Dear Sirs/Madam,

**Sub: Approval of our Company's Steel Billets by Power Grid Corporation of India Ltd for manufacture of Galvanized Fabricated Steel Structures**

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, we are pleased to inform you that the Steel Billets (IS 14650 CPS 2062/E250A as per IS14650) manufactured by our company have been approved by Power Grid Corporation of India Limited (PGCIL) vide its letter dated 05.02.2025.

As a result of this approval, our company has become eligible to supply Steel Billets to all manufactures of Galvanized Steel Structures for the transmission projects of PGCIL. This development demonstrates the quality products made by the Company and similar to the quality of steel billets made by large steel players in India.

We would also like to mention that our Company is already manufacturing Galvanized Fabricated Steel Structure, for which Steel Billets were procured from large steel manufactures like SAIL etc. and now onwards Steel Billets manufactured by our Company will be used for manufacturing Galvanized Steel Structures, which will lead to considerable cost savings. It is also pertinent to mentioned that GPIL is only Company in India to manufacture Galvanized Steel Structures from iron ore to finished product.

This is for your information please.

Thanking you,

Yours faithfully,

For **GODAWARI POWER AND ISPAT LIMITED**

**COMPANY SECRETARY**
