KOLKATA DOCTOR RAPE-MURDER CASE

Oppn fuelling B'desh-like protests, says Mamata

CBI reaches Kolkata; Rahul guestions local admin on 'attempt to save accused'

ARCHIS MOHAN & PTI

New Delhi/Kolkata, 14 August

'est Bengal chief minister Banerjee Wednesday alleged that a malicious campaign is underway against her government with the Communist Party of India (Marxist) and Bharatiya Janata Party (BJP) trying to trigger Bangladeshlike protests to capture power.

Tens of thousands of women in Kolkata and across West Bengal are set to march from midnight on Wednesday to protest last week's alleged rape and murder of a 32-year-old doctor at a hospital in Kolkata.

Banerjee's comments come amid mounting criticism from the BJP and Congress, who demanded her resignation.

On Wednesday morning, a team of Central Bureau of Investigation (CBI) officers reached Kolkata to investigate the crime amid allegations that the local administration was trying to protect perpetrators of the crime as the police had arrested one person in the case of the alleged rape and murder of the on-duty doctor in Kolkata's R G Kar Hospital, which took place on August 9.

On Tuesday, the Calcutta High Court handed over the investigation to the CBI. Responding to the "Women, Reclaim

the Night" call given on social media, commoners, college students, homemakers and employees of offices will congregate in key thoroughfares in small towns and big cities, including in various parts of Kolkata on Wednesday night.

Political parties in Bengal, including the Left parties, the Congress, and members of the ruling TMC, have expressed support for the midnight protest call. The BJP took out a protest march in Kolkata on Wednesday afternoon.

According to local media reports, the parents of the victim, in their petition to the Calcutta High Court, have alleged that the post-mortem report indicates that it is a case of gangrape and their daughter's body bore several injury marks, indicating a brutal and violent attack on her.

The congregation of protestors has been timed at 11.55 pm and it coincides with the nation celebrating Independence Day at the stroke of midnight. The protestors said no political party flags will be allowed in rallies.

Congress leader Adhir Ranjan Chowdhury announced his support to the march and said law and order under TMC's rule has hit its lowest point. Veteran TMC Rajya Sabha MP Sukhendu Sekhar Ray, expressing his solidarity with the protesters, said he will also sit on a dharna.

In a post on X, Rahul Gandhi, the Leader of Opposition in the Lok Sabha,

CBI officials at the RG Kar Medical College and Hospital in Kolkata on Wednesday

AIIMS OPD services fall 55% amid resident doc protests

SANKET KOIII

New Delhi, 14 August

Outpatient department (OPD) services and walk-in consultations across hospitals in New Delhi took a hit on Wednesday as the strike by doctors' association entered the third day.

The All India Institute of Medical Sciences (AIIMS), New Delhi, reported a 55 per cent drop in OPD services compared to routine days, while operation theatre services fell by 85 per cent.

A drop of 20 per cent and 40 per cent was reported in laboratory tests and radiological interventions like X-rays and CT scans, respectively. AIIMS generally sees a footfall of 10,000 patients

A similar scene could be witnessed at Safdarjung Hospital and Lok Nayak Jai Prakash Narayan (LNJP) Hospital, where OPD registration was impacted due to the strikes over the last two days.

This comes as resident doctors at all major government hospitals in the

national capital, including AIIMS, Safdarjung, and Ram Manohar Lohia (RML) Hospital, continued to halt all non-urgent elective services on Wednesday, despite warnings by the administration against conducting protests on hospital premises.

The move to continue the strike comes even as the Federation of Resident Doctors' Associations of India (FORDA), which had initially urged for a nationwide strike, called it off after meeting Union Health Minister J P Nadda on Tuesday.

After calling off the strike, the association said that a key outcome of the meeting was the health minister's agreement to form a committee with FORDA's involvement to work on the Central Protection Act for Doctors.

"The ministry has assured that work on this will begin within the next 15 days," FORDA said. The association added that its decision to end the strike Wednesday morning was taken in the interest of the patients.

said the attempt to save the accused instead of providing justice to the victim raises serious questions on the hospital and the local administration in Bengal.

"This incident has forced us to think that if doctors are not safe in a place like a medical college, then how can the parents send their daughters outside for studies? Why are even the strict laws made after the Nirbhaya case unsuccessful in preventing such crimes?" he said.

Every party, every section of the society will have to hold serious discussions and take concrete steps on the continuously increasing incidents against women from Hathras to Unnao, and from Kathua to Kolkata, he added. The TMC hit back pointing out the "dismal track record" of women's safety during previous Congress governments at the Centre, saving "before making such remarks, he should check

Over 400 sexual harassment at work cases every year since 2018

ASHLI VARGHESE

New Delhi, 14 August

India has seen over 400 cases of sexual harassment at work every year since 2018, with an average of 445 cases being reported yearly, according to National Crime Records Bureau (NCRB) data.

Over 419 cases, or about 35 per month, were reported in the country in 2022, the latest year for which data is available.

That year Himachal Pradesh recorded the highest number of sexual harassment cases at the workplace (97), followed by Kerala (83), Maharashtra (46),Karnataka (43).

ing protests after the alleged at RG Kar Medical College rape and murder of a doctor and Hospital in Kolkata at Kolkata's R G Kar Hospital, on Wednesday did not figure among the list of five states that reported the highest number of cases of sexual harassment at offices and workplaces. The state logged one such case

that year. This comes against the backdrop of the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013 (POSH Act), which was enacted more than a decade ago to safeguard and provide mechanisms for addressing sexual harassment.

In FY23, companies reported 1,160 sexual harassment complaints, the highest number in the past decade.

However, only slightly more than half these cases were resolved, according to Economic Data and Analysis, according to NCRB.

Ashoka University.

The data covered a sample of 300 companies, including 100 with the highest market capitalisation (rank 1 to 100). 100 in the middle range (rank 957 to 1,056), and 100 ranked between 1,914 and 2,013 on the NSE.

Meanwhile, the financial year ended March 31, 2023 (FY23) saw 202 pending cases.

The lower number of pending cases compared to the difference between reported and resolved cases is attributed to factors such as complainants withdrawing their complaint applications. or the complainant or the accused leaving the company, the database noted.

On average, 49 sexual harassment cases data from the Centre for reported every day in 2022,

Note: The set of 300 companies includes 100 companies with the highest m-cap, anothe 100 in the middle (from rank 957 to 1,056), and another 100 ranked from 1,914 to 2,013 on the NSE. Rankings are based on their m-cap as on March 31, 2023 *Prevention Of Sexual Harassment Act. 2013
