Dear Sir/Madam,**Sub: Intimation of minor IT Security incident**

We wish to inform that we have received communication from an unknown source, who has shared certain documents with us, with mala fide intent. We wish to inform you that there has been no application, business or customer support downtime. The core application or databases have not been compromised and are intact. A small quantum of local internal documents has been lost and that too has been restored and functional.

As an immediate measure, we have initiated an information security assessment and data log analysis. We have engaged a competent external information security agency to do a detailed investigation, which is underway to assess the cause and take remedial action, as necessary.

We continue to investigate this further to assess potential impact and are making this disclosure as a matter of good governance.

We will take utmost care to safeguard the interest of our customers.

This is for your kind information and appropriate dissemination.

Yours sincerely,

For Aptus Value Housing Finance India Limited**Sanin Panicker
Company Secretary & Compliance Officer**
