria are met. Expenditure related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant heads of property, plant and equipment if the recognition criteria are met.

Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred

Capital work in progress and Capital advances:

Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as Other Non-Current Assets.

Depreciation and Amortization

Depreciation on each part of an item of property, plant and equipment is provided using the Straight Line Method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Leasehold improvements are amortized over the period of the lease.

The Estimated useful lives of the assets are as follows:

Asset Class	Useful Life taken
Factory Building	60 years
Plant & Machinery	20 years
Furniture & Fixtures	10 years
Vehicles	8 to 10 years
Office Equipments	5 year
Computers	3 years

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Derecognition:

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of Profit and Loss when the item is derecognized.

(b) Intangible Assets**Measurement at recognition:**

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Internally generated intangibles including research cost are not capitalized and the related expenditure is recognized in the Statement of Profit and Loss in the period in which the expenditure is incurred. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

The Company had elected to consider the carrying value of all its intangible assets appearing in the financial statements prepared in accordance with Accounting Standards notified under the section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014.

Amortization:

Intangible Assets with finite lives are amortized on a Straight Line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Statement of Profit and Loss. The estimated useful life of intangible assets is mentioned below:

Asset Class Useful Life

The amortization period and the amortization method for an intangible asset with finite useful life is reviewed at the end of each financial year. If any of these expectations differ from previous estimates, such change is accounted for as a change in an accounting estimate.

Derecognition:

The carrying amount of an intangible asset is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the Derecognition of an intangible asset is measured as the difference between the net disposal proceeds and the carrying amount of the intangible asset and is recognized in the Statement of Profit and Loss when the asset is derecognized.

(c) Revenue Recognition

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of Products:

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time i.e., when the material is shipped to the customer or on delivery to the customer, as may be specified in the contract.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and goods and services tax. Transaction price is recognized based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

Export Incentive:

Income from Export Incentives are recognized on an accrual basis to the extent the ultimate realisation is reasonably certain.

(d) Other Income

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts over the expected life of the financial asset to the asset's gross carrying amount on initial recognition. When calculating the effective interest rate, the

Company estimates the expected cash flows by considering all the contractual terms of the financial instrument.

(e) Inventories

“Raw materials components stores and spares are valued at lower of cost and net realizable value. However materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Whichever is lower. Cost of raw materials components and stores and spares is determined on FIFO basis.

Finished goods are valued at lower of cost and net realizable value. Cost includes direct materials. Cost of finished goods does not includes GST. Cost is determined on FIFO basis.

Traded goods are valued at estimated cost based on the selling price of the stock based on the past practice.

Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

(f) Financial Instruments**(i) Financial Assets**

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of Financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction cost are recognised in the statement of profit and loss. In other cases, the transaction cost are attributed to the acquisition value of the financial asset.

“Financial assets are subsequently classified as measured at

Amortised cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Financial assets are accounted for at amortised cost using the effective interest method. This category comprises trade accounts receivable, loans, cash and cash equivalents, bank balances and other financial assets. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the Statement of Profit and Loss when the asset is derecognised or impaired. Interest income from these financial assets is included in Other Income using the effective interest rate method.”

-Fair value through profit and loss (FVTPL)

Assets shall be measured at FVPL unless it is measured at amortised cost or at FVOCI. A gain or loss on a debt instrument that is subsequently measured at FVPL and is not part of a hedging relationship is recognised in the Statement of Profit and Loss and presented within other gains/ (losses) in the period in which it arises. Interest income from these financial assets is included in Other Income.

- Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. The movements in carrying amount are taken through Other Comprehensive Income, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in Other Comprehensive Income is reclassified from equity to the Statement of Profit and Loss and recognised in other gains/ (losses). Interest income from these financial assets is included in Other Income using the effective interest rate method.”

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Derecognition

Financial assets are derecognised when contractual rights to receive cash flows from the financial assets expire or the financial assets are transferred together with all material risks and benefits.

(ii) Financial Liabilities

Financial liabilities are initially recognised at fair value if the Company has a contractual obligation to transfer cash or other financial assets to another party. Borrowings and payables are recognised net of directly attributable transaction costs. In subsequent periods, such liabilities are measured at amortised cost using the effective interest method.

Derecognition

Financial liabilities are derecognised when the contractual obligation is discharged or cancelled, or has expired.

(g) Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The Company applies Expected Credit Loss (ECL) model for recognising impairment loss on financial assets measured at amortised cost. The Company follows 'simplified approach' permitted by Ind AS 109 - Financial Instruments for recognition of impairment loss on trade receivables and lease receivables based on expected lifetime losses at each reporting date right from its initial recognition. If the reasons for previously recognised impairment losses no longer apply, the impairment losses are reversed provided that this does not cause the carrying amounts to exceed the amortised cost of acquisition.

(h) Fair Value Measurement

The Company measures certain financial instruments at fair value at each reporting date. Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability also reflects its non-performance risk.

The best estimate of the fair value of a financial instrument on initial recognition is normally the transaction price – i.e. the fair value of the consideration given or received. If the Company determines that the fair value on initial recognition differs from the transaction price and the fair value is evidenced neither by a quoted price in an active market for an identical asset or liability nor based on a valuation technique that uses only data from observable markets, then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently that difference is recognised in Statement of Profit and Loss on an appropriate basis over the life of the instrument but no later than when the valuation is wholly supported by observable market data or the transaction is closed out.

While measuring the fair value of an asset or liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation technique as follows:

-Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

-Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

-Level 3: inputs for the assets or liability that are not based on observable market data (unobservable inputs)

When quoted price in active market for an instrument is available, the Company measures the fair value of the instrument using that price. A market is regarded as active if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

If there is no quoted prices in an active market, then the Company uses a valuation techniques that maximise the use of relevant observable inputs and minimise the use of unobservable inputs. The chosen valuation technique incorporates all of the factors that market participants would take into account in pricing a transaction.

The Company regularly reviews significant unobservable inputs and valuation adjustments. If the third party information, such as broker quotes or pricing services, is used to measure fair values, then the Company assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

(i) Trade Receivables and Loans

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

(j) Investments

Financial assets are recognised and measured in accordance with Ind AS 109 - Financial Instruments. Accordingly, the Company recognises financial asset only when it has a contractual right to receive cash or other financial assets from another entity. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss (FVPL), transaction costs that are attributable to the acquisition of the financial asset. Subsequent to initial recognition, financial assets are measured at amortised cost, fair value through other comprehensive income (FVOCI) or FVPL. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

Investment in Equity Instruments are classified as FVPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income for investment in equity instruments which are not held for trading.

(k) Foreign Currency Transactions

The Financial statements are presented in Indian Rupee, which is the Company's functional and presentation currency. A company's functional currency is that of the primary economic environment in which the company operates.

Foreign currency transactions are translated into the functional currency using the exchange rate at the date of the transaction. Foreign exchange gains/ losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in the Statement of Profit and Loss.

Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss either as profit or loss on foreign currency transaction and translation or as borrowing costs to the extent regarded as an adjustment to borrowing costs

Non – Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(l) Income tax

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current Tax:

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961. Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities

Deferred Tax:

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial statements and the corresponding tax bases used in the computation of taxable profit under Income tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Also, for temporary differences if any that may arise from initial recognition of goodwill, deferred tax liabilities are not recognized.

Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Presentation of current and deferred tax:

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when

they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/expense are recognized in Other Comprehensive Income

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

(m) Provisions, Contingent Liabilities and Contingent Assets

"A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes.

Contingent assets are not disclosed in the Financial statements unless an inflow of economic benefits is probable."

(n) Cash & Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(o) Employee Benefits

- (i) **Provident Fund and Pension Fund:** Contribution to provident and pension fund maintained with the Provident fund authorities is charged to Profit & Loss account on accrual basis.
- (ii) **Gratuity:** Gratuity liability as on 31st March, 2024 has been determined by the actuarial valuation. Difference of such liability has been paid for in these accounts under Insurance Policy of LIC of India.
- (iii) **Leave Encashment:** The Company has policy to make payment of unutilized leaves every year as per rules of the applicable Act.
- (iv) **Other Employee Benefits:** Other Employee Benefits such as bonus etc. are accounted for on accrual basis.

(p) Impairment of Non-financial Assets

Non-financial assets other than inventories, deferred tax assets and non-current assets classified as held for sale are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any indication of such impairment exists, the recoverable amount of such assets / cash generating unit is estimated and in case the carrying amount of these assets exceeds their recoverable amount, an impairment is recognized.

The recoverable amount is the higher of the fair value less cost to sell and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. Assessment is also done at each Balance Sheet date as to whether there is indication that an impairment loss recognized for an asset in prior accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognized in the Statement of Profit and Loss.

(q) Dividends Payable

The Company has not recommended any dividend for current year.

(r) Earnings Per Share

(i) Basic Earnings per Share

Basic earnings per share is calculated by dividing: -

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year

(ii) Diluted Earnings per Share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:-

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(s) Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

(t) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously

(u) Rounding Of Amounts

All amounts disclosed in the Financial statements and notes have been rounded off to the nearest lakhs, unless otherwise stated.

(i) Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

(ii) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technical or commercial obsolescence arising from changes or improvements in production or from a change in market demand of the product or service output of the asset.

(iii) Defined Benefit Obligation

The costs of providing pensions and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

(iv) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

(v) BORROWING COSTS

No Borrowing Outstanding as at end of the year, Company is temporally using OD against FDR facility only.

(w) RELATED PARTY TRANSACTIONS

Disclosure of transactions with Related Parties, as required by Ind AS and relevant provision Companies Act, 2013 "Related Party disclosures" has been set out in a separate note forming part of this schedule.

(x) LEASES

The Company's significant leasing arrangements are in respect of operating leases for office premises, stores & godown. The leasing arrangements ranging between 11 months and five years are generally, and are usually Renewable by mutual consent on agreed terms. The aggregate lease rentals payable are charged as rent including lease rentals.

(y) PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions involving substantial degree of estimation in measurements are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in notes. Contingent assets are neither recognized nor disclosed in the financial statements.

(z) ACCOUNTING OF CLAIMS

- Claims received are accounted at the time of received return goods and damaged and expiry goods.
- Claims raised by Government authorities regarding taxes and duties, which are disputed by the Company, are accounted based on legality of each claim. Adjustments, if any, are made in the year in which disputes are finally settled.

• Miscellaneous Expenditure

Preliminary expenses and pre-operative expenses are amortized over a period of 10 years.

• Expenses

Material known liabilities are provided for and on the basis of available information / estimates with the Management. Whenever external evidences for expenses are not available, the management has taken care of proper authorization of such expenses.

The Company has a branch at Kolkata, for that, the Company maintains separate books of accounts which are being kept at the registered office. At the end of the year, the accounts are merged with the H.O. accounts. The same have been audited by the Statutory Auditors of the Company.
