Dear Sir(s),

Subject: Disclosure under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

In terms of Regulation 30 read with Para C of Part A of Schedule III of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that the European Commission has proposed a provisional Anti-Dumping Duty of 8.70% of CIF Union border price. If made effective, the exports of single mode optical fibre cables [made up of one or more individually sheathed fibres, with protective casing, whether or not containing electric conductors, whether or not connectorized, by the Company, currently classified under CN code ex 8544 70 00 (TARIC codes 8544 70 00 10 and 8544 70 00 91)], to European Union would attract the provisional anti-dumping duty under TARIC additional code 89CF. The Company is taking up this matter in the relevant forums of European Commission.

This is for your information and records.

Thanking you,

Yours faithfully,

For UNIVERSAL CABLES LIMITED
