This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above and upon consideration of the review reports of other auditors, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared, in all material respect, in accordance with applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and other recognized accounting practices and policies, and has not disclosed the information required to be disclosed in term of Regulation 33 of the Listing Regulation, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
4. We draw attention to note 4 to the Statement, regarding unbilled revenue (work-in-progress) aggregating to Rs. 73,580 lacs as at June 30, 2016, representing claims made by the Company which are subject matter of arbitration. Pending ultimate outcome of the matter which is presently unascertainable, no adjustments have been made in the accompanying Statement. Our review is not qualified in respect of this matter.

5. We did not review the interim financial results of certain branches, included in the Statement, whose interim financial results reflect total revenues (net of eliminations) of Rs. 26,322 lacs for the quarter ended June 30, 2016. These interim financial results have been reviewed by other auditors whose review report have been furnished to us by the management and our report in respect thereof is based solely on the review reports of such other auditors. Our review report is not qualified in respect of this matter.
