Mumbai – 400 001  
Dear Sir/ Madam,

**Sub: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 – Entry into the  
Agricultural Waste Management and Processing Business**

**Ref: Security Id: PRADHIN / Code: 530095**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Pradhin Ltd. is expanding its business operations into the domain of Agricultural Waste Management and Processing. This strategic initiative aligns with the company's commitment to sustainable development, environmental responsibility, and diversification into high-growth, impact-driven sectors.

**Proposed Activities in Agricultural Waste Management and Processing**

1. Biogas Production: Utilizing agricultural waste to produce biogas as a renewable energy source for domestic and industrial applications.
2. Composting: Developing high-quality organic compost from agricultural residues, aimed at reducing dependency on chemical fertilizers and enhancing soil health.
3. Biofertilizer Production: Recycling agricultural waste into eco-friendly fertilizers, fostering sustainable farming practices.
4. Waste-to-Energy Initiatives: Converting crop residues into energy to reduce reliance on non-renewable sources.
5. Circular Economy Practices: Promoting the reuse of agricultural by-products to minimize waste and create value-added products.

**Strategic Importance and Growth Potential**

This venture capitalizes on the growing global demand for sustainable waste management solutions and aligns with government initiatives to reduce waste, promote clean energy, and encourage sustainable agricultural practices. By diversifying into this field, Pradhin Ltd. aims to strengthen its revenue streams while contributing to environmental preservation, rural development, and the circular economy.

## Due Diligence and Feasibility Studies

We wish to emphasize that this initiative is currently in its exploratory phase. The company is committed to conducting comprehensive due diligence, including feasibility studies, risk assessments, and market analyses, to ensure that the venture is financially viable, operationally sustainable, and strategically aligned with Pradhin Ltd.'s long-term objectives.

Should the findings of the feasibility studies indicate challenges or misalignments, the company reserves the right to modify, delay, or discontinue its plans for this initiative. Pradhin Ltd. is steadfast in its commitment to regulatory compliance, transparency, and stakeholder engagement throughout this process.

## Commitment to Transparency

We assure our stakeholders that all material updates and developments regarding this initiative will be communicated promptly, in adherence to regulatory requirements.

We request you to kindly take this intimation on record and disseminate it to stakeholders.

Thank you.
