THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

Step 1 : Access through Depositories CDSL/NSDL e-voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on **Tuesday, 10th September, 2024 at 9:00 A.M.** and ends on **Thursday, 12th September, 2024 and 5:00 P.M.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Friday, 6th September, 2024** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants.** Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. ANNEXURE-IV TO THE BOARD'S REPORT**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****➤ INDUSTRIAL STRUCTURE AND DEVELOPMENT:**

The steel industry, a cornerstone of modern infrastructure, is characterized by a complex structure and dynamic development. The industry has seen significant advancements in technology, improving efficiency and reducing environmental impact, with innovations such as advanced high-strength steels and sustainable practices gaining traction. Geographically, production is concentrated in countries with large-scale industrial capabilities like China, India, and the United States. The industry faces ongoing challenges, including fluctuating raw material costs, regulatory pressures on emissions, and the need for modernization to meet evolving market demands and sustainability goals. The company's role is crucial in bridging the gap between steel manufacturers and consumers, ensuring timely delivery and competitive pricing while managing inventory and logistics efficiently.

➤ OVERVIEW:

The global steel industry is a major economic force driven by its essential role in infrastructure, construction, and manufacturing. Steel production involves significant financial investment, with capital expenditures for new plants and technological upgrades often reaching billions of dollars. Revenue is influenced by fluctuations in raw material costs, steel prices, and global demand. The industry's financial performance is closely tied to economic cycles, with periods of expansion marked by rising steel prices and high demand, while downturns can lead to overcapacity and price volatility. Additionally, ongoing investments in sustainability and technology are reshaping the financial landscape, with a focus on reducing carbon footprints and improving operational efficiencies.

➤ OPPORTUNITY & THREATS:**Opportunities:**

Rapid industrialization and infrastructure development in emerging economies, particularly in Asia and Africa, create substantial demand for steel, offering growth opportunities for traders. Forming alliances with steel producers, manufacturers, and logistics providers can enhance supply chain reliability and create opportunities for exclusive deals and favourable terms. Capitalizing on price volatility by employing effective trading strategies and hedging can help manage risks and seize opportunities for profit.

Threats:

Economic slowdowns or recessions can reduce demand for steel, especially in industries like construction and automotive. This reduced demand can lead to lower prices and decreased sales volumes. Steel trading relies on a complex supply chain involving raw material suppliers, manufacturers, and logistics providers. Disruptions in this supply chain, whether due to geopolitical tensions, natural disasters, or transportation issues, can affect the availability and cost of steel.

➤ COMPETITION:

Companies with lower production costs can often offer more competitive pricing. This can be due to more efficient production processes, access to cheaper raw materials, or economies of scale. High capital requirements and established relationships can limit the entry of new competitors. However, new entrants with innovative approaches or niche focus can still disrupt the market.

➤ SEGMENT WISE AND PRODUCT WISE PERFORMANCE:

Details on segment wise performance of the Company is provided separately in Notes to Accounts.

➤ RISK AND CONCERN:

Steel trading relies on a complex supply chain. Disruptions in transportation, logistics, or production can delay shipments and increase costs. Dependence on specific suppliers for raw materials or finished products can be risky if those suppliers face operational issues or financial instability.

Changes in tariffs, trade agreements, and import/export restrictions can affect the cost and availability of steel, influencing competitive dynamics and profit margins. Compliance with environmental standards and regulations is increasingly stringent. Investments in sustainable practices and technologies may be necessary to meet regulatory requirements and market expectations.

➤ NEW INITIATIVES BY THE COMPANY:

The Management has decided to foray into the business of setting up of solar power plant. The Company is in the process of obtaining various permissions for setting up of Solar Power Plant in the state of Gujarat for a capacity upto 4 MW. In addition to that, the Company has entered into Memorandum of Understanding with Commissioner of Municipalities Administration Government of Gujarat as a part of the Investment Promotion Activity for the Vibrant Gujarat Global Summit 2024 for setting up of Solar Plant.

The Company is quite convinced that the overall productivity, profitability would improve in a sustainable manner, as an outcome of this strategy.

➤ OUTLOOK:

The steel industry is expected to continue evolving with a strong focus on sustainability, technological innovation, and adaptation to changing global economic conditions. As industries worldwide push for greener practices, the steel sector will likely see significant advancements in reducing its environmental footprint and improving efficiency.

Overall, the steel industry remains a critical part of the global economy, with ongoing developments shaping its future trajectory.

➤ INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Board has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and the timely preparation of reliable financial disclosures.

➤ HUMAN RESOURCE:

The Company believes in a culture of inclusion, trust, skill development, empowerment and development for its employees. It considers its human resources as its biggest asset and believes in people at the heart of its human resource strategy which set the Company apart from Company's peers. It also believes that the employees continuously strive to make the organization as inclusive as possible. The Company's organization structure is agile and focused on delivering business results. With regular communication and sustained efforts, it is ensuring that employees are aligned on common objectives and goals of the business. Industrial relations continue to remain cordial.

➤ **HEALTH, SAFETY AND ENVIRONMENTAL PROTECTION:**

The people are the greatest asset, and their safety, health, and well-being is of utmost importance to us. The Company endeavours to provide a safe, conducive and productive work environment to ensure no injury or accident. Several other measures have been taken by the Company to ensure health and safety of its employees. The Company's ethos of environment protection by development of environment friendly processes for effective usage of resources is based on the belief that nature is a precious endowment to humanity.

➤ **CEO AND CFO CERTIFICATION:**

Mr. Ashok Shah, Managing Director and Mr. Hiren Makwana, CFO have given certificate to the board as contemplated in SEBI Listing Regulations.

➤ **CAUTIONARY STATEMENT**

The statements in the "Management Discussion and Analysis Report" section describes the Company's objectives, projections, estimates, expectations and predictions, which may be "forward looking statements" within the meaning of the applicable laws and regulations. The annual results can differ materially from those expressed or implied, depending upon the economic and climatic conditions, Government policies and other incidental factors.

➤ **DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

Operational performance viz. total revenue decreased from Rs. 719.70 Lakhs in the previous financial year to Rs. 535.40 Lakhs in the current financial year. Cash and cash equivalents at the end of the year stood at Rs. 17.32 Lakhs.

Policy on Directors' Appointment and Remuneration

A transparent, fair and reasonable process for determining the appropriate remuneration at all levels of the Company is required to ensure that shareholders remain informed and confident in the management of the Company. To harmonize the aspirations of human resources consistent with the goals of the Company and in terms of the provisions of the Companies Act, 2013 and the rules made thereunder and the Listing Agreement as amended from time to time, policy on nomination and remuneration of Directors on the Board of the Company, Key Managerial Personnel and other employees in the Senior Management is formulated.

The objective of the Policy is to outline a framework to ensure that the Company's remuneration levels are aligned with best industry practices and are good enough to attract and retain competent Directors on the Board, Key Managerial Personnel and Senior Management Personnel of the quality required.

1.1 Appointment criteria and qualifications

- a) A person who is proposed to be appointed as Director of the Company should be eligible to be appointed as Director and must hold Director Identification Number issued by the Central Government and possess such qualification, expertise and experience as prescribed under the Act.
- b) Without prejudice to generality of the above, a person who is proposed to be appointed as an Independent Director shall also be subject to compliance of provisions of Section 149(6).
- c) KMP or Senior Management personnel shall have adequate qualification, expertise and experience in the relevant field for which the appointment is proposed to be made.
- d) The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.

1.2 Term / Tenure

- a) **Managing Director/Whole-time Director/Manager (Managerial Personnel)**
The Company shall appoint or re-appoint any person as its Managerial Personnel for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.
- b) **Independent Director**
- An Independent Director shall hold office for a term of up to five consecutive years on the Board of the Company and will be eligible for reappointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.
- No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

1.3 Evaluation

The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at such interval as deemed fit.

1.4 Removal

The Committee may recommend the Board for removal of a Director, KMP or Senior Management Personnel for reasons recorded in writing. The Procedure for removal of any Director shall be as per the provisions of the Act in this regard.

2.1 Remuneration Policy

- a) The remuneration / compensation / commission etc. to the Managerial Personnel will be determined by the Committee and recommended to the Board for approval which shall be subject to the prior/post approval of the shareholders of the Company and Central Government, wherever required.
- b) The remuneration and commission to be paid to the Managerial Personnel shall be in accordance with the percentage / slabs / conditions as per the provisions of the Act.
- c) Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the limits approved by the Shareholders in the case of Managerial Personnel.

Independent Auditor's Report

To,
The Members,
Ashnisha Industries Limited

Opinion

We have audited the accompanying financial statements of **Ashnisha Industries Limited** ("the Company"), which comprise the balance sheet as at March 31, 2024, and the Statement of Profit and Loss and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its Profit and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared based on the annual standalone financial statements for the year ended March 31, 2024. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that give a true and fair view of the loss and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations, This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on this Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to these financial results, in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and of its Joint Venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure-A a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have obtained all information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by Law have been kept by the Company so far as appears from our examinations of those books;

**Report on the Internal Financial Controls under
Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **M/s Ashnisha Industries Limited** (“the Company”) as of March 31, 2024, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024.

◆ Significant Accounting Policies

• Company Overview

Ashnisha Industries Limited (“the company”) is a listed company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is engaged in the business of trading of various steel products, Trading of goods. The company is listed on Bombay Stock Exchange.

• Statement of Compliance

The Standalone Financial Statements comply, in all material aspects, with Indian Accounting Standards (‘Ind AS’) notified under Section 133 of the Companies Act, 2013 (‘the Act’) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the **Balance Sheet** as at 31 March 2024, the Statement of Profit and Loss, the Statement of Cash Flows and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information.

• Basis for Preparation and Presentation

The Standalone Financial Statements have been prepared on the historical cost basis, except for certain financial instruments and defined benefit plans which are measured at fair value at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as current or non-current as per the **Company’s normal** operating cycle and other criteria set out in the Schedule III to the Act.

• Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on **current/non-current classification**. An asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company’s normal operating cycle. it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company’s normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date

Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

• Property Plant and Equipment

Property, plant and equipment are stated at acquisition cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognized impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalized along with respective asset.

Depreciation is recognized based on the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and equipment is considered based on life prescribed in schedule II to the Companies Act, 2013 for year 2022-23. For year 2023-24

Asset	Useful Life
Office Equipment	5 Years
Furniture	10 Years
Office Premise	60 Years
Vehicle	10 Years
Plant & Machinery	15 Years

- **Financial Instruments**

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

- **Financial Assets**

- ◆ **Classification**

The Company classifies its financial assets in the following measurement categories :

1. Those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
2. those measured at amortised cost.
3. those measured at carrying cost for equity instruments of subsidiaries and joint ventures.

- ◆ **Initial recognition and measurement**

All financial assets, are recognized initially at fair value

- **Financial liabilities and equity instruments**

- **Classification as debt or equity**

Debt and equity instruments are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recorded at the proceeds received, net of direct issue costs.

- **Equity instruments**

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the Standalone Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognised in OCI is reclassified to equity. Dividends from such investments are recognised in the Standalone Statement of Profit and Loss within other income when the Company's right to receive payments is established. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

- **Financial Liabilities**

The Company's financial liabilities comprise borrowings, trade payables and other liabilities. These are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost using the EIR method. The EIR is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period at effective interest rate. The effective interest rate is the rate that exactly discounts estimated future cash payments through the expected life of the financial liability, or, where appropriate, a shorter period.

Financial liabilities at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

Trade and other payables are recognized at the transaction cost, which is its fair value.

- **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market

The principal or the most advantageous market must be accessible by the Company.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use.

- **Revenue recognition**

The Company has adopted Ind AS 115 from 1st April, 2018 and opted for modified retrospective application with the cumulative effect of initially applying this standard recognised at the date of initial application. The standard has been applied to all open contracts as on 1st April, 2018, and subsequent contracts with customers from that date.

Performance obligation :

The revenue is recognized on fulfillment of performance obligation.

- **Sale of product**

The Company earns revenue primarily from sale of Steel Product and Trading of goods. Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component. The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations. The Company's obligation to repair or replace faulty products under standard warranty terms is recognised as a provision.

Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the asset, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.

- **Borrowing costs**

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of qualifying assets is added to the cost of the assets upto the date the asset is ready for its intended use. Capitalization of borrowing costs is suspended and charged to the Standalone Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted. All other borrowing costs are recognised in the Standalone Statement of Profit and Loss in the period in which they are incurred.

- **Taxation**

Tax expense for the year comprises current and deferred tax. The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the Standalone Statement of Profit and Loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The Group's liability for current tax is calculated using tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset to the extent that they relate to taxes levied by the same tax authority and there are legally enforceable rights to set off current tax assets and current tax liabilities within that jurisdiction.

- **Current Tax**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred Tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Standalone financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

- **Earnings per share**

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic earnings per share is computed by dividing the profit or loss after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for treasury shares, bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split.

Diluted earnings per share is computed by dividing the profit/(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares including the treasury shares held by the Company to satisfy the exercise of the share options by the employees

Fair value hierarchy

The following section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value through profit or loss. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

B. Fair value hierarchy for assets**Financial assets measured at fair value at March 31, 2024**

(Rs. in Lakh)

	Level - 1	Level - 2	Level - 3	Total
Financial Assets				
Investment	643.54	--	--	643.54

Financial assets measured at fair value at March 31, 2023

(Rs. in Lakh)

	Level - 1	Level - 2	Level - 3	Total
Financial Assets				
Investment	343.54	--	--	343.54

Notes:

- Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date. This represents mutual funds that have price quoted by the respective mutual fund houses and are valued using the closing Net asset value (NAV).
- Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.
- Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

C. Fair value of financial assets and liabilities measured at amortized cost

The Management has assessed that fair value of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets and trade payables approximate their carrying amounts largely due to their short term nature. Difference between carrying amount of Bank deposits, other financial assets, borrowings and other financial liabilities subsequently measured at amortized cost is not significant in each of the years presented.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

• **Financial risk management**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board has established the Audit Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee holds regular meetings and report to board on its activities. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management of risk
Credit Risk	Cash and cash equivalents, trade receivables, Financial assets measured and amortized cost	Aging Analysis	Diversification of funds to bank deposits, Liquid funds and Regular monitoring of credit limits
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of surplus cash, committed credit lines and borrowing facilities

(a) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to the credit risk from its trade receivables, unbilled revenue, investments, cash and cash equivalents, bank deposits and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.

Trade Receivables

Trade receivables comprise a widespread customer base. Management evaluates credit risk relating to customers on an ongoing basis. If customers are independently rated, these ratings are used. Otherwise, if there is no independent rating, risk control assesses the credit quality of the customer, taking into account its financial position, past experience and other factors. For trade receivables, provision is provided by the company as per the below mentioned policy for the F.Y. 2023-24 :

(Rs. in Lakh)

Particulars	Gross Carrying Amount	Expected Credit losses rate (%)	Expected Credit Losses	Carrying amount of Trade Receivable
Considered for Goods				
0-12 Months	595.66	0	0	595.66
More than 1 Year	257.72	0	0	257.72
Total	853.38	0	0	853.38

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Liquidity Table

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

Trade Payables	566.17	227.39	793.56
Other Financial Liability	--	--	--
Total financial liabilities	569.26	392.95	962.21

(c) Market Risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities.

- Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Company's borrowings are Interest free, So there has been no exposure arise regarding Interest Rate Risk.

(d) Price Risk Exposure

The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the Company diversifies its portfolio. Further these are all debt base securities for which the exposure is primarily on account of interest rate risk. Quotes (NAV) of these investments are available from the mutual fund houses. Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.

Others

- As informed by the management that the loans are interest free, which in our opinion is violation of Section 186 (7) of the Companies Act, 2013.
- Confirmation of the concerned parties for the amount due to them and/or due from them as per accounts of the company are not received. Necessary adjustments, if any, will be made when accounts are reconciled or settled. Balance of sundry debtors and creditors, loans and advances accepted and given in the balance sheet are subject to confirmation.
- In the opinion of board of directors the value of loans and advances and other current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in balance sheet.
- As per National Company Law Tribunal, Ahmedabad Bench Order Dated 29/05/2017 T.P. No. 38/NCLT/AHM/2017, New segment of Trading & Investment Business has been added (Demerged from Leshia Industries Ltd).
- There is carry forward of losses, the company need not to recognize deferred tax assets in the event of non-availability of convincing evidence as to future income.
- The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

Independent Auditor's Report

To
**The Members of
Ashnisha Industries Limited**

Opinion

We have audited the consolidated financial statements of Ashnisha Industries Limited (hereinafter referred to as the "Holding Company" or the "Corporation") and its subsidiaries (Holding Company and its subsidiaries together referred to as the "Group") and its associates, which comprise the consolidated balance sheet as at 31 March 2024, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries (Adzillow Pvt Ltd. (Formerly Known as EZI Ventures PVT. LTD.) as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2024, of its consolidated Profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associate and joint ventures in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on the internal financial controls with reference to the consolidated financial statements and the operating effectiveness of such controls based on our audit.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group and joint operations to express an opinion on the consolidated financial statements, of which we are the independent auditors. We are responsible for the direction, supervision and performance of the audit of financial information of such entities. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

- i. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order.
- ii. As required by section 143(3) of the Act, we report that:
- iii. We have sought and obtained all the information and an explanation which is to the best of our knowledge and beliefs were necessary for the purposes of our audit.
- iv. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- v. The Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- vi. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015, as amended
- vii. On the basis of written representations received from the directors as on 31st March, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024, from being appointed as a director in terms of Section 164(2) of the Act.
- viii. With respect to the other matters included in the Auditor's Report and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. There is no amount required to be transferred, to the investor's education & Protection Fund by the Company.
- ix. In accordance with the Ministry of Corporate Affairs (MCA) mandate effective from 1 April 2023, companies are required to maintain an audit trail for transactions affecting books of accounts. It is noted that Ashnisha Industries Limited has implemented this audit trail reporting feature. This information is disclosed for transparency in our audit report.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/S. ASHNIISHA INDUSTRIES LIMITED** (“the Company”) as of March 31, 2024 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, “internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

• Company Overview

Ashnisha Industries Limited (“the company”) is a listed company domiciled in India and incorporated under the provisions of the Companies Act, 2013. The company is engaged in the business of trading of various steel products, Trading of Goods. The company is listed on Bombay Stock Exchange.

• Basis of preparation and presentation

i. Basis of Preparation

The Consolidated Financial Statements of the Group have been prepared to comply with the Indian Accounting Standards (‘Ind AS’), including the rules notified under the relevant provisions of the Companies Act, 2013. The Consolidated Financial Statements comprises of Ashnisha Industries Limited and its subsidiaries, being the entities that it controls. Controls are assessed in accordance with the requirement of Ind AS 110 - Consolidated Financial Statements.

ii. Basis of Measurement

The financial statements have been prepared on a historical cost basis, except for the following :

- Certain financial assets and liabilities (including derivative instruments) that are measured at fair value (refer accounting policy regarding financial instruments)
- Asset held for sale and biological Assets – Measured at fair value less cost to sell;
- Defined benefit plans – Plan assets measured at fair value less present value of defined benefit obligation; and
- Share-based payments

• Basis of Consolidation

- a) The financial statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- b) Profits or losses resulting from intra-group transactions that are recognized in assets, such as Inventory and Property, Plant and Equipment, are eliminated in full.
- c) Goodwill represents the difference between the Company’s share in the net worth of subsidiaries and the cost of acquisition at each point of time of making the investment in the subsidiaries.
- d) The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances.
- e) The Financial statements of the current financial year are consolidated financial statements, whereas the comparative information is standalone financial statement of preceding financial year.

• Functional and Presentation Currency :

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates (“the functional currency”). Indian Rupee is the functional currency of the company.

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification an asset is classified as current when it satisfies any of the following criteria:

- It is expected to be realised in, or is intended for sale or consumption in, the Company’s normal operating cycle. it is held primarily for the purpose of being traded;
- it is expected to be realised within 12 months after the reporting date; or
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

All other assets are classified as non-current.

A liability is classified as current when it satisfies any of the following criteria:

- it is expected to be settled in the Company's normal operating cycle;
- it is held primarily for the purpose of being traded;
- it is due to be settled within 12 months after the reporting date; or the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

- **Property, plant and Equipment**

Property, plant and equipment are stated at acquisition cost net of tax / duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. Properties in the course of construction are carried at cost, less any recognized impairment losses. All costs, including borrowing costs incurred up to the date the asset is ready for its intended use, is capitalized along with respective asset.

Depreciation is recognized based on the cost of assets less their residual values over their useful lives, using the straight-line method. The useful life of property, plant and considered based on life prescribed in schedule II to the Companies Act, 2013 for year 2023-24.

Asset	Useful Life
Office Equipment	5 Years
Furniture	10 Years
Office Premise	60 Years
Vehicle	10 Years
Plant & Machinery	15 Years

- **Financial Instruments**

Financial assets and financial liabilities are recognized when an entity becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

- **Financial Assets**

- ◆ **Classification**

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through OCI, or through profit or loss), and
- Those measured at amortized cost.
- Those measured at carrying cost for equity instruments of subsidiaries and joint ventures.
- Initial recognition and measurement

All financial assets, are recognized initially at fair value

- **Financial liabilities and equity instruments**

- ◆ **Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

- **Equity instruments**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

- **Financial liabilities**

All financial liabilities are measured at amortized cost using the effective interest method or at FVTPL.

- **Financial liabilities at amortized cost**

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortized cost are determined based on the effective interest method. Interest expense that is not capitalized as part of costs of an asset is included in the 'Finance costs' line item.

Trade and other payables are recognized at the transaction cost, which is its fair value.

- **Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the financial asset or settle the financial liability takes place either:

- In the principal market, or
- In the absence of a principal market, in the most advantageous market

The principal or the most advantageous market must be accessible by the Company.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use.

- **Revenue recognition**

The Company has adopted Ind AS 115 from 1st April, 2020 and opted for modified retrospective application with the cumulative effect of initially applying this standard recognised at the date of initial application. The standard has been applied to all open contracts as on 1st April 2020, and subsequent contracts with customers from that date.

Performance obligation :

The revenue is recognized on fulfillment of performance obligation.

- **Sale of products :**

The Company earns revenue primarily from Steel products, Trading of Goods. Payment for the sale is made as per the credit terms in the agreements with the customers. The credit period is generally short term, thus there is no significant financing component.

The Company's contracts with customers do not provide for any right to returns, refunds or similar obligations. The Company's obligation to repair or replace faulty products under standard warranty terms is recognised as a provision.

Revenue is recognised when the performance obligations are satisfied and the control of the product is transferred, being when the goods are delivered as per the relevant terms of the contract at which point in time the Company has a right to payment for the asset, customer has possession and legal title to the asset, customer bears significant risk and rewards of ownership and the customer has accepted the asset or the Company has objective evidence that all criteria for acceptance have been satisfied.

- **Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction, or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

- **Taxation**

Tax on Income comprises current and deferred tax. It is recognized in statement of profit and loss except to the extent that it relates to a business combination, or items recognized directly in equity or in other comprehensive income.

- **Current tax**

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments / appeals. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

- **Deferred tax**

Deferred tax is recognized for the future tax consequences of deductible temporary differences between the carrying values of assets and liabilities and their respective tax bases at the reporting date, using the tax rates and laws that are enacted or substantively enacted as on reporting date. Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary differences can be utilized. Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss, either in other comprehensive income or directly in equity. The carrying amount of deferred tax assets is reviewed at each reporting date.

- **Earnings per share**

The Company presents basic and diluted earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to the ordinary shareholders of the company by the weighted average number of ordinary shares outstanding during the period. Where ordinary shares are issued but not fully paid, they are treated in the calculation of basic earnings per share as a fraction of an ordinary share to the extent that they were entitled to participate in dividends during the period relative to a fully paid ordinary share. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Fair value hierarchy

The following section explains the judgments and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value through profit or loss. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial investments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

B. Fair value hierarchy for assets**Financial assets measured at fair value at March 31, 2024**

(Rs. in Lakh)

	Level - 1	Level - 2	Level - 3	Total
Financial Assets				
Investment	358.73	--	--	358.73

Financial assets measured at fair value at March 31, 2023

(Rs. in Lakh)

	Level - 1	Level - 2	Level - 3	Total
Financial Assets				
Investment	58.73	--	--	58.73

Notes:

- Level 1 hierarchy includes financial instruments measured using quoted prices (unadjusted) in active market for identical assets that the entity can access at the measurement date. This represents mutual funds that have price quoted by the respective mutual fund houses and are valued using the closing Net asset value (NAV).
- Level 2 hierarchy includes the fair value of financial instruments measured using quoted prices for identical or similar assets in markets that are not active.
- Level 3 if one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted compound instruments.

There are no transfers between any of these levels during the year. The Company's policy is to recognize transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

C. Fair value of financial assets and liabilities measured at amortized cost

The Management has assessed that fair value of loans, trade receivables, cash and cash equivalents, other bank balances, other financial assets and trade payables approximate their carrying amounts largely due to their short term nature. Difference between carrying amount of Bank deposits, other financial assets, borrowings and other financial liabilities subsequently measured at amortized cost is not significant in each of the years presented.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

• **Financial risk management**

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board has established the Audit Committee, which is responsible for developing and monitoring the Company's risk management policies. The Committee holds regular meetings and report to board on its activities. The Company's risk management policies are established to identify and analyses the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management of risk
Credit Risk	Cash and cash equivalents, trade receivables, Financial assets measured and amortized cost	Aging Analysis	Diversification of funds to bank deposits, Liquid funds and Regular monitoring of credit limits
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of surplus cash, committed credit lines and borrowing facilities

(a) Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. The company is exposed to the credit risk from its trade receivables, unbilled revenue, investments, cash and cash equivalents, bank deposits and other financial assets. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets.

Trade Receivables

Trade receivables comprise a widespread customer base. Management evaluates credit risk relating to customers on an ongoing basis. If customers are independently rated, these ratings are used. Otherwise, if there is no independent rating, risk control assesses the credit quality of the customer, taking into account its financial position, past experience and other factors. For trade receivables, provision is provided by the company as per the below mentioned policy :

(Rs. in Lakh)

Particulars	Gross Carrying Amount	Expected Credit losses rate (%)	Expected Credit Losses	Carrying amount of Trade Receivable
Considered for Goods				
0-12 Months	595.66	0	0	595.66
More than 1 Year	952.72	0	0	952.72
Total	1548.38	0	0	1548.38

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Liquidity Table

The Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods is given below. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

(c) Market Risk

Market risk is the risk arising from changes in market prices – such as foreign exchange rates and interest rates – will affect the Company's income or the value of its holdings of financial instruments. The Company is exposed to market risk primarily related to interest rate risk and the market value of the investments. Thus, the exposure to market risk is a function of investing and borrowing activities.

- Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

Company's borrowings are Interest free, So there has been no exposure arise regarding Interest Rate Risk.

(d) Price Risk Exposure

The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the Company diversifies its portfolio. Further these are all debt base securities for which the exposure is primarily on account of interest rate risk. Quotes (NAV) of these investments are available from the mutual fund houses. Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.

Others

- As informed by the management that the loans are interest free, which in our opinion is violation of Section 186 (7) of the Companies Act, 2013.
- Confirmation of the concerned parties for the amount due to them and/or due from them as per accounts of the company are not received. Necessary adjustments, if any, will be made when accounts are reconciled or settled. Balance of sundry debtors and creditors, loans and advances accepted and given in the balance sheet are subject to confirmation.
- In the opinion of board of directors the value of loans and advances and other current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in balance sheet.
- As per National Company Law Tribunal, Ahmedabad Bench Order Dated 29/05/2017 T.P. No. 38/NCLT/AHM/2017, New segment of Trading & Investment Business has been added (Demerged from Leshia Industries Ltd).
- There is carry forward of losses, the company need not to recognize deferred tax assets in the event of non-availability of convincing evidence as to future income.
- The previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amounts and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.
