## MERCATOR LIMITED

### NOTES FORMING PART OF CONSOLIDATED FINANCIALS FOR THE QUARTER AND YEAR ENDED MARCH 31, 2024

1. A Corporate Insolvency Resolution Process (CIRP) has been initiated against the Mercator Limited (hereinafter referred as “Holding Company” / “Parent Company” / “Company”) vide an order no. CP(IB) 4404/2019 dated February 08, 2021 of the Hon’ble National Company Law Tribunal, Mumbai Bench (‘NCLT’) under the provisions of the Insolvency and Bankruptcy Code, 2016 (‘Code’). Pursuant to the order, the powers of the Board of Directors stand suspended and are vested with Mr. Girish Siriram Juneja, who had been appointed as Interim Resolution Professional (IRP) by the NCLT and later confirmed as a Resolution Professional (RP) by the Committee of Creditors (CoC). As per requirements of the ‘Code’ and ‘CIRP Regulations’, the Resolution Professional had invited expression of Interest (EoI) from prospective Resolution Applicants (PRAs) to submit the Resolution Plan for the Company. The first round of Invitation of EoI was published on April 24, 2021 and the timelines to submit EoI were extended as approved by Committee of Creditors (CoC). Last date to submit EOI as per second round of Invitation of EoI (published on May 18, 2021) was on June 2, 2021 and the Resolution Professional had declared the final list of Resolution Applicants on July 7, 2021. The last date for submission of resolution plan was August 31, 2021, which was thereafter extended to September 6, 2021 basis the request received from the PRAs. The application seeking exclusion of the time period of 88 days i.e. from April 4, 2021 to June 30, 2021 from the overall CIRP period (due to the second wave of Pandemic and various restrictions imposed by Government of Maharashtra) was heard and allowed by the NCLT on August 9, 2021. The CIRP period was extended to November 3, 2021.

Further, since certain Resolutions Plans were in hand which had to be put before CoC for voting, an application seeking extension of the CIRP time period by 90 days was heard and allowed by NCLT on November 11, 2021 whereby the CIRP period was extended up to February 1, 2022. Vide order dated July 26, 2022, honourable NCLT, Mumbai has excluded period from December 28, 2022 to March 2, 2022 from the CIRP period. Accordingly, CIRP period was extended to April 7, 2022.

The Resolution Plans submitted by the Resolution Applicants (RAs) were placed before the Committee of Creditors for their consideration and voting but the resolution plan failed to receive the requisite votes in terms of the provisions of the code. Accordingly, an application for liquidation has been filed in terms of section 33 of the Code.

Further, since certain Resolutions Plans were in hand which had to be put before CoC for voting, an application seeking extension of the CIRP time period by 90 days was heard and allowed by NCLT on November 11, 2021 whereby the CIRP period was extended up to February 1, 2022. Vide order dated July 26, 2022, honourable NCLT, Mumbai has excluded period from December 28, 2022 to March 2, 2022 from the CIRP period. Accordingly, CIRP period was extended to April 7, 2022.

The Resolution Plans submitted by the Resolution Applicants (RAs) were placed before the Committee of Creditors for their consideration and the resolution plan, failed to receive the requisite votes in terms of the provisions of the code. Accordingly, an application for liquidation was filed in terms of section 33 of the Code.

NCLT, Mumbai has ordered the company to be liquidated as a going concern and Mr. Girish Siriram Juneja has been appointed as Liquidator of the company vide its order dated February 21, 2023.

Pursuant to the aforesaid order by NCLT, Liquidator is trying to liquidate the company as a going concern. Accordingly, the financial results of the Company have been prepared on a going concern basis.

These results have been prepared with the same 'Basis of Preparation' as adopted by the erstwhile Board of Directors as prescribed under the Companies Act, 2013 and related regulations. For opening balances of the earlier year as well as transactions made prior to initiation of CIRP, Liquidator has relied on the representations and statements made by the Directors and the KMPs of the Company. 5. The Auditors have expressed a Disclaimer of Opinion on these Financial Results basis the following:

**i. Going Concern**

The financial results of the Company have been prepared on a going concern basis by the management. The company has negative retained earnings as at March 31, 2024, wherein assets are insufficient in comparison to liabilities thereby resulting in erosion of its Net-worth. Further, the Company had since disposed-off substantial part of the Property, Plant and Equipment (PPE). During the quarter ended September 30, 2021, the remaining only two non-operating dredgers which had been arrested by operational creditors, were sold under auction through orders of the respective Hon'ble High Courts. The current liabilities substantially exceed the current assets and large sums of money receivable are in dispute, which is not readily realisable. As referred to in point #1, liquidation process has been initiated by Hon'ble NCLT, Mumbai. It may be noted that in consonance with the directions passed in the order, the Liquidator appointed will initiate the liquidation process as envisaged under Chapter-III of the Code by following the liquidation process given in the Insolvency & Bankruptcy Board of India (Liquidation Process) Regulations, 2016.

The Company's ability to continue as a going concern is dependent upon many factors including continued support from the financial creditors, operational creditors. In view of the opinion of the Directors and KMPs, resolution and revival of the Company is possible in the foreseeable future. Further, the Liquidator is required to make every endeavour to protect and preserve the value of the property of the corporate debtor and manage the operations of the corporate debtor as a going concern.

The management / Liquidator is of the view that they are making best efforts to achieve favourable order in ongoing litigations in order to protect the value of its assets and is making efforts to revive operations. As per rules and regulations of the Corporate Insolvency Resolution Process (CIRP) stipulated under the Insolvency and Bankruptcy Code, 2016, RP received Resolution Plans from the eligible Prospective Resolution Applicants (PRA). The Resolution Plans submitted by the Resolution Applicants (RAs) were placed before the Committee of Creditors for their consideration and voting but failed to receive the requisite votes in terms of the provisions of the code. Accordingly, an application for liquidation was filed in terms of section 33 of the Code. NCLT, Mumbai has ordered to liquidate the company as a going concern vide its order dated February 21, 2023.

Pursuant to the aforesaid order by NCLT, Liquidator is trying to liquidate the company as a going concern. Accordingly, the financial results of the Company have been prepared on a going concern basis.

- ii. As per the Code, the Liquidator has to receive, collate, verify and admit all the claims submitted by the creditors of the Company. Such claims can be submitted to the Liquidator during the Liquidation. The impact of such claims, if any, that may arise has not been considered in the preparation of the unaudited financial results.

Principal portion of loans from financial creditors in the books of the Corporate Debtor have not been restated with the amounts admitted by Liquidator as on Insolvency Commencement Date (“ICD date”) (Rs. NIL million). Total amount of claims towards dues of the financial creditors as on March 31, 2024 stand as under:

		(Rs. In Million)
a.	Amount of Claims received by Liquidator (inclusive of principal and interest component)	26,479.32
b.	Claims provisionally admitted by the liquidator	23,470.68

The last date of the receipt of the claim was 07th April 2023. As on 07th April 2023, the total claim amount is Rs. 22,934.1 million, which includes fresh claims filed during the liquidation process and the claims submitted during the CIRP process. As per clause c of sub-regulation 2 of Regulation 12 of Liquidation of IBBI (Liquidation Process) Regulations, 2016, where a stakeholder does not submit its claims during the liquidation process, the claims submitted by such a stakeholder, and duly collated by the interim resolution professional or resolution professional, as the case may be, during the corporate insolvency resolution process under the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016, shall be deemed to be submitted during the liquidation process.

Secured Financial Creditors including **J.C. Flowers Asset Reconstruction Private Limited, ICICI Bank** and **UTI Structured Debt Opportunities Fund I** realised

their security interest according to section 52 of the Insolvency & Bankruptcy Code, 2016. These financial creditors had following security interest:

- iii. Interest or any other finance cost charges has not been accrued in the books of accounts from the date of commencement of CIR process, i.e. February 8, 2021 onwards, on account of moratorium under section 14 of Code. In view of this, no finance cost other than bank guarantee commission has been debited in the books of accounts of the Company at standalone level during the quarter and year ended March 31, 2024.
- iv. The Company had impaired investment amounting to USD 56.55 million in Non-Cumulative Redeemable Preference Shares (NCRPS) of its wholly owned subsidiary Mercator International Pte Ltd, Singapore (MIPL) in earlier year. Basis the information available with the management until March'21, the step-down Subsidiary Company had last carried out valuation of coal business taking cut-off date December 31, 2020 for the purpose local reporting requirement, which has been carried till date. However, due to on-going events such as commencement of liquidation proceedings in Mercator International Pte. Ltd (MIPL), Singapore with effect from April 9, 2021 and non-availability of financial statements / financial results / financial information of step down coal subsidiaries at Indonesia for the quarter and year ended March 31, 2024, any impact on the valuation is not known as on the date. The coal business is housed in companies which are a subsidiary of

MIPL and given the fact that a liquidation has been ordered in case of MIPL by the High Court of the Republic of Singapore, the coal business will be monetized by the liquidator of MIPL or the receiver appointed by the financial creditor with whom the shares of the subsidiary owning the coal business have been pledged, as the case maybe. The residual value, if any, after settling the debts of the financial and other creditors would be available for redemption of the NCRPS of MIPL held by Mercator Limited. No latest information is available with the management of the Company as on March 31, 2024.

- v. Non-Current Tax Assets as on March 31, 2024 amount to Rs.559.8 million(net) includes Rs. 704.8 million which has not been settled due to on-going tax assessment for various Assessment Years i.e. AY 2003-04 and from AY 2007-08 to AY 2018-19 against which net tax demand of Rs. 867.5 million has been received and contested by the Company. The management is taking steps to resolve the cases with the income tax department.
- vi. Mercator Oil & Gas Limited ('MOGL'), a subsidiary of the Company was engaged in EPC project awarded by ONGC for conversion of their Mobile Offshore Drilling Unit (MODU) 'Sagar Samrat' into a Mobile Offshore Production Unit (MOPU). On September 25, 2018, MOGL received a notice of termination from ONGC for Sagar Samrat Conversion Project after completing almost 96% of the project work. Basis the information available with the management until September 2021, MOGL had initiated arbitration proceedings against ONGC and appointed its Arbitrator and a Tribunal was formed, for which the proceedings were underway. In addition to above, based on the order of Hon'ble Bombay High Court dated July 29, 2019, ONGC had invoked Bank Guarantee amounting to Rs. 1421.9 million which had been accounted in the books of the accounts of MOGL in the earlier years (quarter ended June 30, 2019). Based on the updates available until September 2021 on the progress of the arbitration proceedings, and discussion held in earlier period with the legal counsel, the management is hopeful of a positive outcome in the claim of Rs. 19,467.3 million filed against ONGC. However considering the delay in realizing the said claim amount, the Company has made 100% impairment for an amount of Rs. 35.71 million for the quarter ended March 31, 2024 (Rs. 57.29 million for the year ended March 31, 2024) towards accrued interest on loan given to MOGL. Out of the total outstanding loan of Rs. 1099.65 million, unimpaired amount as on March 31, 2024 is Rs. Nil million after considering a provision for impairment of Rs. 1099.65 million.

Further, one of the operational creditors had filed petition u/s 9 of IBC 2016 before the National Company Law Tribunal (NCLT), Mumbai Bench against MOGL and the said application for initiation of Corporate Insolvency Resolution Process (CIRP) under Section 9 of the Insolvency and Bankruptcy Code, 2016 (IBC) was admitted vide the order of NCLT dated June 30, 2021 (Order). In terms of Section 17 of the IBC, the power of the Board of Directors stands suspended and all such powers stand vested in an Interim Resolution Professional (IRP) appointed vide the said Order and subsequently confirmed as a Resolution Professional (RP) by the Committee of Creditors (CoC) in their meeting held on July 27, 2021. Further, in terms of stipulations contained in Section 14 of the Code, a moratorium has been declared vide the Order prohibiting certain stipulated actions.

In terms of an update received from RP of Mercator Oil and Gas Ltd., the arbitration tribunal had provided further revised schedule of hearing from October 18, 2021 to October 23, 2021 and final hearing from December 6, 2021 to December 11, 2021. ONGC with a view of postponing the trial, filed a writ petition in Bombay High Court, challenging Tribunal's various orders for timely completion of October, 2021 Trial. On October 18, 2021, the Tribunal convened to commence the October Trial. However, ONGC was not present in the trial. On October 19, 2021, the MOGL was served with an un-numbered writ petition to be filed by the ONGC before the Bombay High Court ("Writ Petition"), inter alia seeking a direction to the Tribunal not to proceed with the October Trial till such time as the NCLT decides the Parties' applications, a stay of this Arbitration until final disposal of the Writ Petition, and interim and ad interim reliefs in this regard. The hearing on this petition was fixed for December 15, 2021. ONGC appeared on the October 22, 2021 and requested for new dates for October Trial. Despite MOGL's objections, new dates were for hearing were give as under:

- (a) 10, 20 -22 December, 2021 for Respondent's opening submissions and for completing cross-examination witnesses of both parties;
- (b) 17-20 January, 2022 for Claimant's oral submissions
- (c) 14-17 February 2022 for Respondent's oral submissions
- (d) February 18, 2022 for Claimant's oral submissions in rejoinder.

Further, RP had updated that the last date of submission of Expression of Interest (EOI) by Prospective Resolution Applicants (PRAs) was October 13, 2021. The Resolution Plan was placed before CoC. However, the plan did not secure a majority vote of the CoC and accordingly an application for approval of liquidation of the Company has been approved by the Honorable NCLT, Mumbai.

Pursuant to the public announcement dated June 30, 2021 in relation to invitation for submission of claims against MOGL, the Company has submitted its claim on MOGL for outstanding debt as on July 15, 2021 for a total claim of Rs. 2,227.2 million comprising of Term Loan for a total amount of Rs. 942.1 million and corporate guarantee issued to Axis Bank Ltd. (for and in behalf of MOGL) for a total amount of Rs. 1,285.1 million. The Company has received an acknowledgement of submission of claim from the RP of MOGL who have informed that the Company being a related party of MOGL shall not have any right of representation, participation and voting in a meeting of the CoC. The RP of MOGL has updated that the claim of Mercator Ltd. as a financial creditor for unsecured loans (without voting rights) for Rs. 2,227.2 million have been admitted provisionally by the Interim Resolution Professional for Rs. 942.1 million. The balance amount of claim for Corporate Guarantee executed by Mercator Limited in favour of Axis Bank Limited for various credit facilities by Axis Bank to Corporate Debtor (Rs. 1285.1 million) is admitted as contingent.

A claim of Rs. 19,470 million (USD 262 Mn) was made by the subsidiary company on ONGC. In the view of the management and based on legal advice made available

earlier, an estimated amount of Rs. 12,880 million (USD 173.36 Mn) could probably be awarded as payable to the subsidiary company, basis the last information available with RP/management of the company. However, any impact of the settlement will be known only after completion of the ongoing arbitration proceedings. No latest information is available with the management of the Company as on March 31, 2024.

- vii. The Company has receivable towards loan given of Rs. Nil million (including debentures) to Mercator Petroleum Limited (MPL) as on March 31, 2024, against which impairment of Rs. Nil million has been created and balance outstanding as on March 31, 2024 is Rs. Nil million. During the quarter ended March 31, 2024, the Company has decided not to accrue interest on the loan given to MPL on evaluating the following criteria –
- a. In October, 2019, MPL had received notice of termination from the Ministry of Petroleum and Natural Gas (MOPNG) in compliance with Production Sharing Contract (PSC) for its non-operative oil Block (CB-3) and also had demanded costs and other dues to be determined as per terms and conditions of PSC. Basis the information available with the management until March 21, the management of MPL and the Company is confident of defending the amounts claimed by Directorate General of Hydrocarbon (DGH). In terms of the last update received from IRP, as a part of the Corporate Insolvency Resolution Process (CIRP), IRP had floated an Expression of Interest and had received interest from Public and Private Players in the process. Further, it has come to the knowledge of the Liquidator that the honourable NCLT, Mumbai has approved the resolution plan submitted by Indian Oil Corporation Ltd. vide its order dated November 2, 2023. In terms of such approved resolution plan, the company do not expect to realize any amount from MPL. Hence all the dues

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the statement.

As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. *Our conclusions are elaborated in the 'Basis of Disclaimer of Opinion' section of our report*
- Evaluate the overall presentation, structure and content of the financial result, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
