Aurionpro continues expansion in the Kingdom of Saudi Arabia with another significant win

Signs deal with a leading bank to deliver its innovative iCashpro+ transaction banking platform

Mumbai, India, December 11, 2024 – Aurionpro Solutions Limited (BSE: 532668) (NSE: AURIONPRO) is pleased to announce an order win with one of the largest banks in the Kingdom of Saudi Arabia (KSA) to modernize their corporate banking technology using Aurionpro's global transaction banking platform "iCashpro+". This collaboration aims to streamline the bank's operations and elevate their digital offerings, thereby driving innovation and strengthening customer relationships.

Aurionpro's cutting-edge technology continues to set the benchmark for digital transformation in global transaction banking, earning the trust of leading banks globally. This second major win in the KSA this year underscores Aurionpro's exceptional expertise and commitment to innovation, further strengthening its presence in the region.

This partnership aligns well with the KSA's Vision 2030, advancing the nation's goals of economic diversification and digital innovation. By leveraging Aurionpro's technology, the bank will empower its corporate customers with a seamless and efficient banking experience.

Aurionpro's iCashpro+ solution offers a comprehensive suite of features for end-to-end transaction banking, leveraging advanced digital capabilities to enable an enhanced customer experience. The platform:

- Enables speedy launches of new products and services through a flexible architecture
- Incorporates AI-enabled automation to significantly improve customer service levels.
- Allows seamless integration with existing systems, while its intuitive user interface ensures a superior customer experience.

This partnership marks a significant milestone for Aurionpro as it expands its reach into the Middle East and North Africa region, demonstrating the Company's commitment to providing innovative solutions that empower financial institutions in the digital age.

Commenting on this latest win, Sandeep Chiber, EVP Sales at Aurionpro, expressed his enthusiasm: "We are thrilled to partner with this prestigious bank in the KSA, reinforcing our intent to become a key player in the region's financial technology landscape. Our cutting-edge transaction banking platform, iCashpro+ delivers the most advanced functionality available today, including AI-driven automation, thereby enabling banks to offer a superior experience to their customers."

He added: "Aurionpro stands at the forefront of innovation, where software, products, platforms, and hardware converge to deliver comprehensive solutions. This distinction sets us apart as a global leader in products and platforms, with a singular mission to empower our customers with end-to-end excellence."
