Sub.: Disclosure of information under Regulation 30 of SEBI LODR Regulations, 2015

Dear Sir / Madam,

In terms of Regulation 30(11) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, this is to inform you that a material price movement was observed in the Company's share price on 22nd January, 2025. However, there was no event / information reported in the mainstream media on 22nd January, 2025, including any impending announcement which could have triggered the material price movement and the price movement would have been market driven.

We would however like to mention that there has been a news report that Argentina's YPF has signed Memorandum of Understanding (MoU) with three Indian firms [including GAIL (India) Limited] for LNG exports, cooperation in lithium, critical minerals and hydrocarbon exploration and production. In this regard, this is to inform that a non-binding MoU with YPF was signed by GAIL (India) Limited along with two other entities to inter-alia establish a cooperative framework to explore, facilitate, and enhance parties' collaboration in energy sector comprising LNG and the mining sector. Additionally, to collaborate with the aim of strengthening and fostering connections in the exploration, production, and development of hydrocarbons for international markets.

This disclosure is in compliance of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,
Yours faithfully,

(Mahesh Kumar Agarwal)
Company Secretary
