Bhavin Mukund Mehta Appointed as Vice-Chairman of Pharmexcil

February 4, 2025, Mumbai: Pharmaceuticals Export Promotion Council of India (Pharmexcil), a leading authorized body of the Government of India for promotion of pharmaceutical exports from India has appointed Mr. Bhavin Mukund Mehta, Wholetime Director, Kilitch Drugs (India) Limited as the Vice-Chairman of the council.

Mr. Bhavin Mehta is an industry veteran with over 25 years of experience in the pharmaceutical industry. As the Director at Kilitch Drugs (India) Ltd, he took the initiative to establish the company's export business, expanding its reach beyond Indian boundaries while leading in domestic market. His extensive knowledge and expertise in leadership, business development, strategy management, international marketing, and operations will greatly benefit the esteemed members of Pharmexcil.

In 2012, Mr. Bhavin Mehta was appointed Chairman of the Exhibition Committee for Pharmexcil by the Ministry of Commerce. He played a key role in establishing IPHEX, India's largest exhibition to promote pharmaceutical exports to other countries.

Commenting on his appointment, Mr. **Bhavin Mehta**, said, *"I am truly honored to be appointed as Vice-Chairman at Pharmexcil. While promoting the growth of pharmaceuticals exports, I am also committed to promoting the growth of MSMEs within India's pharmaceutical sector, which plays a vital role in enhancing the global health. Together, we will work to unlock new opportunities, drive innovation, and strengthen India's position as a leader in pharmaceutical exports worldwide."*

Mr. Bhavin Mukund Mehta holds a Post Graduate Diploma in Management from S.P. Jain Institute of Management, Mumbai, and a Bachelor of Pharmaceutical Sciences degree from the University of Mumbai.

About Pharmexcil:

Established by the Ministry of Commerce and Industry, Government of India, Pharmexcil is dedicated to promoting and supporting the export of pharmaceutical products from India. The council provides market insights, regulatory support, and facilitates participation in international trade fairs and exhibitions, helping Indian pharmaceutical companies thrive in the global market. Since its inception in 2004, Pharmexcil has significantly contributed to making India a leading exporter of generic medicines worldwide. Pharmexcil is mandated to help its members achieve excellence in export and facilitate overseas buyers to find suitable trade partners from Indian Pharma Industry.
