IMPORTANT INFORMATION

The Offer is personal to each prospective bidder (including individuals, funds or otherwise) registered with the broker of the Stock Exchanges who makes a bid (each a "Bidder") and neither the Offer nor this Notice constitutes an offer to sell or invitation or solicitation of an offer to buy, to the public, or to any other person or class of persons requiring any prospectus or offer document to be issued, submitted to or filed with any regulatory authority or to any other person or class of persons within or outside India.

The Offer is being made in reliance on the OFS Guidelines and subject to the guidelines, circulars, rules and regulations of the Stock Exchanges. There will be no "public offer" of the Offer Shares in India under applicable law in India including the Companies Act, 2013 and the rules and clarifications issued thereunder (the "Companies Act") or in any other jurisdiction. Accordingly, no documents have been or will be prepared, registered, filed or submitted for approval as a "prospectus" or an offer document with the Registrar of Companies and/or SEBI and/or the Stock Exchanges or any other statutory / regulatory / listing authority, in India or abroad, under applicable laws, including the Companies Act, 2013, the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended, and no such document will be circulated or distributed to any person in any jurisdiction, including in India.

On August 5, 2016, the Insurance Regulatory and Development Authority of India ("IRDAI") has issued the Insurance Regulatory and Development Authority of India (Listed Indian Insurance Companies) Guidelines, 2016 ("Listed Indian Insurance Companies Guidelines"), which are applicable to all insurance companies whose equity shares are listed on stock exchanges, and to the allotment / transfer process pursuant to a public issue.

The Listed Insurance Company Guidelines contemplate, amongst other things, filing of self-certification of fit and proper criteria with the insurer by a person intending to acquire equity shares of an insurer amounting to 1% or more, but less than 5%, of the paid up equity share capital of the insurer, which shall be considered as deemed approval of the IRDAI for purposes of Section 6A(4)(b)(iii) of the Insurance Act, 1938. However, if the quantum of equity shares proposed to be acquired will or is likely to result in (i) the aggregate holding of such person, his relatives, associate enterprises and persons acting in concert, increasing to 5% or more of the paid up equity share capital of the insurer or entitling such person to exercise 5% or more of the total voting rights of the insurer, or (ii) the aggregate holding of such person along with the persons acting in concert, increasing to in excess of 10%, each such acquisition would require prior approval of the IRDAI.

Accordingly, bidders intending to acquire Offer Shares amounting to 1% or more, but less than 5%, of the paid-up equity share capital of the Company pursuant to the Offer would be required to comply with the requirement of selfcertification of 'fit and proper' criteria prior to applying to this Offer. However, in case of bidders intending to acquire Offer Shares in the Offer such that (i) the aggregate holding of such bidder, his relatives, associate enterprises and persons acting in concert, would increase to 5% or more of the paid up share capital of the Company or entitling such bidder to exercise 5% or more of the total voting rights of the Company, or (ii) the aggregate holding of the investor along with the persons acting in concert, increasing to in excess of 10% of the paid up share capital of the Company or the total voting rights of the Company, then each such acquisition would require prior approval of the IRDAI.

The Bidders acknowledge and agree that any buy order or bid shall be made solely on the basis of publicly available information and any information available with SEBI, Stock Exchanges, Company's website or otherwise in public domain, together with the information contained in this Notice. The Offer is subject to the further terms set forth in the contract note to be provided to the prospective successful Bidders. If the Company is classified as a PFIC, U.S. taxpayers that hold the Offer Shares (directly and, in certain cases, indirectly) may be subject to significant adverse tax consequences. In addition, U.S. taxpayers will also be subject to additional U.S. tax form filing requirements, and the statute of limitations for collections may be suspended if the taxpayer does not comply with such filing requirements. Certain holders may be able to mitigate these consequences by making a "mark-to-market" election (if available). The PFIC rules are complex.
