For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.prernagroup.com The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.

7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation to this Ministry's **General Circular No. 20/2020** dated 05.05.2020, General Circular No. 02/2022 dated 05.05.2022 and General Circular No. 10/2022 dated 28.12.2022 and after due examination, it has been decided to allow companies whose AGMs are due in the Year 2023 or 2024, to conduct their AGMs through VC or OAVM on or before 30th September, 2024 in accordance with the requirements laid down in Para 3 and Para 4 of the General Circular No. 20/2020 dated 05.05.2020.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individualshareholders holding shares in demat mode.
- Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 20th September 2024 at 9.00 am and ends on 22nd September 2024 at 5.00 pm. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 16th September 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

ANNEXURE-A

MANAGEMENT DISCUSSION AND ANALYSIS

Management Discussion and Analysis is given in a separate section forming part of the Director's Report in this Annual Report.

1. INDUSTRY STRUCTURE & DEVELOPMENT

As per the advance estimates for 2023-24, the growth in real GDP during 2023-24 is estimated at 8.2 per cent as compared to 7.00 per cent in 2022-23. Further Economic growth witnessed led a slowdown in agriculture, weaker consumer spending and investments, and a marked slowdown in the manufacturing sector.

2. OPPORTUNITIES

Housing Demand

The pandemic has nudged a lot of fence-sitters to convert into first-time home buyers and existing ones to upgrade to larger homes by re-establishing the security that homeownership offers, resulting in rising housing demand across segments. An expected economic recovery along with the belief of housing prices bottoming out amongst consumers and rising income levels are some of the factors which will drive the housing demand going ahead. Hybrid working models will also continue to drive demand for larger homes. Employers are expected to continue to offer flexibility to their employees in order to attract and retain talent.

3. THREATS

The sector is grappling with liquidity deficit in the aftermath of Pandemic (Covid-19), high Cost of Regulatory Hurdles, Monetary Tightening and Funding Issues and Shortage of Labour and Technology

4. RISKS & CONCERNS

Your Company has laid down procedures to inform the Board members about the risk assessment and risk minimization procedures. The Company is exposed to price risks.

Unfavourable changes in government policies and the regulatory environment can adversely impact the performance of the sector. There are substantial procedural delays with regards to land acquisition, land use, project launches and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector.

Real estate is a capital and labour-intensive industry, thus a rise in cost of labour coupled with shortage due to Covid-19 creates issues in development of the project. Furthermore, unfair practices of certain sections of distributors and the cement industry by raising the price creates issues in project completion.

5. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company's policies and procedures take into account the design, implementation and maintenance of adequate internal financial controls, keeping in view the size and nature of the business. The system ensures adherence to accounting standards, compliance to various statutes, company policies and procedures and effective usage of resources and safeguarding of assets.

The culture of self-governance and internal control sustained through varied set of activities including well defined policies and self-certification on adherence to the policies and procedure.

6. DISCUSSION ON FINANCIAL PERFORMANCE

Net revenue is **2382.36 Lakhs** over the previous year. The Company has earned Profit of **Rs. 521.21 Lakhs** in 2023-24.

7. SIGNIFICANT DEVELOPMENTS IN HUMAN RESOURCES

There is no material development in human resources and industrial relations are cordial.

8. CAUTIONARY NOTE

Statement in this report describing the Company's objectives, projections, estimates and expectations may be 'forward looking statements' within the meaning of applicable laws and regulations. Although we believe our expectations are based on reasonable assumptions, these forward-looking statements may be influenced by numerous risks and uncertainties which include changes in government regulation, tax regimes and other incidental factors that could cause actual outcomes and results to be materially different from those expressed or implied.

INDEPENDENT AUDITOR'S REPORT ON AUDIT OF ANNUAL STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF PRERNA INFRABUILD LIMITED

Opinion

We have audited the accompanying Statement of Standalone Financial Results of PRERNA INFRABUILD LIMITED ("the Company") for the year ended March 31, 2024 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations"). In our opinion and to the best of our information and according to the explanations given to us, these Standalone Financial Results for the year ended March 31, 2024:

- a. is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Company for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the Standalone Financial Results for the year ended March 31, 2024, section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2024 under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's & Board of Director's Responsibilities for the Standalone Financial Results

This Statement, which includes the Standalone Financial Results is the responsibility of the Company's Board of Directors, and has been approved by them for the issuance. The Statement has been compiled from the related audited standalone financial statements for the year ended March 31, 2024, and interim financial information for the quarter ended March 31, 2024 being the balancing figure between audited figures in respect of the full financial year and the audited year to date figures up to the third quarter of the current financial year. This responsibility includes the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2024 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

PRERNAINFRABUILD LIMITED

- Evaluate the appropriateness of accounting policies used and the reasonableness of estimates and related disclosures made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Standalone Financial Results of the Company to express an opinion on the Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate to them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements and Our Opinion:

As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure (B) to Auditors' Report

Referred to in paragraph 1(f) under "Report on other legal and regulatory requirements" of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of **Prerna Infrabuild Ltd** ("the Company") as of 31st March, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year then ended.

Management Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act 2013 read together with the Rules notified there under to the extent applicable and the other relevant provisions of the Act, pronouncements of the regulatory bodies applicable to the company.

The financial statements have been prepared on going concern and accrual basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

1.2 BASIS OF MEASUREMENT:

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and fair value measurement, wherever applicable and on an accrual method of accounting, except for certain financial assets and liabilities as specified and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

1.3 BASIS FOR CLASSIFICATION OF ASSETS & LIABILITIES:

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets or processing and their realization in cash and cash equivalent, project related assets and liabilities have been classified into current and non-current based on operating cycle of respective projects. The Company has ascertained its operating cycle to be 12 months for the purpose of current - non-current classification for all other assets and liabilities.

1.4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Revisions to accounting estimates are recognized prospectively.

The areas involving critical estimates or judgments are:

- Estimation of Useful life of Property, plant and equipment and intangibles (Note 1.5.i)
- Estimation of impairment (Note 1.5.iv)
- Estimation of taxes (Note 1.5.v)
- Estimation of cost of project for revenue recognition (Note 1.5.vi)
- Estimation of provision and contingent liabilities (Note 25)

1.5 SIGNIFICANT ACCOUNTING POLICIES:

i. PROPERTY, PLANT & EQUIPMENT:

- A.** Property, Plant & Equipment are stated at cost of acquisition or construction net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and other directly attributable costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- B.** Depreciation on fixed assets:
Depreciation is provided based on a pro-rata basis on the useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 on the "Written down value" method in respect of all assets.
- C.** The company had elected to consider the carrying value of all its property, plant and equipment appearing in the financial statements prepared in accordance with Accounting Standards notified under section 133 of the Companies Act 2013 read together with the Rules notified there under and used the same as deemed cost on transition to Ind AS.

ii. INTANGIBLE ASSET

Intangible Assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the company and the cost of asset can be measured reliably.
Intangible Assets are stated at cost, net of accumulated amortization and accumulated impairment loss, if any. Cost includes any expenditure directly attributable on making the asset ready for its intended use.
Intangible assets with finite lives are amortized over their useful economic life. The amortization period and the amortization method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. BORROWING COST:

Borrowing costs attributable to the acquisition, construction or production of qualifying assets (i.e. assets that necessarily take substantial period of time to get ready for their intended use or sale) are capitalized as part of the cost of such asset up to the date when such asset is ready for its intended use or sale. Other borrowing costs are recognized as an expense in the period in which they are incurred. Further, interest earned out of borrowed funds from temporary investments is reduced from the borrowing cost.

iv. FINANCIAL INSTRUMENT:

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

A Financial Asset:-

Initial recognition and measurement:

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit & Loss, transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that the company commits to purchase or sell the asset.

Subsequent Measurement:

For the purpose of subsequent measurement financial assets are classified as measured at:

- Amortized cost
- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI)

(a) Financial Asset measured at amortized cost:

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss. The company while applying above criteria has classified the following at amortized cost:

- (a) Trade receivables
- (b) Investment in Subsidiaries
- (c) Loans
- (d) Other financial assets

(b) Financial Assets Measured at fair value through other comprehensive income:

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(c) Financial Assets at fair value through profit & loss (FVTPL):

Financial Asset are measured at Fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss.

Equity Instruments:-

All investments in equity instruments classified under financial assets are initially measured at fair value, the group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

De-recognition of Financial Assets:-

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured on the date of recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in the statement of Profit & Loss.

Impairment of Financial Assets:-

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model by adopting the simplified approach using a provision matrix reflecting current condition and forecasts of future economic conditions for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (a) Financial Assets that are debt instruments, and are measured at amortized cost e.g. loans, debt securities, deposits, trade receivables and bank balance
- (b) Financial Assets that are debt instruments and are measured at FVTOCI.

- (c) Lease receivables under Ind AS 116.
- (d) Trade receivables or any contractual right to receive cash or another financial asset
- (e) Loan commitments which are not measured at FVTPL
- (f) Financial guarantee contracts which are not measured at FVTPL

B. Financial Liability:

Initial recognition and measurement:

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

Subsequent measurement:

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss

Financial Liabilities at amortized cost:

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

The company is classifying the following under amortized cost

- Borrowings from banks
- Borrowings from others
- Trade payables
- Other Financial Liabilities

Derecognition:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

v. INCOME TAXES:

Income tax expense for the year comprises of current tax and deferred tax. Provision for Current Tax is computed as per Total Income Returnable under the Income Tax Act, 1961 taking into account available deductions and exemptions.

Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized.

vi. REVENUE RECOGNITION:

The Company derives revenues primarily from sale of properties comprising of both commercial and residential units. The Company recognizes revenue when it determines the satisfaction of performance obligations at a point in time and subsequently over time when the Company has enforceable right for payment for performance completed to date. Revenue is recognized upon transfer of control of promised products to customer in an amount that reflects the consideration which the Company expects to receive in exchange for those products.

In arrangements for sale of units the Company has applied the guidance given in IND AS 115, on "Revenue from contracts with customers", by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering sale of units as distinct

performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer.

The full revenue is recognized on sale of property when the company has transferred to the buyer all significant risks & rewards of ownership and when the seller has not to perform any substantial acts to complete the contract.

vii. RETIREMENT & OTHER EMPLOYEE BENEFITS:-

As per explanation provided by the company, as per past records, because of certain basic requirement of continuous services, no employee became eligible for retirement benefits, hence nothing has been provided in the books of accounts towards retirement benefits. Further regarding Provident and other employee's fund, company has not crossed the basic limit, hence PF and other laws are not made applicable to the company.

viii. IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable value is being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized in the year in which an asset is identified as impaired as an expense in the Profit and Loss Account

ix. INVENTORY:

Inventories are valued at the lower of cost and net realizable value.

- A. In case of the inventory of Raw-materials, they are valued at cost using FIFO method.
- B. The Closing stock of WIP has been valued at cost.
- C. The closing stock of finished goods is valued at cost or net realizable value, whichever is less.

x. TRANSACTIONS IN FOREIGN CURRENCY:

- A. Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction.
- B. Monetary items denominated in foreign currencies at the period end are restated at year end rates.
- C. Nonmonetary foreign currency items are carried at cost.
- D. Any income or expense on account of exchange difference either on settlement or on transaction is recognized in the statement of profit and loss.

xi. LEASES:

At the inception of a contract, the Company assesses whether a contract is or contains, a lease. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration.

As a Lessee:

Right of use Asset:

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. At the commencement date, a lessee shall measure the right-of-use asset at cost which comprises initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in

dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease.

Lease Liability:

At the commencement date, a lessee shall measure the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the lessee shall use the lessee's incremental borrowing rate.

Short-term lease and leases of low-value assets:

The Company has elected not to recognize right-of-use assets and lease liabilities for short-term leases that have a lease term of less than 12 months or less and leases of low-value assets, including IT Equipment. The Company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The election for short-term leases shall be made by class of underlying asset to which the right of use relates. A class of underlying asset is a grouping of underlying assets of a similar nature and use in Company's operations. The election for leases for which the underlying asset is of low value can be made on a lease-by-lease basis.

At present there is no lease contract in the company.

xii. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events, it is probable that there will be an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past event, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past event where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount can not be made.

xiii. EARNINGS PER SHARE:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

xiv. CASH AND CASH EQUIVALENTS:

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of unrestricted cash and short-term deposits, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payment and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the Consolidated Financial Results for the year ended March 31, 2024, section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Results for the year ended March 31, 2024 under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's & Board of Director's Responsibilities for the Consolidated Financial Results

Parents Board of Directors and has been approved by them for the issuance The Statement has been compiled from the related audited consolidated financial statements for the year ended March 31, 2024 and interim consolidated financial information for the quarter ended March 31, 2024 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year This responsibility includes the preparation and presentation of the Statement that give a true and fair view of the consolidated net profit and consolidated total comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards. prescribed under Section 133 of the Act. read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the Companies included in the Group and are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies making judgments and estimates that are reasonable and prudent: and the design, implementation and maintenance of adequate internal financial controls. that were operating effectively for ensuring the accuracy and completeness of the accounting records. relevant to the preparation and presentation of the respective financial results that give a true and fair view and are free from material misstatement. whether due to fraud or error, which have been used for the purpose of preparation of this Consolidated Financial Results by the Directors of the Parent. as aforesaid In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable. matters related to going Concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for Overseeing the financial reporting process of the Group.

Auditor's Responsibilities for Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended March 31, 2024 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of estimates and related disclosures made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Consolidated Financial Results of the Company to express an opinion on the Annual Consolidated Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate to them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended, to the extent applicable.

Annexure (B) to Auditors' Report

Referred to in paragraph 1(f) under the heading "Report on other legal and regulatory requirements" of our report of even date.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of PrernaInfrabuild Limited (hereinafter referred to as "the Company") as of 31st March, 2024 in conjunction with our audit of the consolidated financial statements of the Company for the year then ended.

Management's Responsibility for Internal Financial Control

The respective Board of Directors of the Holding company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

PERNAINFRABUILD LIMITED

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes Forming Part of Consolidated Accounts for the year ended 31st March, 2024

NOTE-27 SIGNIFICANT ACCOUNTING POLICIES:

COMPANY OVERVIEW & NATURE OF OPERATIONS:

The Company was incorporated in 1988. The company is a public limited company incorporated and domiciled in India has its registered office at PRERNA, Survey No 820/1, Opp: ananddham Derasar, S G Highway, Makarba. Ahmedabad - 380058, Gujarat, India. The company has its primary listings on the BSE Limited in India. The company's main business is Real Estate and development in residential and commercial segment.

1.1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS: Statement of Compliance:

These financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act 2013 read together with the Rules notified there under to the extent applicable and the other relevant provisions of the Act, pronouncements of the regulatory bodies applicable to the company.

The financial statements have been prepared on going concern and accrual basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

1.2 BASIS OF MEASUREMENT:

The Ind AS Financial Statements have been prepared on a going concern basis using historical cost convention and fair value measurement, wherever applicable and on an accrual method of accounting, except for certain financial assets and liabilities as specified and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

1.3 BASIS FOR CLASSIFICATION OF ASSETS & LIABILITIES:

All the assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets or processing and their realization in cash and cash equivalent, project related assets and liabilities have been classified into current and non-current based on operating cycle of respective projects. The Company has ascertained its operating cycle to be 12 months for the purpose of current - non-current classification for all other assets and liabilities.

1.4 CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Revisions to accounting estimates are recognized prospectively.

The areas involving critical estimates or judgments are:

- Estimation of Useful life of Property, plant and equipment and intangibles (Note 1.5.i)
- Estimation of impairment (Note 1.5.iv)
- Estimation of taxes (Note 1.5.v)
- Estimation of cost of project for revenue recognition (Note 1.5.vi)
- Estimation of provision and contingent liabilities (Note 25)

1.5 SIGNIFICANT ACCOUNTING POLICIES:

i. PROPERTY, PLANT & EQUIPMENT:

A. Property, Plant & Equipment are stated at cost of acquisition or construction net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and other directly attributable costs. Subsequent costs are included in the asset's carrying amount or recognized as a

separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

B. Depreciation on fixed assets:

Depreciation is provided based on a pro-rata basis on the useful life of the assets as prescribed in Schedule II of the Companies Act, 2013 on the "Written down value" method in respect of all assets.

- C.** The company had elected to consider the carrying value of all its property, plant and equipment appearing in the financial statements prepared in accordance with Accounting Standards notified under section 133 of the Companies Act 2013 read together with the Rules notified there under and used the same as deemed cost on transition to Ind AS.

ii. INTANGIBLE ASSET

Intangible Assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the company and the cost of asset can be measured reliably.

Intangible Assets are stated at cost, net of accumulated amortization and accumulated impairment loss, if any. Cost includes any expenditure directly attributable on making the asset ready for its intended use.

Intangible assets with finite lives are amortized over their useful economic life. The amortization period and the amortization method for finite-life intangible assets is reviewed at each financial year end and adjusted prospectively, if appropriate.

iii. BORROWING COST:

Borrowing costs attributable to the acquisition, construction or production of qualifying assets (i.e. assets that necessarily take substantial period of time to get ready for their intended use or sale) are capitalized as part of the cost of such asset up to the date when such asset is ready for its intended use or sale. Other borrowing costs are recognized as an expense in the period in which they are incurred. Further, interest earned out of borrowed funds from temporary investments is reduced from the borrowing cost.

iv. FINANCIAL INSTRUMENT:

A financial instrument is any contract that gives rise to a financial asset of one entity and financial liability or equity instrument of another entity.

A Financial Asset:-

Initial recognition and measurement:

All financial instruments are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Profit & Loss, transaction costs that are attributable to the acquisition of the financial asset, purchase or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place are recognized on the trade date i.e. the date that the company commits to purchase or sell the asset.

Subsequent Measurement:

For the purpose of subsequent measurement financial assets are classified as measured at:

- Amortized cost
- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI)
-

(d) Financial Asset measured at amortized cost:

Financial Assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of Profit & Loss. The company while applying above criteria has classified the following at amortized cost:

- (a) Trade receivables
- (b) Investment in Subsidiaries
- (c) Loans
- (d) Other financial assets

(e) **Financial Assets Measured at fair value through other comprehensive income:**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income (OCI). Interest income measured using the EIR method and impairment losses, if any are recognized in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

(f) **Financial Assets at fair value through profit & loss (FVTPL):**

Financial Asset are measured at Fair value through Profit & Loss if it does not meet the criteria for classification as measured at amortized cost or at FVTOCI. All fair value changes are recognized in the statement of Profit & Loss.

Equity Instruments:-

All investments in equity instruments classified under financial assets are initially measured at fair value, the group may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

De-recognition of Financial Assets:-

Financial assets are derecognized when the contractual rights to the cash flows from the financial asset expire or the financial asset is transferred and the transfer qualifies for Derecognition. On Derecognition of a financial asset in its entirety, the difference between the carrying amount (measured on the date of recognition) and the consideration received (including any new asset obtained less any new liability assumed) shall be recognized in the statement of Profit & Loss.

Impairment of Financial Assets:-

In accordance with Ind AS 109, the company applies expected credit loss (ECL) model by adopting the simplified approach using a provision matrix reflecting current condition and forecasts of future economic conditions for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- (a) Financial Assets that are debt instruments, and are measured at amortized cost e.g. loans, debt securities, deposits, trade receivables and bank balance
- (b) Financial Assets that are debt instruments and are measured at FVTOCI.
- (c) Lease receivables under Ind AS 116.
- (d) Trade receivables or any contractual right to receive cash or another financial asset
- (e) Loan commitments which are not measured at FVTPL
- (f) Financial guarantee contracts which are not measured at FVTPL

B. Financial Liability:

Initial recognition and measurement:

Financial liabilities are recognized initially at fair value plus any transaction cost that are attributable to the acquisition of the financial liability except financial liabilities at FVTPL that are measured at fair value.

Subsequent measurement:

Financial liabilities are subsequently measured at amortized cost using the EIR method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss

Financial Liabilities at amortized cost:

Amortized cost for financial liabilities represents amount at which financial liability is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between the initial amount and the maturity amount.

The company is classifying the following under amortized cost

- Borrowings from banks
- Borrowings from others
- Trade payables
- Other Financial Liabilities

Derecognition:

A financial liability shall be derecognized when, and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

v. INCOME TAXES:

Income tax expense for the year comprises of current tax and deferred tax. Provision for Current Tax is computed as per Total Income Returnable under the Income Tax Act, 1961 taking into account available deductions and exemptions.

Deferred tax is recognized in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that it is probable that future taxable profits will be available against which the asset can be utilized.

vi. REVENUE RECOGNITION:

The Company derives revenues primarily from sale of properties comprising of both commercial and residential units. The Company recognizes revenue when it determines the satisfaction of performance obligations at a point in time and subsequently over time when the Company has enforceable right for payment for performance completed to date. Revenue is recognized upon transfer of control of promised products to customer in an amount that reflects the consideration which the Company expects to receive in exchange for those products.

In arrangements for sale of units the Company has applied the guidance given in IND AS 115, on "Revenue from contracts with customers", by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering sale of units as distinct performance obligations. For allocating the transaction price, the Company has measured the revenue in respect of each performance obligation of a contract at its relative Consolidated selling price. The price that is regularly charged for an item when sold separately is the best evidence of its Consolidated selling price. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer.

The full revenue is recognized on sale of property when the company has transferred to the buyer all significant risks & rewards of ownership and when the seller has not to perform any substantial acts to complete the contract.

vii. RETIREMENT & OTHER EMPLOYEE BENEFITS:-

As per explanation provided by the company, as per past records, because of certain basic requirement of continuous services, no employee became eligible for retirement benefits, hence nothing has been provided in the books of accounts towards retirement benefits. Further regarding Provident and other employee's fund, company has not crossed the basic limit, hence PF and other laws are not made applicable to the company.

viii. IMPAIRMENT OF ASSETS:

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable value is being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized in the year in which an asset

is identified as impaired as an expense in the Profit and Loss Account

ix. INVENTORY:

Inventories are valued at the lower of cost and net realizable value.

- E. In case of the inventory of Raw-materials, they are valued at cost using FIFO method.
- F. The Closing stock of WIP has been valued at cost.
- G. The closing stock of finished goods is valued at cost or net realizable value, whichever is less.

x. TRANSACTIONS IN FOREIGN CURRENCY:

- A. Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction.
- B. Monetary items denominated in foreign currencies at the period end are restated at year end rates.
- C. Nonmonetary foreign currency items are carried at cost.
- H. Any income or expense on account of exchange difference either on settlement or on transaction is recognized in the statement of profit and loss.

xi. LEASES:

At the inception of a contract, the Company assesses whether a contract is or contains, a lease. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration.

As a Lessee:

Right of use Asset:

The Company recognizes a right-of-use asset and a lease liability at the lease commencement date. At the commencement date, a lessee shall measure the right-of-use asset at cost which comprises initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee; and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease.

Lease Liability:

At the commencement date, a lessee shall measure the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the lessee shall use the lessee's incremental borrowing rate.

Short-term lease and leases of low-value assets:

The Company has elected not to recognize right-of-use assets and lease liabilities for short-term leases that have a lease term of less than 12 months or less and leases of low-value assets, including IT Equipment. The Company recognizes the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The election for short-term leases shall be made by class of underlying asset to which the right of use relates. A class of underlying asset is a grouping of underlying assets of a similar nature and use in Company's operations. The election for leases for which the underlying asset is of low value can be made on a lease-by-lease basis.

At present there is no lease contract in the company.

xii. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events, it is probable that there will be an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation.

Contingent liabilities are disclosed when there is a possible obligation arising from past event, the existence of which will be confirmed only by occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arise from past event where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount can not be made.

xiii. EARNINGS PER SHARE:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all potential dilutive equity shares.

xiv. CASH AND CASH EQUIVALENTS:

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of twelve months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of unrestricted cash and short-term deposits, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payment and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.
