2. The Manager is responsible for the preparation of the Condensed Standalone Interim Ind AS Financial Statements in accordance with the requirement of Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations'. The Condensed Standalone Interim Ind AS Financial Statements has been approved by the Board of Directors of the Manager. Our responsibility is to express a conclusion on the Condensed Standalone Interim Ind AS Financial Statements based on our review.
3. We conducted our review of the Condensed Standalone Interim Ind AS Financial Statements in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Standalone Interim Ind AS Financial Statements is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Condensed Standalone Interim Ind AS Financial Statements, have not been prepared in all material respects in accordance with the requirements of Ind AS 34, as prescribed in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other accounting principles generally accepted in India, to the extent not inconsistent with the REIT Regulations and has not disclosed the information required to be disclosed in terms of the REIT Regulations read with the SEBI Circulars, including the manner in which it is to be disclosed or that it contains any material misstatement.

5. **Emphasis of Matter**

We draw attention to Note 2 which describes the Basis of preparation of the Condensed Standalone Interim Ind AS Financial Statements and Note 10 which describes the presentation of "Unit Capital" as "Equity" instead of compound financial instrument to comply with the REIT Regulations. Our conclusion is not modified in respect of this matter.

Measurement of fair values

The fair value of investments in SPVs are computed basis the fair value of the underlying investment properties, investment properties under development, property, plant and equipment and capital work-in-progress as at September 30, 2024 along with values of other assets and liabilities accounted in the respective SPV financial statements as at September 30, 2024. The fair value have been determined by independent external property valuers, having appropriately recognized professional qualifications and recent experience in the location and category of the property being valued.

Valuation technique

The valuers have followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account the expected rental growth rate, vacancy period, occupancy rate, average room rent, lease incentive costs and blended tariff rates. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (primary vs secondary), tenant credit quality and lease terms.

B Measurement of fair values

The level of fair values are defined below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

Transfers between Level 1, Level 2 and Level 3

There were no transfers between Level 1, Level 2 or Level 3 during the half year ended September 30, 2024

In the previous year, NCLT has passed an adverse order for CSJIPL. However, this will not have any impact on CSJIPL financial statements. Out of the remaining above, during the quarter ended June 30, 2024, capital reduction scheme for CPPL & NURPL have been approved by the NCLT. Accordingly, CPPL & NURPL has adjusted Rs.625.03 million and Rs. 271.36 million respectively (out of balance available in securities premium account) against the debit balance in Profit & Loss Account during the year ended March 31, 2024.

Further during the half year ended September 30, 2024 NCLT has approved capital reduction scheme for NWPL. NCLT has reduced the face value of share from Rs. 10 each fully paid up to Rs. 4 each fully paid up. Accordingly, NWPL has adjusted Rs. 63.17 million (out of share capital) and Rs.1330.15 million (out of balance available in securities premium account) against the debit balance in Profit & Loss Account during the half year and quarter ended September 30, 2024.

18 There were no significant adjusting events that occurred subsequent to the reporting period.

19 The Trust acquired the SPVs/Investment Entity by issuing units on May 12, 2023. Accordingly, the numbers for the half year ended September 30, 2023 are not comparable.

20 The financial information for the previous half year ended March 31, 2024 are the balancing figures between audited figures in respect of year ended March 31, 2024 and the unaudited figures upto September 30, 2023.

21 The figures of previous period/year have been reclassified/regrouped for better presentation in the financial statements and to conform to the current period's classifications/disclosures. This does not have any impact on the profits/(loss) and hence, no change in the basic and diluted earnings per unit of previous period/year.

We conducted our review of the Condensed Consolidated Interim Ind AS Financial Statements in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Condensed Consolidated Interim Ind AS Financial Statements is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Measurement of fair values:

The fair value of Investment Property, Property, Plant and Equipment, Investment Property under development and Capital work-in-progress have been determined by independent external property valuer, having appropriately recognized professional qualifications and recent experience in the location and category of the property being valued.

Valuation technique:

The valuer has followed a Discounted Cash Flow method. The valuation model considers the present value of net cash flows to be generated from the respective properties, taking into account existing lease arrangements, expected rental growth rate, vacancy period, occupancy rate, average room rent and lease incentive costs. The expected net cash flows are discounted using the risk adjusted discount rates. Among other factors, the discount rate estimation considers the quality of a building and its location (prime vs secondary), tenant credit quality and lease terms.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

12 Segment Reporting

The Chief Operating Decision Maker ('CODM') evaluates the Nexus Select Trust performance and allocates resources based on an analysis of various performance indicators by operating segments. The accounting principles used in the preparation of the condensed financial statements are consistently applied to record revenue and expenditure in individual segments.

a) Operating segments of Nexus Select Trust are -

- (i) Urban consumption centre (Mall),
- (ii) Office
- (iii) Hospitality and
- (iv) Others - comprising of (a) sale of office units, and (b) income from generation of renewable energy and (c) other operating revenue.

Net Operating Income ('NOI') excluding Ind AS adjustments is the key metric reported to the CODM for the purposes of assessment of the segment results.

Certain income (such as interest, dividend and other income) and certain expenses (such as depreciation, amortization, impairment and finance cost) are not specifically allocable to segments and accordingly these expenses are not allocated to the Operating segments.

b) Nexus Select Trust operates within India and does not have operations in economic environments with different risks and returns. Hence, it is considered operating in single geographical segment.

Further, the information relating to segment assets and segment liabilities are not regularly provided to CODM for review and hence the same is not disclosed.

The GST department contested the credit availed and has raised demand of Rs. 272.71 million (net of provision amounting to Rs. 63.32 million). The SPV filed a writ petition before Odisha High Court who decided the matter in favour of the SPV. Against the order, the department filed special leave petition with the Hon'ble Supreme Court (the "SC"). On October 3, 2024, SC has passed the order wherein they have commented that construction intended to be given on lease or license will be eligible for ITC in terms of Section 17(5)(d) and further remanded the matter to Odisha High Court to decide whether the shopping mall is a 'plant' in terms of clause (d) of section 17(5). Further, while discharging its service tax liability on the advance received from customers towards the sale of office and hotel space, SRPL availed abatement as per Notification no. 26/ 2012 dated June 12, 2012 under the erstwhile service tax regime. In relation to the aforesaid utilisation of credit and abatement, SRPL had, in the earlier years, received a demand cum show cause notice from the Office of the Commissioner (Audit), GST and Central Excise amounting a total of Rs. 297.09 million.
- During the year ended March 31, 2020, SRPL had received a demand dated January 27, 2020 from the Office of the Principal Commissioner, GST and Central Excise confirming the aforementioned demand and imposing a penalty of equivalent amount. SRPL has filed an appeal against the said order before Customs, Excise and Service Tax Appellate Tribunal (CESTAT) and has deposited Rs. 22.21 million towards mandatory pre-deposit for appeal. VPPL received an order from the ITAT dated November 25, 2011 wherein the ITAT has disagreed with the assessment order and passed an order in the favour of VPPL. As a result, VPPL did not have capital gains and hence there was no tax liability. VPPL subsequently received a refund order dated December 11, 2012 for repayment of tax which was paid under protest.
- In FY 2015-16, the Income tax department had filed an appeal before the Honorable High Court at Madras against the order passed by the ITAT for the AY 2007-08 and VPPL had received a notice dated January 28, 2016 on this matter. The SPV had filed an appeal to Customs, Excise and Service Tax Appellate Tribunal (CESTAT), Bangalore against the order on August 06, 2014. The case was decided in favor of the SPV by CESTAT. This decision was challenged by the CBEC in the High Court of Karnataka for which hearing was held as on August 26, 2022. Subsequently we got a favourable order from High Court of Karnataka in this matter. The Revenue Department has filed a Special Leave Petition against the Karnataka HC order in the Supreme Court.
