See accompanying notes to the unaudited financial results

## Notes:

Date: February 04, 2025

- 1. The unaudited financial results for the quarter ended December 31, 2024 and year to date from April 1, 2024 to December 31, 2024 of Mangalore Chemicals and Fertilizers Limited ("the Company") have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 04, 2025 and has been subjected to limited review by auditors.
- 2. The unaudited financial results have been prepared in accordance with the Indian Accounting Standards ("Ind AS") prescribed under Section 133 of the Companies Act, 2013, read with relevant Rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
- 3. The Company is engaged in the manufacture, sale and trading of fertilisers which constitutes a single operating segment as per Ind AS 108 and hence separate segment disclosures have not been furnished.
- 4. The urea concession income for the period / year has been recognized based on the applicable extant policy guidelines, as per management estimate in line with known policy parameters, pending finalization by the Government of India ('GOI'). The subsidy income for phosphatic and potassic fertilisers under Nutrient Based Subsidy Policy has been accounted in line with the applicable extant policy guidelines notified by GOI from time to time, pending finalization by GOI.
- 5. The Company had during the year ended March 31, 2021 recognised urea subsidy income of INR 2,914 Lakhs without benchmarking its cost of production using naphtha with that of gas-based urea manufacturing units recently converted to natural gas, as notified by the Department of Fertilizers [DoF] for subsidy income computation, against which the Company had filed a writ petition against the DoF before the Hon'ble High Court of Delhi [DHC]. Pending finalization of writ petition before the DHC, the management, based on legal opinion and considering the fact that the energy cost is always a pass through in subsidy computation, believes that artificial benchmarking is arbitrary and discriminatory and is confident of realisation of the aforesaid subsidy income.
- 6. Pursuant to the scheme of merger dated February 07, 2024, subsequently modified on November 25, 2024, the Board considered and approved a composite scheme of arrangement amongst the Company, M/s.Paradeep Phosphates Limited ("Transferee Company") and their respective creditors and shareholders ("Scheme"), under Sections 230 to 232 of the Companies Act, 2013 ("Companies Act") and other applicable laws, for inter alia, the amalgamation of the Company with and into the Transferee Company by way of a merger. Necessary accounting effect of the scheme would be given in due course upon receipt of requisite approvals.
- 7. Previous year / period's figures have been regrouped / rearranged wherever considered necessary, to conform with current period's classification.

For and on behalf of the Board of Directors

Nitin M Kantak Whole Time Director

**PKF SRIDHAR & SANTHANAM LLP** 

Chartered Accountants

Independent Auditor's Report on review of Unaudited Financial Results

To the Board of Directors of Mangalore Chemicals & Fertilizers Limited

We have reviewed the accompanying Statement of Unaudited Financial results of Mangalore Chemicals & Fertilizers Limited ("the company") for the quarter and period ended 31st December 2024, being submitted by the company pursuant to Regulation 33 of SEBI (Listing Obligations and Disclosure requirements) regulations, 2015,

as amended.

Management's Responsibility

The Statement, which is the responsibility of the management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("IndAS-34") prescribed under Section 133 of the Companies Act, 2013 read with

relevant rules issued thereunder, and other accounting principles generally accepted in India.

**Auditor's Responsibility** 

Our responsibility is to issue a report on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an

audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the recognition and measurement principles of the applicable Accounting Standards and other recognized practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) regulations, 2015 as amended, including the manner in which it is to be disclosed, or

that it contains any material misstatement.

## **Emphasis of Matter**

We draw attention to Note no 5, which states that the Company had recognized urea subsidy income of Rs. 2914 lakhs in Financial Year ended March 31, 2021, considering that benchmarking of its cost of production of urea using Naphtha with that of gas-based urea manufacturing units is arbitrary and for which the Company had already filed a writ petition against the Department of Fertilizers before Hon'ble High court of Delhi. Based on legal opinion obtained, the management believes that the criteria for recognition of subsidy revenue is met.

We draw attention to Note 6 of the financial results which describes about the proposed merger of the Company with Paradeep Phospates Limited on a going concern basis.

Our conclusion is not modified in respect of these matters.
