MREAT DECISION

Order on Realty Portals Listing as Agents Set Aside

MahaRERA, in Oct 2019, asked sites to register as realty agents

Kalish Babar @timesgroup.com

Mumbai: A tribunal for property-related appeals has set aside Maharashtra's real estate authority's 2019 directive that had directed web portals carrying property listings to register themselves as agents with the state regulator. The Maharashtra Real Estate Appellate Tribunal (MREAT) has asked the Maharashtra Real Estate Regulatory Authority (MahaRERA) to hear the matter afresh. The real estate authority in October 2019, had asked the web portals to register as real estate agents. The web portals had challenged this order stating that they were merely providing information via advertisements. Property portals had also claimed that they asked potential buyers/sellers to

check details of a project from other sources, including those controlled by MahaRERA. In July 2019, consumers' body the Maharashtra Grievah Panchayat had filed a complaint with MahaRERA stating that the web portals need to be registered as real estate agents with the authority. Post this, MahaRERA conducted a detailed hearing and closed the matter for orders after conclusion of arguments of all parties on February 8, 2020.

The web portals had challenged MahaRERA order, stating that they were not facilitating any sale

Following this, MahaRERA had issued suo-motuos orders for hearing for bearing to several online portals dealing with real estate advertisements register. The authority had issued a notice to invite entities interested to appear and make submissions or representations. In response to this, organisations like realty developers' bodies NAREDCO, CREDAI-MCHI, and NAS-SCOM also appeared.
