7	In case of convertibles – Intimation on conversion of securities or on lapse of the tenure of the instrument	<p>The Warrants may be exercised by the Warrant holders in one or more tranches at any time on or before the expiration of 18 months from the date of allotment of such Warrants. This can be done by issuing a written notice to the Company, specifying the number of Warrants proposed to be exercised, along with the aggregate amount payable.</p> <p>An amount equivalent to 25% of the Warrants' issue price will be paid on the date of Warrant allotment. The remaining 75% of the Warrants' issue price is payable upon the allotment of Equity Shares following the exercise of the conversion right by the warrant holder, at their discretion. Failure to pay the entire remaining sum, i.e., 75% of the issue price, by the warrant holder would result in forfeiture of the amount already paid. The amount paid for the Warrants will be adjusted/set-off against the issue price of the resulting Equity Shares.</p>
