- a) The company has engaged the services of CDSL as the Authorized Agency to provide remote e-voting facilities.
- b) The company has appointed Mr. N.V.S.S. Suryanarayana, Practicing Company Secretary (M. No: 5868), as 'scrutinizer' for conducting and scrutinizing the remote e-voting process in a fair and transparent manner.
- c) "Voting by electronic means" or "electronic voting system" means a 'secured system' based process of display of electronic ballots, recording of votes of the members and the number of votes polled in favour or against, such that the entire voting exercise by way of electronic means gets registered and counted in an electronic registry in the centralized server with adequate 'cyber security'.

It also helps the shareholders to cast their vote from anywhere and at any time during Remote e-voting period.

In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on Tuesday, **August 1st, 2023** at 09.00 A.M. and ends on Thursday, **August 3rd, 2023** at 05.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date **Friday, 21st Day of July, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated **December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for **Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

To,
The Members,
AJEL LIMITED,
106, 2nd Floor, Link Plaza Commercial Complex,
New Link Rd, Oshiwara, Jogeshwari (W),
Mumbai-400 102, Maharashtra.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **AJEL LIMITED (CIN: L67120MH1994PLC076637)** (hereinafter called the "**Company**"). for the financial year ended 31st March, 2023 ('Audit Period'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the AJEL LIMITED books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2023, ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board- processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2023 according to the provisions of:

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Introduction

In the post-pandemic environment, businesses across industries are increasingly looking at technology as a key strategic differentiator. According to International Data Corporation (IDC) research, investments in various technologies that support Future of Work initiatives will surpass \$1 trillion worldwide by 2024. Another report by Gartner estimates that worldwide IT spending will touch \$4.5 trillion in 2022, an increase of 3% from 2021.

We have witnessed price hikes and delivery uncertainty during the year, further aggravated by the Ukraine crisis. These economic developments have made business and technology leaders shift gears and move from ownership to service. According to Gartner, cloud spending that grew by 18.4% in 2021 is expected to increase by 22.1% in overall cloud business expenditure. Investments in data centre systems are likely to shoot up by 11.1% in 2022. Cloud consulting, implementation, and managed services are expected to grow by 17.2% in 2022, from \$217 billion in 2021 to \$255 billion in 2022.

In the US, digital adoption has increased with a cascading effect. This year, businesses across industries have replaced traditional systems and applications and embraced future-proof technologies and platforms to stay ahead of the curve. According to the economic forecast by the European Commission Winter 2022, the EU economy, following a strong recovery by 5.3% in 2021, is now forecast to grow by 4.0% in 2022, as in the euro area, and by 2.8% in 2023 (2.7% in the euro area).

Developments/Investments:

With support from the Government, considerable investment and development has incurred in different sectors such as agriculture, healthcare, space research, and nuclear power through scientific research. For instance, India is gradually becoming self-reliant in nuclear technology.

In India, businesses have increased IT spending through 2021 to drive digital transformations, achieve agility and resiliency, and craft hyper-relevant customer experiences. According to IDC, adopting new technologies, such as cloud platforms, artificial intelligence (AI)-based services, and cyber security, helped IT services grow last year. As we enter a new phase of business development, it is estimated that the domestic IT services industry will reach \$21.67 billion in valuation by 2026 at an estimated compound annual growth rate (CAGR) of 8.9%.

The Road Ahead

In the past year, we were focused on positioning our company on a stronger growth trajectory. Our thought leaders collaborated across various organizational layers to weigh every aspect of our business and deliberated on potential measures that could unlock new streams of growth. We determined the need to shift to a more integrated, synchronized business model and create liquid ways to serve our customers globally.

India is aggressively working towards establishing itself as a leader in industrialization and technological development. Significant developments in the nuclear energy sector are likely as India looks to expand its nuclear capacity. Moreover, nanotechnology is expected to transform India's pharmaceutical industry. The agriculture sector is also likely to undergo a major revamp with the government investing heavily for a technology-driven Green Revolution. Government of India, through the Science, Technology and Innovation (STI) Policy-2013, among other things, aspires to position India among the world's top five scientific powers.

AJEL BUSINESS OVERVIEW

Ajel is a leading provider of next-generation Cloud Computing, Infrastructure management, networking, enterprise IT solutions, Application Development & management and Professional Consulting Services.

The Company delivers its services primarily to customers in the USA and India, it continues to focus on delivering its development and support projects on an offshore basis. As the bulk of its services are currently delivered in other countries, the Company remains subject to the effect of changes in the relative values of the respective country currencies.

Our vision is to build a globally respected organization delivering the best-of-breed business solutions, leveraging technology, delivered by the best-in-class people. We are guided by our value system which motivates our attitudes and actions. Our core values are Client Value, Leadership by Example, Integrity and Transparency, Fairness, and Excellence

Our strategic objective is to build a sustainable organization that remains relevant to the agenda of our clients, while creating growth opportunities for our employees, generating profitable growth for our investors and contributing to the communities that we operate in. There are numerous risks and challenges affecting our business.

Company's success stems from its strong technology and business partnerships with industry leaders like CISCO, Citrix, CA, Informatica, Kalido, IBM, Oracle and MICROSOFT. Company works strategically with its partners to deliver mission critical solutions for leading businesses and government establishments across the globe.

The Company has also invested its capital in Datacenter in Edison, NJ USA. The Company realizes income from infrastructure management services.

Operations of the Company are completely integrated with its subsidiaries. The Company performs delivery management including offshore development and support, finance and administrative functions for the consolidated group. Ajel Technologies, Inc. (USA) is the wholly owned US subsidiary of the Company and Ajel Limited US branch office formed in July 2011. This Subsidiary and Branch office focuses on customer facing and business development activities including pre-sales, marketing, sales and onsite project/program management activities and also focus is to sell both on-site and offshore Information Technology services in the practice areas mentioned above.

The Company's consolidated customer base can be classified into two groups:

a. Commercial Sector

This group includes all commercial organizations in the US and elsewhere. The Company targets the SME (small and medium sized businesses up to \$1B) market sector as well as Enterprise (Global) corporations. We believe this market holds significant potential for Company growth, largely driving offshore business for the company. This marketplace represents approximately 60% of the company's business.

b. Public Sector and Utility Companies

This includes national, state and local governments, non-profit entities and utility companies, primarily in the US. The Company has several large public sector and utility customers that comprise approximately 40% of the Company's business. Although these services typically are not delivered in an offshore format, there is a significant market due to our experience and depth of expertise in areas useful to public sector and utility clients. Current market focus is to additionally deliver services in this segment in the domestic market as well as the Middle East.

BRAND BUILDING

The Company undertook marketing initiatives to promote the Ajel brand, and the brand promise of 'The Difference is Depth' to its clients. The Company participated in leading industry and business events around the world, reaffirming its commitment to delivering a complete brand and organizational

experience. Apart from regular channels, Ajel continues to invest in building the brand in the digital space using premium business and technology solutions.

Ajel continued to articulate the brand promise internally, using various channels and internal marketing assets and leveraged them to activate the brand amongst employees as well as other important stake holders.

The company has been exploring new areas which have the potential growth to Company's business and recently has come up with an application catering to various Local Governments.

Technology and Innovation

Ajel continues to invest in futuristic areas related to Cloud Computing, Networking, and Enterprise IT Solutions to make a difference to its customers and society. The Company continuously strives to improve quality and efficiency of current offerings to customers and enable them prepare for future challenges.

Intellectual Property (IP)

Company continues to build an effective portfolio of Intellectual Property for future monetization, collaboration and risk mitigation. In fiscal 2019-20 company continued to focus on building and managing of IPs. Company emphasizes to its employees for collaborative mining of Intellectual Property. IPs gives multiple advantages like cost and time saving, technical edge, risk mitigation etc.

The Company continuously engages in customer focused innovation and launches new offerings that use technology to address its clients' business problems.

Products of the Company

This rationalized, comprehensive solution automates key processes and connects Information across your business, empowering you and your employees to focus on core business initiatives, respond swiftly and make better strategic decisions.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Software and computing technology is transforming businesses in every industry around the world in a profound and fundamental way. The continued reduction in the unit cost of hardware, the explosion of network bandwidth, advanced software technologies and technology-enabled services are fueling the rapid digitization of business processes and information. The digital revolution is cascading across industries, redefining customer expectations, automating core processes and enabling software-based disruptive market offerings and business models. This disruption is characterized by personalized user experiences, innovative products and services, increased business agility, extreme cost performance and a disintermediation of the supply chain.

Leveraging technologies and models of the digital era to both extend the value of existing investments and, in parallel, transform and future-proof businesses, is increasingly becoming a top strategic imperative for business leaders. From an IT perspective, the renewal translates to re-imagining human-

machine interfaces, extracting value out of digitized data, building next-generation software applications and platforms, harnessing the efficiency of distributed cloud computing, modernizing legacy technology landscapes and strengthening information security and data privacy controls.

The fast pace of technology change and the need for technology professionals who are highly skilled in both traditional and digital technology areas are driving businesses to rely on third parties to realize their business transformation. Several new technology solution and service providers have emerged over the years, offering different models for clients to consume their solution and service offerings such as data analytics companies, software-as-a-service businesses, digital design boutiques, and specialty business process management firms.

While these developments present strong market opportunities for the IT industry, there is also an imperative need for IT services and solutions companies to transition from fast-commoditizing traditional service offerings, to attract and retain quality talent globally, to reimagine cost structures and leverage automation for increased productivity.

OPPORTUNITIES AND THREATS

Opportunities:

Information Technology support services remains an increasingly competitive business environment. With the change in emerging technology areas, companies have become dependent on technology not only for day-to-day operations, but also for the use of technology as a strategic tool to enable them to re-engineer business processes, restructure operations, ensure regulatory compliances, etc. As systems continually become more complex, companies increasingly turn to external IT services provider to develop & implement new technologies & integrate them with existing applications in which companies have made considerable prior investments. Additionally, many companies continue to explore methods to reduce their cost of IT operations. This provides an opportunity for providers to support and integrate company IT systems on an ongoing basis. The Indian IT Industry becomes a powerful tool used by companies to reduce their costs.

Ajel has Alliance partnerships with several leading technology companies in its practice areas including CISCO, Citrix, CA, Informatica, Kalido, IBM, Oracle and MICROSOFT. The company is well poised to take advantage of the new advanced technologies provided by these alliance partners. These technology alliance partners expect to see major technology opportunities for their customers in the United States.

Ajel continues to focus as a priority on obtaining and providing offshore sourced services for its customers. Any increase in offshore related services should have the effect of increased company margins and profitability and increased longevity of business contracts. The company intends to continue to grow its share in existing clients. This has the supplemental effect of reducing the cost of overhead and delivery cost.

Threats:

The economic uncertainty of the current worldwide markets makes the future less predictable than in the past due to the current on-going environment. Worldwide IT spending growth has significantly reduced with budget cutbacks on IT spending by customers, buyers in “wait and watch” mode, government units significantly cutting budgets to match expected revenue shortfalls and delayed decision making. Reduction in new client additions, absence of large deals, vendor consolidation, downsizing for greater efficiencies and cost savings as well as pricing pressures — in both onsite and offshore realization put greater pressures on revenues and margins in the last fiscal year and are expected to track lower for some time.

The US market is under increasing pressure from general economic conditions as growth diminishes. US spending on offshoring services have slowed in the face of these market conditions as well as the adoption of protectionist measures by policy makers. Ajel is also subject to the threats of competing against much larger International IT service providers, the large global Indian IT service providers and more entrenched US and Global System integrators, many of which also provide services to established markets on an offshore basis. The good news is that, global sourcing is expected to increase as focus on cost and `value` increases with buyers "stretching the dollar" to include greater value delivery.

As with other Indian IT Services companies, other general threats to the business continue to include competition among Information and Technology units in India for talented people, which has resulted in rising employee compensation packages and shrinking margins available to IT Companies. We are also seeing a potential backlash in the US from the increasing loss of employment due to outsourced services overseas, resulting in an impact on the country's immigration enforcement procedures.

OUTLOOK AND RISKS

The Company is expected that its strengthened relationships and alliances with partners such as CISCO, Citrix, CA, Informatica, Kalido, IBM, Oracle and MICROSOFT will continue to lead to business and revenue growth and increasing profitability with a continued focus on offshore revenue as and when the global market improves. The Company continues its focus aligning its sales and delivery structure to an Indian Model.

The Company has not kept up with industry growth trends, primarily due to decreased spending in the US public sector and a corresponding decrease in activity at several of our large clients. Additionally, the absorption of new customers in the targeted small/medium client base has not grown as expected. US market conditions continue to soften making it harder to locate new development opportunities. The Company intends to continue to grow its offshore business while exploring new opportunities domestically and in adjacent markets, including new ventures in the Middle East and India domestically. New opportunities will focus on leveraging our US public sector expertise and delivering our market solutions and products to these markets. Companies continue to look for specialized expertise and cost saving methods, both of which are provided by the Company.

The Company's US subsidiary generated a loss after tax for the period. The Company has been impacted by the worldwide slowdown in discretionary IT spending which has impacted several of our targeted sectors. Due to this slowdown, our clients and many other companies are deferring the implementations of new systems and other discretionary spending. The new paradigm has become one of "reducing the total cost of ownership including the ongoing maintenance and support of IT systems". The Company has focused its efforts on driving cost effective support offerings resulting in improved offshore revenue while realizing a detriment to onsite business. This coupled with reduced spending in the public sector and increased pressure by the government to reduce the number of foreign IT workers has negatively impacted growth in the United States. These actions do not forecast a quick turnaround in the US market. The company continues to take all reasonable steps to reduce and optimize costs to improve profitability. Focus remains on expanding the benefits from our alliance partners and creating offshore opportunities where relationships are of a long-term nature and recurring services can be provided at a lower cost.

Some of the key strategic risks the company faces, their impact and corresponding risk mitigation actions undertaken by the company are discussed in the table:

Key Risks	Impact on Ajel	Mitigation
Lack of diversification	The Company's potential for growth is driven by one market segment, namely IT services, with a focus on several technology areas.	Company management has purposely remained focused in the near term as opposed to spreading its manpower too thin to achieve its goals. The company is also taking measures to change the perspective from the pure services providers company to market "Product" and "IP"
Excessive dependence on one geographic segment	A large percentage of company's revenue comes from USA heavy dependence on this one geographic segment could lead to volatility because of the economic and political situation there.	The Company has successfully penetrated into the local Indian market apart from the setting operations in Middle East.
Legal and Statutory Risks	The company's international operations are subject to local legal and statutory risks including compliance with local laws and regulations, one of which is compliance with immigration laws and regulations, which may change from time-to-time. Other risks include contractual risks when delivering complex technology solutions.	As of the date of this report, the company is not aware of any noncompliance with local laws or regulations that would have a material impact on the financial statements.
Risk of attracting and retaining of IT Professionals in a highly competitive environment	In the IT services industry, people are the most valuable assets. Attrition of the key technical talent is one of the major risks.	The company reviews its compensation policies regularly to determine that compensation is competitive with the market conditions. The company also determines that there is a defined career path for all employees and the work environment provided to all employees is of very high standard.
Currency Risk	The changes in currency rate between Indian Rupees and US dollars have been a major cause of concern. The fluctuation of rates coupled with the shocks emerging from various parts of the world relating to the economic meltdown has increased the currency risk.	The company has tried to protect itself through various measures using available financial instruments from time to time.

1. ENERGIZING THE CORE

Every enterprise that is in transformation, including ours, needs to address the challenge of extracting higher return on existing assets while investing into newer business transformation initiatives. We are leveraging and automation techniques to energize our client's and our own core technology and process landscapes.

2. INTERNAL CONTROL SYSTEM & THEIR ADEQUACY

The company strictly adheres to the internal control systems proven to be effective over the years. The internal audit team carries out extensive audit on all operations at regular intervals. The company implements the policies and procedures so as to safeguard the assets and interests of the company.

The internal control systems are implemented with a view to achieve good ethical culture within the organization. The internal control systems would ensure that any vulnerability in the achievement of company's objectives caused by risk factors whether internal or external, existing or emerging, is detected and reported in a timely manner and is meted out with appropriate corrective action. Strong internal controls minimize the risk of frauds by introducing effective checks and balances into the financial system.

3. FINANCIAL CONDITION

Your company had consolidated revenues of Rs.4.25 crores and Rs.0.46 crores net loss in the current year. We expect to achieve significant growth in revenue and net income in the coming year.

The financial health of your company indicates adequate and sustainable financial resources to meet with the needs of its business. The Company and/or its wholly owned subsidiary have:

- Generated cash from its business
- Gained more productivity from its assets and properties
- Maintained its current dividend level

The Company believes it has adequate and dependable resources to meet its liquidity needs, including the ability to raise short term debt, and manage the ongoing mismatched cash flows inherent in a consulting business.

HUMAN RESOURCES

We focus on the workplace of tomorrow that promotes a collaborative, transparent and participative organization culture, innovation, and rewards individual contribution. The focus of human resources management is to ensure that we enable each and every employee to navigate the next, not just for clients, but also for themselves. The three key strategic pillars of our Employee Value Proposition are:

- Inspiring them to build what's next
- Making sure their career never stands still
- Navigating further, together

Ajel Management and Leadership Program

The Company holds regular programs to develop team spirit and to motivate its employees to perform better. The company has launched a Ajel Management Leadership (AML) Program. The objective of the AML program is to select, recruit and groom young leaders and next generation managers of Ajel. The program will:

- Provide AML managers opportunities for professional growth within Ajel.
- Groom, develop and build AML alumni as key managers and leaders of the Company.
- Tap their energy and vast potential to support growth of Ajel as an organization.

- Take Leadership roles in Ajel's core IT business units, Financial, Real Estate and human Capital management

Need for Multidisciplinary Education and Experience

Ajel believes in a multi-disciplinary education as a robust base for general management and leadership. All real-life problems and opportunities require multi-disciplinary education and management skills. Our management experience over the years has proved that leaders need to be experienced in at least two or three distinct disciplines (examples such as Management and Accounting; Law and Finance; Engineering and Management; Finance and HR).

Green Initiative for Paperless Communications:

The Ministry of Corporate Affairs (“MCA”) has taken a “Green Initiative in Corporate Governance” by allowing paperless compliances by Companies through electronic mode. In accordance with the recent circular bearing no.17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 issued by the Ministry of Corporate Affairs, Companies can now send various notices/documents to their shareholders through electronic mode to the registered e-mail addresses of the shareholders. This is a golden opportunity for every shareholder of the Company to contribute to the Corporate Social Responsibility initiative of the Company.

This move by the Ministry is a welcome move, since it will benefit the society at large through reduction in paper consumption and contribution towards a greener environment. Additionally, it will avoid loss in postal transit, save time, energy and costs.

Pursuant to the said circular, the company has forwarded e-mail communication to all shareholders whose email id were registered in the Depository records that the company intends to use the said e-mail id to send various Notices/ Correspondences etc.

By Understanding the underlying theme of the above circulars, to support this green initiative of the Government in full measure, the company is sending the documents like notice convening general meetings, financial statements, directors reports, auditor’s report etc to the email address registered with the depositories by the shareholders holding shares in electronic form and for shareholders holding shares in physical form, the physical copy to the address registered with the Registrar and Share transfer Agents of the Company.

In this regard, we request shareholders who have not registered their email addresses, so far to register their email addresses, in respect of electronic holding with depository through their concerned depository participants and Members who hold shares in physical form are requested to send the required details to the Registrar and Share Transfer Agent.

INDEPENDENT AUDITOR'S OPINION

To
The Members of
M/s AJEL LIMITED,
Mumbai.

Report on the Audit of the Standalone Financial Statements:

Opinion:

We have audited the accompanying financial statements of M/s AJEL LIMITED ("the Company"), Mumbai which comprise of the Balance Sheet as at 31st March, 2023, the Statement of Profit & Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, and other accounting principles generally accepted in India of the state of affairs of "the Company" as at March 31, 2023, the Profit and Loss and its cash flows for the year ended on that date.

Basis of Opinion:

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and rules thereunder, we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information:

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's Responsibility for the Standalone Financial Statements:

The Company's Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility:

Our objective is to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit Procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors’ report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor’s Report) Order, 2020 (“the Order”) issued by the Central Government of India in terms of sub-section (1) of section 143 of the Act, we give in the “Annexure A” statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) the Balance Sheet, the Statement of Profit and Loss Statement dealt with by this Report are in agreement with the relevant books of account.
 - (d) in our opinion, the aforesaid standalone Balance Sheet, Statement of Profit and Loss, and the Cash Flow Statement comply with the Accounting Standards specified under Section

133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015 as amended;

- (e) on the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of sub-section (2) of section 164 of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With reference to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position in its financial statements.
 - (ii) The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.

ANNEXURE A TO THE AUDITOR'S REPORT
(Referred to in Paragraph (3) of our Report of even date to the members of
M/s AJEL LIMITED

- (i). (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification
- (c) The title deeds of immovable properties shown in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including right of use assets) or intangible assets or both during the year.

(viii). There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix)

- (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the

obligations of its subsidiaries. (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.

- (ix). Based upon the audit procedures performed and the information and explanations given by the management, the Company has not raised moneys by way of initial public offer or further public offer including debt instruments and term loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- (x). (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi). (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and up to the date of this report), while determining the nature, timing and extent of our audit procedures.
- (xii). In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the Order are not applicable to the Company.
- (xiii). In our opinion, all transactions with related parties are in compliance with Section 177 and 188 of Companies Act 2013 and the details of such transactions have been disclosed in the Financial Statements as required by the applicable accounting standards.
- (xiv). (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv). According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013. Accordingly, the provisions of clause 3(xv) of the Order are not applicable to the Company and hence not commented upon.

- (xvi). (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company was not having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year and hence, provisions of Section 135 of the Act are not applicable to the Company during the year Accordingly, reporting under clause 3(xx) of the Order is not applicable for the year.

“Annexure – B” to the Independent Auditors’ Report of even date on the Standalone Financial Statements of M/s AJEL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s AJEL LIMITED** (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Ind AS Standalone Financial Statements for the year ended 31st March, 2023

1. (A) COMPANY OVERVIEW:

Ajel Limited (referred to as "Ajel" or "the Company" hereinafter) was incorporated under the laws of the Republic of India with its registered office at 106 Link Plaza Commercial Complex, New Link Road, Oshiwara, Jogeshwari (West), Mumbai - 400102 and it is providing IT Consulting and Software Development Services and Financial Services.

1. (B) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

1.1 Basis of Preparation and Compliance with Ind AS:

- i) These Standalone financial statements are prepared in accordance with Indian Accounting Standard (Ind AS), under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

- ii) As the year-end figures are taken from the source and rounded to the nearest digits, the figures reported for the previous quarters might not always add up to the yearend figures reported in this statement.

1.2 Basis of Measurement:

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities, including derivative financial instruments which have been measured at fair value as described below and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS's.

Fair value measurement:

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Fair value for measurement and/or disclosure purpose in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.3 Functional and Presentation Currency

These Ind AS Financial Statements are prepared in Indian Rupee which is the Company's functional currency.

1.4 SIGNIFICANT ACCOUNTING POLICIES:

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement

1.5 Revenue Recognition:

Revenue is primarily derived from Software development, Consulting and allied services. Arrangements for software development and related services are either on fixed-price and fixed-timeframe or on a time and material basis.

Revenue from fixed-price and fixed-time frame contracts, where there is no uncertainty as to measurement or collectability of consideration is recognised based on percentage-completion method. Where there is uncertainty as to measurement or collectability revenue recognition is postponed until such uncertainty is resolved.

Revenue from fixed-price maintenance contracts are recognised rateably over the period in which services are rendered.

1.6 Property Plant and Equipment:

Fixed Assets are stated at cost less depreciation. The company capitalizes all costs incidental to acquisition and installation of Fixed Assets. Depreciation on fixed assets is provided on WDV method at the rates prescribed in Schedule II of the Companies Act, 2013. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

1.7 Preliminary Expenses and Pre-Operative Expenses:

Preliminary Expenses and Pre-Operative Expenses are to be amortized over a period of ten years from the date of commencement of commercial activities.

1.8 Cash and Cash Equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

1.9 Tax on Income:

Current Income tax is determined as the amount of tax payable in respect of taxable income for the period.

Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are not recognized on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

1.10 Provisions for Liabilities and Charges, Contingent Liabilities and Assets:

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. a. Contingent Liabilities are determined on the basis of available information and are disclosed by way of a note to the accounts. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

1.11 Foreign Currency Transactions:

For the purpose of Consolidation, Ajel Technologies, Inc was treated as Integral foreign operation in accordance with the Accounting Standard 11 -"Effects of Changes in Foreign Exchange Rates" and transactions in foreign currency for the items of income and expenses are recorded at the Average rate of exchange for the period. All the Assets and Liabilities were recorded at the Closing rate of exchange. Exchange differences arising there from is transferred to Foreign Currency gain or loss and transferred to Profit and Loss Account.

1.12 Earnings Per Share:

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

1.13 Cash Flow Statement:

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

INDEPENDENT AUDITOR'S OPINION

To
The Members of
M/s AJEL LIMITED,
Mumbai.

Report on the Audit of the Consolidated Financial Statements:

Opinion:

We have audited the accompanying Consolidated Financial Statements of **M/s AJEL LIMITED** (*hereinafter referred as "the Holding Company"*) and its subsidiary (*the Holding Company and its subsidiary together referred to as "the Group"*), Mumbai comprising of the Consolidated Balance Sheet as at **31st March, 2023**, the consolidated Statement of Profit & Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, and other accounting principles generally accepted in India of the state of affairs of "the Company" as at March 31, 2023, the Profit and Loss and its cash flows for the year ended on that date.

Basis of Opinion:

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and rules there under, we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility for the Financial Statements:

The Holding Company's Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these IND AS Consolidated financial statements that give a true and fair view of the financial position, Consolidated financial performance and Consolidated cash flows of the Group in accordance with the Accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015.

This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal

financial control, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the IND AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility:

Our objective is to obtain reasonable assurance about whether the IND AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these IND AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit Procedures that is appropriate in the circumstances. Under section 143(3)(i) of the Act, We are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists; we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in

aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements:

1. As required by Section 143(3) of the Act, we report that:
 - (h) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (i) In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books.
 - (j) The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (k) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the Companies (Indian Accounting Standards) Rules, 2015 as amended;
 - (l) On the basis of the written representations received from the directors of the holding company and its subsidiary companies as on 31st March, 2023 taken on record by the Board of Directors of the holding company and of its subsidiaries respectively, none of the directors of the Group Companies incorporated in India is disqualified as on 31st March, 2023 from being appointed as a director in terms of sub-section (2) of section 164 of the Act;
 - (m) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies, refer to our separate Report in "**Annexure A**" to this report;
 - (n) With reference to the other matters to be included in the Auditor's report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - (i) The Company does not have any pending litigations which would impact its financial position in its financial statements.
 - (ii) The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.

“Annexure – A” to the Independent Auditor’s Report of even date on the Consolidated Financial Statements of M/s AJEL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of **M/s AJEL LIMITED** as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of AJEL LIMITED (hereinafter referred to as “Holding Company”) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertains to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the Ind AS Consolidated Financial Statements for the year ended 31st March 2023

2. (A) COMPANY OVERVIEW:

Ajel Limited (referred to as "Ajel" or "the Company" hereinafter) was incorporated under the laws of the Republic of India with its registered office at 106 Link Plaza Commercial Complex, New Link Road, Oshiwara, Jogeshwari (West), Mumbai - 400102 and it is providing IT Consulting and Software Development Services and Financial Services.

2. (B) BASIS OF PREPARATION OF FINANCIAL STATEMENTS:

2.1 Basis of Preparation and Compliance with Ind AS:

- (i) Consolidated Financial Statements have been prepared under the historical cost convention, in accordance with the generally accepted accounting principles and provisions of the Companies Act, 2013 as applicable to this Company. These financials have been prepared to comply in all material respects with the accounting standards notified by the Companies (Accounting Standards) Rules, read with Rule 7 to the Companies (Accounts) Rules, 2014 in respect of Section 133 to the Companies Act, 2013.
- (ii) Accounting Policies not specifically referred to otherwise are consistent and in consonance with the generally accepted accounting principles followed by the Company.
- (iii) All assets and liabilities have been classified as current or noncurrent, wherever applicable, as per the operating cycle of the company as per the guidance as set out in the Schedule III to the Companies Act, 2013.

1.2 Basis of Consolidation:

The Consolidated financial statements include the financial statements of AJEL Limited (the "parent company") and AJEL Technologies India Private Limited (referred as "the Subsidiary Company"), in which the parent company has Hundred Percent of the voting power of an enterprise. The consolidated financial statements have been prepared on the following basis:

The financial statements of the parent company and the Associate have been combined based on Equity Method where by effects are given only to Reserves & surplus and to Non-Current Investment. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the balance sheet of the parent company and its share in the post-acquisition increase in the relevant reserves of the Associates.

- The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the parent company for its separate financial statements.
- The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

1.3 Accounting Estimates:

The preparation of the consolidated financial statements, in conformity with generally accepted accounting principles, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of consolidated financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

1.4 Property Plant and Equipment:

- (i) **Tangible Fixed Assets:**
Tangible and intangible assets are stated at cost of acquisition/revalued amount, less accumulated depreciation, if any. Cost of fixed assets includes taxes, duties, freight and other incidental expenses related to acquisition and installation after reducing Cenvat credit received/receivable, if any
- (ii) **Intangible Fixed Assets:**
Intangible assets are stated at cost of acquisition / revalued amount, less accumulated depreciation and impairments, if any. Cost of fixed assets includes taxes, duties, freight and other incidental expenses related to acquisition and installation after reducing Cenvat credit received/receivable, if any.

1.5 Depreciation

In respect of Fixed Assets, Depreciation is provided on WDV Method at the rates and in the manner specified under Schedule II of the Companies Act, 2013.

- (i) Depreciation on additions/deletions of assets during the year is provided on pro-rata basis.
- (ii) In respect of Software the company has calculated the depreciation as per the provisions of Schedule II of the Companies Act, 2013 on the basis of useful lives of the assets.

1.5 Investments

Investments that are readily realizable and are intended to be held for not more than one year, are classified as current investments. All other investments are classified as non-current investments. Current investments are carried at cost or fair value, whichever is lower. Non-current investments are carried at cost.

1.8 Foreign Currency Transactions

Transactions in foreign currency are accounted at the exchange spot rate prevailing on the date of the transaction. Yearend receivables and payables are translated at year end rate of exchange. With effect from April 1, 2011, gain/loss on account of fluctuation in exchange rates pertaining to long term foreign currency borrowings to the extent they are related to acquisition of depreciable fixed assets is adjusted to the cost of asset, and in case of other long-term borrowings, the same is amortized over the life of such long-term borrowings.

In all other cases, the difference on account of fluctuation in the rate of exchange is recognized in the statement of profit and loss.

1. (C) SIGNIFICANT ACCOUNTING POLICIES:

The Company has applied following accounting policies to all periods presented in the Ind AS Financial Statement

2.1.1 Revenue Recognition:

Revenue is primarily derived from Software development, Consulting and allied services. Arrangements for software development and related services are either on fixed-price and fixed-timeframe or on a time and material basis.

Revenue from fixed-price and fixed-time frame contracts, where there is no uncertainty as to measurement or collectability of consideration is recognised based on percentage-completion method. Where there is uncertainty as to measurement or collectability revenue recognition is postponed until such uncertainty is resolved. Revenue from fixed-price maintenance contracts are recognised rateably over the period in which services are rendered.

2.2 Preliminary Expenses and Pre-operative Expenses:

Preliminary Expenses and Pre-operative Expenses are to be amortized over a period of ten years from the date of commencement of commercial activities.

2.3 Cash and Cash Equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

2.4 Tax on Income:

Current Income tax is determined as the amount of tax payable in respect of taxable income for the period.

Deferred tax is recognized, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are not recognized on unabsorbed depreciation and carry forward of losses unless there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

2.5 Provisions for Liabilities and Charges, Contingent Liabilities and Assets:

The assessments undertaken in recognising provisions and contingencies have been made in accordance with the applicable Ind AS. Provisions represent liabilities to the Company for which the amount or timing is uncertain. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation. a. Contingent Liabilities are determined on the basis of available information and are disclosed by way of a note to the accounts. Contingent assets are not recognised but disclosed in the financial statements when an inflow of economic benefits is probable.

2.6 Foreign Currency Transactions:

For the purpose of Consolidation, Ajel Technologies, Inc was treated as Integral foreign operation in accordance with the Accounting Standard 11 -"Effects of Changes in Foreign Exchange Rates" and transactions in foreign currency for the items of income and expenses are recorded at the Average rate of exchange for the period. All the Assets and Liabilities were recorded at the Closing rate of exchange. Exchange differences arising there from is transferred to Foreign Currency gain or loss and transferred to Profit and Loss Account.

2.7 Earnings Per Share:

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

2.8 Cash Flow Statement:

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

NOTES ON ACCOUNTS:

2.27 Previous year figures have been regrouped and rearranged wherever found necessary, to be in confirmative with current year classification.

2.28 Contingent liabilities not provided for: -Nil-

2.29 Accounting Standard 18 Related Party Disclosure:
