**Independent Auditors Review Report on the Quarterly and Year to date Unaudited Financial Results of the Company pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

Review Report to **Board of Directors of SAL STEEL LIMITED, Ahmedabad.**

We have reviewed the accompanying statement of unaudited financial results of **SAL STEEL LIMITED** (the "company") for the quarter ended December 31, 2024 and for the period from to date April 1, 2024 to December 31, 2024 (the "statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing obligations & Disclosure Requirements) Regulation, 2015, as amended (the listing Regulation).

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 and 52 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and

accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **BASIS FOR QUALIFIED OPINION**

- 1. For the Quarter ended on 31<sup>st</sup> December, 2024, the company has not made provision for Electricity Duty in the books of accounts. Had the company made the provision for Electricity Duty for the quarter ended on 31<sup>st</sup> December, 2024, the loss for the quarter ended would have been higher by Rs 109.70 lakhs and current liabilities would have been higher to that extent.**
- 2. For the Quarter ended on 31<sup>st</sup> December, 2024, the company has not made Impairment of entire Capital Work in Progress. Had the Company made Impairment of entire Capital Work in Progress for the quarter ended on 31<sup>st</sup> December, 2024, the loss for the quarter ended would have been higher by Rs 100.94 lakhs and Capital Work in Progress would have been lower to that extent.**

Based on our review conducted except for the possible effects of the matter described in the Basis for Qualified Opinion as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulations 33 and 52 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

## EMPHASIS OF THE MATTER

1. The Company has not complied with the disclosure requirements of segment reporting as per Indian Accounting Standard — 108 'Operating Segments'. However, there is no impact on the financial results due to the said non-disclosure.
2. In order to buy peace of mind and to put an end to the litigation, the Company has entered into a Settlement Agreement with Shreenidhi Trading Company a creditor who had initiated legal proceedings against the Company. The Company has agreed to pay a settlement amount of Rs. 510.00 lakhs, to the said alleged creditor against the Principal outstanding of Rs 94.41 lakhs. Thus the balance amount of Rs. 415.59 lakhs is shown as “Exceptional Item” in the statement of profit and loss.

Our Conclusion is not modified in respect of the matter of emphasis.
