Notice is hereby given that the **Fortieth Annual General Meeting (40th AGM)** of **Asit C. Mehta Financial Services Limited** will be held on Monday, September 30, 2024 at 10:30 AM. (IST) through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM") to transact the following business.

ORDINARY BUSINESS:

1. To consider and adopt:
 - a) the Audited Financial Statements of the Company for the financial year ended March 31, 2024, and the reports of the Board of Directors and Auditors thereon.
 - b) the Audited Consolidated Financial Statements of the Company for the financial year ended March 31, 2024, and the report of Auditors thereon.
2. To appoint Ms. Madhu Lunawat (DIN: 06670573) who retires by rotation and being eligible, offers herself for re-appointment.
3. To re-appoint M/s. Manek & Associates, Chartered Accountants (ICAI Firm Registration No. 0126679W), as Statutory Auditors of the Company, for a period of three (3) years.

To consider and, if thought fit, to pass the following resolution with or without modification as a **Ordinary Resolution:**

"RESOLVED THAT pursuant to sections 139, 141, 142 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) and pursuant to the recommendation of the Audit Committee and Board of Directors of the Company, M/s. Manek & Associates, Chartered Accountants (ICAI Firm Registration No. 0126679W), be and are hereby appointed as the Statutory Auditors of the Company, to hold the office for a period of three (3) years from the conclusion of the Fortieth Annual General Meeting until the conclusion of the Forty-Third Annual General Meeting of the Company at such remuneration plus applicable taxes and out of pocket expenses, as may be mutually decided between the Company and Auditors.

RESOLVED FURTHER THAT the Board of Directors of the Company (including Audit Committee thereof) be and is hereby authorised on behalf of the Company, including but not limited to negotiate, finalise, amend, sign and execute the terms of appointment including any contract or other necessary documents and to determine, alter, revise and vary the scope of work and other terms and conditions of appointment including remuneration, without being required to seek any further consent or approval of the Members of the Company and to do all such acts, deeds, matters and things, as may be required or deemed necessary or incidental thereto and to settle any questions, difficulties or doubts that may arise in this regard without further referring to the Members of the Company and to give effect to this resolution."

SPECIAL BUSINESS:

4. Variation in the terms of objects of the Rights Issue referred to in the letter of offer dated December 01, 2023.

To consider and, if thought fit, to pass the following resolution with or without modification as a **Special Resolution:**

"RESOLVED THAT pursuant to the provisions of Sections 27 read with the Rule 7 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (including any statutory modifications or re-enactments thereof) and other applicable provisions of the Companies Act, 2013, Regulation 59 read with Schedule XX of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, Regulations 32 of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 and other applicable rules, regulations, guidelines and other statutory provisions for the time being in force, if any, and such other approvals, permissions and sanctions, as may be required, the approval of members of the Company be and is hereby accorded to:

- a) vary the terms of objects of the issue referred to in the Letter of Offer dated December 01, 2023 (the 'Offer Letter') in relation to the terms of utilization of the proceeds received from the Rights Issue of Equity Shares made vide the Offer Letter and
- b) utilize such proceeds for the General Corporate Purpose and in the manner as mentioned in the such Offer Letter.

RESOLVED FURTHER THAT the Board of Directors of the Company, be and are hereby authorised to do all such acts, deeds matters and things, as it may, in its absolute discretion, deem necessary or desirable or expedient to give effect to aforesaid resolutions and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the members or otherwise to the end and intent that the members shall be deemed to have given their approval and ratification thereto expressly by the authority of this resolution."

NOTES:

1. The Government of India, Ministry of Corporate Affairs has allowed conducting Annual General Meeting through Video Conferencing (VC) or Other Audio Visual Means (OAVM) and dispensed the personal presence of the members at the meeting. Accordingly, the Ministry of Corporate Affairs issued Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 5, 2020 and Circular No. 02/2021 dated January 13, 2021 and Circular No. 21/2021 dated December 14, 2021 and 02/2022 dated May 5, 2022, 10/2022 dated December 28, 2022 and latest being 09/2023 dated September 25, 2023 ("MCA Circulars") and Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and Circular No. SEBI/HO/DDHS/P/CIR/2022/0063 dated May 13, 2022, SEBI/HO/CRD/PoD-2/P/ CIR/2023/4 dated January 5, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 issued by the Securities Exchange Board of India ("SEBI Circular") have permitted companies to conduct AGM through VC or other audio visual means, subject to compliance of various conditions mentioned therein. In compliance with the aforesaid MCA and SEBI Circulars, applicable provisions of the Companies Act, 2013 and rules made thereunder, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("Listing Regulations"), the 40th AGM of the Company is being convened and conducted through VC/ OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Information regarding appointment/ re-appointment of Directors and Explanatory Statement in respect of special businesses to be transacted pursuant to Section 102 of the Companies Act, 2013 and / or Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SS-2, is annexed hereto.
3. The Company has enabled the Members to participate at the 40th AGM through VC/OAVM facility. The instructions for participation by Members are given in the subsequent pages. Participation at the AGM through VC/OAVM shall be allowed on a first-come-first-serve basis.
4. In addition to the above, the proceedings of the 40th AGM will be web-casted live for all the Members appearing in the Register of Members as on the cut-off date i.e. Monday, September 23, 2024.
5. As per the provisions under the MCA Circulars, Members attending the 40th AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
6. The Company has provided the facility to Members to exercise their right to vote by electronic means both through remote-voting and e-voting during the AGM.
7. The process and instructions for remote e-voting are provided in the subsequent paragraphs. Such remote e-voting facility is in addition to voting that will take place at the 40th AGM being held through VC/ OAVM.
8. Members joining the meeting through VC/OAVM, who have not already cast their vote by means of remote e-voting, will be able to exercise their right to vote through e-voting at the AGM. The Members who have cast their vote by remote e-voting prior to the AGM may also join the AGM through VC/OAVM but shall not be entitled to cast their vote again.
9. The Company has appointed Mr. Hemanshu Kapadia (Membership No. F3477), Proprietor of M/s. Hemanshu Kapadia & Associates, Practicing Company Secretaries, as the Scrutinizers to scrutinize the e-voting process in a fair and transparent manner.
10. As per Section 105 of the Companies Act, 2013, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on their behalf in physically conducted AGM/ EGM. Since the 40th AGM is being held through VC/OAVM, pursuant to the Circular No. 14/2020 dated April 8, 2020, issued by the Ministry of Corporate Affairs the facility to appoint proxy to attend and cast vote for the members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be made available for the 40th AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
11. Corporate Members are required to upload a certified copy of the Board resolution authorizing their representative to vote on their behalf in their login at e-voting portal. Institutional investors are

- encouraged to attend and vote at the meeting through VC/OAVM.
12. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
 13. The Register of Members and Share Transfer books will remain closed from Tuesday, September 24, 2024 to Monday, September 30, 2024 (both days inclusive).
 14. In line with the MCA and SEBI Circulars, the notice of the 40th AGM along with the Annual Report 2023-2024 are being sent only by electronic mode to those Members whose e-mail addresses are registered with the Company/ Depositories. Members may please note that this Notice and Annual Report 2023-2024 will also be available on the Company's website at https://acmfsl.com/inv_info.htm, website of the Stock Exchange i.e., BSE Limited at www.bseindia.com, and on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
 15. Members who have not registered their e-mail address are requested to register the same in respect of shares held in electronic form with the Depository through their Depository Participant(s).
 16. In respect of shares held in physical form, Members may register their email id by writing to the Company's Registrar and Share Transfer Agent Link Intime India Pvt Ltd., C 101, 247 Park, Lal Bahadur Shastri Rd, Surya Nagar, Gandhi Nagar, Vikhroli West, Mumbai – 400 083, along with the duly filled in form ISR-1.
 17. The statutory registers will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee from the date of circulation of this Notice up to the date of AGM i.e. Monday, September 30, 2024. Members seeking to inspect such documents can send an email to investorgrievance@acmfsl.co.in.
 18. Members who hold shares in dematerialized form and want to provide/change/correct the bank account details should send the same to their concerned Depository Participant and not to the Company. Members are also requested to give the MICR Code of their bank to their Depository Participants. The Company will not entertain any direct request from such Members for change of address, transposition of names, deletion of name of deceased joint holder and change in the bank account details.
 19. Members who are holding shares in physical form are advised to submit particulars of their bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number to our Registrar and Share Transfer Agent Link Intime India Pvt Ltd., (Unit: Asit C Mehta Financial Services Limited), C 101, 247 Park, Lal Bahadur Shastri Rd, Surya Nagar, Gandhi Nagar, Vikhroli West, Mumbai – 400 083.
 20. Members who are holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or its Registrar and Share Transfer Agent, the details of such folios together with the share certificates for consolidating their holding in one folio as per the procedure stipulated in SEBI circular no. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022.
 21. In accordance with the proviso to Regulation 40(1) of the Listing Regulations, as amended from time to time, and read with SEBI circular no. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, transfer of securities of the Company including transmission and transposition requests shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them, eliminate all risks associated with physical holding and participate in corporate actions.
 22. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The Nomination Form SH-13, prescribed by the Ministry of Corporate Affairs ("MCA") can be obtained from the Registrar and Share Transfer Agent or the Corporate Secretarial Department of the Company at its registered office.

23. SEBI, vide its circular nos. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 03, 2021, SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/687 dated December 14, 2021 and SEBI/HO/MIRSD/MIRSD-PoD- 1/P/CIR/2023/37 dated March 16, 2023, has mandated Members holding shares in physical form to submit PAN, nomination, contact details, bank account details and specimen signature in specified forms. Members may access for Form ISR-1 to register PAN/email id/bank details/other KYC details, Form ISR-2 to update signature and Form ISR-3 for declaration to opt out. Members may make service requests by submitting a duly filled and signed Form ISR-4 & ISR-5, the format of which is available on the website of the Registrar and Transfer Agent.
24. In case a holder of physical securities fails to furnish PAN, nomination, contact details, bank account details and specimen signature by October 1, 2024, Link Intime will be obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. If the securities continue to remain frozen as on December 31, 2025, the Registrar/ Company shall refer such securities to the administering authority under the Benami Transactions (Prohibitions) Act, 1988, and/or the Prevention of Money Laundering Act, 2002.
25. Dispute Resolution Mechanism at Stock Exchanges-SEBI, vide its circular no. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/76 dated May 30, 2022, provided an option for arbitration as a Dispute Resolution Mechanism for investors. As per this circular, investors can opt for arbitration with Stock Exchanges in case of any dispute against the Company or its Registrar and Transfer Agent on delay or default in processing any investor services related request. In compliance with SEBI guidelines, the Company had sent communication intimating about the said Dispute Resolution Mechanism to all the Members holding shares in physical form.
26. Non-resident Indian shareholders are requested to inform about the following immediately to the Company or its Registrar and Share Transfer Agent or the concerned Depository Participant, as the case may be:
- a) the change in the residential status on return to India for permanent settlement, and
 - b) the particulars of the NRE account with a bank in India, if not furnished earlier.
27. Members wishing to claim dividends that remain unclaimed are requested to correspond with the RTA as mentioned above, or with the Company Secretary, at the Company's registered office or at investorgrievance@acmfsl.co.in. Members are requested to note that dividends that are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account, will be transferred to the Investor Education and Protection Fund (IEPF). Shares on which dividend remains unclaimed for seven consecutive years shall be transferred to the IEPF as per Section 124 of the Act, read with applicable IEPF rules.
28. Members holding shares either in physical or dematerialized form, as on cut-off date i.e. Monday, September 23, 2024, may cast their votes electronically. The e-voting period commences on Friday, September 27, 2024 09.00 AM. (IST) and ends on Sunday, September 29, 2024 05.00 PM. (IST). The e-voting module will be disabled by CDSL thereafter. Members will not be allowed to vote again on any resolution on which vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date i.e. Monday, September 23, 2024. A person who is not a member as on the cut-off date is requested to treat this Notice for information purposes only.
29. In case of any queries regarding the Annual Report, the Members may write to investorgrievance@acmfsl.co.in to receive an email response.
30. As the 40th AGM is being held through VC/OAVM, the route map is not annexed to this notice.

INFORMATION FOR MEMBERS

CDSL e-Voting System – For Remote e-voting and e-voting during 40th AGM.

1. In compliance with the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended, Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India (ICSI) and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 in relation to e-voting facility provided by Listed Entity. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
3. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
5. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://www.acmfsl.com/>. The Notice can also be accessed from the website of the Stock Exchange i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
6. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.

The Instructions for Shareholders for remote E-Voting and E-Voting during AGM and joining General Meeting through VC/OAVM are as under: -

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i. The e-voting period begins on Friday, September 27, 2024 09.00 AM. (IST) and ends on Sunday, September 29, 2024 05.00 PM. (IST), during this period, the shareholders of the Company holding shares either in physical form or in dematerialised form, as on the cut-off date (record date) of Monday, September 23, 2024 may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.

ASIT C. MEHTA FINANCIAL SERVICES LIMITED

- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Approval of the shareholders by way of Ordinary Resolution is required for Item No. 3 of the notice. Your Board recommends the said the Ordinary Resolution.

None of the Directors, Key Managerial Personnel or their relatives are in any way, interested or concerned, financially or otherwise, in the resolution set out at Item No. 03.

Item No. 4:

Pursuant to Section 62(1)(a) of the Companies Act, 2013 and rules made thereunder the Board of Directors of the Company by passing a resolution at the Board Meeting held on April 19, 2023 had approved Rights Issue of ₹ 4,526.85 lakhs (the 'Rights Issue'). The Rights Issue was concluded on January 10, 2024. Whilst the Company has made its best efforts to utilise the Rights Issue proceeds as per the terms of the Issue, ₹ 250.00 Lakhs remained unutilized as of July 31, 2024 (the 'Unutilized Amount') as detailed below in the table.

The Board at its meeting held on August 13, 2024, upon the recommendation of Audit Committee, proposed to vary the terms of utilisation of the Rights Issue Proceeds, referred to in the Letter of Offer dated December 01, 2023 (the 'Offer Letter') and utilise the said Amount of ₹ 250.00 Lakh for General Corporate expenses of the Company.

Particulars as required under section 27 read with rule 7 of Companies (Prospectus of Securities) Rules, 2014 of the Act
(a) The original purpose or object of the Issue

The Company wide Letter of Offer ("Offer Letter"), proposed to utilise the Rights Proceeds towards:

- i. Conversion of loan of Cliqtrade Stock Brokers Private Limited
- ii. Repayment of outstanding loans of existing promoters Mrs. Deena Mehta and Mr. Asit Mehta
- iii. Repayment of Inter-corporate loans (Phase Holdings Private Limited, Midland Leisure and Entertainment Private Limited and Natural Hut Private Limited)
- iv. Acquisition of shares of Omniscience Capital Advisors Private Limited
- v. Acquisition of 248350 equity shares of ACMIIL from Mr. Kirit Vora
- vi. General Corporate expenses

(b) Total Money raised: ₹ 4526.85 Lakhs

(c) The Money utilized for the objects of the Company, stated in the prospectus

The details of the Net Proceeds from Rights Issue and its object / object-wise allocation (as per letter of offer dated December 01, 2023 / percentage (%) of allocation of proceeds fund its utilisation and un-utilised amount & its percentage, up to July 31, 2024 are set forth in the following table:

(Rs. in Lakhs)

Particulars	Allocation of proceed from Rights Issue (as per Object)		Amount Utilized		Amount Un-utilized	
	Amount	%	Amount	%	Amount	%
Conversion of loan given by Cliqtrade Stock Brokers Private Limited into equity shares	2,744.60	60.63	2744.60	100	-	-

Total Money Raised	4,526.85	100.00	4276.85		250.00	

(d) The Extent of achievement of proposed object: 94.48%

(e) Unutilized amount out of the money so raised through prospectus: ₹ 250.00 Lakhs

(f) The particulars of the proposed variation in terms of the contracts referred to in the prospectus or objects for which prospectus was issued

It has been realized that despite the best efforts, the transaction to acquire the Equity Shares of Omniscience Capital Advisors Private Limited could not go through. In view of the same, it is appropriate to vary the terms of utilization of the Rights Issue Proceeds referred to in the Letter of Offer dated December 1, 2023. The Unutilized amount of ₹250.00 lakh is intended to be utilized for General Corporate expenses i.e. Business Expansion, Intellectual Property Development Expenses, Working Capital and Business Promotions etc.

(g) The reason and justification for seeking variation

The Board considers it prudent to vary the terms of the objects of the Rights Issue and deploy the unutilized Amount towards General Corporate Expenses i.e. Business Expansion, Intellectual Property Development Expenses, Working Capital and Business Promotions to ensuring business growth of the Company and maximize the return on investment to the shareholders.

(h) The proposed time limit within which the proposed varied objects would be achieved: 12 months' subject to obtaining any requisite approval, wherever required.

(i) The clause wise details as specified in sub-rule (3) of rule 3 as was required with respect to the originally proposed objects of the issue – Please refer table above and offer letter on http://www.acmfsl.com/pdf/Announcements/Letter_of_Offer_for_rights_issue.pdf.

(j) The risk factors pertaining to the new objects:

Change in Government Policies and regulations, Economic Environment, period of recovery of amount from debtors, casualties in events, infringement of trademarks registered in the name of the Company.

(k) The other relevant information which is necessary for the members to take an informed decision on the proposed resolution:

The management of the Company foresees that after the deployment of unutilised amount in General Corporate Expenses the earnings and cash flows of the Company would improve in long term. The management of the Company is of the view that the proposed variation in terms of the objects of the Rights Issue will ensure optimum utilization of proceeds and maximize the return on investment for shareholders.

Copy of the notice of the resolution may access from Company's website <http://www.acmfsl.com/>.

Approval of the shareholders by way of Special Resolution for variation in the terms of the objects of the Issue as disclosed in the offer letter is required in terms of the provisions of Section 27 of the Companies Act, 2013 and any other applicable provisions and the rules made thereunder.

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the resolutions set forth as Item No.4 of this Notice except to the extent of their shareholdings in the Company, if any.

We have managed to expand our reach by adding new associates to help us build bigger client base. Our product and customer teams continuously evaluate the client needs and recent trends in the market to improve our offerings. Our customer loyalty gets reflected in the amount of product cross selling and references that we get from their circle.

Continue to focus on cost efficiency and improving productivity

We believe in dual focus on both top line and bottom line. Our endeavour is to continuously focus on bigger top line by adding customers, cross selling more products and increase our geographical reach. At the same time, we keep a very close look on various items of costs particularly with the use of technology as well as change in staff profile. Till now we were more focused on low cost, home grown freshers. With the growing complexity and also opportunities of the business, we have shifted to more senior and experienced staff for more demanding customers. Staff cost is one of the biggest item of operational cost. However we are confident that the increased staff cost will be absorbed in bigger top line.

OUTLOOK

Our subsidiary ACMIIL is the biggest contributor to the working of the group. The outlook for ACMIIL is largely dependent on the volatile markets that it operates in. We hope, the new government in the Centre would continue the economic reforms and continue on the path of growth and economic well being. Certain likely regulatory curbs on futures and options segment may bring about structural changes in the business. However, our focus has always being investors and we are hopeful that the regulatory changes will be positive for our business. Overall the size of the market participants is

growing exponentially with huge competition. We are fully geared up to take the challenge and grab the market.

OPPORTUNITIES, THREATS, RISK AND CONCERN OF MANAGEMENT

The Company's income mainly comprises of Rents, Advisory and Interest from investments made in the Group Companies. The Company will be affected as per the impact on the investee Companies that are held by it as investments. Demand for rental properties and supply of the same in and around its properties will impact its revenues accordingly.

Our financial condition and results of operations are affected by numerous factors and uncertainties, the following is a discussion of certain factors that have had, and we expect will continue to have, a significant effect on our financial condition and results of operations:

- Any adverse changes in central or state government policies;
- Any adverse development that may affect our operations in Maharashtra;
- Any qualifications or other observations made by our statutory auditors which may affect our results of operations;
- Loss of one or more of our key customers and/or suppliers;
- An increase in the productivity and overall efficiency of our competitors;
- Our ability to maintain and enhance our brand image;
- Our reliance on third party suppliers for our products;
- General economic and business conditions in the markets in which we operate and in the local, regional and national economies;
- Changes in technology and our ability to manage any disruption or failure of our technology systems;
- Our ability to attract and retain qualified personnel;
- Changes in political and social conditions in India or in countries that we may enter, the monetary and interest rate policies of India and other countries, inflation, deflation, unanticipated turbulence in interest rates, equity prices or other rates or prices;
- The performance of the financial markets in India and globally;
- Any adverse outcome in the legal proceedings in which we are involved;
- Occurrences of natural disasters or calamities affecting the areas in which we have operations;
- Market fluctuations and industry dynamics beyond our control;
- Our ability to compete effectively, particularly in new markets and businesses;
- Changes in foreign exchange rates or other rates or prices;
- Inability to collect our dues and receivables from, or invoice our unbilled services to, our customers, our results of operations;
- Other factors beyond our control;
- Our ability to manage risks that arise from these factors;
- Conflict of interest with our Subsidiary, Individual Promoter and other related parties;
- Changes in domestic and foreign laws, regulations and taxes and changes in competition in our industry;
- Termination of customer contracts without cause and with little or no notice or penalty; and
- Inability to obtain, maintain or renew requisite statutory and regulatory permits and approvals or noncompliance with and changes in, safety, health and environmental laws and other applicable regulations, may adversely affect our business, financial condition, results of operations and prospects.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has a sound internal control system, which ensures that (a) its financial reports are reliable, (b) its operations are effective and efficient, and (c) its activities comply with applicable laws and regulations. The internal control systems are further supplemented by internal audit carried out by an independent Chartered Accountant and periodical review by the Management. The Internal Audit process is designed to review the adequacy of internal control checks in the system and covers all the significant areas of the Company's operations.

The Audit Committee of the Board of Directors reviews the adequacy and effectiveness of the internal control systems and tracks the implementation of corrective actions. Significant audit observations and corrective actions taken by the Management are presented to the Audit Committee. To maintain its objectivity and independence, the Internal Audit reports are submitted to the Chairman of the Audit Committee. Audit Committee plays a key role in providing assurance to the Board of Directors.

HUMAN RESOURCES

Effective Human Resource Management enables employees to contribute effectively and productively to the overall Company growth and the accomplishment of the organization's goals and objectives. The Human Resource Management of our organization deals with and provides leadership and advice for dealing with all issues related to the people in the organization. They also help in attaining maximum individual development and desirable working relationship.

The Company considers its Human Resource as the most valuable resource which has to be nurtured well and equipped to meet the challenges posed by the dynamics of business developments and marketing. The employees are motivated and promoted with good work culture, training, remuneration packages and ethical values, which the Company maintains. The Board of Directors would like to record their appreciation of the efficient and loyal service rendered by the Company's employees.

ANNEXURE-IV TO THE DIRECTORS' REPORT

Form No. MR-3

SECRETARIAL AUDIT REPORT

For the Financial year ended March 31, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Asit C. Mehta Financial Services Limited
Pantomath Nucleus House,
Saki Vihar Road, Sakinaka,
Andheri East, Mumbai - 400072

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Asit C. Mehta Financial Services Limited** (hereinafter called "the company") having CIN L65900MH1984PLC091326. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2024 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **Asit C. Mehta Financial Services Limited** for the financial year ended on March 31, 2024, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ;

- d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021, **(Not Applicable to the Company during the Audit period);**
- e) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(Not Applicable to the Company during the Audit period as the 717, 10.50% Secured Redeemable Non-Convertible Debentures issued during the year were not listed);**
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(Not Applicable to the Company during the Audit period as delisting of securities did not take place);** and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 **(Not Applicable to the Company during the Audit period as the Company has not Bought back its securities);**
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

The Management has confirmed that the Company is into Investment, Consultancy & Advisory activities and therefore there is no sector specific law applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to following observations:

- i. The compliance officer was appointed on December 20, 2023 which is beyond the time limit prescribed under regulation 6(1A) of the SEBI (LODR) Regulation, 2015 as the previous compliance officer had resigned w.e.f. September 14, 2023. As explained to us the Compliance officer was timely finalized and also issued offer letter in time but there was a delay in release of the compliance officer by the previous employer.
- ii. There is no independent director appointed in the material subsidiary namely Asit C. Mehta Investment Intermediates Ltd. as required under Regulation 24(1) of the SEBI (LODR) Regulation, 2015. We have been informed that the Board of Directors of Asit C. Mehta Investment Intermediates Ltd. at its meeting held on February 8, 2024 passed a resolution appointing Mr. Pundarik Sanyal as an Independent Director of the Company subject to the approval of Exchanges and SEBI which is still waited.
- iii. The Corporate Governance Report is required to be signed by the Compliance officer or chief executive officer of the Company in accordance with Regulation 27(c) of the SEBI (LODR) Regulation, 2015. As observed, the Corporate Governance report for the second and third quarter of the F.Y. 2023-24 was signed by the Director instead of the compliance officer. As explained by the Management, during the second quarter there was no compliance officer / chief executive officer in the company. To comply with the provision of the law the said reports were signed by the directors of the Company.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the

composition of the Board of Directors that took place during the period under review were in accordance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent as per the provisions and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings held during the year and signed by the Chairman, majority decisions are carried through are recorded as part of the minutes and no dissenting views have been recorded. Further, as confirmed by the Management, mechanism to capture and record the dissenting Members' views as a part of the minutes, exist.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there were no instances of:

- (i) Public/Bonus issue of share/sweat equity. There was rights issue of 32,93,452 fully paid up equity shares of Rs. 10 each issued at a premium of Rs. 127.45/- and the same were listed as on January 11, 2024. There was issue of 717, 10.50% Secured Redeemable Non-Convertible Debentures (unlisted) of Rs. 1,00,000/- each on private placement basis.
- (ii) Buy-back of securities.
- (iii) Merger/amalgamation/reconstruction etc.
- (iv) Foreign technical collaborations.

ANNEXURE-V TO THE DIRECTORS' REPORT

CORPORATE GOVERNANCE REPORT

1. STATEMENT ON COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Your Company's governance framework is driven by the objective of enhancing long term stakeholder value without compromising on ethical standards. We also strive to ensure balance between our aims and minority rights in all our business decisions. Efficient corporate governance requires a clear understanding of the respective roles of the Board and of Senior Management and their relationships with others in the corporate structure.

Sincerity, fairness, good citizenship, and commitment to compliance are key characteristics that drive relationships of the Board and Senior Management with other stakeholders. Corporate governance is implemented through robust Board governance processes, internal control systems and processes, and strong audit mechanisms. These are articulated through the Company's Code of Business Conduct, Corporate Governance Guidelines, and charters of various Committees of the Board and the Company's Disclosure Policy.

2. BOARD OF DIRECTORS

The Board of the Company has optimum combination of Non-Executive and Independent Directors with two-women Directors and more than fifty percent of the Board of Directors comprising of Non-Executive Independent Directors. The Board's role is to oversee the management and governance of the Company. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance.

The Board of Directors, along with its Committees, provides leadership and guidance to the Management, leads, directs and supervises the performance of the Company, thereby enhancing stakeholder value. The Board has a fiduciary relationship in ensuring that the rights of all stakeholders are protected.

In contracts that involve any potential conflict of interest, the Interested Directors excuse themselves and the ultimate decision-making authority is conferred upon the Independent Directors of the Company, representing fair, transparent and ethical business environment in the Company.

a. Composition

The Board of Directors of the Company comprises of professionals and has an optimum combination of Non-Executive Directors ("NED") and Independent Directors ("ID"), including Woman Directors, to maintain the Board's independence, and distinguish its functions of Governance and Management.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
M/s. ASIT C. MEHTA FINANCIAL SERVICES LIMITED

Report on the Audit of the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **M/s. ASIT C. MEHTA FINANCIAL SERVICES LIMITED** ('the Company'), which comprise the balance sheet as at 31 March, 2024, the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of the Cash Flow for the year then ended on that day, notes to the standalone financial statements and a summary of significant accounting policies and other explanatory information (hereafter referred to as the 'standalone financial statements').

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion:

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ('the Act'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How was the matter addressed in our audit

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, but does not include the standalone financial statements and our auditor's report thereon. The Director's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the Director's report if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 'The Auditor's responsibilities Relating to Other Information'.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit

evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the year ended March 31, 2024 and are therefore, the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of the Company for the year ended 31 March 2023 were audited by the predecessor auditor, M S K A & Associates, who have expressed an unmodified opinion on those financial statements vide their audit report dated 29th May, 2023

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015.
- (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in standalone financial statements Refer Note 37 to the standalone financial statements.
 - ii. The Company did not have any long-term contract including derivative contract for which there are any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other

sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The Board of Directors of the Company have not proposed any dividend for the year and therefore provisions of rule 11(f) are not applicable.
 - vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023 reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF M/s. ASIT C. MEHTA FINANCIAL SERVICES LIMITED .

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Asit C Mehta Financial Services Limited on the Financial Statements for the year ended March 31, 2024]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls over financial reporting of M/s. **ASIT C. MEHTA FINANCIAL SERVICES LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024

1 Corporate Information

Asit C Mehta Financial Services Limited ("the company") is a Public Limited Company Incorporated and domiciled in India and has its registered office at Pantomath Nucleus House, Saki Vihar Road, Andheri (East) Mumbai - 400072. The shares of the company are listed on BSE Limited.

The Company is engaged in the business of renting of immovable properties. The Company has classified the aforesaid business as an 'Investment Activities'. The Company also invests in Start-ups and other Businesses. The Company is also rendering 'Advisory and Consultancy Services'.

2 Material Accounting Policies

2.1 Basis of Preparation of Financial Statements

i Statement of Compliance with Ind AS

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act 2013 (the 'Act') and other relevant provisions of the Act.

The financial statements for the year ended March 31, 2024, has been authorised and approved by the Board of Directors in their meeting held on May 23, 2024.

The Guidance Note on Division III - Schedule III to the Companies Act. 2013 issued by the Institute of Chartered Accountants of India ("ICAI") has been followed in so far as they are not inconsistent with any of these Directions.

ii Basis of measurement

These Financial Statements are prepared on going concern basis under the historical cost convention or amortised cost, except for the following assets and liabilities, which have been measured at fair value:

- i. Certain financial assets and liabilities
- ii. Defined Benefits Plans- Plan assets

iii Classification between Current and Non-current

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- i. Expected to be realised or intended to be sold or consumed in normal operating cycle;
- ii. Held primarily for the purpose of trading;
- iii. Expected to be realised within twelve months after the reporting period; or
- iv. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- i. It is expected to be settled in normal operating cycle
- ii. It is held primarily for the purpose of trading
- iii. It is due to be settled within twelve months after the reporting period, or

- iv. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between its realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

iv Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected.

v Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency.

2.2 Property, Plant and Equipment (PPE)

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE are stated at cost less accumulated depreciation and impairment losses, if any. The initial cost of an asset comprises its purchase price, non-refundable purchase taxes and any costs directly attributable to bring the asset into the location and conditions necessary for it to be capable of operating in the manner intended by management. Cost includes, for qualifying assets, borrowing costs capitalised in accordance with the company's accounting policy.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

If significant parts of an item of PPE have different useful lives, then those are accounted as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as and when they meet the definition of PPE, as specified in Ind AS 16 on "Property, Plant and Equipment".

The carrying amount of an item of PPE is derecognised upon disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the derecognition of

an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in Statement of Profit and Loss.

Asset Class	Useful Life
Office Equipment	5 Years
Computers	3 Years
Furniture & Fixture	10 Years
Air Conditioner	5 Years
Solar System	15 Years
Projector	5 Years
Electrical Fittings	14 Years

2.3 Depreciation

Depreciation on Property, Plant and Equipment is provided on the Straight-Line Method in accordance with requirements prescribed under Schedule II to the Companies Act, 2013. The Company has assessed the estimated useful lives of its PPE and has adopted the useful lives and residual value as prescribed therein.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate being accounted for on a prospective basis.

2.4 Investment Property

Property that is held to earn rentals or for capital appreciation or both, is classified as an Investment Property. It is measured initially at its cost, including related transaction costs. Subsequently, it is carried at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses (Refer Note 3C). Any gain or loss on disposal of investment property is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the Statement of Profit and Loss. Transfer to, or from, investment property is done at the carrying amount of the property.

Depreciation on Investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the management, corresponds to those prescribed by the Schedule II - Part 'C'.

Asset Class	Useful Life
Investment Property	60 Years

2.5 Intangible Assets and Amortisation

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised as per Ind AS 38. Software is being amortised over a period of Three years. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Gains or losses arising from derecognition of an Intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the statement of profit and loss when the asset is derecognised.

2.6 Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets may have been impaired. If any such indication exists, the recoverable amount, which is the higher of its value in use or its fair value less costs of disposal, of the asset or cash generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

An impairment loss is recognised immediately in the Statement of Profit and Loss. When an impairment subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but upto the amount that would have been determined, had no impairment loss been recognized for that asset or cash generating unit. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

2.7 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby net profit or net loss for the period is adjusted for the effects of transactions of non cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents include cash on hand, cash at banks, other short-term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

2.8 Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences, if any, to the extent regarded as an adjustment to the borrowing costs.

2.9 Segment Reporting

The company identifies primary segments based on the dominant source, nature of risk and returns and Internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the Chief Operating Decision Maker (CODM) in deciding how to allocate resources in assessing the performance.

The accounting policies adopted for segment reporting are in the line with the accounting policies of the Company.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to activities of the segment.

Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/expenses/assets/liabilities" respectively.

2.10 Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.

Provision is measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, the amount of provision is discounted using an appropriate pre tax rate that reflects current market assessments of the time value of money and, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent Assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements.

2.11 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits of a transaction will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Rental Income

Rental Income is accounted as and when accrues on straight line method and reported net of goods and service tax.

Interest Income

Interest income from a financial asset is recognised on a timely basis, by reference to the principal outstanding and at the effective interest rate applicable. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

Dividends

Dividend income from investments is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

Advisory

Revenue from advisory, brokerage and consultancy services is recognised on rendering of services / work performed and reported net of goods and service tax.

Other Non-operating Income

All other income is recognised on an accrual basis, when there is no uncertainty in the ultimate collection / realisation.

2.12 Employee Benefits

(i) Short term employee benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus and ex-gratia falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

(ii) Long-term employee benefits:

- Defined Contribution Plan:

Provident Fund:

The eligible employees of the Company are entitled to receive post-employment benefits in respect of provident fund, in which both employees and the Company make monthly contributions at a specified percentage of the employee's eligible salary (currently 12%). The contributions fund if any, are made to the Central Provident Fund under the National or State Pension Scheme. Provident Fund is classified as Defined Contributions Plans as the Company has no further obligation beyond making the contribution. The Company's contribution if any, is charged to the Statement of Profit and Loss as incurred.

- Defined Benefit Plan:

a. Gratuity:

The Company has an obligation towards gratuity, a defined benefits retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement or death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date. The Company pays these benefits as and when due based on its own liquidity.

Remeasurement, comprising actuarial gains and losses is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or Loss. Past service cost is recognised immediately for both vested and the non vested portion. The retirement benefit obligation recognised in the Balance sheet represents the present value of the defined benefit obligation.

b. Compensated absences:

The Company provides for encashment of leave or leave with pay subject to certain rules. The liability is recognized based on number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the Statement of Profit and loss in the year in which they arise.

2.13 Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated as per the applicable provisions and tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient future taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

2.14 Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise balance with banks, cash on hand, cheques/ draft on hand and short-term deposits net of bank overdraft with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include balance with banks, cash on hand, cheques/ draft on hand and short-term deposits net of bank overdraft.

2.15 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value through Profit or Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in the Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, Fair Value Through Other Comprehensive Income ("FVTOCI") or Fair Value Through Profit or Loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial assets.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset shall be classified and measured at FVTOCI, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss (FVTPL):

A financial asset shall be classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Impairment of financial assets:

The Company recognises loss allowance using expected credit loss model for financial assets which are not measured at Fair Value through Profit or Loss. Expected credit losses are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at original effective rate of interest.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in Statement of Profit or Loss if such gain or loss would have otherwise been recognised in Statement of Profit or Loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in statement of profit or loss if such gain or loss would have otherwise been recognised in Statement of Profit or Loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Derecognition of financial liabilities:

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

Financial guarantee contracts

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are initially measured at their fair values and are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 18

When guarantee in relation to loans or other payables of subsidiaries are provided for no compensation, the fair values are accounted for as contributions and recognized as cost of investment.

Offsetting:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

2.16 Leases

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method.

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a Lessor

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Company considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 to allocate the consideration in the contract.

The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of 'Other Operating Revenue under Revenue from Operations in the Statement of Profit and Loss.

The accounting policies applicable to the Company as a lessor in the comparative period were not different from Ind AS 116.

As a Lessee

The Company assesses whether a contract is or contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :

- i. the contract involves the use of an identified asset;
- ii. The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. The Company has the right to direct the use of the asset.

Operating Leases

Leases are classified as operating leases whenever the terms of the lease do not transfer substantially all the risks and rewards incidental to ownership.

Lease rentals on assets under operating lease are recognized or charged to the Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

Assets leased out under operating leases are continued to be shown under the respective class of assets. Rental income is recognised on a straight line basis over the term of the relevant lease.

Where the rental are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

2.17 Right-of-Use Asset ("ROU")

At the date of commencement of the lease, the Company recognise a right-of-use-asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term lease and lease of low-value assets.

The Right-of-use assets are initially recognised at cost, which comprise the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct cost less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter the lease term and useful life of the underlying asset and the average lease terms.

The Right-of-use assets is also subject to impairment. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

2.18 Earnings Per Share

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares, if any, outstanding during the year, except where the results would be anti-dilutive.

2.19 Critical Accounting judgments and Key Sources of Estimation Uncertainty

The preparation of the financial statements requires the management to make judgments, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, incomes and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised

in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

Key estimates, assumptions and judgments

The key assumptions concerning the future and other major sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

Income taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits. Refer Note. 35

Depreciation and amortisation

Property, Plant and Equipment/ Other Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Company's historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets. Refer Note: 3A, 3C and 3D

Employee Benefit Plans

The cost of the defined benefit gratuity plan and other-post employment benefits and the present value of gratuity obligations and compensated absences are determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Refer Note. 43.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Recoverability of Trade Receivables

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non payment. Refer Note. 5 and Note 8.

Fair Value measurements of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets (Net Assets Value in case of units of Mutual Funds), their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable

markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Impairment of Assets

The Company has used certain judgments and estimates to work out future projections and discount rates to compute value in use of cash generating unit and to access impairment. In case of certain assets independent external valuation has been carried out to compute recoverable values of these assets.

Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances. Refer Note, 19

2.20 Business combination under common control

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities or businesses are reflected at their carrying amounts after making adjustments necessary to harmonise the accounting policies. The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. The identity of the reserves is preserved in the same form in which they appeared in the financial statements of the transferor and the difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve.

2.21 Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest thousands as per requirement of Schedule III of the Act, unless otherwise stated.

Footnotes:

- (1) The Company received pay orders valuing to ₹ 5,072 (₹ in '000) from a customer in the financial year 1994-95 in respect of Money Changing business that were dishonored by a nationalized bank as per the instructions of Directorate of Revenue & Intelligence. The Company had challenged the proceeding before the Customs, Excise and Gold (Control), Appellate Tribunal, Mumbai (CEGAT) which gave the ruling in favour of the Company for which the company has furnished a bank guarantee of ₹2,686 (₹ in '000) (previous year ₹2,686 (₹ in '000)). The Customs Department filed a reference petition before the Hon'ble High Court of Judicature at Bombay and the same is pending for disposal.
- During the financial year 2007-08, the Company received an order imposing a penalty of ₹13,500 (₹ in '000) from the Office of the Special Director of Enforcement holding Company guilty in respect of defiance with the instructions contained in the FLM Memorandum. The Company contends that it has complied with the relevant regulations of the Reserve Bank of India as contained in FLM – Memorandum of Instructions to Full-Fledged Money Changers. The Company filed an appeal before the Appellate Tribunal for Foreign Exchange (ATFE) contesting the order, which is received and settled for an amount of ₹ 1,000 (₹ in '000) and paid during the year.
- (2) The Service Tax Department had raised a demand of ₹10,198/-(₹ in '000) , reflected above in contingent liability, by passing an Ex parte order dated 11th April 2008. The Company's appeal against this order was dismissed by Commissioner (Appeals). Against this order the Company has filed appeal before CESTAT Mumbai. The management, based on expert's advice, is confident that the demand is not sustainable and hence no provision for the same is made in the books of account.

- (3) The Company had received assessment order for financial year 2015-16 (Assessment year 2016-17) raising demand of ₹ 589.87 (₹ in '000). The said demand had arisen on account of disallowance of part of business expenditure by treating expenditure against house property income. The Company has deposited ₹ 118.00 (₹ in '000) against the said demand and had filed an appeal against the same. The Department has adjusted pending refund for previous years Amounting to ₹. 425.54 (₹ in '000) of A.Y. 2018-19 and ₹ 72.28 (₹ in '000) of AY 2017-18 against the said demand.
- (4) The Company had received assessment order for financial year 2016-17 (Assessment year 2017-18) raising demand of ₹ 11,676 (₹ in '000). The said demand had arisen on account of disallowance of part of business expenditure by treating expenditure against house property income. The Company has deposited ₹ 1,215 (₹ in '000). against the said demand and had filed an appeal against the same.
- (5) Financial guarantee issued by the Company in respect of Bank Overdraft facility availed by Asit C Mehta Investment Intermmediates Limited by way of mortgage of certain immovable property (office unit no.101-A & 103-A). Accordingly, the financial guarantee issued by the Company are initially measured at Fair value of ₹ 63,000 (₹ in '000)/ [As on 31.03.2023 ₹ 63,000 (₹ in '000)/-] and accounted as contribution and recognised as cost of investment.
- (6) In respect of items above, it is not possible for the company to estimate the timings of cash outflows which would be determinable only on receipt of judgments pending at various forums/authorities.
- (7) The management, based on the expert's advice, is confident that the said tax demands are not sustainable and hence no provision for the same is made in the books of account.
- (8) The company does not expect any reimbursement in respect of above contingent liabilities.

Note 41:
Employee Benefits :

The Company has classified various employee benefits as under:

A. Defined Contribution Plans
Provident Fund

The Provident Fund are operated by the Regional Provident Fund Commissioner. Under the schemes, the Company is required to contribute a specified percentage of payroll cost to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Company has recognised the following amounts in the Statement of Profit and Loss:

(₹ in '000)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Contribution to Provident Fund & Pension Fund	66	39
Total	66	39

B. Defined Benefit Plans
Gratuity

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

Particulars	Valuation as at	
	March 31, 2024	March 31, 2023
Mortality	Indian Assured Lives Mortality (2012-14) Table	
Discount Rate (per annum)	7.20%	7.50%
Rate of increase in Compensation levels (per annum)	5.00%	5.00%
Attrition Rate	0.8% for all ages	0.8% for all ages
Retirement Age	58 years	58 years

The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.

The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

Note on other risks:

Investment risk - The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Interest Risk -A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk -The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Note on Sensitivity Analysis

Sensitivity analysis for each significant actuarial assumptions of the Company which are discount rate and salary assumptions as of the end of the reporting period, showing how the defined benefit obligation would have been affected by changes is called out in the table above.

The method used to calculate the liability in these scenarios is by keeping all the other parameters and the data same as in the base liability calculation except for the parameters to be stressed.

There is no change in the method from the previous year and the points /percentage by which the assumptions are stressed are same to that in the previous year.

Notes to Financial Statements :
Note 42:
Financial Instruments :

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Valuation

- i. The fair values of investment in quoted equity shares, if any, is based on the current bid price of respective investment as at the Balance Sheet date.
- ii. The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Fair Value measurement hierarchy

- i. The fair value of financial instruments as referred below have been classified into three categories depending on the inputs used in the valuation technique.
- ii. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The categories used are as follows:

Level 1: Quoted prices for identical instruments in an active market;

Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data.

The carrying amounts and fair values of financial instruments by class are as follows:

B. Financial Risk Management and Policies

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations in select instances. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations and investments. The company is exposed to market risk, credit risk, liquidity risk etc. The objective of the Company's financing policy are to secure solvency, limit financial risks and optimise the cost of capital. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company manages the risk basis policies approved by the board of directors. The board of directors provides written principles for overall risk management. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Company has exposure to following risk arising from financial instruments:

Risk	Exposure arising from	Measurement	Risk management
Credit risk	Cash and cash equivalents (excluding cash on hand), other bank balances, investments, loans, trade receivables and other financial assets.	Credit limit and ageing analysis	Highly rated bank deposits and diversification of asset base.
Liquidity risk	Borrowings, trade payables and other financial liabilities.	Cash flow forecasts	Committed borrowing and other credit facilities and sale of loan assets (whenever required)
Market risk - interest rate	Change in interest rate of variable rates borrowings.	Sensitivity analysis	Review of cost of funds and pricing disbursement
Market risk - security price	Investments in equity securities, mutual funds.	Sensitivity analysis	Diversification of portfolio, with focus on strategic investments

In order to avoid excessive concentration of risk, the Company's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents (excluding cash on hand) and bank deposits is managed by only accepting highly rated deposits from banks and financial institutions across the country.

i) Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investments in units of mutual funds, other balances with banks, deposits and other receivables.

a) Trade Receivable

Customer credit risk is managed by Company's established policy, procedure and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

b) Financial instruments

The Company limits its exposure to credit risk by investing mainly in units of debt funds issued by mutual funds and that too have higher credit rating. The company monitors changes in credit risk by tracking published external credit ranking.

ii) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments and derivative financial instruments. The Company has designed risk management framework to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at	Closing balance	Effect on profit before tax	
			1% Increase	1% Decrease
Borrowings (Impact on profit and loss)	31 March 2024	5,78,698	5,787	(5,787)
Borrowings (Impact on profit and loss)	31 March 2023	8,56,761	8,568	(8,568)

(ii) Price risk

The Company invests its surplus funds in various mutual funds (debt fund, equity fund, liquid schemes and income funds etc.), short term debt funds, government securities and fixed deposits. In order to manage its price risk arising from investments, the Company diversifies its portfolio in accordance with the limits set by the risk management policies.

Investment in mutual funds (Impact on profit and loss)	31 March 2023	5,296	265	(265)

a) Equity Risk

The Company is exposed to equity price risks arising from equity investments. Equity investments are held for strategic purposes. The Company does not actively trade these investments. Profit for the year ended March 31, 2024 and March 31, 2023 would have been unaffected as the equity investments are FVTOCI and none of the investments were disposed off during the year and resulting profit/(loss) on sale of investment is required to be recorded in Other Comprehensive Income.

iii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company maintains a cautious liquidity strategy, with a positive cash balance throughout the year. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. Cash flow from operating activities provides the funds to service and finance the financial liabilities on a day-to-day basis.

The table below provides details regarding the remaining contractual maturities of Company's financial liabilities.

INDEPENDENT AUDITOR'S REPORT

To the Members,

M/s. Asit C. Mehta Financial Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Asit C Mehta Financial Services Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2024, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on consideration of reports of other auditor on separate financial statements and on the other financial information of subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs of the Group as at March 31, 2024, of consolidated loss and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associate and jointly controlled entities in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained and on consideration of audit report of other auditor referred to in paragraph (a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

ASIT C. MEHTA FINANCIAL SERVICES LIMITED

Key Audit Matter	How was the matter addressed in our audit
<p>Right Issue of Equity Shares</p> <p>The Company had allotted 32,93,452 fully paid-up equity shares having face value of Rs. 10 each at an issue price of Rs. 137.45 per equity share, i.e. at a premium of Rs. 127.45 per equity share, on a rights basis to the existing equity shareholders of the Company in the ratio of one hundred and thirty three equity shares for every two hundred fully paid-up equity shares held by the existing equity shareholders on the record date. Total of Rs.4,52,684.52 (‘000) was received by the company (Including securities premium of Rs.4,19,750 (‘000)).</p> <p>As a result of the right issue, the total equity of the company increased from Rs.(11,742) (‘000) to Rs.3,08,862 (‘000) and therefore the same is considered as a Key Audit Matter</p> <p>[Refer Note 17 & 18 to the financial statements]</p>	<p>Our audit procedures, among other things, included the following:</p> <ul style="list-style-type: none"> • We have checked documents pertaining to right issue and documents submitted to various regulatory authorities. • Evaluated and checked the end use of funds for which they were raised through the said right issue.

Information Other than the Consolidated Financial Statements and Auditor’s Report Thereon

The Holding Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Director’s report but does not include the consolidated financial statements and our auditor’s report thereon. The Director’s report is expected to be made available to us after the date of this auditor’s report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Director’s report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance under SA 720 ‘The Auditor’s responsibilities Relating to Other Information’.

Responsibilities of Management and Board of Directors for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy

and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors / Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the

financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of a subsidiary, whose financial statements reflect total assets of Rs.1,15,090 (` 000) as at March 31, 2024, total revenues of Rs.27,500(` 000) and net cash out flows amounting to Rs. 93(` 000) for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditor and the financial statements certified by the Management.

The consolidated financial statements of the Company for the year ended 31 March 2023 were audited by the predecessor auditor, M S K A & Associates, who have expressed an unmodified opinion on those financial statements vide their audit report dated 29th May, 2023.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ASIT C MEHTA FINANCIAL SERVICES LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Asit C Mehta Financial Services Limited on the Consolidated Financial Statements for the year ended March 31, 2024

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2024, we have audited the internal financial controls reference to consolidated financial statements of Asit C Mehta Financial Services Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies (the Holding Company and its subsidiaries together referred to as "the Group") which are companies incorporated in India, as of that date.

In our opinion, and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal financial control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI").

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial

ASIT C. MEHTA FINANCIAL SERVICES LIMITED

statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to 2 subsidiary companies, which are companies incorporated in India, and is based on the corresponding report of the other auditor in case of one subsidiary.

i. Basis of Consolidation

The Consolidated Financial Statements have been prepared on the following basis:

- The Financial Statement of the Holding Company and its subsidiaries have been combined on line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra group transactions resulting in unrealised profits / losses as per Ind AS 110.
- The difference between the group costs of Investments in the subsidiaries, over its portion of equity at the time of acquisition of shares is recognised in the Consolidated Financial Statements as Goodwill. The Goodwill recognised in the Consolidated Financial Statements is tested for impairment, if any.

- Non-controlling interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the Non-controlling shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in equity, subsequent to the dates on investment. Net profit / loss for the year of the subsidiaries attributable to Non-controlling interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Holding Company.
- Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.
- The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Holding Company's separate financial statements.

The subsidiary companies considered in the Consolidated Financial Statements are:

Name of the Company	Country of Incorporation	% of voting power held as at 31.3.2024	% of voting power held as at 31.3.2023
Asit C Mehta Investment Intermediates Ltd (ACMIIL)	India	94.58	93.09
Edgytal Fintech Investment Services Pvt. Ltd. (formerly known as Edgytal Digital Marketing Pvt. Ltd.)	India	90.38	77.89

The Financial Statements of the Subsidiaries used in the consolidation are drawn upto the same reporting date as that of the Company i.e. 31.3.2024 (PY. 31.03.2023).

ii. Basis of measurement

The Consolidated Financial Statements are prepared on going concern basis under the historical cost convention or amortised cost, except for the following assets and liabilities, which have been measured at fair value:

- Certain financial assets and liabilities
- Defined Benefits Plans- Plan assets

iii. Classification between Current and Non-current

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or;
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The terms of the liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between its realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

iv. Use of Estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected.

v. Functional and presentation currency

These Consolidated Financial Statements are presented in Indian Rupees (INR), which is also the Group's functional currency and accordingly all amounts are in INR and all amounts are rounded off to the nearest thousand (INR '000) upto two decimals, except when otherwise indicated.

2.2. Property, Plant and Equipment (PPE)

- PPE is recognised when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. PPE are stated at cost less accumulated depreciation and impairment losses, if any. The initial cost of an asset comprises its purchase price, non-refundable purchase taxes and any costs directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any. Cost includes, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy.
- If significant parts of an item of PPE have different useful lives, then those are accounted as separate items (major components) of PPE.
- Material items such as spare parts, stand-by equipment and service equipment are classified as and when they meet the definition of PPE, as specified in Ind AS 16 on "Property, Plant and Equipment".
- The carrying amount of an item of PPE is derecognised upon disposal or when no future economic benefit is expected to arise from its continued use. Any gain or loss arising on the derecognition of an item of PPE is determined as the difference between the net disposal proceeds and the carrying amount of the item and is recognised in Consolidated Statement of Profit and Loss.

Asset Class	Useful Life (in Yrs.)
Office Equipment	5
Computers	3
Furniture & Fixture	10
Air Conditioner	5
Solar System	15
Projector	5
Electrical Fittings	14
Motor Vehicles	8

ACMIL - the subsidiary of the Company:

In respect of each item of the Fixed Assets, existing on the date of the applicability of the requirements of the Schedule II, i.e. on 01.04.2014, the Company has got evaluated technically by the Valuation Advisor, by examining physically each such items of Fixed Assets, as to their possible total useful lives from the respective dates of purchases, acquisition, etc. and based thereon, the balance remaining useful lives. In respect of additions during the year, the Company has adopted the useful lives of respective item of fixed assets as specified in Part C of schedule II of the Companies Act 2013.

These useful lives, as determined by the Valuation Advisors, are different from the useful lives as specified in Part C of the Schedule II, and the details of which are as under:

Assets	As per Valuer's report	As per Part C of Schedule II
Furniture and Fixture	12 Years	10 Years
Computer - End Users	8 Years	3 Years
Computer - Server, HUB, Router	10 Years	6 Years
Office Equipment	11 Years	5 Years
Other Equipments	14 Years	5 Years
Electrical Installation	14 Years	10 Years
Vehicles	10 Years	8 Years

Justification for adopting longer useful lives

- i. Due to Regular Maintenance through Qualified Technicians onsite.
- ii. Maintenance Contract from Specialist or Original Manufacturer of the product, this ensures quality of services to get longer economic benefit from the product.
- iii. Turn around and quality of the Spares used which serve the purpose without need for changes to higher or newer technologies.

2.3. Depreciation

Depreciation on Property, Plant and Equipment is provided on the Straight-Line Method in accordance with requirements prescribed under Schedule II to the Companies Act, 2013. The Group has assessed the estimated useful lives of its PPE and has adopted the useful lives and residual value as prescribed therein. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

2.4. Investment Property

Property that is held to earn rentals or for capital appreciation or both, is classified as an Investment Property. It is measured initially at its cost, including related transaction costs. Subsequently, it is carried at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses (Refer Note 3C). Any gain or loss on disposal of investment property is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the Consolidated Statement of profit and loss. Transfer to, or from, investment property is done at the carrying amount of the property.

Depreciation of Investment property is provided on a pro rata basis on straight line method over the estimated useful lives. Useful life of assets, as assessed by the management, corresponds to those prescribed by the schedule II - Part 'C'.

Asset Class	Useful Life
Investment Property	60 Years

2.5. Intangible Assets and Amortisation

Intangible assets are stated at acquisition cost, net of accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised as per Ind AS 38. Software is being amortised over a period of three years. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

Gains or losses arising from derecognition of an Intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the consolidated statement of profit and loss when the asset is derecognised.

2.6. Impairment of non-financial assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets may have been impaired. If any such indication exists, the recoverable amount, which is the higher of its value in use or its fair value less costs of disposal, of the asset or cash-generating unit, as the case may be, is estimated and impairment loss (if any) is recognised and the carrying amount is reduced to its recoverable amount. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs.

In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

An impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss. When an impairment subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but upto the amount that would have been determined, had no impairment loss been recognized for that asset or cash generating unit. A reversal of an impairment loss is recognised immediately in the Consolidated Statement of Profit and Loss.

2.7. Consolidated Statement of Cash Flows

Cash flows are reported using the indirect method, whereby the Consolidated net profit for the period is adjusted for the effects of transactions of non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

For the purpose of presentation in the Consolidated Statement of Cash Flows, cash and cash equivalents include cash on hand, cash at banks, other short-term deposits and highly liquid investments with original maturity of three months or less that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

2.8. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they are incurred. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences if any to the extent regarded as an adjustment to the borrowing costs.

2.9. Segment Reporting

The Group identifies primary segments based on the dominant source, nature of risk and returns and Internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the chief operating decision maker (CODM) in deciding how to allocate resources in assessing the performance.

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting Consolidated Financial Statements of the group as a whole. Common allocable cost are allocated to each segment on an appropriate basis.

Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to activities of the segment.

Revenue, expenses, assets and liabilities which relates to the Group as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/expenses/assets/liabilities" respectively.

2.10. Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. Provision is not recognised for future operating losses.

Provision is measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, the amount of provision is discounted using an appropriate pre-tax rate that reflects current market assessments of the time value of money and, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A Contingent liability is disclosed in case of a present obligation arising from past events, when it is either not probable that an outflow of resources will be required to settle the obligation, or a reliable estimate of the amount cannot be made. A Contingent Liability is also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent Assets are not recognised but where an inflow of economic benefits is probable, contingent assets are disclosed in the Consolidated Financial Statements.

2.11. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits of a transaction will flow to the Company and the revenue can be reliably measured. Revenue is measured at the value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Rental Income:

Rental Income is accounted as and when accrues on straight line method and reported net of taxes.

Interest Income:

Interest income from a financial asset is recognised on a timely basis, by reference to the principal outstanding and at the effective interest rate applicable. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of that financial asset.

Dividends:

Dividend income from investments is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

Advisory:

Revenue from advisory, brokerage and consultancy services is recognised on rendering of services / work performed.

Revenue from Depository operations:

Revenue from Depository operations is considered to accrue as one time Transaction charges based on the calendar year; Income from shares & securities brokerage activities is considered as accrued on the trade date of the transaction.

Income from Broking Services:

Income from shares & securities brokerage activities is considered as accrued on the trade date of the transaction. Income from Brokerage, Demat charges, Fund Mobilization & Corporate Advisory services are exclusive of Goods and Services tax.

Income from Software services:

Income from Software services fees are accounted on its completion and acceptance by the customers.

Other Non-operating Income:

All other income is recognised on an accrual basis, when there is no uncertainty in the ultimate collection / realisation.

2.12. Employee Benefits

i. Short term employee benefits:

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus and ex-gratia falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised as an expense at the undiscounted amount in the consolidated statement of profit and loss of the year in which the related service is rendered.

ii. Long-term employee benefits:**Defined Contribution Plan****Provident Fund:**

The eligible employees of the Group are entitled to receive post-employment benefits in respect of provident fund, in which both employees and the Company make monthly contributions at a specified percentage of the employee's eligible salary (currently 12%). The contributions if any, are made to the Central Provident Fund under the State Pension Scheme. Provident Fund is classified as Defined Contributions Plans as the Group has no further obligation beyond making the contribution. Provident funds contribution if any, is charged to the Consolidated statement of profit and loss as incurred.

Defined Benefit Plan

a. Gratuity:

The Group has an obligation towards gratuity, a defined benefits retirement plan covering eligible employees. The plan provides a lump sum payment to vested employees at retirement or death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each Balance Sheet date.

Remeasurement, comprising actuarial gains and losses is reflected immediately in the Consolidated Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or Loss. Past service cost is recognised immediately for both vested and the non-vested portion. The retirement benefit obligation recognised in the Consolidated Balance Sheet represents the present value of the defined benefit obligation.

b. Compensated absences:

The Group provides for encashment of leave or leave with pay subject to certain rules. The liability is recognized based on number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to the Consolidated Statement of Profit and loss in the year in which they arise.

2.13. Taxes on Income

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Consolidated Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax is calculated as per the applicable provisions and tax rates that have been enacted or substantively enacted by the end of the reporting period and the provisions of the Income Tax Act, 1961 and other tax laws, as applicable.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Consolidated Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current income tax assets against current income tax liabilities and when deferred income tax assets and liabilities relate to the income tax levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net or simultaneous basis.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient future taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

2.14. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Initial Recognition:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at Fair Value through Profit or Loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in the Consolidated Statement of Profit and Loss.

Classification and Subsequent Measurement: Financial Assets

The Group classifies financial assets as subsequently measured at amortised cost, Fair Value Through Other Comprehensive Income ("FVTOCI") or Fair Value Through Profit or Loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial assets.

Amortised Cost:

A financial asset shall be classified and measured at amortised cost, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset shall be classified and measured at FVTOCI, if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair Value through Profit or Loss (FVTPL):

A financial asset shall be classified and measured at FVTPL unless it is measured at amortised cost or at FVTOCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets:

The Group recognises loss allowance using expected credit loss model for financial assets which are not measured at Fair Value through Profit or Loss. Expected credit losses are weighted average of credit losses with the respective risks of default occurring as the weights. Credit loss is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at original effective rate of interest.

Derecognition of financial assets:

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in statement of profit or loss if such gain or loss would have otherwise been recognised in statement of profit or loss on disposal of that financial asset.

On derecognition of a financial asset other than in its entirety (e.g. when the Company retains an option to repurchase part of a transferred asset), the Company allocates the previous carrying amount of the financial asset between the part it continues to recognise under continuing involvement, and the part it no longer recognises on the basis of the relative fair values of those parts on the date of the transfer. The difference between the carrying amount allocated to the part that is no longer recognised and the sum of the consideration received for the part no longer recognised and any cumulative gain or loss allocated to it that had been recognised in other comprehensive income is recognised in statement of profit or loss if such gain or loss would have otherwise been recognised in statement of profit or loss on disposal of that financial asset. A cumulative gain or loss that had been recognised in other comprehensive income is allocated between the part that continues to be recognised and the part that is no longer recognised on the basis of the relative fair values of those parts.

Classification and Subsequent Measurement: Financial liabilities:

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL.

Gains or Losses on liabilities held for trading are recognised in the Consolidated Statement of Profit and Loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Derecognition of financial liabilities:

The Group derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired. The Group also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different.

Offsetting:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Financial liabilities and equity instruments:

- Classification as debt or equity:

Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

- Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Equity instruments issued by the Group are recognised at the proceeds received.

2.15. Significant accounting judgement, estimates and assumptions

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Group are initially measured at their fair values and are subsequently measured at the higher of:

- the amount of loss allowance determined in accordance with impairment requirements of Ind AS 109; and
- the amount initially recognized less, when appropriate, the cumulative amount of income recognized in accordance with the principles of Ind AS 18

When guarantee in relation to loans or other payables of subsidiaries are provided for no compensation, the fair values are accounted for as contributions and recognized as cost of investment.

2.16. Leases

The Company has adopted Ind AS 116-Leases effective 1st April, 2019, using the modified retrospective method. The Company has applied the standard to its leases with the cumulative impact recognised on the date of initial application (April 1, 2019).

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

As a Lessor

When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is a finance lease; if not, then it is an operating lease. As part of this assessment, the Company considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 to allocate the consideration in the contract.

The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term as part of 'Revenue from Operations' for Holding Company and 'Other Operating Revenue' in case of Subsidiary Company in the Statement of Profit and Loss.

The accounting policies applicable to the Company as a lessor in the comparative period were not different from Ind AS 116.

Operating Leases

Leases are classified as operating leases whenever the terms of the lease do not transfer substantially all the risks and rewards incidental to ownership.

Lease rentals on assets under operating lease are recognized or charged to the Consolidated Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

Assets leased out under operating leases are continued to be shown under the respective class of assets. Rental income is recognised on a straight line basis over the term of the relevant lease.

Where the rental are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue.

2.17. Ind AS 115: Revenue from Contracts with Customers

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expect to receive in exchange for those products or services.

Ind AS 12 - Income Taxes

- Appendix C, Uncertainty over Income Tax Treatment: This amendment is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the Appendix:

1. the entity needs to determine whether each tax treatment should be considered separately or whether some can be considered together. The decision should be based on the approach which better predicts of the resolution of the uncertainty;
 2. the entity is to assume that the taxation authority will have right to examine and have full knowledge of all related information when making those examinations; and
 3. entity has to consider whether it is probable that the taxation authority will accept the tax treatment and accordingly, determine taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates would depend upon the probability. The Group does not expect any significant impact of the amendment on its financial statements.
- Consequences of Dividend The amendments are in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The Group does not expect any impact from this amendment.

2.18. Right-of-Use Asset ("ROU")

At the date of commencement of the lease, the Company recognise a right-of-use-asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short-term lease and lease of low-value assets.

The Right-of-use assets are initially recognised at cost, which comprise the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct cost less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

The Right-of-use assets is also subject to impairment. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

2.19. Earnings Per Share

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares, if any, outstanding during the year, except where the results would be anti-dilutive.

2.20. Critical Accounting Judgements and Key Sources of Estimation Uncertainty

The preparation of the Consolidated Financial Statements requires the management to make judgements, estimates and assumptions in the application of accounting policies and that have the most significant effect on reported amounts of assets, liabilities, incomes and expenses, and accompanying disclosures, and the disclosure of contingent liabilities. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to the Consolidated financial statements.

Key estimates, assumptions and judgements

The key assumptions concerning the future and other major sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below:

Income taxes

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions as also to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits.

Depreciation and Amortisation

Property, Plant and Equipment/ Other Intangible Assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. The useful lives and residual values are based on the Group's historical experience with similar assets and taking into account anticipated technological changes or commercial obsolescence. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation/amortisation to be recorded during any reporting period. The depreciation/amortisation for future periods is revised, if there are significant changes from previous estimates and accordingly, the unamortised/depreciable amount is charged over the remaining useful life of the assets. Employee Benefit Plans

The cost of the defined benefit gratuity plan and other-post employment benefits and the present value of gratuity obligations and compensated absences are determined based on actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition and mortality rates. Due to the complexities involved in the valuation and its long-term nature, these liabilities are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date. Refer Note. 43

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of Non-Financial Assets

The Group has used certain judgements and estimates to work out future projections and discount rates to compute value in use of cash generating unit and to access impairment. In case of certain assets independent external valuation has been carried out to compute recoverable values of these assets.

Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment. Refer Note. 5 and 11.

Fair Value measurements of Financial Instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets (Net Assets Value in case of units of Mutual Funds), their fair value is measured using valuation techniques including the Discounted

Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer Note. 45.

Provisions

Provisions and liabilities are recognised in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances. Refer Note. 22 and 30.

2.21. Business combination under common control

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities or businesses are reflected at their carrying amounts after making adjustments necessary to harmonise the accounting policies. The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. The identity of the reserves is preserved in the same form in which they appeared in the financial statements of the transferor and the difference, if any, between the amount recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve.

2.22. Rounding off amounts

All amounts disclosed in financial statements and notes have been rounded off to the nearest thousands as per requirement of Schedule III of the Act, unless otherwise stated.

Notes

The Company has, inter alia, leased some of its immovable property to two of its subsidiaries, that is leased to entities within the Group and therefore, in terms of the relevant provisions of Ind AS 40 on "Investment Property" such leased immovable property to the extent so leased, would not be regarded as Investment Property from the perspective of the Group, being in nature of "owner occupied property" as so defined in the said Ind AS and accordingly, such immovable property needs to be presented as Property, Plant & Equipment ("PPE") in consolidated financial statements ("CFS") of the Group. However, it is not practicable or possible to ascertain or find out the cost or deemed cost of such immovable leased property for presenting as PPE in CFS. In view of this, in CFS, the Group has not separately presented the amount pertaining to such leased immovable property as PPE and has continued to disclose under Investment Property only.

The Company has mortgaged some of the above Investment property as security against the borrowings.

Footnotes:

1 The Company received pay orders valuing to ₹ 5,072 (₹ in '000) from a customer in the financial year 1994-95 in respect of Money Changing business that were dishonored by a nationalized bank as per the instructions of Directorate of Revenue & Intelligence. The Company had challenged the proceeding before the Customs, Excise and Gold (Control), Appellate Tribunal, Mumbai (CEGAT) which gave the ruling in favour of the Company for which the company has furnished a bank guarantee of ₹2,686 (₹ in '000) (previous year ₹2,686 (₹ in '000)). The Customs Department filed a reference petition before the Hon'ble High Court of Judicature at Bombay and the same is pending for disposal.

During the financial year 2007-08, the Company received an order imposing a penalty of ₹13,500 (₹ in '000) from the Office of the Special Director of Enforcement Company guilty in respect of defiance with the instructions contained in the FLM Memorandum. The Company contends that it has complied with the relevant regulations of the Reserve Bank of India as contained in FLM – Memorandum of Instructions to Full-Fledged Money Changers. The Company filed an appeal before the Appellate Tribunal for Foreign Exchange (ATFE) contesting the order, which is received and settled for an amount of ₹ 1,000 (₹ in '000) and paid during the year.

2 The Service Tax Department had raised a demand of ₹ 10,197.58 (₹ in '000), reflected above in contingent liability, by passing an Ex parte order dated 11th April 2008. The Company's appeal against this order was dismissed by Commissioner (Appeals). Against this order the Company has filed appeal before CESTAT Mumbai. The management, based on expert's advice, is confident that the demand is not sustainable and hence no provision for the same is made in the books of account.

3 The Company had received assessment order for financial year 2015-16 (Assessment year 2016-17) raising demand of ₹ 589.87 (₹ in '000). The said demand had arisen on account of disallowance of part of business expenditure by treating expenditure against house property income. The Company has deposited ₹ 118.00 (₹ in '000) against the said demand and had filed an appeal against the same. The Department has adjusted pending refund for previous years Amounting to ₹. 425.54 (₹ in '000) of A.Y. 2018-19 and ₹ 72.28 (₹ in '000) of AY 2017-18 against the said demand.

4 The Company had received assessment order for financial year 2016-17 (Assessment year 2017-18) raising demand of ₹ 11,676.02 (₹ in '000). The said demand had arisen on account of disallowance of part of business expenditure by treating expenditure against house property income. The Company has deposited ₹ 1,215.00 (₹ in '000) against the said demand and had filed an appeal against the same.

5 The subsidiary company Asit C Mehta Investment Intermediates limited of group entered into agreement with Real Gold LLP (Purchaser) and Kohinoor Planet Construction Pvt Ltd.(seller) on 28.03.2018 becoming Escrow Agent for the deal.

As per Agreement, Purchaser has kept deposit with Escrow Agent (i.e. Company) of ₹ 46,500 (₹ in '000) as Escrow deposit. As per Agreement, it was decided to handover the Escrow Deposit to either Purchaser or seller based on outcome of deal as mentioned in Point no. 4.1 of the agreement. It was also decided as per Point no. 4.7 of the agreement that Escrow agent May keep the Escrow deposit in Fixed deposit form with Nationalized Bank. And interest if any will be passed on to either party on closure of the deal.

It was discretionary for the subsidiary Company so subsidiary Company has kept the Money in bank only and not in Fixed Deposit form.

During the FY 2020-21, the company has repaid 4.65 Crores from escrow account. However interest was not paid and hence was shown as contingent liability in P. Y ₹. 8,506 (in'000). But During the Year, Company has settled the contingent liability by paying ₹. 10,000 (in'000) as interest and Charged it to Profit and Loss account as Finance costs.

6 During the financial Year 20-21, SEBI had Imposed Penalty on it's Subsidiary Company Asit C Mehta Investment Intermediates Limited of ₹. 27 Lacs for Certain alleged Non Compliances observed during inspection for Period 01-07-2017 to 31-07-2018. However, the Subsidiary Company had Filed Appeal to the Securities Appellate Tribunal, Mumbai for above mentioned Penalty but the Appeal was rejected by Hon'ble Tribunal. The Subsidiary Company has filed an appeal in Hon'ble supreme Court against the aforesaid order of the Hon'ble Tribunal. The Subsidiary Company has paid ₹. 13 Lacs as deposit as per SAT order. However, the Supreme Court has passed an order against the company and hence the full amount of penalty was paid during the year i.e FY 2023-24.

7 During the previous financial Year, SEBI had Imposed Penalty on it's Subsidiary Company Asit C Mehta Investment Intermediates Limited of ₹. 15 Lacs for Certain alleged Non Compliance observed during inspection for Period 01-07-2019 to 03-09-2020. The SAT (Securities Appellate Tribunal) has passed an order against the subsidiary company and reduced the Penalty to ₹. 9 Lakhs during the year i.e FY 2023-24. However, SEBI has filed an appeal against the order in Supreme Court.

8 The subsidiary Company Asit C Mehta Investment Intermediates Limited had received assessment order for financial year 2014-15 (Assessment year 2015-16) and financial year 2016-17 (Assessment year 2017-18) raising demand of Rs. 17,186.01/- (in '000) and Rs. 7,509.51/- (in '000) respectively. The said demand had arisen on account of disallowance of part of business expenditure, by treating such expenditure as Business Associates Expenses. The Company has deposited Rs. 2,500/- (in '000) and Rs. 1,502/- (in '000) against the said demand and had filed an appeal against the

ASIT C. MEHTA FINANCIAL SERVICES LIMITED

same. The Department has adjusted pending Refund for Previous years Amounting to Rs. 932.40/- (in 000) of A. Y. 2019-20 against the said demand.

- 9 In respect of items above, it is not possible for the company to estimate the timings of cash outflows which would be determinable only on receipt of judgments pending at various forums/authorities.
- 10 The management, based on the expert's advice, is confident that the said tax demands are not sustainable and hence no provision for the same is made in the books of account.
- 11 The company does not expect any reimbursement in respect of above contingent liabilities.

i Rental income recognised in Statement of Profit and Loss for the year	18,964	12,341
Total	18,964	12,341

The Company has, inter alia, leased some of its immovable property to two of its subsidiaries, that is leased to entities within the Group and therefore, in terms of the relevant provisions of Ind AS 40 on "Investment Property" such leased immovable property to the extent so leased, would not be regarded as Investment Property from the perspective of the Group, being in nature of "owner occupied property" as so defined in the said Ind AS and accordingly, such immovable property needs to be presented as Property, Plant & Equipment ("PPE") in consolidated financial statements ("CFS") of the Group. However, it is not practicable or possible to ascertain or find out the cost or deemed cost of such immovable leased property for presenting as PPE in CFS. In view of this, in CFS, the Group has not separately presented the amount pertaining to such leased immovable property as PPE and has continued to disclose under Investment Property only.

Employee Benefits

The Group has classified various employee benefits as under:

A. Defined Contribution Plans
Provident Fund

The Provident Fund are operated by the Regional Provident Fund Commissioner. Under the schemes, the Group is required to contribute a specified percentage of payroll cost to the retirement benefit schemes to fund the benefits. These funds are recognised by the Income Tax Authorities.

The Subsidiary Company, "Edgytal", has terminated its salary contract with all employees as at 31.3.2024 and have cleared all their employment benefits and statutory liabilities as at 31.3.2024.

ASIT C. MEHTA FINANCIAL SERVICES LIMITED

The Group has recognised the following amounts in the Statement of Profit and Loss: (₹ in '000)

Particulars	2023-24	2022-23
	March 31,	March 31,

B. Defined Benefit Plans

Gratuity

Valuations in respect of above have been carried out by independent actuary, as at the balance sheet date, based on the following assumptions:

Particulars	Valuation as on	
	March 31, 2024	March 31, 2023
Mortality	IALM (2012-14) Table	
Discount Rate (per annum)	7.20%	7.50%
Rate of Increase in Compensation levels (per annum)	5.00%	5.00%
Attrition Rate	0.8% for all ages	0.8% for all ages
Retirement Age	58 years	58 years

The discount rate is based on the prevailing market yields of Government of India securities as at the balance sheet date for the estimated term of the obligations.

The estimate of future salary increases considered, takes into account the inflation, seniority, promotion, increments and other relevant factors.

Note on other risks:

Investment risk - The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Interest Risk - A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary risk - The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Note on Sensitivity Analysis

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged.

Sensitivity analysis fails to focus on the inter relationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously.

The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

Note 45:

Financial Instruments

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Valuation

- i. The fair values of investment in quoted investment in equity shares is based on the current bid price of respective investment as at the Balance Sheet date.
- ii. The carrying amount of financial assets and financial liabilities measured at amortised cost in the Consolidated financial statements are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Fair Value measurement hierarchy

The fair value of financial instruments as referred below have been classified into three categories depending on the inputs used in the valuation technique.

The categories used are as follows:

- Level 1: Quoted prices for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

Note 46:

Capital Management and Financial Risk Management Policy

A. Capital Management

For the purpose of Group's Capital Management, Capital includes Issued Equity Capital and all Other Reserves attributable to the Equity shareholders of the Company. The Primary objective of the Company's Capital Management is to maximise the shareholders' value. The Group's Capital Management objectives are to maintain equity including all reserves to protect economic viability and to finance any growth opportunities that may be available in future so as to maximise shareholder's value. The Group monitors capital using debt-equity ratio as its base, which is total debt divided by total equity.

2. Debt Equity Ratio - Total Debt divided by Total Equity (₹ in '000)

Particulars	As on

B. Financial Risk Management and Policies

The group financial risk management is an integral part of how to plan and execute its business strategies. The risk management policy is approved by the Company's Board. The group principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the group operations and to provide guarantees to support its operations in select instances. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations and investments. The company is exposed to market risk, credit risk, liquidity risk etc. The objective of the Company's financing policy are to secure solvency, limit financial risks and optimise the cost of capital. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company manages the risk basis policies approved by the board of directors. The board of directors provides written principles for overall risk management. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Company has exposure to following risk arising from financial instruments:

Risk	Exposure arising from	Measurement	Risk management
Credit risk	Cash and cash equivalents (excluding cash on hand), other bank balances, investments, loans, trade receivables and other financial assets.	Credit limit and ageing analysis	Highly rated bank deposits and diversification of asset base.
Liquidity risk	Borrowings, trade payables and other financial liabilities.	Cash flow forecasts	Committed borrowing and other credit facilities and sale of loan assets (whenever required)
Market risk - interest rate	Change in interest rate of variable rates borrowings.	Sensitivity analysis	Review of cost of funds and pricing disbursement
Market risk - security price	Investments in equity securities, mutual funds.	Sensitivity analysis	Diversification of portfolio, with focus on strategic investments

In order to avoid excessive concentration of risk, the Company's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents (excluding cash on hand) and bank deposits is managed by only accepting highly rated deposits from banks and financial institutions across the country.

i) Credit Risk

Credit risk refers to risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, investments in units of mutual funds, other balances with banks, deposits and other receivables.

a) Trade Receivable

Customer credit risk managed by Company's established policy, procedure and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

b) Financial instruments

The Company limits its exposure to credit risk by investing mainly in units of debt funds issued by mutual funds and that too have higher credit rating. The company monitors changes in credit risk by tracking published external credit ranking.

ii) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments and derivative financial instruments. The Company has designed risk management framework to control various risks effectively to achieve the business objectives. This includes identification of risk, its assessment, control and monitoring at timely intervals.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at	Closing balance	Effect on profit before tax	
			1% Increase	1% Decrease
Borrowings (Impact on profit and loss)	31 March 2024	9,25,163	9,252	(9,252)
Borrowings (Impact on profit and loss)	31 March 2023	11,62,600	11,626	(11,626)

(ii) Price risk

The Company invests its surplus funds in various mutual funds (debt fund, equity fund, liquid schemes and income funds etc.), short term debt funds, government securities and fixed deposits. In order to manage its price risk arising from investments, the Company diversifies its portfolio in accordance with the limits set by the risk management policies.

Particulars	As at	Closing balance	Effect on profit before tax	
			5% Increase	5% Decrease
Investment (Impact on profit and loss)	31 March 2024	30,810	1,540	(1,540)
Investment (Impact on profit and loss)	31 March 2023	41,428	2,071	(2,071)

a) Equity Risk

The Company is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than purposes. The Company does not actively trade these investments. Profit for the year ended March 31, 2024 and March 31, 2023 would have been unaffected as the equity investments are FVTOCI and none of the investments were disposed off during the year and resulting profit/(loss) on sale of investment is required to be recorded in Other Comprehensive Income.

iii) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet commitments associated with financial instruments that are settled by delivering cash or another financial asset. Liquidity risk may result from an inability to sell a financial asset quickly at close to its fair value. The Company maintains a cautious liquidity strategy, with a positive cash balance throughout the year. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. Cash flow from operating activities provides the funds to service and finance the financial liabilities on a day-to-day basis.

The table below provides details regarding the remaining contractual maturities of Group's financial liabilities.
