Annexure-I

Existing Article 82 of the Articles of Association

82. Unless otherwise determined by a General Meeting, the number of Directors shall not be less than 3 (three) and not more than 15 (fifteen).

One-third of the total directors of the company, whose office is liable to retire by rotation retire at every Annual General Meeting.

Subject to the provisions of Section 152 of the Act, the tenure of Executive Chairman and the Managing Director shall be non-rotational.

Proposed Article 82 of the Articles of Association

82. Unless otherwise determined by a General Meeting, the number of Directors shall not be less than 3 (three) and not more than 15 (fifteen).

One-third of the total directors of the company, whose office is liable to retire by rotation, shall retire at every Annual General Meeting.

Subject to the provisions of Section 152 of the Act, the Managing Director of the Company shall not be liable to retirement by rotation.

Reason for alteration

Pursuant to the provisions of Section 152 of the Companies Act, 2013, a Company shall not have more than 1/3rd of its total Directors as non-rotational (i.e., not liable to retire by rotation). Presently, the composition of our Board of Directors is in compliance with the said provisions of the Act. However, keeping in view, the present composition of the Board and the likely changes therein, that may arise on account of vacation of office of any Director of the Company or otherwise, the Executive Chairman of the Company be made liable to retire by rotation, as a precautionary measure of compliance of the provisions of the Act in this regard.

In the said backdrop, the existing Article 82 of the Articles of Association of the Company needs to be altered suitably by deleting the words "Executive Chairman" in the third clause.
