Ravinder Kumar Bhatia
Company Secretary & Compliance Officer

Encl: as above

DMR Business Performance Update – Q1 FY24-25

Faridabad, India – July 6th, 2024 – DMR, a leading engineering consulting company in the field of infrastructure, is issuing a press release regarding its business updates from Q1 FY24-25.

Significant Events During Q1 FY24-25

- In the year end of FY23-24 results, we reported our order book at Rs. 13.5 crores
- Over Q1FY24-25, we have won additional work of Rs 2.91 crores.
 - Total 16 new assignments were bagged in Q1 FY24-25
 - Most of the value of these assignments are envisaged to be delivered in the current financial year
- We have received 2 small projects in Bhutan – one with a leading construction company, and another with Bhutan’s principal power corporation. These assignments give us good visibility in a fast-growing hydropower industry of Bhutan.
- We have also won detailed design for civil work for a small hydro project in Lao PDR. This is the 2nd project that DMR is currently engaged with in Lao PDR.
- We have continued our presence with IREDA by receiving several of their small hydro and solar project, with DMR acting as lender engineer.
- We continue to aggressively pursue tenders/bids with several of central and state govt PSU’s in India and pursue projects with private developers
- We continue to expand our engineering teams:
 - We have added a very senior and respected dam design expert into our senior engineering team
 - We have added 4 entry-to-mid level engineers and 3 CAD engineers
- To support growth and additional working capital requirements, DMR’s board has approved a right issue to the maximum size of Rs. 4 crores.

About DMR

DMR provides engineering consultancy services in the infrastructure sectors such as hydropower (including small hydro, large hydro and PSP), dams, renewables energy, tunnels and related sectors.
