Limited Review Report on unaudited standalone financial results of Dhunseri Ventures Limited for the quarter ended 31 December 2024 and year to date results for the period from 01 April 2024 to 31 December 2024 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Dhunseri Ventures Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Dhunseri Ventures Limited (hereinafter referred to as "the Company") for the quarter ended 31 December 2024 and year to date results for the period from 01 April 2024 to 31 December 2024 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note 2 of the standalone financial results of the Company which describes that the Company had advanced a loan aggregating to Rs 2,250 lakhs during the quarter ended 30 June 2024 to a company, in which directors of the Company were interested, without passing a special resolution by the Company in the general meeting as required by the Companies Act, 2013. The aforesaid loan along with the interest has been received back by the Company during the quarter ended 30 September 2024. We are unable to comment on the likely outcome of the above matter and its consequential impact on the financial results, if any, as at and for the nine months period ended 31 December 2024.

Limited Review Report (*Continued*)

Dhunseri Ventures Limited

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 2 of the consolidated financial results of the Parent which describes that the Parent had advanced a loan aggregating to Rs 2,250 lakhs during the quarter ended 30 June, 2024 to a company, in which directors of the Parent were interested, without passing a special resolution by the Parent in the general meeting as required by the Companies Act, 2013. The aforesaid loan along with the interest has been received back by the Parent during the quarter ended 30 September 2024. A subsidiary and an associate as referred above are located outside India whose interim financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The Parent's management has converted the interim financial information of such subsidiary and associate located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. - These results have been reviewed by the Audit Committee and approved by the Board of Directors of the Parent Company at their respective meetings held on 07 February 2025. The Statutory auditors of the Company have also carried out limited review of these results.
- During the quarter ended 30th June, 2024, the Parent Company had advanced a loan aggregating to Rs 2,250 lakhs to a Company, in which directors of the Parent Company were interested, without passing a special resolution as required by Section 185 of the Companies Act, 2013 by the Parent Company in the general meeting. Subsequently, the Parent Company had sought votes from the Members in its Annual General Meeting dated 20th August, 2024. However, votes casted in favour of the resolution by the Members are less than three times the number of votes casted against the resolution by the Members and hence special resolution could not be passed. Consequently, the entire loan, along with the applicable interest, has been received back by the Parent Company on 30th August, 2024.
- Finance Costs include exchange fluctuation (gain)/loss on foreign currency borrowings.
- Previous period figures have been regrouped/ rearranged wherever necessary.
