- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information for the quarter and year ended 31<sup>st</sup> March,2024.

#### Material Uncertainty Related to Going Concern

Pursuant to an application made by Export Import Bank of India one of the financial creditors, the Hon'ble National Company Law Tribunal, Kolkata Bench ("Adjudicating Authority"), vide its order dated 31st January, 2024, approved the resolution plan dated 02.01.2023 and addendums dated 04.02.2023 and 25.02.2023 submitted by the Resolution Applicant Baumann Dekor Private Limited. As per the terms of Section 31 of the Code, the Approved Resolution Plan shall be binding on the Company, its employees, members, creditors and other stakeholders involved in the Resolution Plan.

DELHI OFFICE: 3/7B, ASAF ALI ROAD, NEW DELHI-110 002. PHONE: 23271407, 23284825

#### **Basis for Qualified Opinion**

#### We draw attention to

- a) Note No. 6 to the Ind AS financial results which states that In compliance with the approved Resolution Plan and order from the Hon'ble National Company law Tribunal, the accounting adjustments have been carried out related to extinguishment of liabilities / claims and write off of impaired and/or doubtful assets during the Financial Year ending 31.03.2024. The net impact of the same Rs 11793.06 lakhs has been transferred to the Capital Reserve Account as per the approved Resolution plan. The cancellation of existing share capital and infusion of new capital is in progress and its effect will be taken in accounts on finalisation. The above adjustments are subject to reversal in the event of non compliance with the terms of Resolution plan.
- b) Note No. 10 to the Ind AS financial results which states that 'No Lien Term Deposit' with the consortium bankers for Rs.2,400.00 Lakhs towards 5% deposit of the amount outstanding against the offer of one-time settlement were made, of which Rs. 392.59 Lakhs have been appropriated by few banks towards recovery of their overdue interest. The same has not been recognized by the company and no adjustment has been made and the principal amount of deposit is continued to be shown as 'No Lien Term Deposit' without accounting for interest accruals. Also no confimation has been received from the said banks.
- c) Note No. 11 to the Ind AS financial results which states that Confirmation of bank balances of all bank accounts at Kolkata as on 31.03.2024 is under process of acquiring and reconciling.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter**

#### We draw attention to:

Note No. 7 to the Ind AS financial results which states that In terms of Ind AS-12, further Deferred Tax Assets (DTA) of INR 1,577.05 Lakhs is required to be recognized during the year. The Company has so far recognized DTA aggregating INR 4,572.98 Lakhs. Earlier recognitions were made based on future profitability and projections. The Company is of the opinion that net DTA of INR 4,572.98 Lakhs as recognized in the books is sufficient for future income and as such, the current year's DTA has not been recognized. Our opinion is not modified in this matter.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

These financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act,
  we are also responsible for expressing our opinion on whether the company has adequate
  internal financial controls with reference to financial statements in place and the operating
  effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Other Matter

The Statement includes the results for the quarter ended March 31, 2024 being the balancing figure between the audited figures in respect of the full financial year ended March 31,2024 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the listing Regulations.

		b.) The same has not been recognized by the company and no adjustment has been made and the principal amount of deposit is continued to be shown as 'No Lien Term Deposit' without accounting for interest accruals. Also no confirmation has been received from the said banks.

c.) Note No. 11 to the Ind AS financial results which states that Confirmation of bank balances of all bank accounts at Kolkata as on 31.03.2024 is under process of acquiring and reconciling. **Management Views** a. The adjustments have been carried out in the financial statements as per the amount allocated as per the resolution plan approved by the Hon'ble National Company Law Tribunal (NCLT) order dated 31.01.2024. Further, clause 145 of the Hon'ble NCLT order states that "Thus, on the date of approval of the resolution plan by the Adjudicating Authority, all such claims, that are not a part of the resolution plan, shall stand extinguished and no person will be entitled to initiate or continue any proceedings in respect to a claim, which is not part of the resolution plan. Further, As mentioned in the Approved Resolution Plan, the existing share capital of INR 15,79,05,000/- (Indian Rupees Fifteen Crores Seventy-Nine Lakhs Five Thousand Only) will be written off and a fresh equity infusion of INR 1,00,00,000/- (Indian Rupees One Crore Only) by the Resolution Applicant will be made as per the requirement of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (LODR Regulations) in the upcoming financial year as the same is under process. Hence, all the adjustments comply with the approved resolution plan. Further, The SRA, Baumann Dekor Private Limited, has paid the following amount till now: i.) The Performance guarantee amount of INR 5,81,51,600.00 on approval of the plan by COC. ii.) INR 12,22,22,200/- prepaid on 5th Apr'24

(due for payment on 30th April 2024) towards payment of 1st tranche as per proposed distribution to financial creditors, government dues, CIRP cost and operational creditors as per approved resolution plan.

There is no default in any payment from the SRA and prepayment of the first tranche and infusion of required working capital shows the intent to run the entity as a going concern.

 The new management of the company is in the process of getting the original Deposit documents from the respective Bank / Institutions / Ex-promoters.

Management is of the view that the deposit against OTS was made before CIRP process, and if the same was against the Interest settlement, it would have been adjusted in the previous year's financials.

Confirmation of the deposit is under process and accordingly, the deposit amount—has been carried—forward from the last—financial—year-ending 31.03.2023 and the same will be adjusted in the subsequent financials.

However, in the opinion of Management, this should not affect the company's ability to continue as going concern.

c. The accounts are dormant and the cumulative balance of all the Bank accounts in Kolkata is 5.78 Lakh as on 31.03.2023. Activation of these bank accounts and confirmation of bank balances of all bank accounts at Kolkata as on 31.03.2024 is under process of acquiring and reconciling during the implementation process. However, in the opinion of Management, this should not affect the company's ability to continue as going concern.
