The Board of Directors

Bengaluru.

1. We have reviewed the accompanying Statement of Unaudited Standalone financial results of Kirloskar Electric Company Limited ('the Company') for the quarter and six months ended September 30, 2022 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Regulation") read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ("the Circular").
2. This Statement, which is the responsibility of the company's management and approved by the Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (Ind AS 34) - Interim Financial Reporting, prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder as applicable and other accounting principles generally accepted in India, read with the Circular. Our responsibility is to express an opinion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. **Basis of Qualified Opinion:**
Attention of the Directors is invited to note 4 to the unaudited financial results regarding the amounts due to the Company from certain subsidiaries towards part consideration receivable on sale/assignment of certain immovable properties, receivables, interest charged and expenses reimbursed. The amounts due from the said subsidiaries aggregates to ₹11,430.08 lakhs (₹11,762.42 lakhs as at March 31, 2022). Pending disposals/realization of assets by the subsidiaries, relying on the Management Representation, provision of ₹ 8,400.77 lakhs as at September 30, 2022 is recognized. Any shortfall in the realization of the amount outstanding (net of provision), if any, could not be ascertained.
5. Based on our review conducted and procedures performed as per paragraph 3 above except for the effects in respect of the matter stated in the paragraph on "Basis of Qualified Opinion" and read with note 4 to the unaudited financial results, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. Key Audit Matters:

- a) Note 6 of the unaudited financial results - The directors have detailed the reasons for preparing these unaudited financial results on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associate) has accumulated losses and their net worth (after excluding Revaluation Reserve) is eroded. There are certain overdue payments to creditors. During the previous year ended March 31, 2022, the Company has repaid all the term loans including the loan assigned to Asset Reconstruction Company India Limited (ARCIL) which was restructured under JLF mechanism.

We have relied on the representations made by the Company and the appraisal of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. The appropriateness of the said basis of Going Concern is subject to the Company adhering to the restructuring plan and infusion of requisite funds. Hence, we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

7. Emphasis of Matter:

Without modifying our opinion, we invite the attention of the directors to:

- b) Note 7 of the unaudited financial results, which states that the Company has filed Special Leave Petition in respect of demands of resale tax penalty of ₹527 lakhs before the honorable Supreme Court of India. The Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.
