Lords Chloro Alkali Limited - Business Update Release.

16 MW Solar Power Plant in Bikaner commences operations.

Taking steps towards producing Green Chemicals in the future.

28th October, 2024, New Delhi: Lords Chloro Alkali Limited (BSE: 500284, NSE: LORDSCHLO), amongst India's leading producer of a wide range of chemicals, has announced that the Company's **16 MW DC solar power plant** has commenced operations from 25th October, 2024.

Highlights of the Bikaner Solar Plant:

Capacity: 16 MW DC, 11.5 MW AC on 45 Acres.
Electricity Generation: 20 lakh units/month.
Annual CO2 Emission Reduction: 17,200 tons.
Equivalent to Planting: 8,47,500 trees each year.
Grid Electricity Replaced: Over 10%.
Savings: Rs. 1 crore per month against grid electricity costs.

Management Comment:

Commenting on this development, **Mr Ajay Virmani, Managing Director, Lords Chloro Alkali Ltd.** said:

“We are happy to announce the successful commissioning of our 16 MW DC solar plant, a significant step in our journey towards sustainability. This initiative marks our first step towards green chemistry; manufacturing chemicals using only renewable energy.

This development reflects our unwavering commitment to reducing reliance on grid power, a crucial factor given that electricity is one of the key raw materials in our manufacturing process. By integrating renewable energy into our operations, we not only lower our carbon footprint but also improve and stabilise our cost structure, which will have a positive impact on our margins over time.

Commenting on this development, **Mr Madhav Dhir, Executive Director, Lords Chloro Alkali Ltd.** said:

This is just the beginning. We have plans to further invest in renewable energy and become the first Indian Green Caustic Soda and other varied chemicals manufacturer. These efforts will not only make us more resilient but also position us as a forward-thinker in our industry.

I would like to express my gratitude to all our stakeholders for their support, and thanks to the entire Lords Chloro Alkali team. We are excited about the future, and I am confident that this milestone will enable us to further achieve our set targets.”

About Lords Chloro Alkali Limited:
