'Free, open, inclusive and prosperous Indo-Pacific region'

Major deliverable of US-India security partnership

Chennai, Feb 8: The U.S. Consulate General Chennai, the U.S. Consulate General Kolkata, and CUTS International organized a day-long workshop in Chennai today entitled "Defense News Conclave: Stories of U.S.-India Defense and Security Partnership" to highlight the strength of the bilateral defense and security partnership between the United States and India, and the growing U.S.-India strategic relationship in the Indo-Pacific region.

In the Welcome remarks, Pradeep S. Mehta, Secretary General, CUTS International, began by highlighting the dynamic U.S.-India cooperation, where the two countries have evolved as the most valued partners in today's geopolitical scenario. He mentioned that owing to the converging security and strategic interests, embedded in the commitment to promoting a resilient, rules-based international order, a substantial bilateral progress has been witnessed through the

ideation and execution of a "Comprehensive Global Strategic Partnership."

In his keynote address, U.S. Consul General in Chennai Christopher Hodges said, "The United States and India share a convergence of interests and values and are enjoying a real moment in the bilateral relationship. It's up to us to take advantage of that momentum and draw from the power and dynamism of our diverse populations to drive research and innovation across business, across education, across culture and across defense. We must bring all of our talent on both sides to the table to help drive this relationship forward."

While discussing the theme of the first session, "U.S.-India Industrial and Strategic Collaboration," Wg Cdr P. Madhusoodanan (Retd.), Vice President, Aerospace and Defense, Tamil Nadu, Chennai, spoke about the co-production and co-development in aerospace and defense, not restricted to the military alone, but

holding a much larger domain- aviation, space, and defense. This creates an opportunity beyond the boundaries. The manufacturing part holds the attention of the MSMEs. Lt. Gen Anil Ahuja (Retd.), Indian Co-Chair of the U.S.-India Defence Technology and Trade, pointed out that DTII had provided a cushion for adjusting the change between Obama and Trump regimes. Similarly, ICET will give a smooth transition between the Biden administration and its successors. In this regard, G. Balachandran, former Consultant, Institute of Defence Studies and Analysis (IDSA) mentioned that India's technological presence is vital for its future.

Air Marshall M. Matheswaran (Retd.) Founder Chairman and President, The Peninsula Foundation, spoke about the need to intensify cooperation including the sectors of technology transfer.

The second session, on "Security Cooperation in the Indian Ocean Region," Harinder Sekhon, Former

Intelligence and Strategic Analyst with the National Security Council Secretariat, Government of India, mentioned that India is reiterating closer cooperations globally to address challenges in the Indian Ocean Region, especially in sectors of technology and security.

Nikhil K. Rao, Managing Director and Chief Engineer for the Boeing India Engineering, Tamil Nadu, mentioned that India is likely to become the largest economy by 2027 and the U.S., the second largest economy by then and this would define the dynamics of the period, drawing attention to partners like the Boeing, which would take a major lead.

Among other distinguished speakers at the "Defense News Conclave: Stories of U.S.-India Defense and Security Partnership" are Lt. General Anil Ahuja (Retd.), Indian Co-Chair of the U.S. India Defence Technology and Trade; T. Suvarna Raju, Former Chairman and Managing Director, Hindustan Aeronautics Limited (HAL); Vijay Sakhuja, Former Director, National Maritime Foundation; Sheshesh Alex Philip, Senior Executive Editor, The Print; Cmde. S. Vasana (Retd.), Director General, Chennai Centre for China Studies and Regional Director, National Maritime Foundation, Tamil Nadu.

Tata Power Renewable Energy, Bank of Baroda sign MOU for financing rooftop solar power

Chennai, Feb 8: Tata Power Renewable Energy Limited (TPREL), a subsidiary of The Tata Power Company Limited and a leader in India's renewable energy sector, and Bank of Baroda, one of India's leading public sector banks have signed a Memorandum of Understanding (MoU) for financing of residential rooftop solar power systems.

The MoU will facilitate financing options for residential customers under the Pradhan Mantri Surya Ghar Yojana (PMSGY). The collaboration will leverage on the wide branch network and financing capabilities of Bank of

Baroda and the market leadership and dealer network of Tata Power Renewable Energy, enabling seamless sourcing and loan processing for customers. This strategic partnership is set to boost the adoption of rooftop solar systems across the country by providing affordable and accessible financing, thereby supporting India's transition to renewable energy.

For larger installations ranging from above 3 kW and up to 10 kW, customers can avail loans of up to Rs.6 lakh under the regular scheme. These loans require a margin money contribution of 20%. Bank of Baroda's

Home Loan customers will enjoy special concessional interest rates ranging from 9.15% to 11% p.a. For non-Home Loan customers, interest rates will range from 10.15% to 12% p.a. The loans are collateral-free with a maximum repayment tenure of up to 10 years.

Deepesh Nanda, CEO & Managing Director, TPREL said, "By offering affordable and convenient financing options, we are enabling residential customers to embrace rooftop solar technology with ease. This initiative not only empowers individuals to reduce their energy costs but also contributes meaningfully

to the nation's renewable energy goals and efforts to combat climate change. Together, we are fostering a sustainable future, one home at a time."

Lalit Tyagi, Executive Director, Bank of Baroda said, "At Bank of Baroda, we are strongly committed to expand our engagement in the renewable energy sector, in line with the government's vision to maximise power generation through sustainable sources. We are pleased to further strengthen our partnership with Tata Power Renewable, a key leader in India's renewable energy landscape."

Notes: 1. The above results were reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 7th February 2025.
2. The above is an extract of the detailed format of financial results for quarter ended 31st December, 2024 filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the aforesaid unaudited financial results is available on the Stock Exchange websites of NSE and BSE at www.nseindia.com and www.bseindia.com respectively and Company's website www.tcms.bz
3. The above results are in compliance with Indian Accounting Standards (IND AS) notified by the Ministry of Company Affairs.
4. **Note Explaining Qualification of Auditor in the Quarterly Limited Review Report:**
The auditor's qualification pertains to an outstanding long-term loan of Rs. 22.13 Lakhs extended by the Company as of December 31, 2024. Due to insufficient audit evidence, the auditor is unable to comment on the loan's recoverability. If the loan were written off, the Company's Standalone Net Loss After Tax for the quarter would be impacted, increasing to Rs. 391.70 lakhs from Rs. 369.57 lakhs, with the balance due becoming NIL.
Further, the Company's Consolidated Net Loss After Tax for the quarter would also be impacted, increasing to Rs. 393.70 lakhs from Rs. 371.57 lakhs, with the balance due becoming NIL.
5. **Management's view on Qualification of Auditor in the Quarterly Limited Review Report:**
Based on the reassessment, the Company would consider making provisions for potential losses or writing off the loan entirely in the next quarter ending on 31st March 2025. This will ensure that the financial statements accurately reflect the loan's recoverability.
