With reference to the captioned subject, we hereby furnish the following information

**Whether you/company are aware of any information that has not been announced to the Exchanges which could explain the aforesaid movement in the trading? If so, you are advised to provide the said information and the reasons for not disclosing the same to the Exchange earlier as required under Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

**Response:**

We are not aware of any information that has not been announced to the Exchanges which could have impacted the movement in trading. We would like to highlight that the proposals are still under discussion and since the proposed bill on GST rate rationalisation is yet to be enforced, we do not believe that any intimation to stock exchange is required under regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as there are no regulatory changes yet.
