HGS appoints Anshuman Singh as new CEO for HGS UK

Bengaluru, India, and London, UK, January 7, 2025: HGS (listed on BSE & NSE), a leading provider of solutions in digital experience, business process management (BPM) and digital media services, today announced the appointment of Anshuman Singh as the Chief Executive Officer for its UK operations.

Based in London, Anshuman will spearhead our growth and innovation initiatives in the UK & Europe region, aligning with our vision to be the leading digital transformation partner to clients. He will also be a key member of HGS' Global Executive Team and help shape global corporate strategy.

Anshuman is an experienced professional with over 25 years of international and multi-disciplinary expertise across various industries. He has a proven track record of driving digital transformation initiatives for clients through business process optimization, technology capability development, and strategic outsourcing. Anshuman was most recently with LTI Mindtree in London, where he held several strategic leadership roles across his two-decade-long tenure, including leading its Interactive and Consulting businesses.

Commenting on the appointment, **Partha DeSarkar, Group CEO, HGS said**, "We're excited to welcome Anshuman to the HGS team. His expertise in CX transformation, strong understanding of the UK market, and experience in delivering value-driven solutions align perfectly with our goals. Anshuman will help drive growth, enhance digital capabilities, and strengthen our partnerships in the region."

Anshuman Singh, CEO, HGS UK said, "HGS has built a strong reputation as a leader in CX and digital transformation in the UK and I'm thrilled to join HGS at such a pivotal time. The opportunity to build upon the existing foundation and drive further growth in the UK market is truly exciting. I look forward to collaborating with the talented team at HGS to deliver exceptional value to our clients."

About HGS:

A global leader in optimizing the customer experience lifecycle, digital transformation, business process management, and digital media ecosystem, HGS is helping its clients become more competitive every day. HGS' core BPM business combines automation, analytics, and artificial intelligence with deep domain expertise focusing on digital customer experiences, back-office processing, contact centers, and HRO solutions. HGS' digital media business, **NXTDIGITAL** (www.nxtdigital.in), is India's premier integrated Digital Delivery Platforms Company delivering services via satellite, digital cable and broadband to over 6 million customers across 1,500 cities and towns.

HGS takes a "globally local" approach, and has 17,974 employees in 10 countries, including 33 delivery centers, making a difference to some of the world's leading brands across verticals. For the year ended March 31, 2024, HGS had total income of Rs. 5,087.8 crore (US\$ 614.4 million).
