L&T Wins (Significant*) Offshore Order from ONGC

Mumbai, Jul 01, 2024: The L&T Energy Hydrocarbon (LTEH) vertical of Larsen & Toubro (L&T) has secured an order from the Oil & Natural Gas Corporation (ONGC) for the eighth phase of Pipeline Replacement Project (PRP-VIII Group B) off India's west coast.

The order involves engineering, procurement, construction, installation & commissioning (EPCIC) of 129-km subsea pipelines and associated modification works across India's west coast offshore fields of the ONGC.

Commenting on the order win, Mr Subramanian Sarma, Whole-time Director & President - Energy, L&T, said: "This order reflects ONGC's continued confidence in L&T, and this emanates from our track record of successfully delivering complex offshore projects. This order further demonstrates L&T's unwavering commitment to India's energy requirement."

Organised under Offshore, Onshore EPC, Modular Fabrication, Advanced Value Engineering & Technology (AdVENT) and Offshore Wind Farm Business Groups, LTEH offers integrated design-to-build solutions across the hydrocarbon sector to domestic and international customers. With over three decades of rich experience, LTEH has been setting global benchmarks in all aspects of project management, corporate governance, quality, health safety environment (HSE) and operational excellence.

Background:

Larsen & Toubro is a USD 27 billion Indian multinational enterprise engaged in EPC Projects, Hi-Tech Manufacturing, and Services operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over eight decades.
