Draft Independent Auditors' Report on Quarterly Standalone Financial Results and Year to Date Standalone Financial Results of The Orissa Minerals Development Company Ltd. pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Board of Directors,
The Orissa Minerals Development Company Ltd.
Bhubaneswar.

We have reviewed the accompanying statement of unaudited financial results of The Orissa Minerals Development Company Ltd. ("the Company") for the period ended 31st December, 2024. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

i) Note 1 of the financial results, which states that company's mining operations are under suspension for Belkundi and Bhadrasai Mines due to non availability of statutory clearances. Mining leases are in process of renewal and accordingly, the financial results have been prepared on going concern basis. The Bagiaburu Iron Mines started operating from 14.12.2023.

- out of 263.507 Acres of Land, Title Deeds in respect of only 195.959 Acres were available with the Company out of which 3.393 Acres of private land has been occupied by the Company by virtue of adverse possession as mentioned in ROR (Record of Right) and 41.766 Acres (0.350 acre of OMDC Patta Land and 41.416 acres of BPMEL Patta Land) Patta Land had been occupied by outsider unauthorizedly.
- Company has been conducting Qualitative and Quantitative analysis of Mines Stock annually. As quarterly assessment has not been done for the mines stock by independent survey, we are unable to comment on the changes in the stock position and authenticity of the stock.
- During the course of audit, we observed that the company has made delay in filling GST, TDS and TCS return for the period April to December 2024, which leads to Payment of Interest & Late fees amounting to Rs.17,87,912/-, Rs.1,34,933/- & Rs.2,88,071/- respectively.
- v) During the course of audit, we identified significant outstanding statutory dues as of the audit date. These outstanding amounts raise concerns about potential non-compliance with regulations, penalties, and financial risks. Details are given below
