Godrej Industries' Chemicals Business signs agreement to acquire Business of Savannah Surfactants Limited

Mumbai, November 12, 2024: Godrej Industries' Chemicals Business today announced the signing of a Business transfer agreement with Savannah Surfactants Limited, with the intention to acquire their Food Ester and Emulsifier Business. As a leading player in Oleochemicals, Surfactants, Specialities and Biotech, this transaction will help the company expand its product offerings to Food & Beverages Segment.

Vishal Sharma, Executive Director and Chief Executive Officer, Godrej Industries (Chemicals) said, "In line with our strategy, the acquisition of this unit in the Food Ester and Emulsifier Business will help us to grow our speciality chemicals business. This acquisition is aligned with our commitment towards sustainable growth and innovation."

Located at Goa, Savannah Surfactants Limited has a manufacturing capacity of 5,200 MTPA of finished products.

About Godrej Industries (Chemicals)

Godrej Industries (Chemicals) is one of the oldest businesses of the group, established in 1963. We are focused on being a "Green chemistry" company, dedicated to helping the environment and ensuring a greener and more sustainable future. Today, we are one of India's leading providers of oleochemicals, surfactants, specialty chemicals, and biotech products, all produced largely with renewable feedstocks from vegetable oils.

We drive business through sustainability, customer centricity, and renewable resources-focused chemistries, with a global presence in more than 80 countries. With two manufacturing locations (Maharashtra & Gujarat) and a state-of-the-art R&D Center in India, we specialize in delivering tailored solutions to meet specific applications and performance requirements.

We operate in varied segments like home and personal care, oil and gas, agrochemicals, pharmaceuticals, rubber, chemical & polymer intermediaries, and lubricants & metalworking fluids etc. Our dedication to responsible practices has earned us prestigious awards and certifications, highlighting our global market impact and preference among suppliers and customers.
