Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 – Commencement of commercial production of EV Chargers at a manufacturing facility located in Coimbatore from the 10th of February, 2025.

Dear Sir/Madam,

Reference to the captioned subject and pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, we are pleased to inform you that Epic EV Chargers Pvt Ltd (EEVCPL) is set to commence commercial production at its cutting-edge EV charger manufacturing facility in Coimbatore on February 10, 2025. Established under the aegis of EEVCPL, the facility is backed by Epic, which holds a 76% equity stake, while the remaining 24% is held by Fenfeo Automation Pvt Ltd (Fenfeo).

EEVCPL will manufacture a comprehensive range of AC and DC chargers, spanning capacities from 3.3 kWh to 60 kWh, under Fenfeo's flagship brand, RapidEVChargeE. The facility boasts an impressive installed annual capacity of 15,000 EV chargers, reinforcing its commitment to meeting the growing demand for EV charging infrastructure.

Leadership Perspectives

Speaking on the occasion, Mr. Sivasubramaniam, Director of Operations at EEVCPL and Chief Promoter of Fenfeo, stated:

"India's EV charging infrastructure is at a pivotal juncture, poised for exponential growth. At EEVCPL, research and innovation are the foundation of our success. We leverage cutting-edge technology, and the software powering our flagship product, RapidEVChargeE, offers intuitive, user-friendly features that position it as a global leader in the EV charging space."

Mr. Nikhil Morsawala, Group CFO of Epic, emphasized the company's global vision, stating:

"Our credo is 'Make in India, Make for the World.' We are gearing up to introduce our products to international markets soon."

Ms. Priya Joshi, Director of Epic, highlighted the company's commitment to sustainability:

"This marks a small yet significant step in our mission to integrate green energy into everyday life. We are working towards launching a comprehensive Solar Charging Solution, complementing our EV chargers, to make electric mobility truly sustainable and environmentally friendly."

With this launch, EEVCPL is set to play a pivotal role in shaping the future of EV charging, both in India and beyond.

Please acknowledge and take the same on your records.

Thanking you,

Yours faithfully,

For Epic Energy Limited
