Dear Sir/Madam,

Subject: Announcement of Prestigious Global Accreditation - CMMI-DEV MATURITY LEVEL 3 CERTIFICATION

In compliance with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Atishay Limited's Software Development Centre has been appraised with the prestigious global accreditation, "**Capability Maturity Model Integration for Development (CMMI-DEV) Maturity Level 3 Certification**." This significant achievement highlights the Company's commitment to excellence and continuous improvement in software development processes.

This prestigious certification, assessed under Appraisal ID No. 73916 by Quality Waves, signifies our robust and mature approach to project management, process standardization, and quality assurance. Achieving CMMI-DEV v3.0 Maturity Level 3 demonstrates our unwavering commitment to delivering superior software solutions and adhering to world-class standards. This certification reflects our structured approach to project management, process standardization, and quality assurance in software development.

The appraisal, conducted by ISACA US-based CMMI Institute-certified Lead Appraiser, solidifies our adherence to international best practices and strengthens our position as a trusted partner in delivering high-quality software solutions. This certification is not just a testament to our operational excellence but also a step toward building sustainable growth and unlocking new opportunities in the global market.

We take this opportunity to thank our stakeholders, customers, and employees for their support and contribution toward this achievement. We remain committed to pursuing operational excellence, setting new benchmarks in the industry, and delivering value-driven solutions for our investors and partners.
