**Message to the Members** **Dear Members,****Global Economy: Resilience in Motion**

The global economy exhibited remarkable resilience and divergence during 2023, defying fears of stagflation and recession. Increased government spending, notable labour force participation, and continued household consumption growth supported global economic growth last year. Despite substantial interest rate hikes by central banks, economic activities worldwide grew steadily. Major central banks, led by the US Federal Reserve, have likely reached their peak rate hikes. Expectations are for rate cut initiations during the latter part of 2024.

The US economy was a standout in 2023, with GDP growth exceeding long-run averages at 4.9% in Q3 and 3.4% in Q4, driven by robust services growth and a resurgence in manufacturing activity. Simultaneously, as the Fed raised rates and supply constraints eased, inflation declined to 1.7% in Q4, undershooting the 2% target. This 'miracle' of strong growth and low inflation defied the recessionary predictions of most economists.

In contrast, Europe slowed to just 0.4% GDP growth in 2023, weighed down by reduced household spending from elevated energy costs tied to the Russia Ukraine conflict and tighter monetary policy. Prospects for 2024 remain subdued at 0.8% growth, constrained by strained fiscal positions limiting any growth impetus.

China experienced a 5.2% growth rate in 2023 and is projected to expand by 5% in 2024 and 4.5% in 2025, bolstered by policy support measures. However property crisis remains a major drag on growth.

Global economic prospects have improved as major economies have averted a severe downturn, reducing inflation without raising unemployment. However, the outlook remains cautiously optimistic. Persistent challenges include prolonged high interest rates, debt sustainability issues, ongoing geopolitical tensions, and escalating climate risks, all of which continue to impede growth.

India: Leading the Way

Yet, for India, the picture is promising amidst a globally uncertain macroeconomic environment. India's economy has shown resilience, with real GDP growth of 8.2% in 2023-24, making it the fastest-growing major economy and the fifth-largest globally. Structural reforms and domestic household demand are key drivers of India's growth.

Inflation has eased, supported by monetary policy actions and supply-side interventions. India is expected to grow at 7.2% per cent in FY25. The banking sector has seen improvements in earnings, governance, and balance sheets, contributing to credit growth in the private sector. Prudent policies and regulatory measures aim to safeguard financial stability in India.

The Indian Rupee has managed relative stability supported by improved external balances, including a moderation in the current account deficit and robust forex reserves. Increased services exports have been supportive of the external balance.. We believe collective actions and focused measures by the government have helped overcome past challenges and will realise India's growth potential in the future.

To summarise, the Indian economy has demonstrated resilience, supported by reforms, low core inflation, and a sound financial sector. Continued focus on reforms will see India emerge as a key global growth engine.

Performance of your Company

The year ended March 2024 was a good year for your Company. The Company during the year recorded a turnover of Rs. 157.78 Crores in 2023-24 as against Rs. 143.89 Crores in 2022-23 with a net profit after tax at Rs. 9.16 Crores as against Rs. 7.64 Crores. We remain confident that your company will also perform well during the current year too.

New Developments

ITL is pioneer and leader in designing and manufacturing of NC Carbide Circular Sawing Machines since 2008 exporting to various developed and under developed countries with great success. Looking to the market demand, ITL has upgraded all its Models under 2nd generation group with enhanced features and cutting capacity to compete in the Global market.

With the improvement in performance of Saw Blades for large diameter bar cutting, per cut cost has reduced substantially as such there is increase in demand for the large diameter bar cutting machines. ITL is developing large diameter bar cutting circular sawing machines and hope to introduce in the market by 2025.

New Models of Bandsaw Machines are under development for the Brazil Market where ITL participated. These machines will add to the Bandsaw Business from 2025 onward.

We remain committed to improve the Shareholders value towards this end, we are continuously looking for the opportunities and are upgrading the infrastructure befitting to the same.

To Our Teams

The support of our Shareholders, Business Associates, Valued Customers, Banks and Financial Institutions has always been a source of strength to us and we thank all of them wholeheartedly for remaining the integral part of our growth story. I also wish to thank all the employees for their devoted efforts in bringing up the company to the present level.

Thanking you,
Rajendra Jain
Managing Director

NOTICE OF 36TH ANNUAL GENERAL MEETING

Notice is hereby given that the 36th Annual General Meeting of the Members of ITL Industries Limited for the financial year ended 31.03.2024 will be held on Saturday, the 28th day of September, 2024 at 11.00 A.M. at the registered office of the Company situated at 111, Sector-B, Sanwer Road, Industrial Area, Indore-452015 (M.P.), to transact the following business:

Ordinary Business:-

1. To receive, consider and adopt the Audited Financial Statements of the Company (including consolidated financial statements) for the financial year ended March 31, 2024, together with the Reports of the Board of Directors and Auditors thereon.
2. To declare dividend of Rs. 1/- per Equity Share for the financial year 2023-2024.
3. To appoint a Director in place of Mr. Mahendra Jain (DIN: 00256047), who retires by rotation and being eligible, offers himself for re-appointment.

Special Business

4. Re-appointment of Mr. Rajendra Jain (DIN: 00256515) as Managing Director of the Company.

To consider and if thought fit, to convey assent or dissent to the following **Special Resolution**:

"RESOLVED THAT subject to the provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Sections 117, 196, 197 and 203 and all other applicable provisions of the Companies Act, 2013 ("the Act") (including any statutory modification or re-enactment thereof for the time being in force) read with Schedule V of the Act and Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Articles of Association of the Company, approval be and is hereby granted to the re-appointment of Mr. Rajendra Jain, Managing Director (DIN : 00256515) of the Company, who has attained the age of 70 years, with effect from 1st February, 2025 for a period of 3 (three) years as recommended/approved By the Nomination & Remuneration Committee and Board of Directors in its meeting held on August 24, 2024, on terms and conditions including remuneration as set out in the Explanatory Statement annexed to the Notice convening this Meeting;

FURTHER RESOLVED THAT the Board be and is hereby authorised to alter and vary the terms and conditions of the said agreement in such a manner as may be agreed to by the Board and Mr. Rajendra Jain but so as not to exceed the limits specified in Schedule V of the Companies Act, 2013, or any amendment thereto or enactments thereof with effect from such date as may be decided by it."

5. Re-Appointment of Mr. Mahendra Jain (DIN: 00256047) as Joint Managing Director of the Company

To consider and if thought fit, to convey assent or dissent to the following **Special Resolution**:

"RESOLVED THAT subject to the provisions of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 and Sections 117, 196, 197 and 203 and all other applicable provisions of the Companies Act, 2013 ("the Act") (including any statutory modification or re-enactment thereof for the time being in force) read with Schedule V of the Act and Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Articles of Association of the Company, approval be and is hereby granted to the re-appointment of Mr. Mahendra Jain, Joint Managing Director (DIN : 00256047) of the Company, who will attained the age of 70 years in October, 2027 with effect from 1st February, 2025 for a period of 3 (three) years as recommend/approved by the Nomination & Remuneration

Committee and Board of Directors in its meeting held on August 24, 2024, on terms and conditions including remuneration as set out in the Explanatory Statement annexed to the Notice convening this Meeting.

FURTHER RESOLVED THAT the Board be and is hereby authorised to alter and vary the terms and conditions of the said agreement in such a manner as may be agreed to by the Board and Mr. Mahendra Jain, but so as not to exceed the limits specified in Schedule V of the Companies Act, 2013, or any amendment thereto or enactments thereof with effect from such date as may be decided by it."

6. Re-Appointment of Mr. Vinod Kumar Jain (DIN: 10289373) as an Independent Director of the Company

To consider and if thought fit, to convey assent or dissent to the following **Special Resolution**:

“RESOLVED THAT pursuant to the provisions of Sections 149, 150 and 152 and other applicable provisions, if any, read along with Schedule IV to the Companies Act, 2013 (‘the Act’) [including any statutory modification(s) or re-enactment(s) thereof for the time being in force], the Companies (Appointment and Qualifications of Directors) Rules, 2014 and Regulation 17 and any other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (‘SEBI Listing Regulations’), as amended from time to time, Mr. Vinod Kumar Jain (holding DIN: 10289373), who was appointed as an Independent Director of the Company for a term of 2 (two) consecutive years commencing from August 25, 2023 upto August 24, 2025 (both days inclusive) and who being eligible for re- appointment as an Independent Director has given his consent along with a declaration that he meets the criteria for independence under Section 149(6) of the Act and the rules framed thereunder and Regulation 16(1)(b) of the SEBI Listing Regulations and in respect of whom the Company has received a Notice in writing from a Member under Section 160(1) of the Act proposing his candidature for the office of Director and based on the recommendation of the Nomination & Remuneration Committee and the Board of Directors of the Company, be and is hereby re-appointed as an Independent Director of the Company, not liable to retire by rotation, to hold office for a second term of 5 (five) consecutive years on the Board of the Company commencing from August 25, 2025 upto August 24, 2030 (both days inclusive);

RESOLVED FURTHER THAT the Board of Directors of the Company (including its Committee thereof) be and is hereby authorised to do all such acts, deeds, matters and things as may be necessary, expedient and desirable for the purpose of giving effect to this resolution.”

7. Ratification of Cost Auditors Remuneration

To consider and if thought fit, to convey assent or dissent to the following Ordinary Resolution:

“RESOLVED THAT pursuant to the provisions of Section 148(3) and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), the company hereby ratifies the remuneration payable of Rs.22,000/- (Rupees Twenty Two Thousand only) & re-imburement of out-of- pocket expenses to be paid to **Yash & Associates, Cost Accountants (FRN: 005252)** appointed by the Board of Directors of the Company to conduct the audit of the cost records of the Company for the financial year ended 31st March, 2025;

RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorised to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution and/or otherwise considered by them to be in the best interest of the Company.”

8. Appointment of Ms. Apoorva Doshi (DIN: 10738787) as an Non-Executive Independent Woman Director

To consider and if thought fit, to convey assent or dissent to the following **Special Resolution**:

“RESOLVED THAT pursuant to the provisions of Sections 149, 150, 152, 161, Schedule IV and other applicable provisions of the Companies Act, 2013 (‘the Act’) read with the Rules framed thereunder, and applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, (‘the LODR Regulations’) [including any statutory modification(s) or re-enactment(s) thereof, for the time being in force], and Articles of Association of the Company, approval and recommendation of the Nomination and Remuneration Committee and that of the Board, Ms. Apoorva Doshi (DIN: 10738787), who was appointed as an Additional Director in the capacity of Non-Executive Independent Woman Director with effect from August 24, 2024, who meets the criteria for independence under Section 149(6) of the Act and the Rules made thereunder and Regulation 16(1)(b) of the LODR Regulations and in respect of whom the Company has received a notice in writing from a member under Section 160 of the Act, be and is hereby appointed as an Non-Executive Independent Woman Director of the Company for a period of 5 consecutive (five) years till August 23, 2029, and that she shall not be liable to retire by rotation.

RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts and take all such steps as may be necessary, proper, or expedient to give effect to this resolution.”

9. Approval of loans, investments, guarantee or security under section 185 of Companies Act, 2013

To consider and if thought fit, to convey assent or dissent to the following **Special Resolution**:

"RESOLVED THAT in supersession of all the previous resolutions pursuant to the provisions of Section 185 and all other applicable provisions of the Companies Act, 2013 read with Companies (Amendment) Act, 2017 and Companies (Meeting of Board of Directors and its powers) Rules, 2014 and all other rules, regulations, notifications and circulars issued (including any statutory modifications, clarifications, exemptions or re-enactments thereof, from time to time), the consent of the Members of the Company be and is hereby accorded to give any loan/advance including any loan represented by a book debt or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the Director of the Company is interested, provided that such loans are utilised by the borrowing Company for its principal business activities and in particular to the following Companies in which one or more Director(s) may be deemed to be interested, on the terms and conditions stated against their respective names:

Sr. No.	Name of the Company	Amount not exceeding	Terms & conditions
1.	Remswegs Marketing Private Limited	Rs.200 Lakhs (which includes existing amount, if any)	On such terms and conditions as may be mutually agreed upon
2.	Indore Tools Private Limited	Rs.400 Lakhs (which includes existing amount, if any)	On such terms and conditions as may be mutually agreed upon
3.	M. M. Metals Private Limited	Rs.300 Lakhs (which includes existing amount, if any)	On such terms and conditions as may be mutually agreed upon
4.	Dimart Engineering Private Limited	Rs. 250 Lakhs (which includes existing amount, if any)	On such terms and conditions as may be mutually agreed upon
5.	Freshline Agro LLP	Rs.300 Lakhs (which includes existing amount, if any)	On such terms and conditions as may be mutually agreed upon

FURTHER RESOLVED THAT for the purpose of giving effect of this resolution, the Board of Directors of the Company (hereinafter referred to as “the Board”, which term shall be deemed to include any committee thereof) be and is hereby authorised to negotiate, finalise, sanction and disburse and agree to the terms and conditions of the aforesaid loans, guarantees and security and to take all necessary steps, to execute all such documents, instruments and writings and to do all necessary acts, deeds and things in order to comply with all the legal and procedural formalities and to do all such acts, deeds or things incidental or expedient thereto and as the Board may think fit and suitable.”

10. To approve Material Related Party Transactions of the Company

To consider and if thought fit, to convey assent or dissent to the following **Ordinary Resolution**

“**RESOLVED THAT** in supersession of all the previous resolutions pursuant to the applicable provisions of Section 188 and any other provisions of the Companies Act, 2013 and Rules framed thereunder and in terms of the Regulation 23 of SEBI (Listing Obligation and Disclosures Requirements) Regulations, 2015 (including statutory modification (s) or re-enactment thereof for the time being in force) and subject to such other statutory approvals as may be necessary, consent of the Members of the Company be and is hereby accorded to the Board of Directors for existing and as well as proposed transaction(s) of purchase/sale of goods and providing services in the ordinary course of business, giving / taking property of any kind on lease to / from Related Party, rendering / availing of loan from / to Related Party with or without interest / charges thereon including rollover / extension of maturity from time to time, whether material or otherwise, for a period of next five Financial Years commencing from April 1, 2024, for Related Party Transaction up to an estimated annual value of Rs. 55.00 Crores (Rupees Fifty Five Crores only) Per Annum excluding taxes to be discharged in a manner and on such terms and conditions as may be mutually agreed upon between the Board of Directors of the Company and the Related Party.

FURTHER RESOLVED THAT the Board of Director of the Company be and is hereby authorized to negotiate and finalize other terms and conditions and to do all the acts, deeds and things as may be necessary, proper or expedient to give effect to this Resolution.”

NOTES

01. The Explanatory Statement pursuant to the provisions of Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto.
02. A member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll, instead of himself / herself and such proxy need not be Member. The proxy form is enclosed which should be deposited, at the Registered Office of the Company duly completed and signed, not less than 48 hours before the commencement of the Meeting.
03. A person can act as a proxy for not more than 50 Members and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A Member holding more than ten percent of total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
04. A Corporate Member intending to send its authorized representatives to attend the Meeting in terms of Section 113 of the Companies Act, 2013 is requested to send to the Company a certified copy of the Board Resolution authorizing such representative to attend and vote on its behalf at the Meeting. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote during the AGM.
05. Members/Proxies/Authorized Representatives are requested to bring the attendance slips duly filled in for attending the Meeting. Members who hold shares in dematerialized form are requested to write their client ID and DP ID numbers and those who hold shares in physical form are requested to write their Folio Number in the attendance slip for attending the Meeting.
06. During the period beginning 24 hours before the time fixed for the commencement of Meeting and ending with the conclusion of the Meeting, a Member would be entitled to inspect the proxies lodged at any time during the business hours of the Company. All documents referred to in the Notice and accompanying explanatory statement are open for inspection at the Registered Office of the Company on all working days of the Company between 11:00 a.m. and 4:00 p.m. up to the date of the Annual General Meeting and at the venue of the Meeting for the duration of the Meeting.
07. As per the provisions of clause 3.A.II. of the General Circular No. 20/2020 dated May 5, 2020, issued by the MCA, the matters of Special business as appearing at Item Nos 4 to 10 of the accompanying Notice, are considered to be unavoidable by the Board and hence, form part of this Notice.
08. The Explanatory Statement pursuant to Section 102 of the Act in respect of the business under Item No. 3, 4, 5, 6 & 8 set out above and the relevant details of the Directors seeking appointment/re-appointment at this AGM as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard on General Meeting issued by The Institute of Company Secretaries of India (“Secretarial Standard”) are annexed hereto. requisite declarations have been received from the Directors seeking appointment/re-appointment.

09. The Ministry of Corporate Affairs (“MCA”) has taken a “Green Initiative in the Corporate Governance” by allowing paperless compliances by Companies and has issued a circular on April 21, 2011 stating that the service of document by a Company can be made through electronic mode. Electronic copy of the Annual Report for the FY 2023-24 is being sent to all the members whose email ID’s are registered with the Company/Depository Participants Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Company/Ankit Consultancy Pvt. Ltd., the Registrar and Share Transfer Agent in case the shares are held by them in physical form. Members may note that the Notice and Annual Report 2023-24 will also be available on the Company’s website www.itl.co.in, websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com and on the website of CDSL at www.evotingindia.com.
10. Institutional shareholders/corporate shareholders (i.e. other than individuals, HUF’s, NRI’s, etc.) are required to send a scanned copy (PDF/JPG Format) of their respective Board or governing body Resolution/Authorisation etc., authorising their representative to vote through remote e-voting. The said Resolution/Authorisation shall be sent to the Scrutinizer by e-mail on its registered e-mail address to igassociatescs@gmail.com with a copy marked to helpdesk.evoting@cdslindia.com. Institutional shareholders (i.e. other than individuals, HUF’s, NRI’s etc.) can also upload their Board Resolution/Power of Attorney/Authority Letter etc. by clicking on “Upload Board Resolution/Authority Letter” displayed under “e-Voting” tab in their login.

11. Voting by Members:

The voting for the agenda items as set forth in the Notice shall be done in the following manner:

- a) Members may cast their votes through electronic means by using an electronic voting system from a place other than the venue of AGM (Remote E-voting).
- b) At the venue of AGM, voting shall be done through Ballot Paper and the members attending the AGM, who have not casted their vote by Remote E-voting shall be entitled to cast their vote through Ballot Paper.
- c) A member may participate in the AGM even after exercising his right to vote through Remote E-voting but shall not be allowed to vote again at the venue of the AGM. If a member casts vote through Remote E-voting and also at the AGM, then voting done through Remote E-voting shall prevail and voting done at the AGM shall be treated as invalid.

Voting through Electronic means (Remote E-voting):

In compliance with the provisions of Section 108 of the Companies Act, 2013 and the Rules framed thereunder and the regulation 44(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by CDSL/NSDL, on the items mentioned in this AGM Notice.  - b. For shares held in physical form: to the Company/ Registrar and Transfer Agent in prescribed Form ISR- 1 and other forms pursuant to SEBI Circular No. SEBI/ HO/ MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021. The Company has sent letters along with Business Reply Envelopes (BRE) for furnishing the required details.
15. Non-resident members are requested to immediately notify: - (i) change in their residential status on return to India for permanent settlement; and (ii) particulars of NRE account, if not furnished earlier.
16. Members who are holding shares in identical names in more than one folios, are requested to write to the Company/Ankit Consultancy Pvt. Ltd., the Registrar and Share Transfer Agent, to consolidate their holding in one folio.
17. Members are requested to direct notifications about change of name / address, email address, telephone / mobile numbers, PAN, Nomination, power of attorney, bank account details or any other information to their respective depository participant(s) (DP) in case the shares are held in electronic mode or to M/s Ankit Consultancy Pvt. Ltd., Registrar and Share Transfer Agents (RTA) of the Company, in case the shares are held in physical form.
18. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

As per the provisions of Section 72 of the Act, the facility for making Nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their Nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier Nomination and record a fresh Nomination, he / she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website. Members are requested to submit the said details to their DP in case the shares are held by them in electronic form and to M/s. Ankit Consultancy Pvt. Ltd. in case the shares are held in physical form.

19. The Company has transferred all unpaid/unclaimed equity dividends up to the financial year 2015-16 to the Investor Education and Protection Fund (IEPF) established by the Central Government pursuant to Section 125 of Companies Act, 2013.
20. Members are advised to claim their unpaid dividend for the year 2016-17 to 2022-23 if any, the Company is having unpaid dividend of Rs. 5,15,824/- for the year 2016-17 to 2022-23. Attention of the members of the Company are drawn towards the provisions of section 124(6) which provides that all the shares in respect of which unpaid or unclaimed dividend has been transferred u/s 124(5) shall also be transferred by the company in the name of IEPF. Therefore in the interest of the members it is advised to take appropriate action to encase the unpaid dividend and update their bank particulars through the respective DP's. Pursuant to the provisions of Section 124(5) of the Companies Act, 2013, if the dividend transferred to the Unpaid Dividend Account of the Company remains unpaid or unclaimed for a period of seven years from the date of such transfer then such unclaimed or unpaid dividend shall be transferred by the company to the Investor Education and Protection Fund ('the IEPF'), a fund established under sub-section (1) of section 125. The Company has sent intimation to all such shareholders who have not claimed their dividend for seven consecutive years. The details of unclaimed/unpaid dividend are also available on the website of the Company viz www.itl.co.in.

Members who have not yet encashed their dividend warrants for any subsequent financial years are requested to make their claim at the earliest, to avoid transfer of the dividend/ shares to the fund/ IEPF authority.

Details of unclaimed dividends are available on the Company's website www.itl.co.in

Members/claimants whose shares, unclaimed dividends, have been transferred to the IEPF Demat account of the fund, as the case may be, may claim the shares or apply for refund by making an application to IEPF Authority through Web Form IEPF-5. 35. Route-map to the venue of the Meeting is provided at the end of the Notice (behind the Proxy form).

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING

The remote e-voting period begins on Wednesday, 25th September 2024 (from 9.00 A.M.) and end on Friday, 27th September, 2024 (at 5.00 P.M.). The remote e-voting module shall be disabled by CDSL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date)

i.e. Saturday, 21st September, 2024, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Saturday, 21st September, 2024.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on <Date and Time> and ends on <Date and Time>. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of <Record Date> may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) **In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.**

Item No. 6:

Mr. Vinod Kumar Jain (DIN: 10289373), is currently a Non-Executive Independent Director of the Company, Member of the Audit Committee, Nomination and Remuneration Committee and Stakeholder Relationship Committee.

Mr. Vinod Kumar Jain was appointed as an Independent Director of the Company by the Members at the 35th Annual General Meeting of the Company held on September 29, 2023 for a period of 2 (two) consecutive years commencing from August 25, 2023 upto August 24, 2025 (both days inclusive) and is eligible for re-appointment for a second term on the Board of the Company.

Based on the recommendation of the Nomination & Remuneration Committee ('NRC'), the Board of Directors at its

meeting held on August 24, 2024, proposed the re-appointment of Mr. Vinod Kumar Jain as an Independent Director of the Company for a second term of 5 (five) consecutive years commencing from August 25, 2025 upto August 24, 2030 (both days inclusive), not liable to retire by rotation, for the approval of the Members by way of a Special Resolution.

Mr. Vinod Kumar Jain is a Commerce Graduate. He has wide 38 years business experience.

The NRC taking into consideration the skills, expertise and competencies required for the Board in the context of the business and sectors of the Company and based on the performance evaluation, concluded and recommended to the Board that Mr. Vinod Kumar Jain qualifications and the rich experience of over three decades in the abovementioned areas meets the skills and capabilities required for the role of Independent Director of the Company. The Board is of the opinion that Mr. Vinod Kumar Jain continues to possess the identified core skills, expertise and competencies fundamental for effective functioning in his role as an Independent Director of the Company and his continued association would be of immense benefit to the Company.

The Company has in terms of Section 160(1) of the Companies Act, 2013 ('the Act') received a notice from a Member proposing his candidature for the office of Director. The Company has received a declaration from Mr. Vinod Kumar Jain confirming that he continues to meet the criteria of independence as prescribed under Section 149(6) of the Act, read with the rules framed thereunder and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'). In terms of Regulation 25(8) of the SEBI Listing Regulations. Mr. Vinod Kumar Jain has also confirmed that he is not debarred from holding the office of Director by virtue of any SEBI Order or any such authority pursuant to circulars dated June 20, 2018 issued by BSE Limited pertaining to enforcement of SEBI Orders regarding appointment of Directors by the listed companies.

Further, Mr. Vinod Kumar Jain has confirmed that he is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as Director in terms of Section 152 of the Act, subject to re-appointment by the Members. Mr. Vinod Kumar Jain has also confirmed that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs ('IICA'). Mr. Vinod Kumar Jain has passed online proficiency self-assessment test conducted by IICA.

In the opinion of the Board, Mr. Vinod Kumar Jain fulfils the conditions specified in the Act, rules thereunder and the SEBI Listing Regulations for re-appointment as an Independent Director and that he is independent of the Management

In compliance with the provisions of Section 149 read with Schedule IV to the Act, Regulation 17 of the SEBI Listing Regulations and other applicable provisions of the Act and SEBI Listing Regulations, the re-appointment of Mr. Vinod Kumar Jain as an Independent Director is now placed for the approval of the Members by a Special Resolution 6.

The Board recommends the Special Resolution set out in Item No. 6 of the accompanying Notice for approval of the Members.

None of the Directors or Key Managerial Personnel ('KMP') of the Company or their respective relatives, except Mr. Vinod Kumar Jain and his relatives, are concerned or interested, financially or otherwise, in the resolution set out at Item No. 6 of the accompanying Notice.

Disclosures as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India are annexed to this Notice.

Item No. 7:

Pursuant to the provisions of Section 148 of the Companies Act, 2013 ('the Act'), read with Companies (Cost Records and Audit) Rules, 2014, the Company is required to have audit of its cost records conducted by a cost accountant in practice. The Board of Directors of the Company, on the recommendation of the Audit Committee, has approved at their meeting held on 24th August, 2024 the appointment of Yash & Associates, Cost Accountants (FRN: 005252), Practicing Cost Accountants, to conduct the audit of the cost records of the Company for the financial year ended 31st March, 2025.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14 the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor as recommended by the Audit Committee and approved by the Board of Directors has to be ratified by the members of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No. 7 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31st March, 2025. The Board recommends the resolution as set out in Item No. 7 of this notice for approval of the members.

None of the Directors, Key Managerial Personnel of the Company and their relatives, is in any way, concerned or interested, financially or otherwise in the resolution.

Item No. 8

Pursuant to Section 161 of the Companies Act, 2013, the Board, on August 24, 2024, appointed Ms. Apoorva Doshi (DIN: 10738787) as an Additional Director in the capacity of Non-Executive Independent Woman Director of the Company for a first term of 5 (five) years with effect from August 24, 2024 to August 23, 2029 (both days inclusive) subject to the approval of the shareholders through a special resolution.

The Company has received Consent in writing to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 (“the Appointment Rules”), Intimation in Form DIR-8 in terms of the Appointment Rules to the effect that she is not disqualified under sub-section (2) of Section 164 of the Act, A declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and under the LODR Regulations, Declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, that she has not been debarred from holding office of a director by virtue of any order passed by SEBI or any other such authority, A declaration that she is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to her registration with the data bank of independent directors maintained by the Indian Institute of Corporate Affairs from her.

The Company has received a notice in writing by a member proposing her candidature under Section 160 of the Act. As per recommendation of Nomination and Remuneration Committee (NRC), The Board was satisfied that the appointment of Ms. Apoorva Doshi is justified. She is Chartered Accountant and having more than 10 years’ working experience in the field of Internal Audits, Indirect Tax, Management Consultancy services and PAN India Stock Audits.

Terms and conditions of appointment of Non-Executive Independent Director is available on the website of the Company.

The resolution seeks the approval of members for the appointment of Ms. Apoorva Doshi as Non-executive Independent Woman Director of the Company for a first term of 5 consecutive (five) years with effect from August 24, 2024 to August 23, 2029 (both days inclusive) pursuant to Sections 149, 152 and other applicable provisions of the Act and the Rules made thereunder including any statutory modification(s) or re-enactment(s) thereof) and she shall not be liable to retire by rotation.

In compliance with Section 149 read with Schedule IV to the Act and Regulation 25 of the LODR Regulations, the approval of the Members is sought for the appointment of Ms. Apoorva Doshi as Non-Executive Independent Woman Director of the Company, as a special resolution.

No director, KMP or their relatives except Ms. Apoorva Doshi, and her relatives to whom the resolution relates, are interested in or concerned, financially or otherwise, in passing the proposed resolution set out in item no. 8.

The Board recommends the special resolution as set out in Item no. 8 of this notice for the approval of members.

Item No. 9

The Company is expected to render support for the business requirements of related concerns, from time to time. However, owing to certain restrictive provisions contained in the Section 185 of the Companies Act, 2013, the Company needs to obtain consent of the Members to extend financial assistance by way of Advances, loan, guarantee or security to related concerns. In the light of amendments notified effective May 7, 2018, inter-alia replacing the provisions of Section 185 of Companies Act, 2013, the Company with the approval of members by way of special resolution, would be in a position to provide financial assistance by way of Advances, loan to related concerns or give guarantee or provide security in respect of loans taken by such entities, for their principal business activities. The members may note that board of directors would carefully evaluate proposals and provide such Advances, loan, guarantee or security proposals through deployment of funds out of internal resources / accruals and / or any other appropriate sources, from time to time,

only for principal business activities of the related concerns, which will not be prejudicial to the interest of the Company. Hence, in order to enable the company to advance loan to Subsidiaries/ Joint Ventures /associates/ other Companies/ Firms in which Directors are interested directly or indirectly under section 185 of the Companies Act, 2013, the Company requires approval of members by a Special Resolution.

The Board of Directors Recommend the Special Resolution as set out in Item no. 9 for approval by the members. All the Directors except for the Independent Directors are concerned or interested in the aforesaid resolution, financially or otherwise.

Item No. 10

Section 188 of the Companies Act, 2013 (the 'Act') read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014 provides that all transactions involving inter alia sale, purchase or supply of goods or services with a related party other than transactions entered into by a company in the ordinary course of business which are on an arm's length basis as defined in explanation (b) to Section 188 (1) shall require the prior approval of the Members by way of an ordinary resolution where the sale or supply of such goods or services or lease exceeds 10 per cent of the annual turnover/Net worth (Whichever is applicable) of a company.

Your Company is engaged in various business activities, including the manufacturing and sale of Bandsaw and Circular saw machines, as well as the trading of various engineering products such as hydraulics, cutting tools etc. Over the next five financial years starting from April 1, 2024, the Company will conduct transactions with related parties, as defined under Section 188 read with Section 2 (76) of the Act. These transactions relate to the purchase and sale of materials, the sale of components, the acquisition of fixed assets, sub-leasing of premises, and the provision and utilization of various services. It is important to note that all such transactions will be executed by the Company on an arm's length basis, ensuring fairness and transparency.

However, in terms of Regulation 23 and other applicable provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations") read with other applicable laws (including any statutory modifications or re-enactments thereof for the time being in force) It is mandatory to seek approval from the Company's members via an ordinary resolution for all material-related party transactions. These transactions are those anticipated to exceed 10% of the Company's annual turnover or net worth, whichever is applicable, as per its most recent audited financial statements.

The Company is required to enter/ to be entered transactions with related parties. The details of the existing and proposed related party transactions are as under-

S. No.	Name of Related Party	Nature of contracts/ arrangements/ transactions	Proposed Related Party transaction for next five Financial Year commencing from April 1, 2024 (Amount in Lacs p.a.)	Nature of relationship

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31st MARCH 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and
Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
ITL Industries Limited
111-Sector-B, Sanwar Road,
Industrial Area, Indore (MP)
CIN: L28939MP1989PLC005037

I, have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s ITL Industries Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliance's and expressing my opinion thereon.

Based on my verification of the M/s ITL Industries Limited, books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2024 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I, have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s ITL Industries Limited ("the Company") for the financial year ended on 31st March, 2024 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder applicable to the Company.
- (v) The rules and regulations relating to Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings. (Not applicable to the Company)
- (vi) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act').
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations 2011, as amended from time to time.
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time.
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations 2018, as amended from time to time.
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefit and Sweet Equity) Regulation, 2021. Not Applicable.
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021. Not Applicable.

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client. Not Applicable.
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021. Not Applicable.
 - (h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018. Not Applicable.
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- (vii) In respect of other laws specifically applicable to the Company, there is no specific law in applicable to the company. I have relied on information/records produced by the company during the course of our audit on test-check basis and the reporting in limited to that extent only.

I, have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) The fresh Listing Agreements entered into by the Company with Stock Exchange on dated 15th February, 2016 as per the Securities Exchange Board of India (Listing and Obligations and Disclosure Requirements) Regulation 2015 read with SEBI Circular No. CIR/CFD/CMD/6/2015 dated October 13th, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except in respect of matters specified.

I further report that;

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Company has changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Our Secretarial Audit Report of even date is to be read along with this letter.

1. Maintenance of Secretarial Record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our Audit. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices followed provide a reasonable basis for our opinion.
2. We have not verified the correctness and appropriateness of financial records and books of Accounts of the company. We have obtained the management representation about the compliance of all applicable, laws, rules regulations/circulars/guidelines and happening of events etc. Compliance of the applicable laws and ensuring the authenticity of documents and information's furnished are the responsibilities of the managements of the listed entity. We noted that the company has filled the requests forms on MCA, but in some case it files with additional fees and delay reporting, submissions and the company has approved the report of cost auditor for the FY 2022-23 in the Meeting of Board of Directors held on 30th May 2024.
3. The Secretarial Audit Report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.
4. It is the responsibilities of the management of the company, to maintain records, devise proper systems to ensure compliance with provisions of all applicable SEBI Regulations and circulars/guidelines issued there under from time to time and to ensure that the systems are operating effectively. Our responsibilities is to verify compliance by the company with the provisions of all applicable SEBI Regulations and circulars/guidelines issued there under from time to time and issue a report thereon and our examination was limited to the verification of procedures on test basis.
5. We have not verified the correctness, eligibility, appropriateness and validity of the certificates issued by any professionals and any other certificates and reports required to be submitted with the public portal for the provisions of all applicable SEBI Regulations and circulars/guidelines issued there under from time to time.
6. Based on the above examination and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India and have conducted online/physical verification and examination of records as facilitated by the company/ authorised persons for the purpose of issuing this report.

Therefore, no such disclosure is required.
- ii. During the year, none of the employees received remuneration in excess of that drawn by the Managing Director or Whole-time director and none of the employees hold two percent of the equity shares of the Company.

MANAGEMENT'S DISCUSSION INTRODUCTION:

The objective of this discussion is to share the Management's view on the various developments in the business environment, challenges and opportunities, as well as to provide an analysis of the Company's performance. This discussion also summarizes the Company's internal control measures and significant development in Human Resources. This discussion should be read in conjunction with the Letter to Shareholders, Director's Report, Financial Statements and Notes to Financial Statements included in this Annual Report.

i) **Global Economy**

The global economy exhibited remarkable resilience and divergence during 2023, defying fears of stagflation and recession. Increased government spending, notable labour force participation, and continued household consumption growth supported global economic growth last year. Despite substantial interest rate hikes by central banks, economic activities worldwide grew steadily. Major central banks, led by the US Federal Reserve, have likely reached their peak rate hikes. Expectations are for rate cut initiations during the latter part of 2024.

The US economy was a standout in 2023, with GDP growth exceeding long-run averages at 4.9% in Q3 and 3.4% in Q4, driven by robust services growth and a resurgence in manufacturing activity. Simultaneously, as the Fed raised rates and supply constraints eased, inflation declined to 1.7% in Q4, undershooting the 2% target. This 'miracle' of strong growth and low inflation defied the recessionary predictions of most economists.

In contrast, Europe slowed to just 0.4% GDP growth in 2023, weighed down by reduced household spending from elevated energy costs tied to the Russia Ukraine conflict and tighter monetary policy. Prospects for 2024 remain subdued at 0.8% growth, constrained by strained fiscal positions limiting any growth impetus.

China experienced a 5.2% growth rate in 2023 and is projected to expand by 5% in 2024 and 4.5% in 2025, bolstered by policy support measures. However property crisis remains a major drag on growth.

Global economic prospects have improved as major economies have averted a severe downturn, reducing inflation without raising unemployment. However, the outlook remains cautiously optimistic. Persistent challenges include prolonged high interest rates, debt sustainability issues, ongoing geopolitical tensions, and escalating climate risks, all of which continue to impede growth.

ii) **India**

Yet, for India, the picture is promising amidst a globally uncertain macroeconomic environment. India's economy has shown resilience, with real GDP growth of 8.2% in 2023-24, making it the fastest-growing major economy and the fifth-largest globally. Structural reforms and domestic household demand are key drivers of India's growth.

Inflation has eased, supported by monetary policy actions and supply-side interventions. India is expected to grow at 7.2% per cent in FY25. The banking sector has seen improvements in earnings, governance, and balance sheets, contributing to credit growth in the private sector. Prudent policies and regulatory measures aim to safeguard financial stability in India.

The Indian Rupee has managed relative stability supported by improved external balances, including a moderation in the current account deficit and robust forex reserves. Increased services exports have been supportive of the external balance.. We believe collective actions and focused measures by the government have helped overcome past challenges and will realise India's growth potential in the future.

To summarise, the Indian economy has demonstrated resilience, supported by reforms, low core inflation, and a sound financial sector. Continued focus on reforms will see India emerge as a key global growth engine.

iii) **Industry Structure and Developments:**

The Industry structure has remained the same in the domestic market. ITL has upgraded all its Models under 2nd generation group with enhanced features and cutting capacity to compete in the Global market. New Models of Bandsaw Machines are under development for the Brazil Market where ITL participated. These machines will add to the Bandsaw Business from

2025 onward. ITL has captured a reasonable market size. More and more technological advancement and updation of latest technology creates an opportunity to penetrate into new products line & global market in near future.

iv) Opportunities and Threats:

There is significant change in the outlook compared to last year. The Company continues to enhance opportunities for growth by focusing on introduction of new products and putting high emphasis on after sales & services of the products along with up gradation of technology.

The Company faces the normal threats, risks and concerns which are associated with competition from local and overseas manufacturers.

v) Segment-Wise or Product-Wise Performance:

a) Manufacturing Division :-

Manufacturing Division has achieved Sales / Income of Rs. 11600.71 lacs in the year 2023-24 as against Rs. 10389.86 lacs in the year 2022-23, showing a growth of 11.65 % from Bandsaw Machines, designing and manufacturing of equipments.

b) Trading Division:-

Trading Division of Hydraulics & other engineering products has achieved Sales / Income of Rs. 5354.07 lacs in the year 2023-24 as against Rs. 4938.41 lacs in the year 2022-23, showing a growth of 8.42 %. During the current financial year, the above division is also receiving good orders from the customers.

vi) Outlook:

In current year the Company is confident of growing much faster in comparison to economy & capital goods industry looking to the present level of orders and enquiries for Manufacturing Division i.e. Bandsaw and Circular Saw Manufacturing equipment are showing good sign of recovery.

ITL's outlook on over-seas markets and domestic market are positive on account of its strength on cutting edge technology, cost and effective after sales services.

vii) Risks and Concerns:

The Company is falling under the capital goods industry, the growth of which is determined by overall growth of the Industry. An overall concern is pertaining to the pressure on the profitability. However, ITL has taken all measures to reduce the Direct and Indirect cost. During the current year, the manufacturing division has shown excellent growth in orders and inquiry due the overall growth of Industry. The advancement of technology and strategic positioning of products is expected to give better results.

viii) Internal Control Systems and Their Adequacy:

The Company has well established internal control systems and to further strengthen the systems, it has appointed an internal Chartered Accountant to carry out Internal Audit and to review the internal control measures.

ix) Discussion on Financial Performance with Respect to Operational Performance:

During the year under review, the sales & other Income of Company Increased from Rs. 14647.40 Lacs to Rs. 16184.12 Lacs showing a growth of 10.49 % & profit after Tax of the Company for the year under review has increased from Rs. 764.79 Lacs to Rs. 895.17 lacs showing a growth of 17.05 %.

x) Material Developments in Human Resources / Industrial Relations Front:

ITL Industries continues to consolidate the belief that employees are our key resource. We continue to maintain a relatively young age factor amongst our employees and we are happy to report that they have taken full advantage of the opportunities that have been created for them. It continues to encourage innovative thinking as well as invest in internal training programs

and initiatives for employees. We are proud to say that we are well on our way to establishing a work culture and environment in which every employee feels stimulated and motivated to contribute and perform.

We are proud to report that we have continue to maintain cordial industrial relations, and our employees actively participate in any initiative aimed at improving productivity, co-operation and understanding. This is indeed a proud achievement and we intend to continue to maintain this enviable track record.

iv) Disclaimer Statement:

Report on Management Discussion and Analysis deals with the Company's objectives, estimates, expectations and forecasting which may be forward looking within the meaning of applicable Security Laws and/ or Regulations. The aforesaid statements are based on certain premises and expectations of future events as such the actual results may however differ materially from those expressed or implied. The Government Regulation, Tax structure, demand-supply conditions, cost of raw material & their availability, finished goods prices and economic development within India and the countries with which the Company has business relationship will have an important bearing on the statements in the above Report.

The foregoing discussions and analysis only set out the management perception of the Company's environments, in the coming months, which, by their very nature are uncertain and may undergo substantial changes in view of the events taking place later. Thus, the Company should and need not be held responsible, if, which is not unlikely, the future turns to be something quite different even materially, subject to this management disclaimer, this discussion and analysis should be perused.

REPORT ON CORPORATE GOVERNANCE

[As per Regulation 34(3) read along with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

This Corporate Governance Report relating to the financial year ended on March 31, 2024 has been issued in compliance with the applicable provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and amendment thereof and forms a part of the Report of the Board of Directors of the Company. To comply with Regulation 34 read with Schedule V of the SEBI Listing Regulations, the report containing the details of Corporate Governance of the Company.

1. Company's philosophy on Code of Governance

The Company believes that Corporate Governance envisages attainment of high level of transparency, accountability, fair and equal treatment of all shareholders, compliance with regulations and sustainable value creation for all shareholders, ethical practices and integrity thereby assisting the top management of the Company in efficient conduct of its business. The Company believes that its systems and actions must be integrated for enhancement of corporate performance resulting in maximization of shareholders' value in the long run, protection of the interest of its shareholders and employees and maintenance of cordial relationship with its customers and bankers. The Company gives due emphasis on regulatory compliances.

The Company's philosophy on corporate governance is guided by the company's philosophy of knowledge, action and care. The Company has always been committed to the principles of good Corporate Governance. Your Company is not only in compliance with the requirements stipulated under the SEBI Listing Regulations as amended from time to time, with regard to Corporate Governance, but is also committed to sound Corporate Governance principles and practice and constantly strives to adopt emerging best Corporate Governance practices being followed worldwide.

2. Governance Structure

ITL Industries Limited's Governance structure broadly comprises the Board of Directors and the Committee of the Board at the apex level and the Management structure at the operational level. This layered structure brings about a harmonious blend in governance as the Board sets the overall corporate objectives and gives direction and freedom to the Management to achieve these corporate objectives within a given framework, thereby bringing about an enabling environment for value creation through sustainable profitable growth.

3. Board of Directors:

Composition:

The Board of Directors has an optimum combination of Executive and Non-Executive Independent Directors with One Woman Non-Executive Independent Director and more than fifty percent of the Board of Directors comprising of Non-Executive Independent Directors.

As on March 31, 2024, the Board of Directors of the Company comprises of six (6) Directors, of which two (2) are Executive Directors and *four (4) are Non-Executive Independent Directors.

Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations read with Section 149(6) of the Companies Act, 2013. The maximum tenure of Independent Directors are in compliance with the Act. All the Independent Directors have confirmed that they meet the criteria as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations read with Section 149(6) of the Act. None of the Director is a Director in more than 10 public limited companies (as specified in Section 165 of the Act) or acts as an Independent Director in more than 7 listed companies or 3 listed companies in case he/she serves as a Whole-time Director/Managing Director in any listed company (as specified in Regulation 17A of the SEBI Listing Regulations). Further, none of the Directors on the Board is a Member of more than 10 Committees and Chairman of more than 5 Committees (as specified in Regulation 26 of the SEBI

Listing Regulations), across all the Indian public limited companies in which he/she is a Director.

Two Executive Directors including Managing Director and Joint Managing Director. Dr. Pratima Jain is Independent Woman Director on the Board.

Management Structure

**INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE****{Requirements under the SEBI (LODR) Regulations, 2015}****TO THE MEMEBERS OF
ITL INDUSTRIES LIMITED**

We, MAHENDRA BADJATYA & CO, Chartered Accountants, the Statutory Auditors of ITL INDUSTRIES LIMITED (“the Company”), have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on March 31, 2024, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations”) pursuant to the Listing Agreement of the Company with Stock Exchanges.

MANAGEMENT'S RESPONSIBILITY

1. The compliance with the conditions of Corporate Governance is the responsibility of the management of the Company. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in SEBI Listing Regulations.

AUDITOR'S RESPONSIBILITY

2. Our responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulation.
3. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India (“ICAI”). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by ICAI.
4. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
5. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures include but not limited to verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.
6. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

OPINION

7. Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations as applicable during the year ended March 31, 2024.

8. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

RESTRICTION ON USE

9. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the SEBI Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
ITL INDUSTRIES LIMITED

REPORT ON THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Standalone Financial Statements of ITL INDUSTRIES LIMITED (“the Company”), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “Standalone Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards (“Ind AS”), of the state of affairs of the Company as at March 31, 2024, its total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (“ICAI”) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Procedures Performed / Auditor’s Response:
1.	<p>Contingent liabilities relating to taxation, litigations, and arbitrations.</p> <p>The provisions and contingent liabilities relate to ongoing litigations and claims with various authorities and third parties. These relate to direct tax, indirect tax, claims and other general legal proceedings arising in the ordinary course of business. As at the year ended 31st March 2024, the amounts involved were significant. The assessment of a provision or a contingent liability requires significant judgement by the Management of the Company because of the inherent complexity in estimating future costs. The amount recognized as a provision is the best estimate of the expenditure. The provisions and contingent liabilities are subject to changes in the outcomes of litigations and claims and the positions taken by the Management of the Company. It involves significant judgement and estimation to determine the likelihood and timing of the cash outflows and interpretations of the legal aspects, tax legislations and judgements previously made by authorities.</p>	<p>Principal Audit Procedures</p> <p>We have obtained an understanding of the process followed by the Management of the Company for assessment and determination of the amounts of provisions and contingent liabilities relating to taxation, litigations, and claims. We have made inquiries about the status in respect of significant provisions and contingent liabilities with the Company’s internal tax and legal team, including challenging the assumptions and critical judgements made by the Company which impacted the computation of the provisions and inspecting the computation. We assessed Management’s conclusions through discussions held with their in-house legal counsel and understanding precedents in similar cases. We communicated with the Company’s external legal counsel on certain material litigations to establish the likelihood of outflow of economic resources being probable, possible, or remote in respect of the litigations. We have involved subject matter experts with specialized skills and knowledge to assist in the</p>

		assessment of the value of significant provisions and contingent liabilities relating to the pending litigations, on sample basis, considering the nature of the exposures, applicable regulations, and related correspondence with the authorities. We also assessed and validated the adequacy and appropriateness of the disclosures made by the Management in the Financial Statements.
2.	Non-responses of external confirmations request perpetrated pursuant to SA 505.	<p>Principal Audit Procedures</p> <p>In the absence of related confirmations, we performed alternative audit procedures like follow-up confirmation requests, verification of subsequent payments and receipts to verify part of the balances appearing in the books of accounts.</p>

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report and management compliance certificate but does not include the standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a Statement on the matters specified

in the paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, based on our audit, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The standalone Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors as on 31st March 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as of 31st March 2024 on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company has transferred an amount of ₹1.09 lakhs (P.Y - ₹1.05 lakhs) to the Investor Education and Protection Fund during the year ended 31st March 2024.
 - iv. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (if any);
(ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or

entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (if any); and

- (iii) Based on such audit procedures that we (the auditors of the company) have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatements.
- v. The Company has paid dividend of Rs. 32.04 Lacs during the year which is in compliance with section 123 of the Companies Act 2013.
- vi. The company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

**Annexure – “A” to the Independent Auditor’s Report****[Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of ITL INDUSTRIES LIMITED on the Financial Statements for the year ended 31st March 2024]**

The Annexure required under CARO, 2020 referred to in our Report to the members of ITL INDUSTRIES LIMITED (“the Company”) for the year ended 31st March 2024, and according to information and explanations given to us, we report as under:

- i. a) (A) The company is maintaining reasonable records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company is maintaining reasonable records showing full particulars of intangible assets.
- b) These Property, Plant and Equipment’s have been physically verified by the management at reasonable intervals and as informed, no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
- c) The title deeds of all the immovable properties (other than properties where the company is the lessee, and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
- d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- e) The company does not have any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under, Accordingly, the provisions of clause 3(i)(e) of the Order is not applicable.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the management and, in our opinion, the coverage and procedure of such verification by the management is appropriate; No discrepancies of 10% or more in the aggregate for each class of inventory were noticed and they have been properly dealt with in the books of account.
(b) During the year, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets.
The quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.
- iii. During the year the company has made investments but has not granted loans or advances in the nature of loans, secured or unsecured, and has not provided guarantee and security to companies, firms, Limited Liability Partnerships or any other parties, and,
 - (a) During the year the company has not provided advances in the nature of loans, and has not stood guarantee, or provided security to any other entity:
 - (A) The Company has no joint venture or associate but has subsidiary and it has not advanced loans or advances and guarantees or security given to its subsidiary. Accordingly, the provisions of clause 3(iii)(a)(A) of the Order is not applicable.
 - (B) The aggregate amount during the year and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates is Nil.
 - (b) The investments made are not prejudicial to the Company’s interest. The Company has not granted any advances in the nature of loans nor provided any guarantee nor given any security.

- (c) In respect of loans and advances in the nature of loans, according to the information and explanations given to us, there are no loans and advances in the nature of loans.
- (d) According to the information and explanations and based on our audit procedures, there are no loans and advances in the nature of loans, hence no overdue amount that remains outstanding as the year end.
- (e) According to the information and explanations, there are no loans and advances in the nature of loans, hence none of the advances in the nature of loan granted and has fallen due during the year, or has been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same parties.
- (f) The Company has not granted any loans or advances in the nature of loans to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013, either repayable on demand or without specifying any terms or period of repayment. Accordingly, the provisions of clause 3(iii)(f) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans and making investments. The Company has not provided any guarantees and securities.
- v. In our opinion, the Company has not accepted any deposits nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- vi. We have broadly reviewed the cost records maintained by the company, pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub section (1) of section 148 of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate and complete.
- vii. a. The company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- b. The following dues of Income Tax, VAT & Central Sales Tax have not been deposited by the company on account of disputes: -

Name of statute	Nature of Dues	Demand (In ₹ lacs)	Period to which Amount Relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	0.01	AY 2021-22	CPC, Bangalore
Income Tax Act, 1961	Income Tax	0.09	AY 2022-23	CPC, Bangalore
Income Tax Act, 1961	TDS	0.37	Prior Years	CPC
Central Sales Tax, 1956	CST	36.48	Prior Years	Appellate Authority
Value Added Tax	VAT	11.54	Prior Years	Appellate Authority
	Total	48.49		

- viii. There were no transactions, not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), Accordingly, the provisions of clause 3(viii) of the Order is not applicable.
- ix. a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender, Accordingly, the provisions of clause 3(ix)(a) of the Order is not applicable.
- b) The company is not declared willful defaulter by any bank or financial institution or other lender, Accordingly, the provisions of clause 3(ix)(b) of the Order is not applicable.
- c) The company has taken term loans during the year that were applied for the purpose for which the loans were obtained.
- d) The company has not raised any funds on short term basis which have been utilized for long term purposes, Accordingly, the provisions of clause 3(ix)(d) of the Order is not applicable.
- e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures, Accordingly, the provisions of clause 3(ix)(e) of the Order is not applicable.
- f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies. Accordingly, the provisions of clause 3(ix)(f) of the Order is not applicable.
- x. a) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions of clause 3(x)(a) of the Order is not applicable.
- b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year. Accordingly, the provisions of clause 3(x)(b) of the Order is not applicable.
- xi. a) No fraud by the company or any fraud on the company has been noticed or reported during the year covered by our audit. Accordingly, the provisions of clause 3(xi)(a) of the Order is not applicable.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the provisions of clause 3(xi)(b) of the Order is not applicable.
- c) There were no whistle-blower complaints, received during the year by the company. Accordingly, the provisions of clause 3(xi)(c) of the Order is not applicable.
- xii. In our opinion, the Company is not a Nidhi Company; accordingly, the provision of clause 3(xii) of the Order is not applicable.
- xiii. In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Indian accounting standard.
- xiv. a) The company has an internal audit system commensurate with the size and nature of its business.
- b) The reports of the Internal Auditors for the period under audit were considered by the statutory auditor.
- xv. In our opinion, the company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act. Accordingly, the provision of clause 3(xv) of the Order is not applicable.
- xvi. (a) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, the provisions of clause 3(xvi)(a) of the Order is not applicable.

- b) The company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi)(b) of the Order is not applicable.
- c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the provisions of clause 3(xvi)(c) of the Order is not applicable.
- d) The Group does not have any CIC as part of the Group. Accordingly, the provisions of clause 3(xvi)(d) of the Order is not applicable.
- xvii. The company has not incurred cash losses in the financial year and in the immediately preceding financial year. Accordingly, the provision of clause 3(xvii) of the Order is not applicable.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the provision of clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we (the auditor) are of the opinion that no material uncertainty exists as on the date of the audit report and that the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx. a) In respect of other than ongoing projects, the company has no unspent amount required to be transferred to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, the provision of clause 3(xx)(a) of the Order is not applicable. The company has provided for an amount of ₹ 16.37/- Lacs (Pr. Yr. ₹ 13.46/- Lacs) towards the discharge of Corporate Social Responsibility
- b) The Company has no ongoing projects. Accordingly, the provision of clause 3(xx)(b) of the Order is not applicable.
- xxi. There have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements of the company.

Annexure – “B” to the Independent Auditor's Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of ITL Industries Limited on the Standalone Financial Statements for the year ended 31st March 2024)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

OPINION

We have audited the internal financial controls over financial reporting of ITL Industries Limited (“the Company”) as of 31st March 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, and to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatements of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in

accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

C) CASH FLOW FROM FINANCING ACTIVITIES		
Proceeds from Non-current Borrowing	126.32	-116.57
Repayment of current Borrowing	-13.17	11.56
Dividend/ Corporate Dividend Tax	-32.04	0.00
Interest paid	-149.65	-133.71
Net Cash used in Financing Activities	-68.55	-238.72
Net Increase in Cash & Cash Equivalents (A+B+C)	44.55	17.86
Effects of exchange rate changes of cash and cash equivalents	0.00	0.00
Cash and cash equivalents at beginning of year	169.77	151.91
Cash and cash equivalents at end of year	214.32	169.77

Notes to the Statement of Cash Flow :

i) Cash and cash equivalents as per above comprises of the following:

PARTICULARS	2023-2024	2022-2023
Cash in hand	27.09	4.25
Balances with bank	187.23	165.52
Deposit with original maturity of less than 3 months	0.00	0.00
Cash and cash equivalents at end of year	214.32	169.77

ii. The statement of cash flow has been prepared under the indirect method as set out in IndAS 7 - 'Statement of Cash Flows'.

iii. Cash and cash equivalents represents Cash and bank balances.

iv. Effective 1 April 2017, the Company adopted the amendment to IndAS 7, which require the entities to provide disclosures that enable users of these standalone financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company did not have any non-cash transactions for financial activities during the year, accordingly same has not been disclosed in these standalone financial statements.

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

Note 1: Significant accounting policies**1. CORPORATE INFORMATION**

ITL Industries Limited (the ‘Company’) is a limited Company having its registered office situated at 111-Sector-B, Sanwer Road, Industrial Area, Indore MP.

The company is engaged in the business of manufacturing of machines and machine parts and trading business.

The standalone financial statements (SFS) were authorized for issue in accordance with a resolution of Board of Directors on 30.05.2024.

2. Basis of preparation and measurement**a. Statement of compliance:**

These standalone financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time as notified under section 133 of Companies Act, 2013, the relevant provisions of the Companies Act, 2013 (“the Act”).

b. Basis of Measurement:

The financial statements have been prepared and presented on the going concern basis and at historical cost, except for the following assets and liabilities, which have been measured as indicated below:

- Derivative Financial Instruments at fair value (covered under para 3.6)
- Certain financial assets and liabilities at fair value [refer accounting policy regarding financial instruments (covered under para 3.7)]

c. Functional and Presentation Currency:

The financial statements are presented in Indian Rupees (“₹”), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates, and all values are rounded to the nearest lakh, up-to 2 decimal places except as otherwise indicated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

d. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company’s normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12-month period has been considered by the Company as its normal operating cycle.

e. Use of estimates and judgements

The preparation of the Standalone Financial Statements in conformity with IND AS requires the use of estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates.

Any revision to accounting estimates is recognised prospectively in current and future periods.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

- **Useful life and residual value of property, plant and equipment and intangible assets**

Useful lives of tangible, Investment Property and intangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different based from that prescribed in Schedule II of the Act, they are based on internal technical evaluation. Assumptions are also made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

- **Expected Credit losses and Impairment losses on investment**

The Company reviews its carrying value of investments carried at amortised cost annually or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

- **Fair value measurement of financial instruments**

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in the aforesaid assumptions will affect the fair value of financial instruments

- **Evaluation of Net realisable Value of Inventories**

Inventories of Traded goods are valued at lower of cost and net realisable value. Net Realisable value is based upon the estimates of the management. The effect of changes, if any, to the estimates is recognised in the Standalone Financial Statements for the year in which such changes are determined.

- **Recognition of deferred tax asset**

The Company's tax jurisdiction is India. Judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered for uncertain tax positions.

The recognition of deferred tax requires assumptions about the availability of future taxable profits against which the tax losses can be carried forward. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

- **Impairment of non-financial assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company's estimates the asset's recoverable amount. An asset's recoverable amount is the higher of assets or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

- **Provisions and contingent liabilities**

A provision is recognised when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

estimate can be made.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the Standalone financial statements.

- Provisions and contingent liabilities are reviewed at each balance sheet date.

f. Measurement of fair values

The Company measures financial instruments, such as investments (other than equity investments in Subsidiary) and derivatives at fair values at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, if market participants act in their economic best interest.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities (for which fair value is measured or disclosed in the financial statements) are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

The Company's accounting policies and disclosures require the measurement of fair values for financial and nonfinancial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

ITL INDUSTRIES LIMITED

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3. Summary of significant accounting policies

3.1 Property, Plant and Equipment (PPE) and depreciation and amortisation:

i) Recognition and Measurement:

Items of property, plant, and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

An asset under construction includes the cost of property, plant and equipment that are not ready to use at the balance sheet date. Advances paid to acquire property; plant and equipment before the balance sheet date are disclosed under other non-current assets. Assets under construction are not depreciated as these assets are not yet ready for use.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on property, plant and equipment of the Company has been provided using the straight-line method based on the useful lives specified in Schedule II to the Companies Act, 2013.

A summary of the policies applied to the Company's tangible assets is, as follows:

Tangible assets	Useful life (Years)
Office and other equipment	5-15
Land other than Agricultural Land	Not depreciable
Office Building	60
Plant and machinery	15
Furniture and fixtures	10
Information Technology Hardware	3
Vehicles	8 – 10

iv) De-recognition:

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognized in Statement of Profit and Loss.

ITL INDUSTRIES LIMITED

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

3.2 Intangible assets and amortisation

i) Recognition and measurement:

Items of Intangible Assets are measured at cost less accumulated amortisation and impairment losses, if any. The cost of intangible assets comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) Amortisation

The intangible assets of the Company are assessed to be of finite lives and are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The Company reviews amortization period on an annual basis. Intangible assets are amortized on straight line basis in accordance with INDAS 38 and Schedule II to the Companies Act, 2013 or based on technical estimates.

A summary of the policies applied to the Company's Intangibles is, as follows:

Intangible Assets	Useful lives
Information Technology Software	6

3.3 Impairment of non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment loss is recognised for such excess amount. The impairment loss is recognised as an expense in the Standalone Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and the value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the Standalone Statement of Profit and Loss, to the extent the amount was previously charged to the Standalone Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

3.4 Foreign currency transactions

Transactions in foreign currencies are translated into the Company's functional currency at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous Standalone Financial Statements are recognised in the Standalone Statement of Profit and Loss in the period in which they are settled.

3.5 Investment in subsidiary

Investments in equity shares of subsidiary are recorded at cost and reviewed for impairment at each reporting date. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary, the difference between net disposal proceeds and the carrying amounts are recognised in the Standalone Statement of Profit and Loss.

3.6 Derivative financial Instruments

The Company enters forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Standalone Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Standalone Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters derivative financial instruments viz. foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

3.7 Financial Instruments**I. Financial assets****Classification**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate.

The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For subsequent measurement, the financial assets are classified in three categories:

- Equity investments

Equity investments

All equity investments other than investment in subsidiaries, joint ventures and associate are measured at Fair Value. For all other equity instruments, the Company decides to classify the same at fair value through other comprehensive income (FVTOCI). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

The Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income (OCI). There is no recycling of the amounts from OCI to the Standalone Statement of Profit and Loss, even on sale of such investments.

Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- (a) The rights to receive cash flows from the asset have expired, or
- (b) The Company has transferred substantially all the risks and rewards of the asset, or
- (c) The Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of financial assets

The Company applies 'simplified approach' measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

II. Financial Liabilities**Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Standalone Statement of Profit and Loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Standalone Statement of Profit and Loss.

This category generally applies to loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

carrying amounts is recognised in the Standalone Statement of Profit and Loss.

III. Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is an enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.8 Inventories

Inventories are valued at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs to complete the sale.

The basis of determining cost for various categories of inventories are as follows:

Manufactured goods: At Cost

Traded goods: Weighted Average Cost / Moving Average Cost

Stores and Spares: Weighted Average Cost / Moving Average Cost

3.9 Revenue recognition

The Company derives revenues manufacturing of machines and trading business.

Revenue from services is recognised as they are rendered based on agreements/arrangements with the concerned parties and recognised net of Goods and Service Tax (GST).

The Company recognises revenue when it determines the satisfaction of performance obligations at a point in time and subsequently over time when the Company has enforceable right for payment for performance completed to date.

Revenue is measured at the fair value of consideration received or receivable considering of discounts, incentives, volume rebates, and outgoing taxes on sales. Any amounts receivable from the customers are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods

Significant financing component - Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liabilities are recognised when there is billing in excess of revenue and advance received from customers.

Interest income

Interest income is accounted on an accrual basis at effective interest rate. Interest on delayed payment and for feature income are accounted based upon underlying agreements with customers.

3.10 Leases

At the inception of a contract, the Company assesses whether a contract is or contains, a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration. To assess whether a contract conveys the right to control the use of an asset the Company assesses

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

whether:

- The contracts involve the use of an identified asset – this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capability of a physical distinct asset. If the supplier has a substantive substitution right, then the asset is not identified
- The Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- The Company has the right to direct the use of the asset. The Company has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

As a Lessee

Right-of-use Asset

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. At the commencement date, a lessee shall measure the right-of-use asset at cost which comprises initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease.

Lease Liability

At the commencement date, a lessee shall measure the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the lessee shall use the lessee's incremental borrowing rate.

Short-term lease and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of less than 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The election for short-term leases shall be made by class of underlying asset to which the right of use relates. A class of underlying asset is a grouping of underlying assets of a similar nature and use in Company's operations. The election for leases for which the underlying asset is of low value can be made on a lease-by-lease basis.

3.11 Income tax

Income tax expense comprises current tax and deferred tax. It is recognised in the Standalone Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- a) Has a legally enforceable right to set off the recognised amounts; and
- b) Intends either to realise the asset or settle the liability on a net basis or simultaneously.

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent there is convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Deferred tax liabilities are recognised for taxable temporary differences

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) The Company has a legally enforceable right to set off current tax assets against current tax liabilities;

3.12 Employee benefits**Short-term benefits**

Short-term benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to recognised provident funds, approved superannuation schemes and other social securities, which are defined contribution plans, are recognised as an employee benefit expense in the statement of profit and loss as incurred.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of an approved gratuity plan, which is a defined benefit plan, and certain other defined benefit plans is calculated separately for each material plan by estimating the ultimate cost to the entity of the benefit that employees have earned in return for their service in the current and prior periods. This requires an entity to determine how much benefit is attributable to the current and prior periods and to make estimates (actuarial assumptions) about demographic variables and financial variables that will affect the cost of the benefit. The cost of providing benefits under the defined benefit plan is determined using actuarial valuation performed annually by a qualified actuary using the projected unit credit method.

The benefit is discounted to determine the present value of the defined benefit obligation and the current service cost. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

The fair value of any plan assets is deducted from the present value of the defined benefit obligation to determine the amount of deficit or surplus. The net defined benefit liability/ (asset) is determined as the amount of the deficit or surplus, adjusted for any effect of limiting a net defined benefit asset to the asset ceiling. The net defined benefit liability/(asset) is recognised in the balance sheet.

3.13 Borrowing costs

Borrowing cost includes interest expense, amortisation of discounts, hedge - related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference, arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, that are attributable to the acquisition or construction or production of a qualifying asset, are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period to get ready for its intended use.

All other borrowing costs are recognised as an expense in the period in which they are incurred

3.14 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the Standalone Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

3.15 Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.16 Earnings per share

Basic earnings per share are computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

3.17 Provisions and contingent liabilities

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are discounted to their present value at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed in the notes. Contingent liabilities are disclosed for:

- (1) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or

**ITL INDUSTRIES LIMITED****Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024**

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

- (2) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the Standalone Financial Statements. However, the same are disclosed in the Standalone Financial Statements where an inflow of economic benefit is probable.

3.18 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the Standalone Financial Statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

3.19 Exceptional Item

Exceptional items include income or expense that are part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Standalone Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.20 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker

3.21 Research and development Expenditure :

Expenditure on research is recognized as an expense when it is incurred. Revenue expenditure incurred on R&D is included in the respective account heads in the statement of accounts.

Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred. Items of Property, Plant and equipment and acquired intangible assets utilised for research and development are capitalised and depreciated / amortized in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets."

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

ITL INDUSTRIES LIMITED

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes: 1. There have been no transfer between Level 1, Level 2 and Level 3 during the period March 31, 2024 and March 31, 2023.

2. The management assessed that cash and bank balances, trade receivables, loans, trade payables, borrowings (cash credits, commercial papers, foreign currency loans, working capital loans) and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

17) Financial risk management objectives and policies to the extent applicable:

The Company's risk management activities are subject to the Board direction and control under the framework of Risk Management Policy as approved by the Board of Directors of the Company. The Management ensures appropriate risk governance framework for the Company through appropriate policies and procedures and that risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

The Company is primarily exposed to risks resulting from fluctuation in market risk, credit risk and liquidity risk, which may adversely impact the fair value of its financial instruments.

a) Market risk

Market risk is the risk that future earnings and fair value of future cash flows of a financial instrument may fluctuate because of changes in market price. Market risk comprises of currency risk and interest risk.

i) Interest rate risk

The Company is exposed to changes in interest rates due to its financing, investing and cash management activities. The risks arising from interest rate movements arise from borrowings with variable interest rates.

The Company's risk management activities are subject to the management, direction and control of Central Treasury Team of the Group under the framework of Risk Management Policy for interest rate risk. The Group's Central Treasury Team ensures appropriate financial risk governance framework for the Company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

PARTICULARS	2023-2024	2022-2023
Interest rate risk exposure	0.00	0.00
Borrowings from banks		
Fund Based	1346.67	1233.52
Non Fund Based	0.00	0.00
Total borrowings	1346.67	1233.52

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of interest rate variation (fund based) 1%, and (non fund based) 0.25%. If the interest rates had been higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

Impact on Profit or Loss for the year decrease	13.47	12.34
Impact on Profit or Loss for the year increase	-13.47	-12.34

ii) Foreign currency risk

Since the Company operates internationally and portion of the business transacted are carried out in more than one currency, it is exposed to currency risks through its transactions in foreign currency or where assets or liabilities are denominated in currency other than functional currency.

ITL INDUSTRIES LIMITED

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

For open positions on outstanding foreign currency contracts and details on unhedged foreign currency exposure, please refer note no. 9 above.

Following table analysis foreign currency assets and liabilities on balance sheet date.

PARTICULARS	2023-2024	2022-2023
Receivable in Foreign currency	31.25	90.19
Payable in Foreign currency	90.42	19.92

Sensitivity to foreign currency risk

The following table demonstrates the sensitivity in the USD currencies if the currency rate is increased/(decreased) by 1% with all other variables held constant. The below impact on the Company's profit before tax is based on changes in the fair value of unhedged foreign currency monetary assets and liabilities at balance sheet date:

(US \$ in Mln)

Currency	Sensitivity analysis			
	2023-24		2022-2023	
	USD/EURO/JPY Increase	USD/EURO/JPY Decrease	USD/EURO/JPY Increase	USD/EURO/JPY Decrease
Sensitivity to foreign currency risk (USD)	-224.85	224.85	-706.66	706.66
Sensitivity to foreign currency risk (EURO)	-11.23	11.23	0.00	0.00
Sensitivity to foreign currency risk (JPY)	153712.84	153712.84	-143267.22	143267.22

b) Credit risk

Credit risk refers to the risk that a counterparty or customer will default on its contractual obligations resulting in a loss to the Company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash & Cash Equivalents, Investments and Other Financial Assets. The carrying amounts of financial assets represent the maximum credit risk exposure.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of counter parties on continuous basis with appropriate approval mechanism for sanction of credit limits. Credit risk from balances with banks, financial institutions and investments is managed by the Company's treasury team in accordance with the Company's risk management policy. Cash and cash equivalents and Bank Deposits are placed with banks having good reputation, good past track record and high quality credit rating.

Since the Company has a fairly diversified portfolio of receivables in terms of spread, no concentration risk is foreseen.

Trade and other receivables

To Manage trade and other receivables, company has placed a customer credit limit monitoring system in its accounting software and also periodically assesses the financial reliability of customers, taking in to account the financial conditions, economic trends, analysis to historical bad debts and ageing of such receivables. To cover its risk/ losses, the company makes a provision (ECL) on the outstanding balance at the year end.

The ageing analysis of the trade receivables has been considered from the due date of transaction.

PARTICULARS	2023-2024	2022-2023
Up to 6 months	2050.15	1771.40
More than 6 months	460.40	494.60
Total	2510.54	2266.00

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counter-parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

ITL INDUSTRIES LIMITED

Notes forming part of the Standalone Financial Statements for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

c) Liquidity risk

Liquidity risk refers the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities. The Company's objective is to provide financial resources to meet its obligations when they are due in a timely, cost effective and reliable manner without incurring unacceptable losses or risking damage to the Company's reputation. The Company monitors liquidity risk using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations.

The tables below provide details regarding significant liabilities as at the end of each year end presented.

Particulars	Less than 1 Year	1 to 5 years	>5 years	Total
As at 31st March, 2024				
Borrowings	1043.77	302.90	0.00	1346.67
Trade payables	1701.29	0.00	0.00	1701.29
Other financial liabilities	287.96	0.00	0.00	287.96
Total	3033.01	302.90	0.00	3335.91
As at 31st March, 2023				
Borrowings	1056.94	176.58	0.00	1233.53
Trade payables	1987.36	0.00	0.00	1987.36
Other financial liabilities	273.51	0.00	0.00	273.51
Total	3317.82	176.58	0.00	3494.40

d) Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2024 and 31st March, 2023.

The Company monitors capital using gearing ratio, which is net debt (borrowings less cash and bank balances) divided by total equity plus net debt.

PARTICULARS	2023-2024	2022-2023
Debt	1346.67	1233.53
Cash and Bank Balances (Refer Note No.9 & 10)	214.32	169.77
Adjusted net Debt	1132.34	1063.75
Total Equity	7039.64	6155.27
Net Debt to equity ratio	0.16	0.17

18) Consolidation of Accounts:

a The company is under an obligation to make consolidated financial statements covering its subsidiary M.M. Metals Private Limited(CIN no. U02710MP1983PTC002163) (Shareholding 52.55%) and accordingly the said consolidated audited balance sheet will be separately made.

19) Figures of Trade Receivables, Trade Payables, Borrowings and Loans & Advances are subject to respective consent, confirmation, reconciliation and consequential adjustments, if any.

20) Subsequent events

The Company has evaluated all subsequent events upto 30.05.2024, the date on which these financial statements are authorized for issuance. No adjusting or significant non-adjusting events have occurred between March 31, 2024 and the date of authorization of these standalone financial statements that would have a material impact on these financial statements or that would warrant additional disclosures.

ITL INDUSTRIES LIMITED

Basic	69.85	22.76
Diluted	69.85	22.76

2. The State of the Company's Affairs:

The Company is mainly operating in the business of machine, machine parts and allied goods. During the year the company has achieved a turnover of ₹487.89' Lakhs against a turnover of ₹389.22' Lakhs in the previous year registering an increase by 25.35%.

Further Profit for the financial year has been increased by 206.818% which is ₹40.50 Lakhs as compared to ₹13.20 Lakhs in the previous year.

The overall performance of the company remained satisfactory.

3. The Amount, which it recommends to be paid by way of Dividend:

The Board strongly believes that the current market scenario would offer attractive business development opportunities and re-investing the capital in such opportunities would create more wealth and value for the shareholders in long term. Accordingly, with a view to create long term economic value, your Board have not recommended any dividend on equity shares for the year ended 31st March, 2024.

4. The Names of Companies which have become or ceased to be its Holding, Subsidiaries, Joint ventures or Associate Companies during the year:

The company has no Subsidiaries, Joint Ventures and Associates. The company is a subsidiary of ITL where the latter is holding its 52.55 % Equity Share Capital (30480 Equity Shares).

5. Directors' Responsibility Statement:

Pursuant to provisions of section 134(5) of the Companies Act 2013, Directors' Responsibility Statement is as under:

- a. That in the preparation of the annual financial statements for the period ended on 31st March 2024, the applicable accounting standards have been followed along with proper explanation relating to material departures from the same.
- b. The directors have selected such accounting policies as and applied them consistently and made judgment and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of Company as of 31st March 2024, and of the Profit of the Company for the year ended on that date.
- c. That proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- d. That the annual financial statements have been prepared on a going concern basis.
- e. That the systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

6. Appointment of the Auditors and explanations or comments on qualification, reservation or adverse remark or disclaimer made by the Auditors in their report:

In terms of the provisions of section 139 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, M/s Mahendra Badjatya and Co, Chartered Accountants, [ICAI FRN 001457C] was re-appointed as the statutory auditors of the Company to hold office for second term of 5 years commencing from conclusion of the 8th Annual General Meeting upto the conclusion of the Annual General Meeting of the Company to be held in the calendar year 2024. Therefore their tenure being the Statutory Auditors shall be completed at the conclusion of the ensuing annual general meeting.

M/s SAP Jain & Associates, Chartered Accountants (F.R. No. 019356C), is recommended by the Board for appointment as the Statutory Auditor for a First term of 5 consecutive years i.e. commencing from the conclusion of this 12th Annual General Meeting until the conclusion of 17th Annual General Meeting to be held in the year 2029 in place of the existing retiring auditor M/s M/s Mahendra Badjatya and Co., Chartered Accountants, whose tenure shall expire on the conclusion of this Annual General Meeting,

The necessary resolution for the appointment of M/s SAP Jain & Associates as the Statutory Auditors of the Company will be included in the Notice convening the ensuing AGM for approval by the shareholders.

7. The Details about the policy developed and implemented by the company on CSR (Corporate Social Responsibility) initiatives taken during the year:

The Provisions of Section 135 of the Companies Act 2013 read with rule 8 of Companies (Corporate Social Responsibility

Policy) Rules, 2014 are not applicable to the company.

8. Number of meetings of the Board:

The Board meets at regular intervals to discuss and decide on Company/business policy and strategy apart from other Board business. The Board met 8(eight times) i.e. 08.05.2023; 24.05.2023; 27.05.2023; 29.05.2023; 26.06.2023; 21.09.2023; 17.12.2023 and 06.03.2024 during the year 2023-24 and there were no gap exceeding 120 days between two Board Meeting.

9. Details in respect of Fraud Reported by Auditor's u/s 143(12) other than those which are reportable to the Central Government:

During the year under review, Statutory Auditors have not reported, any instances of fraud committed against your Company by its officers and employees to the Board, details of which would need to be mentioned in the Board's Report under section 143(12) of the Companies Act, 2013.

There were no such Equity Shares not carrying voting rights.

During the year under review, the company has not issued any shares with differential voting rights nor granted stock options nor sweat equity Shares as on 31st March 2024.

18. The amount proposed to carry to any reserves:

The Board of Directors of your Company has decided not to transfer any amount to the General Reserves, for the financial year ended 31st March 2024.

19. Statement indicating the manner in which formal annual evaluation has been made by the Board of its own performance and that of its committees and individual directors:

The company is a Private Limited Company, therefore, the Statement indicating the manner in which formal annual evaluation has been made by the Board of its own performance and that of its committees and individual directors is not applicable.

20. The change in the nature of business, if any:

There is no change in the nature of business of the company during the year under review.

21. Details of Directors or Key Managerial Personnel who were appointed or have resigned during the year:

The Company is having required number of Directors during the year and the Company being a Private Limited Company is not required to appoint Key Managerial Personnel under the provisions of Section 203 of the Companies Act, 2013 and applicable rules made there under.

22. The details relating to deposits, covered under Chapter V of the Act, 2013:

The Company has not accepted any deposits which are covered under Chapter V of the Act, 2013.

23. Details of deposits which are not in compliance with the requirements of Chapter V of the Act:

The Company has not accepted any deposits which are not in compliance of the (Companies Acceptance of Deposits) Rules, 2014 during the year.

24. Details of significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and company's operations in future:

There are no significant or material orders passed by the regulators or courts or tribunals impacting the going concern and companies' operations in future.

25. Details in respect of adequacy of Internal Financial Controls with reference to the Financial Statements:

Your Company has in place adequate internal control system (including internal financial control system) commensurate with the size of its operations and have devised systems, policies, and procedures / frameworks, which are currently operational within the Company for ensuring the orderly and efficient conduct of its business, which includes adherence to Company's policies, safeguarding assets of the Company, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and timely preparation of reliable financial information. In line with best practices, the Board reviews these internal control systems to ensure they remain effective and are achieving their intended purpose. Where weaknesses, if any, are identified as a result of the reviews, new procedures are put in place to strengthen controls. These controls are in turn reviewed at regular intervals.

Nothing has come to the attention of the Directors to indicate that any material breakdown in the function of these controls, procedures or systems occurred during the year under review. There have been no significant changes in the Company's internal financial controls during the year that have materially affected or are reasonably likely to materially affect its internal financial controls. There are inherent limitations to the effectiveness of any system of disclosure, controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures.

26. Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013:

As per the requirement of the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 ('Act') and Rules made thereunder, your company has constituted Internal Complaints Committees (ICC). INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF****M.M. METALS PRIVATE LIMITED****REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS****OPINION**

We have audited the accompanying Financial Statements of **M.M. Metals Private Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS"), of the state of affairs of the Company as at March 31, 2024, its total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under these standards are further detailed in the section of this report titled "Auditor's Responsibilities for the Audit of the Financial Statements. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) and the ethical requirements relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder. We have also fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our audit opinion.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report and management compliance certificate but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standard specified under section 133 of the Act, read with relevant

rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statements that we have complied with relevant ethical requirements

regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a Statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, based on our audit, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Company being a private company, section 197 of the Act related to the managerial remuneration is not applicable.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as of 31st March 2024 on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The company is not required to transfer any amounts to the Investor Education and Protection Fund.
 - iv. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate

Beneficiaries (if any);

- (ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (if any); and
 - (iii) Based on such audit procedures that we (the auditors of the company) have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatements.
- v. The dividend declared or paid during the year by the company is in compliance with section 123 of the Companies Act, 2013, if any.
- vi. The company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

Annexure – “A” to the Independent Auditor’s Report**[Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of M.M. METALS PRIVATE LIMITED on the Financial Statements for the year ended 31st March 2024]**

The Annexure required under CARO, 2020 referred to in our Report to the members of **M.M. METALS PRIVATE LIMITED** (“the Company”) for the year ended 31st March 2024, and according to information and explanations given to us, we report as under:

- i. a) (A) The company has maintained reasonable records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company does not have any intangible assets. Accordingly, the provisions of clause 3(i)(a)(B) of the Order is not applicable.
- b) These Property, Plant and Equipment’s have been physically verified by the management at reasonable intervals and as informed, no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets.
- c) The title deeds of all the immovable properties (other than properties where the company is the lessee, and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the company.
- d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- e) The company does not have any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made there under, Accordingly, the provisions of clause 3(i)(e) of the Order is not applicable.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the management and, in our opinion, the coverage and procedure of such verification by the management is appropriate; No discrepancies of 10% or more in the aggregate for each class of inventory were noticed and they have been properly dealt with in the books of account.
(b) During the year, the company has not been sanctioned any working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Consequently, no quarterly returns or statements were required to be filed by the company with such banks or financial institutions.
- iii. (a) During the year, the company has not made any investments and has not provided any guarantees or security. However, the company has granted loans and advances, both secured and unsecured, to companies, firms, Limited Liability Partnerships, and other parties. These transactions have been conducted in compliance with the applicable provisions of the Companies Act, 2013 and have been appropriately disclosed in the financial statements.

During the year, the company has provided loans and advances in the nature of loans to other entities. However, the company has not stood as a guarantor or provided any security for any entity. and:

- (A) The Company has, no subsidiaries, joint ventures and associates to whom loans or advances and guarantees or security given; Accordingly, the provisions of clause 3(iii)(a)(A) of the Order is not applicable.
- (B) The aggregate amount during the year and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates is as under:

Type of Borrower	As on March 31st 2024		As on March 31st 2023	
	Aggregate amount during the year	Balance outstanding at the balance sheet date	Aggregate amount during the year	Balance outstanding at the balance sheet date
Promoter	0	0	0	0
Directors	0	0	0	0
Key managerial personnel	0	0	0	0
Others	0	100	0	25

- (b) During the year, the company granted any loans and advances investments, provide any guarantees, or given any security Accordingly, the provisions of clause 3(iii)(b) of the Order regarding investments guarantees, or security is not applicable.
- (c) During the year, the company granted any loans and advances in the nature of loans, the schedule of repayment of the principal and payment of interest has not been stipulated. Accordingly, the provisions of clause 3(iii)(c) of the Order.
- d) During the year, the company has granted loans and advances in the nature of loans. The terms and conditions of the loans granted, including the stipulation of repayment, have been reviewed and are in accordance with the provisions of clause 3(iii)(d) of the Order.
- (e) During the year, the company has granted loans and advances in the nature of loans. However, none of these loans or advances, which have fallen due during the year, have been renewed, extended, or settled by granting fresh loans to the same parties. Accordingly, the provisions of clause 3(iii)(e) of the Order are not applicable.
- (f) During the year, the company has not granted loans and advances in the nature of loans to entities, including those related to Promoters and related parties as defined in clause (76) of section 2 of the Companies Act, 2013. These loans are either repayable on demand or have stipulated terms for repayment. Accordingly, the provisions of clause 3(iii)(f) of the Order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans and making investments. The Company has not provided any guarantees and securities.
- v. In our opinion, the Company has not accepted any deposits nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- vi. As informed to us, the Central Government has not prescribed maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 in respect of the business of the company. Accordingly, the provisions of clause 3(vi) of the Order is not applicable
- vii. a. The company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- b. According to the information and explanation given to us, there are no dues of Income Tax, Duty of Customs, Goods and Service Tax, and any other statutory dues which have not been deposited on account of any dispute

- viii. There were no transactions, not recorded in the books of account which have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), Accordingly, the provisions of clause 3(viii) of the Order is not applicable.
- ix. a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender, Accordingly, the provisions of clause 3(ix)(a) of the Order is not applicable.
- b) The company is not declared willful defaulter by any bank or financial institution or other lender, Accordingly, the provisions of clause 3(ix)(b) of the Order is not applicable.
- c) The company has not taken any term loans during the year. Accordingly, the provisions of clause 3(ix)(c) of the Order is not applicable.
- d) The company has not raised any funds on short term basis which have been utilized for long term purposes, Accordingly, the provisions of clause 3(ix)(d) of the Order is not applicable.
- e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures as the company has none of them. Accordingly, the provisions of clause 3(ix)(e) of the Order is not applicable.
- f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies as the company has none of them. Accordingly, the provisions of clause 3(ix)(f) of the Order is not applicable.
- x. a) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the provisions of clause 3(x)(a) of the Order is not applicable.
- b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year. Accordingly, the provisions of clause 3(x)(b) of the Order is not applicable.
- xi. a) No fraud by the company or any fraud on the company has been noticed or reported during the year covered by our audit. Accordingly, the provisions of clause 3(xi)(a) of the Order is not applicable.
- b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government. Accordingly, the provisions of clause 3(xi)(b) of the Order is not applicable.
- c) There were no whistle-blower complaints, received during the year by the company. Accordingly, the provisions of clause 3(xi)(c) of the Order is not applicable.
- xii. In our opinion, the Company is not a Nidhi Company; accordingly, the provision of clause 3(xii) of the Order is not applicable.
- xiii. The provision of section 177 are not applicable to the Company and accordingly reporting under clause 3(xiii) insofar as it relates to section 177 of the Act is not applicable to the Company and hence not commented upon. Based on our examination of the records of the Company, the Company has entered transactions, during the period, with the related parties in compliance with the provisions of 188 of the Act where applicable and details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- xiv. (a) The company does not have an internal audit system as it is not applicable to the company given its size and nature of business.
- (b) Since an internal audit is not applicable, no reports of internal auditors were considered during the period under audit.

- xv. In our opinion, the company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act. Accordingly, the provision of clause 3(xv) of the Order is not applicable.
- xvi. (a) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934). Accordingly, the provisions of clause 3(xvi)(a) of the Order is not applicable.
- b) The company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi)(b) of the Order is not applicable.
- c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the provisions of clause 3(xvi)(c) of the Order is not applicable.
- d) The Group does not have any CIC as part of the Group. Accordingly, the provisions of clause 3(xvi)(d) of the Order is not applicable.
- xvii. The company has not incurred cash losses in the financial year and in the immediately preceding financial year. Accordingly, the provision of clause 3(xvii) of the Order is not applicable.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, the provision of clause 3(xviii) of the Order is not applicable.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we (the auditor) are of the opinion that no material uncertainty exists as on the date of the audit report and that the company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- xx. The provisions of Section 135 are not applicable to the company. Accordingly, the provisions of clause 3(xx) of the Order is not applicable.
- xxi. The provisions of clause 3(xxi) of the Order is not applicable to the Company, as it does not prepare consolidated financial statements.

Annexure – “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of M.M. METALS PRIVATE LIMITED on the Standalone Financial Statements for the year ended 31st March 2024)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M.M. Metals Private Limited** (“the Company”) as of 31st March 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

OPINION

In our opinion, and to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatements of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Net cash used in / generated from operating activities	150.64	208.57
B) CASH FLOW FROM INVESTING ACTIVITIES		
Purchase of property and equipment including intangible assets (net)	-12.54	-22.69
Purchase of Investment	0.00	-52.00
Net cash generated from/ used in investing activities	-12.54	-74.69
C) CASH FLOW FROM FINANCING ACTIVITIES		
Proceeds from borrowings	-111.32	-102.02
Interest paid	-26.80	-31.72
Net cash generated from / used in financing activities	-138.12	-133.74
Net Increase in Cash & Cash Equivalents (A+B+C)	-0.03	0.14
Effects of exchange rate changes of cash and cash equivalents	0.00	0.00
Cash and cash equivalents at beginning of year	0.25	0.11
Cash and cash equivalents at end of year	0.23	0.25

Notes to the Statement of Cash Flow :

- i) Cash and cash equivalents as per above comprises of the following:

PARTICULARS	2023-2024	2022-2023
a) Cash in hand	0.23	0.25
b) Balances with bank	0.00	0.00
c) Deposit with original maturity of less than 3 months	0.00	0.00
Cash and cash equivalents at end of year	0.23	0.25

- ii. The statement of cash flow has been prepared under the indirect method as set out in Ind AS 7 - 'Statement of Cash Flows'.
 iii. Cash and cash equivalents represents Cash and bank balances (refer Note 6).
 iv. Effective 1 April 2015, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of these financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company did not have any non-cash transactions for financial activities during the year, accordingly same has not been disclosed in these financial statements.

(DIN: 03158849)

Note 1 :**Notes forming part of the Financial Statements for the year ended March 31, 2024****(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)****1. CORPORATE INFORMATION**

M.M Metals Private Limited (the 'Company') is a Private Limited Company having its Registered office situated at Plot No 103-B Sanwer Road, Indore (MP) - 452003. The Company is engaged in the business of "machines, machine parts and allied goods".

The financial statements (SFS) were authorized for issue in accordance with a resolution of Board of Directors on 29.05.2024.

2. Basis of preparation and measurement**a. Statement of compliance:**

These financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time as notified under section 133 of Companies Act, 2013, the relevant provisions of the Companies Act, 2013 ("the Act").

b. Basis of Measurement:

The financial statements have been prepared and presented on the going concern basis and at historical cost, except for the following assets and liabilities, which have been measured as indicated below:

- Certain financial assets and liabilities at fair value [refer accounting policy regarding financial instruments (covered under para 3.7)]

c. Functional and Presentation Currency:

The financial statements are presented in Indian Rupees ("₹"), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates, and all values are rounded to the nearest lakh, up-to 2 decimal places except as otherwise indicated due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

d. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12-month period has been considered by the Company as its normal operating cycle.

e. Use of estimates and judgements

The preparation of the Financial Statements in conformity with IND AS requires the use of estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are given below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

- **Useful life and residual value of Property, plant and equipment, Investment Property and intangible assets**

Useful lives of Property, plant and equipment, Investment Property and intangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different based from that prescribed in Schedule II of the Act, they are based on internal technical evaluation. Assumptions are also made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised. (Refer note. 3,4A and 4B)

- **Expected Credit losses and Impairment losses on investment**

The Company reviews its carrying value of investments carried at cost/amortised cost annually or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

- **Fair value measurement of financial instruments**

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in the aforesaid assumptions will affect the fair value of financial instruments.

- **Evaluation of Net realisable Value of Inventories**

Inventories of Traded goods are valued at lower of cost and net realisable value. Net Realisable value is based upon the estimates of the management. The effect of changes, if any, to the estimates is recognised in the Financial Statements for the year in which such changes are determined.

- **Recognition of deferred tax asset**

The Company's tax jurisdiction is India. Judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered for uncertain tax positions.

The recognition of deferred tax requires assumptions about the availability of future taxable profits against which the tax losses can be carried forward. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

- **Impairment of non-financial assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

- **Provisions and contingent liabilities**

A provision is recognised when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not

probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the financial statements. Provisions and contingent liabilities are reviewed at each balance sheet date.

f. Measurement of fair values

The Company measures financial instruments, such as investments (other than equity investments and debentures in Subsidiaries and Associate) and derivatives at fair values at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, if market participants act in their economic best interest.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities (for which fair value is measured or disclosed in the financial statements) are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

The Company's accounting policies and disclosures require the measurement of fair values for financial and nonfinancial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3. Summary of significant accounting policies

3.1 Property, Plant and Equipment (PPE) and depreciation:

i) Recognition and Measurement:

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably.

Items of property, plant, and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Assets under construction includes the cost of property, plant and equipment that are not ready to use at the balance sheet date. Advances paid to acquire property, plant and equipment before the balance sheet date are disclosed under other non-current assets. Assets under construction are not depreciated as these assets are not yet ready for use.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on property, plant and equipment of the Company has been provided using the straight-line method based on the useful lives specified in Schedule II to the Companies Act, 2013.

A summary of the estimates applied to the Company's Property, plant and equipment useful life is as follows:

Property, plant and equipment	Useful life (Years)
Office equipment	5
Land and other than Agriculture Land	Not depreciable
Building	30
Plant & Machinery	15
Furniture and fixtures	10
Information Technology Hardware	3
Vehicles	8 – 10

iv) De-recognition

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognized in Statement of Profit and Loss.

3.2 Investment property and depreciation:

i) Recognition and measurement:

Investment properties comprises of land and building are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the Company measures investment property using cost-based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined annually.

ii) Depreciation

The Company depreciates investment properties over their estimated useful lives, as specified in Schedule II to the Companies Act, 2013.

A summary of the policies applied to the Company's Investment properties is, as follows:

3.3 Intangible assets and amortisation

i) Recognition and measurement:

Investment properties	Useful lives (Years)
Agricultural Land	Not depreciable

Items of Intangible Assets are measured at cost less accumulated amortisation and impairment losses, if any. The cost of intangible assets comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) Amortisation

The intangible assets of the Company are assessed to be of finite lives and are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The Company reviews amortization period on an annual basis. Intangible assets are amortized on straight line basis in accordance with IND AS 38 and Schedule II to the Companies Act, 2013 or based on technical estimates

A summary of the estimates applied to the Company's Intangible asset's useful life is, as follows:

Intangible assets	Useful lives (Years)
Information Technology Software	6

3.4 Impairment of non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceed the estimated recoverable amount, an impairment loss is recognised for such excess amount. The impairment loss is recognised as an expense in the Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount higher of an asset's fair value less costs of disposal and its value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, to the extent the amount was previously charged to the Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

3.5 Foreign currency transactions

Transactions in foreign currencies are translated into the Company's functional currency at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different

from those at which they were translated on initial recognition during the period or in previous Financial Statements are recognised in the Statement of Profit and Loss in the period in which they are settled.

3.6 Investment in subsidiary and associate

Investments in equity shares of subsidiary and associate are recorded at cost and reviewed for impairment at each reporting date. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary and associate, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

3.7 Derivative financial Instruments

The Company enters forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters derivative financial instruments viz. foreign exchange forward contracts, option contracts to manage its exposure to foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

3.8 Financial Instruments

I. Financial assets

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate.

The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For subsequent measurement, the financial assets are classified in following categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through profit or loss
- Equity investments
- Debt instruments, derivatives and equity instruments, mutual funds at Fair Value through Profit or Loss (FVTPL)

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by considering any discount or premium and fees or costs

that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

Debt instruments at Fair Value through Profit or Loss

Debt instruments included in the fair value through profit or loss (FVTPL) category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Equity investments

All equity investments other than investment in subsidiaries, joint ventures and associate are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVTOCI) or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income (OCI). There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- (a) The rights to receive cash flows from the asset have expired, or
- (b) the Company has transferred substantially all the risks and rewards of the asset, or
- (c) the Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

On de-recognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in Other Comprehensive Income and accumulated in other equity is recognised in Statement of Profit and Loss.

Impairment of financial assets

The Company applies 'simplified approach' measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

II. Financial Liabilities

Classification as Debt or Equity:

Debt and equity instruments, issued by the Company, are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs

Financial Liabilities:

Financial liabilities are classified, at initial recognition as fair value through profit or loss:

- Loans and borrowings,
- Financial Guarantee Contracts,
- Payables

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to loans and borrowings.

Financial Guarantee Contracts:

Financial guarantee contracts issued by the Company, are those contracts that require a payment to be made to reimburse the holder for a loss it incurs, because the specified debtor fails to make a payment when due, in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per the impairment requirements of Ind AS 109, and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

III. Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is an enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.9 Inventories

Inventories are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

Raw materials and spares:

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on first in first out basis.

Finished goods and work in progress:

Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs. Cost is determined on first in first out basis.

Traded goods:

Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and

condition. Cost is determined on first in first out basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

3.10 Revenue recognition

The Company derives revenues primarily from sale of traded goods viz, non-coking coal, Iron Ore and Silico Manganese. Revenue from services is recognised as they are rendered based on agreements/arrangements with the concerned parties and recognised net of Goods and Service Tax (GST).

The Company recognises revenue when it determines the satisfaction of performance obligations at a point in time and subsequently over time when the Company has enforceable right for payment for performance completed to date.

Revenue is measured at the fair value of consideration received or receivable considering of discounts, incentives, volume rebates, and outgoing taxes on sales. Any amounts receivable from the customers are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods

Significant financing component - Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liabilities are recognised when there is billing in excess of revenue and advance received from customers.

Interest income

Interest income is accounted on an accrual basis at effective interest rate. Interest on delayed payment and forfeiture income are accounted based upon underlying agreements with customers.

Dividend income and share of profits/losses in Partnership firm/LLP

Dividend income and share of profits/losses in Partnership firm/LLP is recognised when the right to receive/liability to pay the same is established.

3.11 Leases

At the inception of a contract, the Company assesses whether a contract is or contains, a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration. To assess whether a contract conveys the right to control the use of an asset the Company assesses whether:

- The contract involves the use of an identified asset – this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capability of a physical distinct asset. If the supplier has a substantive substitution right, then the asset is not identified
- The Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- The Company has the right to direct the use of the asset. The Company has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

As a Lessee

Right-of-use Asset

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. At the commencement date, a lessee shall measure the right-of-use asset at cost which comprises initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition

required by the terms and conditions of the lease.

Lease Liability

At the commencement date, a lessee shall measure the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the lessee shall use the lessee's incremental borrowing rate.

Short-term lease and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of less than 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The election for short-term leases shall be made by class of underlying asset to which the right of use relates. A class of underlying asset is a grouping of underlying assets of a similar nature and use in Company's operations. The election for leases for which the underlying asset is of low value can be made on a lease-by-lease basis.

3.12 Income tax

Income tax expense comprises current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent there is convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Deferred tax liabilities are recognised for taxable temporary differences

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws), that have been enacted or substantively enacted at the reporting date.

Deferred tax, relating to items recognised outside profit or loss, is recognised outside profit or loss (either in Other Comprehensive Income or in other equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in other equity. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities, and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.13 Employee benefits

Short term employee benefits

Short-term employee benefits are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount because of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

Obligations for contributions to defined contribution plans such as Provident Fund, Gratuity and Employee State Insurance Corporations are expensed as the related service is provided.

3.14 Borrowing costs

Borrowing cost includes interest expense, amortisation of discounts, hedge - related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference, arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, that are attributable to the acquisition or construction or production of a qualifying asset, are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period to get ready for its intended use.

All other borrowing costs are recognised as an expense in the period in which they are incurred

3.15 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

3.16 Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.17 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and is not required to be disclosed.

3.18 Provisions and contingent liabilities

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are discounted to their present value at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. The unwinding of the discount is recognised as finance cost

Contingent liabilities are disclosed in the notes. Contingent liabilities are disclosed for

- (1) Possible obligations which will be confirmed only by future events not wholly within the control of the Company
or

- (2) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the Financial Statements. However, the same are disclosed in the Financial Statements where an inflow of economic benefit is probable.

3.19 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the Financial Statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed

3.20 Exceptional Item

Exceptional items include income or expense that are part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.21 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided -to the chief operating decision make.

3.22 Share Based Payments

Employees (including senior executives) of the Company may also receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions).

Equity-settled transactions

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made.

That cost is recognised, together with a corresponding increase in share-based payment reserves in equity, over the period in which the service conditions are fulfilled in employee benefits expense.

The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest.

The statement of profit and loss expense or credit for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

Service conditions are not taken into account when determining the grant date fair value of awards, but the likelihood of the conditions being met is assessed as part of the Company's best estimate of the number of equity instruments that will ultimately vest.

No expense is recognised for awards that do not ultimately vest because service conditions have not been met.

Where an award is cancelled by the entity or by the counter party, any remaining element of the fair value of the award is expensed immediately through profit or loss.

The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings.

3.23 Provisions for warranties

Provisions for warranty-related costs are recognized when the product is sold or service provided to the customer.

Initial recognition is based on the best estimate e.g. applying historical experience. The initial estimate of warranty-related costs is revised annually.

b) Terms / Rights attached to Equity Shares

- (i) The company has only one class of equity shares having a par value of ₹100/- per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends, (if any), in Indian rupees. The dividend, if proposed, by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.
- (ii) In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

c) Details of shareholders holding more than 5% shares of the company:

Less: WDV as per Income Tax	168.30	178.93
Timing difference between Income Tax and Company Law	333.74	330.57
Deferred tax liability on above	84.00	83.21
Accumulated liability as on 31.03.2024	84.00	83.21
Liability Already Provided up to 31.03.2023	83.21	81.49
Balance liability provided for during the year	0.80	1.72

b The income tax expense for the year can be reconciled to the accounting profit as follows:

PARTICULARS	2023-2024	2022-2023
Profit before tax from continuing operation	41.31	14.92
Tax rate	25.17%	25.17%
Income Tax expense calculated	10.40	3.76
Effect of income that is exempt from taxation	0.00	0.00
Effect of expenses that are not deductible in determining taxable profits	0.00	0.00
Effect of concession (allowances)	0.00	0.00
Adjustments recognised in current year in relation to the current tax of prior years	0.00	0.00
Other temporary differences {(Short)/Excess} Provision in current year	-10.40	-3.76
Income tax expense recognised in profit or loss	0.00	0.00

c Provision For Taxation:

Provision for taxation for the year has been made as per the new regime of Income Tax Act, 1961 u/s 115BAA after considering allowance, claims and relief available to the Company (if any).

- d There were no such transactions that were not recorded in the books of accounts that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

8) Payments to the Auditor: (Excluding Goods and Service Tax):

PARTICULARS	2023-2024	2022-2023
a) Auditor	0.15	0.15
Total	0.15	0.15

Notes forming part of the financial statements as at and for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

9) Following Ratios to be disclosed:-

	Particulars	Numerator	Demoninator	2023-2024	2022-2023	% Variance	Reasons
(a)	Current Ratio	Current assets	Current liabilities	0.56	0.59	-5.02%	No explanation required.
(b)	Debt-Equity Ratio	Borrowings	Total Equity	1.15	2.18	-47.16%	The variance is on account of partial repayment of loan.
(c)	Debt Service Coverage Ratio	Earnings available for debt service	Debt Service	0.70	0.19	267.08	The variance is on account of repayment of Borrowings
(d)	Return on Equity Ratio	Profit after tax	Total Equity	20.89%	8.61%	-142.73%	The variance is on account of increase in equity to increase in turnover & profit.
(e)	Inventory turnover ratio	Cost of Goods sold	Average inventory	572.72	15.46	3604.56%	The variance is on account of Increase of inventory in Current year.
(f)	Trade Receivables turnover ratio	Revenue from operation	Average Trade receivable	90.98	24.19	276.09%	The variance is on account of increase in turnover & profit.
(g)	Trade payables turnover ratio	Total purchases	Average Accounts Payable	3.44	3.20	7.58%	No explanation required.
(h)	Net capital turnover ratio	Net Sales	Working Capital	-3.61	-3.51	3.08%	No explanation required.
(i)	Net profit ratio	Profit after tax	Total Revenue	8.30%	3.39%	-144.78%	The variance is on account of increase in turnover & profit.
(j)	Return on Capital employed	Profit before Interest and Tax	Capital Employed	16.31%	9.55%	70.79%	The variance is on account of increase in turnover & profit.
(k)	Return on investment	Dividend Income, Interest Income and profit on sale of investments	Average investment in treasury funds	0.00	0.00	0.00%	No explanation required.

10) Financial Instruments by Category and fair value hierarchy:

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values.

The fair values of the financial assets and financial liabilities included in the level 2 and level 3 categories have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counter parties.

PARTICULARS (2023-2024)	Fair Value Measurement			Fair Value hierarchy		
	FVTPL	FVOCI	Amortised Cost	Level-1	Level-2	Level-3

Trade payables	0.00	0.00	74.45	0.00	0.00	0.00
Total	0.00	0.00	475.68	0.00	0.00	0.00

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes:

- 1 There have been no transfer between Level 1, Level 2 and Level 3 during the period March 31, 2024 and March 31, 2023.
- 2 The management assessed that cash and bank balances, trade receivables, loans, trade payables, borrowings (cash credits, commercial papers, foreign currency loans, working capital loans, if any) and other financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

11) Consolidation of Accounts: As per Ind AS 110:

The Company is a subsidiary within the meaning of section 2(87) of the Companies Act, 2013 of ITL Industries Limited, which is holding 52.55% (PY 52.55%) equity shares of the Company.

12) In the opinion of board of directors of the company, the current assets are to be valued at which they are stated in the balance sheet if realised in the ordinary course of business.

13) Figures of Trade Receivables, Trade Payables, Borrowings and Loans & Advances are subject to respective consent, confirmation, reconciliation and consequential adjustments, if any.

14) Subsequent events

The Company has evaluated all subsequent events through May 29, 2024, the date on which these financial statements are authorized for issuance. No adjusting or significant non-adjusting events have occurred between March 31, 2024 and the date of authorization of these standalone financial statements that would have a material impact on these financial statements or that would warrant additional disclosures.

Notes forming part of the financial statements as at and for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

15) Details of Benami Property held:

During the year, no proceedings have been initiated or pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

16) Indications of Impairment

In the opinion of management, there are no indications, internal or external which could have the effect of impairing the value of assets to any material extent as at the Balance sheet date requiring recognition in terms of Ind AS 36.

17) Registration of charges or satisfaction with Registrar of Companies (ROC):

During the year, the charges or satisfaction which were to be registered with ROC have been done within the statutory period.

18) The Company has borrowings from banks or financial institutions on the basis of security of current assets with respect to which; the periodical returns or statements of current assets filed by the Company with banks or financial institutions are in agreement with the books of accounts.

19) The Company has not traded or invested in Crypto currency or Virtual Currency during the year ended March 31, 2024 and March 31, 2023.

20) The company has not received any funds from any person/entities, for the purpose of directly or indirectly lending/ investing/ providing guarantee/ security to another person/ entity, by or on behalf of the person/ entity from whom such amount is received.

21) The company has not advanced/ loaned/ invested funds to any person/entity for the purpose of directly or indirectly lending/ investing/ providing guarantee/ security to a third person/entity, by or on behalf of the company.

22) Relationship with Struck off Companies:

The Company has no Investment in securities, Receivables, Payables, Share-holding or Other outstanding balances with such companies.

23) Previous year figures have been regrouped or rearranged where ever necessary.

24) The figures have been rounded off to the nearest multiple of a rupee in lakhs.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF
ITL INDUSTRIES LIMITED

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

OPINION

We have audited the accompanying Consolidated Financial Statements of ITL Industries Ltd (hereinafter referred to as the 'Holding Company') and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise the consolidated balance sheet as at 31 March 2024, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024 and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and Rules there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Procedures Performed / Auditor's Response:
1.	<p>1. Contingent liabilities relating to taxation, litigations, and arbitrations.</p> <p>The provisions and contingent liabilities relate to ongoing litigations and claims with various authorities and third parties. These relate to direct tax, indirect tax, claims and other general legal proceedings arising in the ordinary course of business. As at the year ended 31st March 2024, the amounts involved were significant. The assessment of a provision or a contingent liability requires significant judgment by the Management of the Company because of the inherent complexity in estimating future costs. The amount recognized as a provision is the best estimate of the expenditure. The provisions and contingent liabilities are subject to changes in the outcomes of litigations and claims and the positions taken by the Management of the Company. It involves significant judgement and estimation to determine the likelihood and timing of the cash outflows and interpretations of the legal aspects, tax legislations and judgements previously made by authorities.</p>	<p>Principal Audit Procedures</p> <p>We have obtained an understanding of the process followed by the Management of the Company for assessment and determination of the amounts of provisions and contingent liabilities relating to taxation, litigations, and claims. We have made inquiries about the status in respect of significant provisions and contingent liabilities with the Company's internal tax and legal team, including challenging the assumptions and critical judgments made by the Company which impacted the computation of the provisions and inspecting the computation. We assessed Management's conclusions through discussions held with their in-house legal counsel and understanding precedents in similar cases. We communicated with the Company's external legal counsel on certain material litigations to establish the likelihood of outflow of economic resources being probable, possible, or remote in respect of the litigations. We have involved subject matter experts with specialized skills and knowledge to assist in the</p>

		assessment of the value of significant provisions and contingent liabilities relating to the pending litigations, on sample basis, considering the nature of the exposures, applicable regulations, and related correspondence with the authorities. We also assessed and validated the adequacy and appropriateness of the disclosures made by the Management in the Financial Statements.
2.	Non-responses of external confirmations request perpetrated pursuant to SA 505.	<p>Principal Audit Procedures</p> <p>In the absence of related confirmations, we performed alternative audit procedures like follow-up confirmation requests, verification of subsequent payments and receipts to verify part of the balances appearing in the books of accounts.</p>

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to Board's Report and management compliance certificate but does not include the consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout

the audit. We also:

- Identify and assess the risks of material misstatements of the consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Financial Statements, including the disclosures, and whether the consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a Statements that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143 (3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The consolidated Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as of 31st March 2024 on its financial position in its financial statements – Refer Note 31(3)(a) to the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. The Company has transferred an amount of ₹ 1.09 lakhs (P.Y - ₹1.05 lakhs) to the Investor Education and Protection Fund during the year ended 31st March 2024.
- iv. (i) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (if any);
(ii) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (if any); and
(iii) Based on such audit procedures that we (the auditors of the company) have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatements.
- v. The Company has paid dividend of Rs. 32.04 Lacs during the year which is in compliance with section 123 of the Companies Act 2013.
- vi. The company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software and the audit trail feature has not been tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

Annexure – “A” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ in the Independent Auditor’s Report of even date to the members of ITL INDUSTRIES LIMITED on the Consolidated Financial Statements for the year ended 31st March 2024)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

OPINION

We have audited the internal financial controls over financial reporting of ITL INDUSTRIES LIMITED (“the Company”) as of 31st March 2024 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

In our opinion, and to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatements of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CONSOLIDATED STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31st MARCH, 2024
 (All amounts are in ₹ lacs, except share and per share data, unless otherwise stated)

Particulars	2023-2024	2022-2023
A) CASH FLOW FROM OPERATING ACTIVITIES		
Profit/(Loss) before tax for the year	1228.79	1060.02
Add / (Less): Adjustment for:		
Depreciation and amortisation expenses	142.04	127.66
Loss / Profit on Sale of Investment	-9.12	0.00
Loss / Profit on Sale of Fixed Assets	-38.49	-2.52
Interest received	-254.12	-186.58
Interest paid	176.45	165.44
Operating profit before working capital changes	1245.55	1164.02
Adjustments for changes in working capital :		
Decrease/(increase) in inventories	-475.03	-15.93
Decrease/ (increase) in trade receivables	-239.05	-55.98
Decrease/ (increase) in other financial assets	398.82	-687.39
Decrease/(increase) in other current assets	10.71	148.33
(Decrease)/increase in trade payables	-215.54	265.65
(Decrease)/increase in other financial liabilities	14.36	78.26
(Decrease)/increase in other current liabilities	173.44	-60.36
(Decrease)/increase in provisions	-27.81	3.94
Cash Generated from Operations	885.47	840.54
Direct taxes (paid) /refund	-375.17	-260.34
Net Cash from Operating Activities	510.30	580.20
B) CASH FLOW FROM INVESTING ACTIVITIES		
Purchase of property and equipment including intangible assets (net)	-386.98	-127.71
Capital Work in Progress	71.38	-71.38
Proceeds from sale of property, plant and equipment	40.14	2.75
Purchase of investments	-431.89	-624.78
Sale of Investments	194.12	314.41
Interest received	254.12	186.58
Subsidy received against fixed assets	0.00	130.40
Net Cash used in Investing Activities	-259.11	-189.73
C) CASH FLOW FROM FINANCING ACTIVITIES		
Proceeds from Non-current Borrowing	46.57	-220.69
Repayment of current Borrowing	-44.72	13.67
Dividend/ Corporate Dividend Tax	-32.04	0.00
Interest paid	-176.45	-165.44
Net Cash used in Financing Activities	-206.66	-372.46
Net Increase in Cash & Cash Equivalents (A+B+C)	44.53	18.01
Effects of exchange rate changes of cash and cash equivalents	0.00	0.00
Cash and cash equivalents at beginning of year	170.02	152.01
Cash and cash equivalents at end of year	214.55	170.02

Notes to the Statement of Cash Flow :

i) Cash and cash equivalents as per above comprises of the following:

PARTICULARS	2023-2024	2022-2023
Cash in hand	27.32	4.50
Balances with bank	187.23	165.52
Deposit with original maturity of less than 3 months	0.00	0.00
Cash and cash equivalents at end of year	214.55	170.02

ii. The statement of cash flow has been prepared under the indirect method as set out in Ind AS 7 - 'Statement of Cash Flows'.

iii. Cash and cash equivalents represents Cash and bank balances.

iv. Effective 1 April 2017, the Company adopted the amendment to Ind AS 7, which require the entities to provide disclosures that enable users of these consolidated financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company did not have any non-cash transactions for financial activities during the year, accordingly same has not been disclosed in these consolidated financial statements.

**ITL INDUSTRIES LIMITED****Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2024****(All amounts are in ` lakh, except share and per share data, unless otherwise stated)****Note 1: Significant accounting policies****1. CORPORATE INFORMATION**

ITL Industries Limited (the 'Company') is a limited Company having its registered office situated at 111-Sector-B, Sanwer Road, Industrial Area, Indore MP.

The company is engaged in the business of manufacturing of machines and machine parts and trading business.

The consolidated financial statements (CFS) were authorized for issue in accordance with a resolution of Board of Directors on 30.05.2024.

2. Basis of preparation and measurement**a. Statement of compliance:**

These consolidated financial statements are prepared and presented in accordance with the Indian Accounting Standards (IndAS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time as notified under section 133 of Companies Act, 2013, the relevant provisions of the Companies Act, 2013 ("the Act").

b. Basis of Measurement:

The financial statements have been prepared and presented on the going concern basis and at historical cost, except for the following assets and liabilities, which have been measured as indicated below:

- Derivative Financial Instruments at fair value (covered under para 3.6)
- Certain financial assets and liabilities at fair value [refer accounting policy regarding financial instruments (covered under para 3.7)]

c. Functional and Presentation Currency:

The financial statements are presented in Indian Rupees ("₹"), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates, and all values are rounded to the nearest lakh, up-to 2 decimal places except as otherwise indicated. Due to rounding off, the numbers presented throughout the document may not add up precisely to the totals and percentages may not precisely reflect the absolute figures.

d. Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realisation in cash and cash equivalents, 12-month period has been considered by the Company as its normal operating cycle.

e. Principles of consolidation

The Group consolidates all the entities which are controlled by it. The Group establishes control when, it has the power over the entity, is exposed or has rights to variable return from its involvement with the entity and has the ability to affect the entity's returns by using its power over relevant activities of the entity. Entities controlled by the Group are consolidated from the date control commences until the date control ceases.

All inter-company transactions, balances and income and expenses are eliminated in full on consolidation. Changes in the Group's interests in subsidiaries that do not result in a loss of control are accounted as equity transactions. The carrying amount of the Group's interest and non-controlling interest are adjusted to reflect the change in their relative interest in the subsidiaries. Any difference between the amount at which the non-controlling interest are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to shareholders of the Group.

Non-controlling interest in the net assets of the consolidated subsidiaries consists of the amount of equity

attributable to non-controlling shareholders at the date on which the investment in the subsidiary companies were made and the non-controlling share of movements in equity since the date the parent - subsidiary relationship comes into existence. The Total comprehensive income of Subsidiaries is attributed to the owners of the Group and to the non-controlling interests, even if this results in the non-controlling interest having deficit balance.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. When the Group loses control over a Subsidiary, it derecognises the assets and liabilities of the Subsidiary, and any related NCI and other components of equity. Any interest retained in the former subsidiary is measured at fair value at the date the control is lost. Any resulting gain or loss is recognised in the Statement of Profit and Loss.

f. Use of estimates and judgements

The preparation of the Consolidated Financial Statements in conformity with IND AS requires the use of estimates, judgements and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates.

Any revision to accounting estimates is recognised prospectively in current and future periods.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are as follows:

- **Useful life and residual value of property, plant and equipment and intangible assets**

Useful lives of tangible, investment property and intangible assets are based on the life prescribed in Schedule II of the Act. In cases, where the useful lives are different based from that prescribed in Schedule II of the Act, they are based on internal technical evaluation. Assumptions are also made, when the Company assesses, whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

- **Expected Credit losses and Impairment losses on investment**

The Company reviews its carrying value of investments carried at amortised cost annually or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

- **Fair value measurement of financial instruments**

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market where possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in the aforesaid assumptions will affect the fair value of financial instruments

- **Evaluation of Net realisable Value of Inventories**

Inventories of Traded goods are valued at lower of cost and net realisable value. Net Realisable value is based upon the estimates of the management. The effect of changes, if any, to the estimates is recognised in the Consolidated Financial Statements for the year in which such changes are determined.

- **Recognition of deferred tax asset**

The Company's tax jurisdiction is India. Judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered for uncertain tax positions.

The recognition of deferred tax requires assumptions about the availability of future taxable profits against which the tax losses can be carried forward. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period.

- **Impairment of non-financial assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of assets or Cash Generating Units' ('CGU') fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent to those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost of disposal, recent market transactions are considered. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

- **Provisions and contingent liabilities**

A provision is recognised when the Company has a present obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Contingent liabilities are disclosed in the notes. Contingent assets are not recognised in the Consolidated financial statements.

Provisions and contingent liabilities are reviewed at each balance sheet date.

g. Measurement of fair values

The Company measures financial instruments, such as investments (other than equity investments in Subsidiary) and derivatives at fair values at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, if market participants act in their economic best interest.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities (for which fair value is measured or disclosed in the financial statements) are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

The Company's accounting policies and disclosures require the measurement of fair values for financial and nonfinancial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data

as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

3. Summary of significant accounting policies

3.1 Property, Plant and Equipment (PPE) and depreciation and amortisation:

i) Recognition and Measurement:

Items of property, plant, and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

An asset under construction includes the cost of property, plant and equipment that are not ready to use at the balance sheet date. Advances paid to acquire property; plant and equipment before the balance sheet date are disclosed under other non-current assets. Assets under construction are not depreciated as these assets are not yet ready for use.

ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on property, plant and equipment of the Company has been provided using the straight-line method based on the useful lives specified in Schedule II to the Companies Act, 2013.

A summary of the policies applied to the Company's tangible assets is, as follows:

Tangible assets	Useful life (Years)
Office and other equipment	5-15
Land other than Agricultural Land	Not depreciable
Office Building	60
Plant and Machinery	15
Furniture and fixtures	10
Information Technology Hardware	3
Vehicles	8 – 10

iv) **De-recognition:**

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of property, plant and equipment is determined as the difference between the sale proceeds and the carrying amount of the assets and is recognized in Statement of Profit and Loss.

3.2 Intangible assets and amortisation

i) **Recognition and measurement:**

Items of Intangible Assets are measured at cost less accumulated amortisation and impairment losses, if any. The cost of intangible assets comprises:

- its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates; and
- Any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.

ii) **Subsequent expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company and the cost of the expenditure can be measured reliably.

iii) **Amortisation**

The intangible assets of the Company are assessed to be of finite lives and are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The Company reviews amortization period on an annual basis. Intangible assets are amortized on straight line basis in accordance with IND AS 38 and Schedule II to the Companies Act, 2013 or based on technical estimates.

A summary of the policies applied to the Company's Intangibles is, as follows:

Intangible Assets	Useful lives
Information Technology Software	6

3.3 Impairment of non-financial assets

The carrying values of assets / cash generating units at each balance sheet date are reviewed for impairment if any indication of impairment exists. If the carrying amount of the assets exceeds the estimated recoverable amount, an impairment loss is recognised for such excess amount. The impairment loss is recognised as an expense in the Consolidated Statement of Profit and Loss, unless the asset is carried at revalued amount, in which case any impairment loss of the revalued asset is treated as a decrease to the extent a revaluation reserve is available for that asset.

The recoverable amount is the greater of the net selling price and the value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset (other than a revalued asset) in earlier accounting periods which no longer exists or may have decreased, such reversal of impairment loss is recognised in the Consolidated Statement of Profit and Loss, to the extent the amount was previously charged to the Consolidated Statement of Profit and Loss. In case of revalued assets, such reversal is not recognised.

3.4 Foreign currency transactions

Transactions in foreign currencies are translated into the Company's functional currency at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the

exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous Consolidated Financial Statements are recognised in the Consolidated Statement of Profit and Loss in the period in which they are settled.

3.5 Investment in subsidiary

Investments in equity shares of subsidiary are recorded at cost and reviewed for impairment at each reporting date. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary, the difference between net disposal proceeds and the carrying amounts are recognised in the Consolidated Statement of Profit and Loss.

3.6 Derivative financial Instruments

The Company enters forward contracts to hedge the foreign currency risk of firm commitments and highly probable forecast transactions. Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the Consolidated Statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the Consolidated Statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

The Company enters derivative financial instruments viz. foreign exchange forward contracts to manage its exposure to foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

3.7 Financial Instruments

I. Financial assets

Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss based on its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

Trade receivables and debt securities issued are initially recognised when they originate.

The Company recognises financial assets (other than trade receivables and debt securities) when it becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For subsequent measurement, the financial assets are classified in three categories:

- Equity investments

Equity investments

All equity investments other than investment in subsidiaries, joint ventures and associate are measured at fair value. For all other equity instruments, the Company decides to classify the same at fair value through other comprehensive income (FVTOCI). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

The Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income (OCI). There is no recycling of the amounts from OCI to the Consolidated Statement of Profit and Loss, even on sale of such investments.

Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- (a) The rights to receive cash flows from the asset have expired, or

- (b) The Company has transferred substantially all the risks and rewards of the asset, or
- (c) The Company has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

Impairment of financial assets

The Company applies 'simplified approach' measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime Expected Credit Loss at each reporting date, right from its initial recognition.

II. Financial Liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Consolidated Statement of Profit and Loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Consolidated Statement of Profit and Loss.

This category generally applies to loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Consolidated Statement of Profit and Loss.

III. Offsetting of financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is an enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.8 Inventories

Inventories are valued at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs to complete the sale.

The basis of determining cost for various categories of inventories are as follows:

Manufactured goods: At Cost

Traded goods: Weighted Average Cost Moving Average Cost

Stores and Spares: Weighted Average Cost Moving Average Cost

3.9 Revenue recognition

The Company derives revenues manufacturing of machines and trading business.

Revenue from services is recognised as they are rendered based on agreements/arrangements with the concerned parties and recognised net of Goods and Service Tax (GST).

The Company recognises revenue when it determines the satisfaction of performance obligations at a point in time and subsequently over time when the Company has enforceable right for payment for performance completed to date.

Revenue is measured at the fair value of consideration received or receivable considering of discounts, incentives, volume rebates, and outgoing taxes on sales. Any amounts receivable from the customers are recognised as revenue after the control over the goods sold are transferred to the customer which is generally on dispatch of goods.

Significant financing component - Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liabilities are recognised when there is billing in excess of revenue and advance received from customers.

Interest income

Interest income is accounted on an accrual basis at effective interest rate. Interest on delayed payment and forfeiture income are accounted based upon underlying agreements with customers.

3.10 Leases

At the inception of a contract, the Company assesses whether a contract is or contains, a lease. A contract is or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration. To assess whether a contract conveys the right to control the use of an asset the Company assesses whether:

- The contracts involve the use of an identified asset – this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capability of a physical distinct asset. If the supplier has a substantive substitution right, then the asset is not identified
- The Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- The Company has the right to direct the use of the asset. The Company has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

As a Lessee

Right-of-use Asset

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. At the commencement date, a lessee shall measure the right-of-use asset at cost which comprises initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease.

Lease Liability

At the commencement date, a lessee shall measure the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the lessee shall use the lessee's incremental borrowing rate.

Short-term lease and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of less than 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The election for short-term leases shall be made by class of underlying asset to which the right of use relates. A class of underlying asset is a grouping of underlying assets of a similar nature and use in Company's operations. The election for leases for which the underlying asset is of low value can be made on a lease-by-lease basis.

3.11 Income tax

Income tax expense comprises current tax and deferred tax. It is recognised in the Consolidated Statement of Profit and Loss except to the extent that it relates to items recognised directly in equity or in OCI.

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are offset only if, the Company:

- a) Has a legally enforceable right to set off the recognised amounts; and
- b) Intends either to realise the asset or settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent there is convincing evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves. Deferred tax liabilities are recognised for taxable temporary differences

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.

Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) The Company has a legally enforceable right to set off current tax assets against current tax liabilities.

3.12 Employee benefits

Short-term benefits

Short-term benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus or profit-sharing plans if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Obligations for contributions to recognised provident funds, approved superannuation schemes and other social securities, which are defined contribution plans, are recognised as an employee benefit expense in the statement of profit and loss as incurred.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of an approved gratuity plan, which is a defined benefit plan, and certain other defined benefit plans is calculated separately for each material plan by estimating the ultimate cost to the entity of the benefit that employees have earned in return for their service in the current and prior periods. This requires an entity to determine how much benefit is attributable to the current and prior periods and to make estimates (actuarial assumptions) about demographic variables and financial variables that will affect the cost of the benefit. The cost of providing benefits under the defined benefit plan is determined using actuarial valuation performed annually by a qualified actuary using the projected unit credit method.

The benefit is discounted to determine the present value of the defined benefit obligation and the current service cost. The discount rate is the yield at the reporting date on risk free government bonds that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The fair value of any plan assets is deducted from the present value of the defined benefit obligation to determine the amount of deficit or surplus. The net defined benefit liability/ (asset) is determined as the amount of the deficit or surplus, adjusted for any effect of limiting a net defined benefit asset to the asset ceiling. The net defined benefit liability/(asset) is recognised in the balance sheet.

Defined benefit costs are recognised as follows:

- Service cost in the statement of profit and loss.
- Net interest on the net defined benefit liability (asset) in the statement of profit and loss
- Remeasurement of the net defined benefit liability/ (asset) in other comprehensive income

Service costs comprise of current service cost, past service cost, as well as gains and losses on curtailment and settlements. The benefit attributable to current and past periods of service is determined using the plan's benefit formula. However, if an employee's service in later years will lead to a materially higher level of benefit than in earlier years, the benefit is attributed on a straight-line basis. Past service cost is recognised in the statement of profit and loss in the period of plan amendment. A gain or loss on the settlement of a defined benefit plan is recognised when the settlement occurs.

Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability/(asset) at the beginning of the period, taking account of any changes in the net defined benefit liability/(asset) during the period as a result of contribution and benefit payments.

Remeasurement comprises of actuarial gains and losses, the return on plan assets (excluding interest), and the effect of changes to the asset ceiling (if applicable). Remeasurement recognised in other comprehensive income is not reclassified to the statement of profit and loss.

3.13 Borrowing costs

Borrowing cost includes interest expense, amortisation of discounts, hedge - related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange difference, arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, that are attributable to the acquisition or construction or production of a qualifying asset, are capitalised as part of the cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes a substantial period to get ready for its intended use.

All other borrowing costs are recognised as an expense in the period in which they are incurred

3.14 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the Consolidated Statement of Cash Flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

3.15 Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.16 Earnings per share

Basic earnings per share are computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. If potential equity shares converted into equity shares increases the earnings per share, then they are treated as anti-dilutive and anti-dilutive earning per share is computed.

3.17 Provisions and contingent liabilities

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events, and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are discounted to their present value at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed in the notes. Contingent liabilities are disclosed for:

- (1) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- (2) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in the Consolidated Financial Statements. However, the same are disclosed in the Consolidated Financial Statements where an inflow of economic benefit is probable.

3.18 Events after reporting date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted with the Consolidated Financial Statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

3.19 Exceptional Item

Exceptional items include income or expense that are part of ordinary activities, however, are of such significance and nature that separate disclosure enables the user of Consolidated Financial Statements to understand the impact in a more meaningful manner. Exceptional items are identified by virtue of either their size or nature so as to facilitate comparison with prior periods and to assess underlying trends in the financial performance of the Company.

3.20 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

3.21 Research and development Expenditure :

Expenditure on research is recognized as an expense when it is incurred. Revenue expenditure incurred on R&D is included in the respective account heads in the statement of accounts.

Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred. Items of Property, Plant and equipment and acquired intangible assets utilised for research and development are capitalised and depreciated / amortized in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets."

Nature and purpose of Reserves:

Capital Reserve: The Reserve is created based on statutory requirement under the Companies Act, 2013. This is not available for distribution of dividend but can be utilized for issuing bonus shares.

Asset revaluation reserves: A reserve created on the revaluation of assets or net assets of an entity represented by the surplus of the estimated replacement cost or estimated market values over the book values thereof.

General Reserves: General reserve is a free reserve and it represents amount transferred from retained earnings.

Retained earnings: Retained earnings comprises of the Company's undistributed earnings after taxes.

FVOCI equity instrument: The fair value changes of the long term investments in securities have been recognised in reserves under FVOCI equity instruments as at the date of transition and subsequently in the other comprehensive income for the year.

Excess / Shortfall at the end of the year.	2.78	0.00

16) Financial Instruments by Category and fair value hierarchy:

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values.

The fair values of the financial assets and financial liabilities included in the level 2 and level 3 categories have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below.

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes:

There have been no transfer between Level 1, Level 2 and Level 3 during the period March 31, 2024 and March 31, 2023

- The management assessed that cash and bank balances, trade receivables, loans, trade payables, borrowings (cash credits, commercial papers, foreign currency loans, working capital loans) and other financial assets and liabilities
- approximate their carrying amounts largely due to the short-term maturities of these instruments.

17) Financial risk management objectives and policies to the extent applicable:

The Company's risk management activities are subject to the Board direction and control under the framework of Risk Management Policy as approved by the Board of Directors of the Company. The Management ensures appropriate risk governance framework for the Company through appropriate policies and procedures and that risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

ITL INDUSTRIES LIMITED

Notes forming part of the Consolidated financial statements as at and for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

a) Market risk

Market risk is the risk that future earnings and fair value of future cash flows of a financial instrument may fluctuate because of changes in market price. Market risk comprises of currency risk and interest risk.

i) Interest rate risk

The Company is exposed to changes in interest rates due to its financing, investing and cash management activities. The risks arising from interest rate movements arise from borrowings with variable interest rates.

The Company's risk management activities are subject to the management, direction and control of Central Treasury Team of the Group under the framework of Risk Management Policy for interest rate risk. The Group's Central Treasury Team ensures appropriate financial risk governance framework for the Company through appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

PARTICULARS	2023-2024	2022-2023
Interest rate risk exposure	0.00	0.00
Borrowings from banks		
Fund Based	1570.47	1568.63
Non Fund Based	0.00	0.00
Total borrowings	1570.47	1568.63

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of interest rate variation (fund based) 1%, and (non fund based) 0.25%. If the interest rates had been higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

PARTICULARS	2023-2024	2022-2023
Impact on Profit or Loss for the year decrease	15.70	15.69
Impact on Profit or Loss for the year increase	-15.70	-15.69

ii) Foreign currency risk

Since the Company operates internationally and portion of the business transacted are carried out in more than one currency, it is exposed to currency risks through its transactions in foreign currency or where assets or liabilities are denominated in currency other than functional currency.

For open positions on outstanding foreign currency contracts and details on unhedged foreign currency exposure, please refer note no. 9 above.

Following table analysis foreign currency assets and liabilities on balance sheet date.

PARTICULARS	2023-2024	2022-2023
Receivable in Foreign currency	31.25	19.92
Payable in Foreign currency	90.42	90.19

Sensitivity to foreign currency risk

The following table demonstrates the sensitivity in the USD currencies if the currency rate is increased/(decreased) by 1% with all other variables held constant. The below impact on the Company's profit before tax is based on changes in the fair value of unhedged foreign currency monetary assets and liabilities at balance sheet date:

ITL INDUSTRIES LIMITED

Notes forming part of the Consolidated financial statements as at and for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

(US \$ in Mln)

Currency	Sensitivity analysis			
	2023-24		2022-2023	
	USD/EURO/JPY Increase	USD/EURO/JPY Decrease	USD/EURO/JPY Increase	USD/EURO/JPY Decrease
Sensitivity to foreign currency risk (USD)	-224.85	224.85	-690.74	690.74
Sensitivity to foreign currency risk (EURO)	-11.23	11.23	0.00	0.00
Sensitivity to foreign currency risk (JPY)	153712.84	153712.84	-143267.22	143267.22

b) Credit risk

Credit risk refers to the risk that a counterparty or customer will default on its contractual obligations resulting in a loss to the Company. Financial instruments that are subject to credit risk principally consist of Loans, Trade and Other Receivables, Cash & Cash Equivalents, Investments and Other Financial Assets. The carrying amounts of financial assets represent the maximum credit risk exposure.

Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of counter parties on continuous basis with appropriate approval mechanism for sanction of credit limits. Credit risk from balances with banks, financial institutions and investments is managed by the Company's treasury team in accordance with the Company's risk management policy. Cash and cash equivalents and Bank Deposits are placed with banks having good reputation, good past track record and high quality credit rating.

Since the Company has a fairly diversified portfolio of receivables in terms of spread, no concentration risk is foreseen.

Trade and other receivables

To Manage trade and other receivables, company has placed a customer credit limit monitoring system in its accounting software and also periodically assesses the financial reliability of customers, taking in to account the financial conditions, economic trends, analysis to historical bad debts and ageing of such receivables. To cover its risk/ losses, the company makes a provision (ECL) on the outstanding balance at the year end.

The ageing analysis of the trade receivables has been considered from the date the invoice falls due:

PARTICULARS	2023-2024	2022-2023
Up to 6 months	2050.57	1771.40
More than 6 months	460.40	494.60
Total	2510.96	2266.00

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counter-parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

c) Liquidity risk

Liquidity risk refers the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities. The Company's objective is to provide financial resources to meet its obligations when they are due in a timely, cost effective and reliable manner without incurring unacceptable losses or risking damage to the Company's reputation. The Company monitors liquidity risk using cash flow forecasting models. These models consider the maturity of its financial investments, committed funding and projected cash flows from operations.

The tables below provide details regarding significant liabilities as at the end of each year end presented.

Particulars	Less than 1 Year	1 to 5 years	>5 years	Total
As at 31st March, 2024				
Borrowings	1160.48	409.99	0.00	1570.47
Trade payables	1846.27	0.00	0.00	1846.27
Other financial liabilities	288.64	0.00	0.00	288.64
Total	3295.39	409.99	0.00	3705.38

ITL INDUSTRIES LIMITED

Notes forming part of the Consolidated financial statements as at and for the year ended March 31, 2024

(All amounts are in ₹ lakh, except share and per share data, unless otherwise stated)

Particulars	Less than 1 Year	1 to 5 years	>5 years	Total
As at 31st March, 2023				
Borrowings	1205.20	363.43	0.00	1568.63
Trade payables	2061.81	0.00	0.00	2061.81
Other financial liabilities	274.28	0.00	0.00	274.28
Total	3541.30	363.43	0.00	3904.73

d) Capital Management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31st March, 2024 and 31st March, 2023.

The Company monitors capital using gearing ratio, which is net debt (borrowings less cash and bank balances) divided by total equity plus net debt.

PARTICULARS	2023-2024	2022-2023
Debt	1570.47	1568.63
Cash and Bank Balances (Refer Note No.9 & 10)	214.55	170.02
Adjusted net Debt	1355.92	1398.61
Total Equity	7192.41	6267.53
Net Debt to equity ratio	0.19	0.22

18) Consolidation of Accounts:

The company is under an obligation to make consolidated financial statements covering its subsidiary M.M. Metals Private Limited(CIN no. U02710MP1983PTC002163) (Shareholding 52.55%) and accordingly the said consolidated audited balance sheet will be separately made.

19) Figures of Trade Receivables, Trade Payables, Borrowings and Loans & Advances are subject to respective consent, confirmation, reconciliation and consequential adjustments, if any.

20) Subsequent events

The Company has evaluated all subsequent events upto 30.05.2024, the date on which these financial statements are authorized for issuance. No adjusting or significant non-adjusting events have occurred between March 31, 2024 and the date of authorization of these consolidated financial statements that would have a material impact on these financial statements or that would warrant additional disclosures.

21) In the opinion of board of directors of the company, the current assets, loans and advances have to value at which they are stated in the balance sheet if realised in the ordinary course of business.

22) Disclosure Pursuant to regulation 54(F) of the SEBI (Listing Obligations & Disclosure Requirements) Regulation 2013.

a Loans and Advances in the nature of Loans to Subsidiary:

There were no such transaction during the year.

b Loans and Advances in the nature of loan to Associates, Related Party and parties where directors/promoters are interested:

There were no such transaction during the year.

c i) None of the parties to whom loans were given have made investment in the shares of the Company.

ii) The above advances (if any) fall under the category of loans, which are repayable on demand and interest has been charged on it.

ITL INDUSTRIES LIMITED

इसरो ने भेजी 2 टन वजनी मेटल रिंग, काटने के लिए विशेष मशीन तैयार

इंदौर में बनी मशीन से कटेगी 'गगनयान' की मेटल प्लेट्स

सुरभि भावसार
patrika.com

इंदौर. हमारे शहर के खाते में एक और उपलब्धि जुड़ गई है। इंडियन स्पेस रिसर्च ऑर्गनाइजेशन (इसरो) के गगनयान प्रोजेक्ट में इंदौर अहम भूमिका निभाएगा। इसरो ने गगनयान में इस्तेमाल होने वाली मेटल प्लेट्स बनाने की जिम्मेदारी शहर की एक कंपनी को सौंपी है। कंपनी ने एक मशीन तैयार की है, जो इसरो के मापदंडों पर खरी उतरी है। विक्रम साराभाई स्पेस सेंटर (वीएसएससी) तिरुवनंतपुरम से दो टन वजनी मेटल रिंग ट्रक से इंदौर पहुंच गई है।

वीएसएससी से दो टन वजनी मेटल की रिंग ट्रक से इंदौर पहुंच गई है।

आइटिएल इंडस्ट्रीज इंदौर के प्रबंध निदेशक इंजीनियर राजेंद्र जैन ने बताया, वीएसएससी में 4 मीटर डायमीटर की मेटल रिंग तैयार की गई है, लेकिन इसे काटने को देश में कोई

मशीन नहीं है, इसलिए हमारी कंपनी ने 5 माह में इसे तैयार किया। इसरो वैज्ञानिकों ने इसकी जांच की और उपयुक्त पाए जाने पर प्लेट्स काटने का काम हमें सौंपा।

विदेशी कंपनियों की मदद नहीं लेना चाहता इसरो

- इंदौर के 12 इंजीनियरों ने 5 माह में 42 लाख से बनाई मशीन।
- वीएसएससी ने 2000 किलो की मेटल रिंग ट्रक से इंदौर भेजी।
- रिंग काटकर अलग-अलग साइज की 300 प्लेट्स बनाई जाएगी।
- यह प्लेट्स 400 से 1500 मिमी लंबी और 20 मिमी मोटी होंगी।
- इन प्लेट्स को काटने में करीब 20 दिनों का समय लगेगा।

क्या है गगनयान प्रोजेक्ट

गगनयान देश का पहला मानव अंतरिक्ष उड़ान मिशन है, जिसके तहत चार अंतरिक्ष यात्रियों को अंतरिक्ष की सैर कराई जाएगी। इस मिशन को वर्ष 2024 के

आखिर या 2025 की शुरुआत तक भेजा जा सकता है। इसी साल मानव रहित परीक्षण उड़ान होगी, जिसमें एक व्योममित्र रोबोट भेजा जाएगा।

अंतरिक्ष के रहस्यों को सुलझाने में इंदौर भी दे रहा अतुल्य योगदान

आरआरकेट, आइआइटी इंदौर और एसजीएसआइटीएस कर रहे स्पेस प्रोजेक्ट और अंतरिक्ष अनुसंधान में भागीदारी

आरआरकेट के इंदौर में सैटेलाइट के रिपलेक्टर की टैरिंटिंग की जा चुकी है। • सैतान कलिन जीले • इंदौर

विक्रम साराभाई स्पेस सेंटर से इंदौर की इंदौर को भेजी 2 टन भारी एयुमिनियम एल्यूमिनियम रिंग। • सैतान कलिन जीले

स्पेस और रिमोट सेंसिंग पर कोर्स

स्पेस और रिमोट सेंसिंग को लेकर एसजीएसआइटीएस ने चार स्पेशलाइज्ड कोर्स तैयार किए हैं। ये सभी ऑनलाइन मोड में ऑफ रिमोट सेंसिंग (अदृश्यता) और स्पेस प्रॉसेसिंग सिस्टम के प्रमुख कंट्रोल सिस्टम भी यहां तैयार किए गए हैं। सैटेलाइट में उपयोग किए गए वे उपकरण जो निम्नी क्वालिटी में तैयार किए गए, उनकी गुणवत्ता की जांच भी आरआरकेट में हुई है।

इसरो संग बना रहे कोर्स आइआइटी इंदौर के 120 दिनांक स्मार्थक में इसरो के प्रमुख विभाग और आइआइटी इंदौर के बॉस आक गगनरोस के चेयरमैन के, सिवन पी शांतिन कश्यप थे। उन्होंने कहा था कि आइआइटी इंदौर स्टेशन व गगनयान प्रोजेक्ट में अपना योगदान देगा। आइआइटी इंदौर ने वैज्ञानिक जांच के लिए अडवैन्स-प्लेटा के डेटा को उपकरण भी दिया है। आइआइटी इंदौर ने स्पेस स्टाफ में कई अहम योगदान दिए हैं। उदाहरण के तौर पर किनारे वाली जगहों पर भी सहायक से शोध करने वाले विद्यार्थियों के सहायक कर रहे हैं। प्रमुख का प्रोफेसर

अंतरिक्ष को रहस्यों को खोलने में इसरो अहम भूमिका निभा रहा है। विगत कई वर्षों से इंदौर की विभिन्न स्पेस प्रोजेक्ट में छोटी से बड़ी मात्रा में अहम भूमिका निभा रहा है। राजा रामन श्याम प्रौद्योगिकी केंद्र (आरआरकेट) के इंदौर में सैटेलाइट सॉल्वर कंट्रोल प्रोसेसिंग की जांच हुई है। एसजीएसआइटीएस व आइआइटी इंदौर के युवा भी इसरो के प्रोजेक्ट से जुड़ कर अनुसंधान में योगदान दे रहे हैं। हाल ही में इंदौर को एक इंडस्ट्री ने विमान गगनयान के लिए एयुमिनियम प्लेट तैयार की है।

गगनयान के लॉन्चिंग पैड में इस्तेमाल होने वाली एयुमिनियम की प्लेट इंदौर में तैयार की गई। विक्रम साराभाई स्पेस सेंटर ने इस कार्य के लिए इंदौर के सबसे बड़े औद्योगिक क्षेत्र के सेंटर-बी इंडिया अडवैन्स को कंपनी की मदद ली। कंपनी ने इस मिशन के लिए न सिर्फ मेटल कटिंग

इंदौर में सैटेलाइट के रिपलेक्टर की टैरिंटिंग आरआरकेट सिस्टीम में गगनयान स्पेस (इंदौर) में अंतरिक्ष में भेजे गए सैटेलाइट के उपयोग किए उपकरणों की जांच भी हुई। सैटेलाइट में उपयोग किए गए सेंसर फिनल के रिपलेक्टर की टैरिंटिंग यहां की गई। सैटेलाइट के इमेज प्रोसेसिंग सिस्टम के प्रमुख कंट्रोल सिस्टम भी यहां तैयार किए गए हैं। सैटेलाइट में उपयोग किए गए वे उपकरण जो निम्नी क्वालिटी में तैयार किए गए, उनकी गुणवत्ता की जांच भी आरआरकेट में हुई है।

मोहन विजयन को, पब्लिक स्पेस सेंटर द्वारा इंदौर भेजे गए दो टन भारी एयुमिनियम एल्यूमिनियम रिंग को इस मशीन से काटकर 400 मिलीमीटर चौड़ी और अलग-अलग लंबाई की 50 प्लेट्स भी तैयार कीं। इन एयुमिनियम प्लेट्स को इंदौर में काटने के लिए न सिर्फ मेटल कटिंग

मोहन सुक किशोर गवा है। 27 अगस्त से रिमोट सेंसिंग, जैववाहक और स्पेशलाइज्ड सैटेलाइट सिस्टम कोर्स शुरू होगा। ये कौनसे विभागों में चलाने के लिए इंदौर लाने का फैसला कर रहा है। इंदौर के छात्र इंडिया स्पेस सेंटर में शामिल हो सकते हैं।

23 अगस्त 2023 को इसरो ने 'कठान-3' के लेबर माइल को चालू की संरक्षक उड़ान का प्रथम दिन भारत इंदौर के सैतानी द्वारा चलाया। एक सफल पहलू के तौर पर भारत सरकार ने इस वीरुड को राष्ट्रीय अंतरिक्ष दिवस के रूप में मान्यता दे दिया है।

आइआइटी-इंदौर निकलर डिजाइन कर रहे हैं। एस्ट्रोमैनी-एस्ट्रोफिजिक्स स्पेस इंजीनियरिंग करने वाले विद्यार्थियों को शोध करने में आसनी होगी। संसदन से एएससी प्रोफेसरी स्पेस इंजीनियरिंग करने वाली गुरुवारी की कुख्यात कायदा ने शोध में बंदम की संरक्षक के बारे में जानकारी जुटाई है।
