Subject: Intimation under Regulation 30 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015

Dear Shareholders,

We are pleased to inform our stakeholders that Aerpace General Trading LLC, a subsidiary of Aerpace Industries Limited in the UAE, has entered into an exclusive distributorship agreement with a prominent company in the Middle East. This agreement designates them as the exclusive distributor for our advanced large-size drone technology, including aerWing, across the Middle Eastern region.

In addition, the distributor will support us in establishing a dedicated R&D center in their region. This facility will accelerate the procurement of various intellectual properties and technologies from around the world, significantly expediting the development of our large-size drones, including aerWing.

This collaboration marks a significant step forward in Aerpace's expansion strategy, strengthening our presence in the global market and unlocking new growth opportunities. While the specifics of the agreement remain confidential due to a non-disclosure agreement, this partnership aligns with our long-term vision to establish a robust international presence and leverage our technological innovations to address diverse market needs.

We are confident that this strategic partnership will lead to substantial progress and value creation for our stakeholders in the coming years.

Warm regards,

Thanking You,

Yours Faithfully,

**For Aerpace Industries Limited
(Formerly known as Supremex Shine Steels Limited)**
