NOTES:

1. The Explanatory Statement pursuant to Regulation 36(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, with respect to the Ordinary Business as set out in Item No. 2 is annexed hereto. Additional Information, pursuant to Para 1.2.5 of SS-2 (“Secretarial Standard on General Meetings”) and Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in respect of re-appointment of Mr. Rajiv Daga at the 7th Annual General Meeting is also annexed hereto.
2. A Member entitled to attend and vote at the Annual General Meeting (“the Meeting/ AGM”) is entitled to appoint a proxy to attend and vote on a poll instead of him/her and the proxy need not be a Member of the Company. The instrument appointing the proxy, in order to be effective, should be deposited, duly completed and signed, at the registered office of the Company not less than forty-eight hours before the commencement of the Meeting. A proxy form is attached herewith.

A person can act as a proxy on behalf of Members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A Member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

3. The proxy holder shall prove his/her identity at the time of attending the Meeting.
4. When a Member appoints a proxy and both the Member and proxy attend the Meeting, the proxy stands automatically revoked.
5. Requisition for inspection of proxies shall be received by the Company in writing from a Member entitled to vote on any resolution at least three days before the commencement of the Meeting.
6. Corporate Members intending to attend the Meeting are required to send to the Company a certified copy of the Board Resolution, pursuant to Section 113 of the Companies Act, 2013, authorizing their representative to attend and vote at the Meeting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to deepakksadhu@gmail.com with a copy marked to evoting@nsdl.com.
7. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
8. The Register of Member and Share Transfer Books of the Company will remain closed from 23rd of September, 2024 to 30th of September, 2024 (both days inclusive) in connection with the Annual General Meeting.
9. SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the RTA.
10. Since, the securities of the Company are traded compulsorily in dematerialized form as per SEBI mandate, Members holding shares in physical form are requested to get their shares dematerialized at the earliest.
11. Electronic copy of the Annual Report 2023-24, Notice of the aforesaid AGM of the Company, inter alia, indicating the process and manner of e-voting along with Attendance Slip and Proxy Form is being sent to all the Members whose email IDs are registered with the Company's Registrar & Share Transfer Agent/Depository Participant(s) for communication purposes unless any Member has requested for a hard copy of the same. The physical copies of the Notice of the aforesaid AGM of the Company, inter alia, indicating the process and manner of e-voting along with Attendance Slip and Proxy Form are being sent to the registered address of the Members of the Company who have not registered their e-mail address in the permitted mode.
12. In keeping with the Ministry of Corporate Affairs' Green Initiative measures, the Company hereby requests the Members who have not registered their email addresses so far, to register their email addresses for receiving all communication including annual report, notices, circulars etc. from the Company electronically.
13. The Register of Contracts or Arrangements in which Directors are interested, maintained under Section 189 of the Companies Act, 2013, the Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Companies Act, 2013 read with Rules issued thereunder are open for inspection by the Members at the registered office of the Company on all working days, except Saturdays, between 11:00 a.m. to 1:00 p.m. and also at the AGM. Also, the Notice for this 7th AGM along with requisite documents and the Annual Report for the financial year 2023-24 shall also be available on the Company's website www.archidplydecor.com. Further, the notice received, if any, under Section 160 of the Companies Act, 2013 will be put up on the website of the Company up to the date of the Meeting.
14. In accordance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has engaged the services of NSDL to provide the facility of voting by electronic voting system to all the Members to enable them to cast their votes electronically in respect of all the businesses to be transacted at the aforesaid Meeting. The facility of casting the votes by the Members using such electronic voting system from a place other than venue of the AGM ("remote e-voting") is being provided by NSDL.
15. The facility for voting through Poll/Ballot Paper shall be made available at the AGM and the Members attending the Meeting who have not cast their vote by remote e-voting shall be able to exercise their right to vote at the Meeting through Poll/ Ballot Paper. The facility for voting by electronic voting system shall not be made available at the AGM of the Company.

16. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before 27th September, 2024 through email on bangalore@archidply.com. The same will be replied by the Company suitably. Documents referred to in this Notice will be made available for inspection as per applicable statutory requirements.
17. The Company has designated a separate e-mail ID of the grievance redressal division/Compliance officer i.e. 'bangalore@archidply.com', exclusively for the purpose of registering complaints by investors.
18. In accordance with, the General Circular No. 20/2020 dated 5th May, 2020 and General Circular No. 2/2021 dated 13th January, 2021 issued by MCA, and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020 and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15th January, 2021 issued by SEBI, owing to the difficulties involved in dispatching of physical copies of the financial statements (including Report of Board of Directors, Auditor's report or other documents required to be attached therewith), such statements including the Notice of AGM are being sent in electronic mode to Members whose e-mail address is registered with the Company or the Depository Participant(s). Members may note that the Notice and Annual Report will also be available on the Company's website <https://www.archidplydecor.com>, websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of NSDL i.e. . www.evoting.nsdl.com.
19. The e-voting facility will be available during the following voting period:
- Commencement of remote e-voting: From 10.00 a.m. IST of September 27, 2024.
 - End of remote e-voting: Up to 5.00 p.m. IST of September 29, 2024.
20. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. September 23, 2024, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter and the facility will be blocked forthwith.

Management Discussion and Analysis Report

1. Industry Structure and Developments

The outlook for the global economy in 2024 is one of cautious optimism, with growth expected to be moderate but resilient in the face of continuing challenges. India's GDP growth is estimated at 7.6% for the year ending March 31, 2024, with Moody's projecting a growth rate of 6.8% for CY 2024.

The wood industry in India plays a vital role in the country's economic growth, particularly within the construction, furniture, and interior design sectors. Key products such as plywood, veneer, and particle boards are central to this industry, each catering to specific market demands.

Plywood is a cornerstone of the Indian wood industry, known for its strength, durability, and versatility. It is widely used in construction, furniture manufacturing, and interior paneling. The demand for plywood has surged alongside India's booming real estate and housing sector, driven by rapid urbanization and the government's push for affordable housing under initiatives like Housing for All.

The Indian plywood market looking forward, IMARC Group expects the market to reach INR 297.2 Billion by 2027-28, exhibiting a CAGR of 7.4% during 2022-23 to 2027-28.

Veneer products, often considered a premium segment, have also seen growth. Veneer provides an aesthetically pleasing finish, enabling the use of luxurious or exotic wood appearances without the high costs associated with solid wood. The Indian market has responded well to innovations in veneer, particularly with the introduction of more affordable options that appeal to a broader consumer base. The decorative veneer market in India is estimated to grow at a CAGR of 8.6% during FY 2022-28, reaching INR 4,500 crore by FY 2028. The market is driven by the rising demand for premium and aesthetic products, increasing disposable income, urbanization and changing consumer preferences.

Particle Board has gained popularity in India as a cost-effective and environmentally friendly alternative to solid wood and plywood. With its increasing use in the production of low-cost furniture, cabinetry, and flooring, the particle board segment is aligned with India's sustainable growth agenda. The growing demand for affordable and functional furniture, especially among the rising middle class and in urban centers, has fueled the expansion of this segment.

Overall, the Indian wood industry is poised to be a significant player in the global market, leveraging its growth potential, government support, and a strategic focus on sustainability and innovation.

2. OPPORTUNITIES AND THREATS

The wood panel industry in India presents a mix of opportunities and threats that are shaping its future landscape, particularly in the context of the Company's focus on high-end plywood and decorative veneers. Although the market for decorative veneers has been impacted, given its luxury segment classification, the Company has responded by introducing more affordable categories of veneers and plywood, positioning itself to leverage both existing and emerging market dynamics.

Opportunities:

- **Growth in Housing and Government Initiatives:** The wood panel industry is poised to benefit significantly from the growth in the housing sector, supported by favorable government initiatives like *Make in India*, *Housing for All*, and the *Smart Cities Mission*. These policies are expected to drive demand for wood panel products across the country.
- **Innovation and Quality Improvement:** There is a vast scope for innovation and quality enhancement within the industry. As market demand and competition intensify, companies can capitalize on these opportunities by developing superior products and adopting advanced manufacturing processes.

- **Emerging Segments:** The industry has substantial potential to expand into emerging segments such as MDF (Medium-Density Fiberboard), particle board, and laminates. These materials are increasingly popular due to their cost-effectiveness, durability, and environmental friendliness.
- **Eco-Friendly Products:** The growing consumer preference for eco-friendly and sustainable products presents an opportunity for the Company to further emphasize its commitment to manufacturing environmentally responsible wood panels, thus aligning with global trends and consumer expectations.

Threats:

- **Raw Material Shortages:** The industry is currently grappling with a shortage of key raw materials, including wood logs, veneer flitches, and resin, due to global supply chain disruptions exacerbated by the wars.
- **Import Competition:** The influx of cheaper, high-quality wood panel products from countries like China, Vietnam, Malaysia, and Indonesia poses a significant threat to the domestic market. These imports are eroding the market share and profitability of local manufacturers, intensifying competitive pressures.
- **Environmental Regulations:** The industry faces stringent environmental regulations and heightened social awareness regarding the sustainability and legality of wood sources. Compliance with various standards, such as FSC certification, E1/E2 emission standards, and BIS standards, is mandatory, adding to operational complexities.

Despite these challenges, your Company's well-established brand, strong pan-India presence, and network of dedicated channel partners built over four decades serve as robust tools to withstand competition. By maintaining a steadfast commitment to quality, eco-friendly manufacturing practices, and consistent commercial policies, the Company is well-positioned to navigate market challenges and achieve its growth targets. Additionally, the introduction of product variants within the same categories ensures continued relevance and appeal in a competitive market.

4. OUTLOOK

The Company's outlook remains consistent with its previous strategy: to maximize the utilization of its existing installed capacity across various product lines. Having successfully achieved this goal in the last fiscal year, the Company is focused on maintaining and further increasing this capacity utilization in the future.

5. Risks and Concerns

The Company has established a comprehensive and integrated risk management framework, incorporating stringent norms, regulations, and a prudent control mechanism. This approach aligns with the Company's strategic goals, shareholders' expectations for total returns, the Company's credit ratings, and its defined risk appetite. While the Company faces identifiable risks such as fluctuating interest rates, an unpredictable economy, a volatile business environment, and credit risk, along with uncontrollable external factors, it effectively mitigates these risks through a conservative business policy and diligent business practices.

6. Internal Control Systems and their adequacy

The Company has implemented internal controls across its business processes and departments to ensure operational efficiency, adherence to internal policies, and compliance with applicable laws and regulations.

These internal controls complement external oversight mechanisms, reinforcing the integrity of the Company's operations. To further enhance this system, a full-time in-house internal auditor has been appointed, ensuring the accuracy of accounting and financial transactions and compliance with regulatory requirements.

The internal auditor regularly monitors and evaluates the Company's internal controls, with their findings and observations being reviewed by the Audit Committee.

7. HUMAN CAPITAL

The Company's Industrial relations at all the levels remained cordial throughout the year.

8. CAUTIONARY NOTE

Important factors such as economic developments within the country, demand and supply conditions of the industry, input prices, changes in Government regulations, tax laws and other factors such as litigation and industrial relations, influence the Company's operations. This may lead to the Company's projections and approximate estimates to dispose them as "forward looking statements".

Though, these qualitative aspects are usually set in the framework meaning of applicable securities laws and regulations. The actual results may sometimes materially differ from those expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To the Members of
M/S. ARCHIDPLY DÉCOR LIMITED

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **M/s. Archidply Décor Limited ("the Company")** which comprises the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss(including Other Comprehensive Income), the Statement of changes in Equity and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its Profit, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statement.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addresses the matter is provided in that context.

Descriptions of Key Audit Matter	How we addressed the matter in our audit
<p>A. Valuation of Inventories</p> <p>Refer to note 8 to the financial statements. The Company is having Inventory of Rs. 2740.90 lakh as on 31st March, 2024.</p> <p>Inventories are to be valued as per Ind AS 2. As described in the accounting policies in note 1(11) to the financial statements, inventories are carried at the lower of cost and net realisable value. As a result, the management applies judgment in determining the appropriate provisions against inventory of Stores, Raw Material, Finished goods and Work in progress based upon a detailed analysis of old inventory, net realisable value below cost based upon future plans for sale of inventory.</p>	<p>We obtained assurance over the appropriateness of the management's assumptions applied in calculating the value of the inventories and related provisions by:</p> <ul style="list-style-type: none"> • Completed a walkthrough of the inventory valuation process and assessed the design and implementation of the key controls addressing the risk. • Verifying the effectiveness of key inventory controls operating over inventories; including sample based physical verification. • Verify that the adequate cut off procedure has been applied to ensure that purchased inventory and sold inventory are correctly accounted. • Reviewing the document and other record related to physical verification of inventories done by the management during the year.

Descriptions of Key Audit Matter	How we addressed the matter in our audit
<p>To ensure that all inventories owned by the entity are recorded and recorded inventories exist as at the year-end and valuation has been done correctly</p>	<ul style="list-style-type: none"> • Verify that inventories are valued in accordance with Ind AS 2 • Verifying for a sample of individual products that costs have been correctly recorded. • Comparing the net realisable value to the cost price of inventories to check for completeness of the associated provision. • Reviewing the historical accuracy of inventory provisioning and the level of inventory write-offs during the year. <p>Our Conclusion: Based on the audit procedures performed we did not identify any material exceptions in the Inventory valuation.</p>
<p>B. Revenue recognition on sale of goods and impairment loss allowance on trade receivables</p> <p>Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, rebates, scheme allowances, price concessions, incentives and returns, if any, ('variable consideration') as specified in the contracts with the customers. An estimate of variable consideration payable to the customers is recorded as at the year end. Such estimation is done based on the terms of contracts, rebates and discounts schemes and historical experience.</p> <p>In accordance with Ind AS 109 – Financial Instruments, the Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. In calculating the impairment loss allowance, the Company has considered its credit assessment and other related credit information for its customers to estimate the probability of default in future and has considered estimates of possible effect from increased uncertainties in economic environment. We identified estimation of variable consideration and impairment loss allowance on trade receivables as a key audit matter because the Company's management exercises significant judgments and estimates in calculating the said variable consideration and impairment loss allowance</p>	<p>Our audit procedures included, amongst others:</p> <ul style="list-style-type: none"> • Tested a sample of sales transactions for compliance with the Company's accounting principles to assess the completeness, occurrence and accuracy of revenue recorded. • We read and evaluated the Company's policies for revenue recognition and impairment loss allowance and assessed its compliance with Ind AS 115 – Revenue From Contracts With Customers' and Ind AS 109 'Financial Instruments', respectively. • We assessed the design and tested the operating effectiveness of internal controls related to sales including variable consideration and impairment loss allowance on trade receivables. • We performed the following tests for a sample of transactions relating to variable consideration: • Read the terms of contract including rebates and discounts schemes as approved by authorized personnel. • Evaluated the assumptions used in estimation of variable consideration by comparing with the past trends and understand the reasons for deviation. • Performed retrospective review to identify and evaluate variances. • Tested the design, implementation and operating effectiveness of the Company's controls over computation of incentives and pay out against the corresponding liability • We evaluated management's assessment of the assumptions used in the calculation of impairment loss allowance on trade receivables, including consideration of the current and estimated future uncertain economic conditions. • For sample customers, we tested past collection history, customer's credit assessment and probability of default assessment performed by the management. • We tested the mathematical accuracy and computation of the allowances. • We read and assessed the relevant disclosures made within the standalone financial statements. <p>Our conclusion: Based on the audit procedures performed we did not identify any material exceptions in the recognition of revenue and incentives and discount expenses.</p>

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexure to the Board's Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting standards (Ind AS) prescribed under section 133 of the Act, read with the Companies (Indian Accounting standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection, application, implementation and maintenance of appropriate of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Management and Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

 - directly or indirectly lender invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - b. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether,
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or
 - provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c. Based on audit procedures as we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause iv(a) and iv(b) contain any material mis-statement.

- v. The company has not declared or paid any dividend during the year.
- vi. Based on our examination which included test checks and in accordance with requirements of the Implementation Guide on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has been made operational from 25th July 2023 for all branches other than one Branch for which it has been made operational from 25th November 2023 for relevant transactions recorded in the respective software except inventory which is being maintained in separate software where there is no audit trail features.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Archidply Décor Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s Archidply Décor Limited** ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting are operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: - 1 SIGNIFICANT ACCOUNTING POLICIES

1. Corporate Information:

Archidply Décor Limited (the 'Company') is a Listed company domiciled in India incorporated under the provisions of the Companies Act.. The registered office of the company is shifted from Plot No. 7, Sector-9, Integrated Industrial Estate, SIDCUL, Pant Nagar, Rudrapur - 263 153, Uttarakhand, India to SY NO. 19 KSSIDC Industrial Area Bangalore Road, Katamachanahalli Chintamani, Chintamani, Kolar, Karnataka, India- 563125 during the year.

Company is engaged in the business of manufacturing and trading of:

Wood Based Products: Decorative Laminates, Decorative Veneers, Plywood & Block Board, Pre-laminated Particle Board.

The Company is procuring raw material & trading goods locally as well as imports them. Goods are sold both in domestic and overseas markets.

The company's shares are listed in Bombay Stock Exchange Ltd. (BSE) and National Stock Exchange of India (NSE).

2. Basis of preparation of Financial Statements:

The Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act 2013 ("the Act"), as notified under the Companies (Indian Accounting Standard) Rules, 2015 and other relevant provision of the Act, to the extent applicable and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to the Standalone Financial Statement.

The financial statements have been prepared under historical cost convention and on an accrual basis, except for the following items which have been measured as required by relevant Ind AS:

- a) Financial Instruments classified as fair value through other comprehensive income.
- b) The defined benefit loss/(profit) is recognized as at the present value of defined benefit obligation less fair value of plan assets through other comprehensive income.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The Company's management evaluates all recently issued or revised accounting standards on an on-going basis.

For the year ended 31st March, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Where changes are made in presentation, the comparative figures of the previous years are regrouped and re-arranged accordingly.

3. Accounting Estimates and Assumptions:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

4. Equity

a) Ordinary Shares

Ordinary shares are classified as Equity Share capital. Incremental costs directly attributable to the issuance of new shares and buyback are recognized as a deduction from equity, net of any tax effects.

b) Securities Premium

The amount received in excess of the par value of equity shares has been classified as securities premium.

c) Retained Earnings

Retained earnings represent the amount of accumulated earnings of the company.

5. Property, Plant and Equipment

OWNED ASSET

- a) Property, Plant and Equipment are stated at original cost (net of tax/ duty credit availed) less accumulated depreciation and impairment losses except freehold land which is carried at cost. Cost includes cost of acquisition, construction and installation, taxes, duties, freight, other incidental expenses related to the acquisition, trial run expenses (net of revenue) and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.
- b) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.
- c) Assets which are not ready for their intended use on reporting date are carried as capital work-in-progress at cost, comprising direct cost and related incidental expenses.
- d) The property, plant and equipment are measured as per the historical cost and use that carrying value as the deemed cost of the property, plant and equipment.
- e) Property, Plant and Equipments including continuous process plants are depreciated and/or amortised on straight-line basis on their useful lives as notified in Schedule II to the Companies Act, 2013. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.
- f) Depreciation is provided on a straight-line basis over its estimated useful life and in respect of additions to assets, it has been charged on pro rata basis with reference to the period when the assets are ready for use. The provision for depreciation for single shift has been made.
- g) Useful lives of the Property, Plant and Equipment as notified in Schedule II to the Companies Act, 2013 are as follows:
 - Factory Building – 30 years
 - RCC structure Building - 60 years
 - Plant and Machinery - 15 years
 - Furniture and Fixtures - 10 years
 - Vehicles - 8 years
 - Office Equipments - 5 years
 - Computers – 3 years

LEASED ASSET (RIGHT OF USE ASSETS)

- a) The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
 - (i) the contract involves the use of an identified asset
 - (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
 - (iii) the Company has the right to direct the use of the asset.
- b) The right-of-use asset is a lessee's right to use an asset over the life of a lease. The Company recognises a right-of-use asset ('ROU') and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets. For these leases of short-term and low value assets, the Company recognises the lease payments as an operating expense over the term of the lease.

- c) The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made (Deposits and Rentals) at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

6. Lease Property

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

7. Lease Liabilities

Lease liability is initially measured at the present value of future lease payments. Lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. Lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made.

A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement also adjusts the related leased assets.

8. Intangible Assets

Intangible assets acquired by payment e.g., Goodwill, Trademark and Computer Software are disclosed at cost less amortization on a straight-line basis over its estimated useful life.

9. Investment Property

Investment Property are stated at original cost less accumulated depreciation and impairment losses except freehold land which is carried at cost. Cost includes cost of acquisition, construction and other incidental expenses related to the acquisition, trial run expenses (net of revenue) and pre-operative expenses including attributable borrowing costs incurred during pre-operational period.

Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal.

10. Impairment of Assets

At each balance sheet date, the Company reviews the carrying amount of property, plant and equipment to determine whether there is any indication of impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of the net selling price and the value in use, determined by discounting the estimated future cash flows expected from the continuing use of the asset to their present value.

11. Inventories

- a) Inventories related to raw materials, packing materials, stores & spares are valued at cost on weighted average basis or net realisable value whichever is lower.
- b) Waste & scraps are valued at estimated realizable value.
- c) Materials in transit and Semi Finished goods are valued at cost or market value whichever is lower.

- d) Finished goods and process stock include all cost of purchases, cost of conversion and other related costs incurred in bringing the inventories to their present location and condition.
- e) Finished goods are valued at cost or net realizable value whichever is lower. Net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.
- f) Obsolete, defective and unserviceable stocks are duly provided for.

12. Cash Flow Statement

Cash flows are reported using indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generating, financing and investing activities of the Company is segregated.

Cash and cash equivalents in the balance sheet comprise cash at bank, cash/cheques in hand and short term investments (excluding pledged term deposits) with an original maturity of less than twelve months.

13. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

(i) Initial Recognition and Measurement

The Company classifies its financial assets as those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss) and those to be measured at amortized cost.

(ii) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) Debt instruments measured at amortized cost using the effective interest rate method and losses arising from impairment are recognized in Profit and Loss if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
- b) Equity instruments at fair value through other comprehensive income.
- c) Equity instruments at fair value through profit or loss (FVTPL)
- d) Equity Instruments in subsidiaries are carried at cost, in accordance with option available in Ind AS 27 "Separate Financial Statements".

(iii) De-Recognition

A financial asset is de-recognized only when the Company has transferred the rights to receive cash flows from the financial asset, or when it has transferred substantially all the risks and rewards of the asset, or when it has transferred the control of the asset.

(iv) Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 18.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

As a practical expedient, the Company uses historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates to determine impairment loss allowance on portfolio of its trade receivables.

B. Financial Liabilities:

i) **Classification as debt or equity** - Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement.

ii) **Equity instruments** - An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

iii) **Initial Recognition and Measurement** -

All Financials Liabilities are recognized net of transaction costs incurred.

iv) **Subsequent Measurement** -

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate ("EIR") method. Gains and losses are recognised in profit or loss when the liabilities are derecognised through the EIR amortisation process.

v) **De-Recognition** -

All Financials Liabilities are removed from balance sheet when the obligation specified in the contract is discharged, cancelled or expired.

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

14. Revenue Recognition:

Revenue comprises of all economic benefits that arise in the ordinary course of activities of the Company which result in increase in Equity, other than increases relating to contributions from equity participants. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable.

Sale of Goods: As per Ind AS 115 'Revenue from contracts with customers', Revenue from sale of goods is recognised when control of the products being sold is transferred to the customer and when there are no longer any unfulfilled obligations. The Performance Obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on terms with customers. The Company derives revenue principally from sale of Plywood, Laminates, Decorative Veneers, MDF and Flush Doors. Revenue shown in the Statement of Profit and Loss are inclusive of the value of self-consumption, but excludes Goods & Service Tax (GST), inter-transfers, returns, trade discounts, other benefits passed to customers in kind..

Services: Revenue from Services are recognized as and when the services are rendered. The Company collects Goods & Service Tax on behalf of the government and therefore, it is not an economic benefit flowing to the Company and hence excluded from Revenue.

Interest: Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Insurance Claims: Insurance Claims are accounted for on acceptance and when there is a reasonable certainty of receiving the same, on grounds of prudence.

15. Foreign Currency Transactions:

The Company's financial statements are presented in Indian Rupees ('INR'), which is also the Company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

16. Employee Benefits:

Short-term employee benefits are recognized as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

Post Employment and Retirement benefits in the form of Gratuity and Leave Encashment are considered as defined benefit obligations and is provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of reporting period on government bonds that have terms approximating to the terms of the related obligation

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions of the defined benefit obligation are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Employee benefits in the form of Provident Fund is considered as defined contribution plan and the contributions to Employees' Provident Fund Organization established under The Employees' Provident Fund and Miscellaneous Provisions Act 1952 is charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. The Company pays provident fund contributions to publicly administered provident funds as per local regulations.

The Company has no further payment obligations once the contributions have been paid.

17. Borrowing Costs:

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds.

General and specific borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets during the period of time that is required to complete and prepare the asset for its intended use. A qualifying asset is one that takes necessarily substantial period of time to get ready for its intended use.

All other borrowing costs are expensed in the period in which they are incurred.

18. Accounting for Taxes on Income:

Tax expenses comprise of current tax and deferred tax including applicable surcharge and cess.

Current Income tax is computed using the tax effect accounting method, where taxes are accrued in the same period in which the related revenue and expenses arise. A provision is made for income tax annually, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profits against which the deductible temporary differences, and the carry forward unused tax credits and unused tax losses can be utilised.

Deferred tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognized in other comprehensive income. As such, deferred tax is also recognised in other comprehensive income.

Deferred Tax Assets and Deferred Tax Liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the Deferred Tax Assets and Deferred Tax Liabilities relate to taxes on income levied by same governing taxation laws.

19. Contingent Liabilities & Contingent Assets:

Contingent liabilities are not provided for but are disclosed by way of Notes on Accounts. Contingent liabilities is disclosed in case of a present obligation from past events

- (a) when it is not probable that an outflow of resources will be required to settle the obligation;
- (b) when no reliable estimate is possible;
- (c) unless the probability of outflow of resources is remote.

Contingent assets are neither accounted for nor disclosed by way of Notes on Accounts where the inflow of economic benefits is probable.

20. Current And Non- Current Classification:

The Normal Operating Cycle for the Company has been assumed to be of twelve months for classification of its various assets and liabilities into "Current" and "Non-Current".

The Company presents assets and liabilities in the balance sheet based on current and non-current classification.

An asset is current when it is

- (a) expected to be realised or intended to be sold or consumed in normal operating cycle
- (b) held primarily for the purpose of trading
- (c) expected to be realised within twelve months after the reporting period
- (d) Cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- (e) All other assets are classified as non-current.

A liability is current when

- (a) it is expected to be settled in normal operating cycle
- (b) it is held primarily for the purpose of trading
- (c) it is due to be discharged within twelve months after the reporting period
- (d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- (e) All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

21. Corporate social responsibility (CSR) Activity

In case of CSR activities undertaken by the Company, if any expenditure of revenue nature is incurred or an irrevocable contribution is made to any agency to be spent by the latter on any of the activities mentioned in Schedule VII to the Companies Act, 2013, the same is charged as an expense to its Statement of Profit and Loss.

22. Earnings Per Share

Earnings per share are calculated by dividing the net profit or loss before OCI for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss before OCI for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

23. Segment Reporting

The company is engaged in the business of manufacturing and trading of wood based products and therefore has only one reportable segment in accordance with IND AS-108 "Operating Segments".

24. Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Lease Liabilities

Provision for Lease Liability	331.68	-
Less : Short term provision	44.82	-
	286.86	-
	286.86	-

Lease liability is initially measured at the present value of future lease payments. Lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate. Lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability and reducing the carrying amount to reflect the lease payments made. A lease liability is remeasured upon the occurrence of certain events such as a change in the lease term or a change in an index or rate used to determine lease payments. The remeasurement normally also adjusts the leased assets.

Note 17: Provisions

Provision for Employee Benefits

Provision for Gratuity	50.45	55.61
Less: Short Term Provision	5.04	3.64

Less: Short Term Provision	5.62	3.75
	28.72	18.41
	74.14	70.38

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Note 39: Financial Risk Management-Objectives and Policies

The Company's financial liabilities comprise Short term borrowings, capital creditors, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's financial assets include trade and other receivables, cash and cash equivalents and deposits.

The Company is exposed to market risk and credit risk. The Company has a Risk management policy and its management is supported by the Audit Committee that advises on risks and the appropriate risk governance framework for the Company. The audit committee also provides assurance to the Company's management that the Company's risk activities are governed by

Notes To Financial Statement For The Period Ended 31st March, 2024

appropriate policies and procedures and that risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

(i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises risk of interest rate, currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include FVTPL investments.

a. Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities. The Company has a treasury department which monitors the foreign exchange fluctuations on the continuous basis and advises the management of any material adverse effect on the Company.

Foreign Currency sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in foreign currency exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of assets and liabilities.

(Amount in Lakhs)

Change in Foreign Currency Rates	Effect on Profit before Tax	
	As on 31st March 2024	As on 31st March 2023
5% USD	0.83	1.46
-5% USD	-0.83	-1.46
5% EURO	-	0.20
-5% EURO	-	(0.20)

b. Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

	Increase/ Decrease in basis points	Effect on Profit before Tax (Amount in Lakhs)
31st March, 2024	+50	9.34
	-50	-9.34
31st March, 2023	+50	7.74
	-50	-7.74

(ii) Credit Risks

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables).

The Company implements a credit risk management policy under which the Company only transacts business with counterparties that have a certain level of credit worthiness based on internal assessment of the parties, financial condition, historical experience, and other factors. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company has established a credit policy under which each new customer is analysed individually for creditworthiness.

Notes To Financial Statement For The Period Ended 31st March, 2024

Trade receivables

An impairment analysis is performed at each reporting date on an individual basis for all the customers. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on credit losses historical data. The maximum exposure to credit risk at the reporting date is the carrying value of trade receivables disclosed in Note 9 as the Company does not hold collateral as security. The Company has evaluated the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries.

Refer note no 9 for ageing of trade receivable as of 31st March, 2024 and 31st March, 2023.

No significant changes in estimation techniques or assumptions were made during the reporting period.

Credit risk also arises from transactions with financial institutions, and such transactions include transactions of cash and cash equivalents, various deposits, and financial instruments such as derivative contracts. The Company manages its exposure to this credit risk by only entering into transactions with banks that have high ratings. The Company's treasury department authorizes, manages, and oversees new transactions with parties with whom the Company has no previous relationship.

Furthermore, the Company limits its exposure to credit risk of financial guarantee contracts by strictly evaluating their necessity based on internal decision making processes, such as the approval of the board of directors.

Credit risk exposure

The carrying amount of financial assets represents the Company's maximum exposure to credit risk. The maximum exposure to credit risk as of 31st March, 2024 and 31st March, 2023 are as follows:

	(Amount in Lakhs)	
	As at 31st March 2024	As at 31st March 2023

Impairment losses on financial assets

Refer the table below for reconciliation of loss allowance in respect of Trade Receivables:

	(Amount in Lakhs)	
Trade Receivables (measured under life time excepted credit loss model)	As at 31st March 2024	As at 31st March 2023
Loss Allowance at the beginning of the year	79.10	23.00
Add/(less): Allowance provided/ written off during the year	(74.60)	56.10
Loss Allowance at the end of the year	4.49	79.10

(iii) Liquidity Risk

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements at all times. The Company relies on a mix of borrowings and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium/ long term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs. Besides, it generally has certain undrawn credit facilities which can be accessed as and when required; such credit facilities are reviewed at regular intervals. Thus, no liquidity risk is perceived at present.
