# Selection of PSUs for Listing in the Works to Unlock Value

## Govt expects to boost corporate governance and competitive edge of state-run firms

By Anil Kumar Pattanayak

New Delhi: The government has initiated a process to identify state-run companies that can be listed, as it seeks to attract private investors for increasing investor appetite for scrips of public sector enterprises (PSEs) as part of the development. National Stock Exchange and Central Board of Secondary Education are among the first set of candidates for listing, as per preliminary discussions with the regulator. Meanwhile, the proposed listing of PSEs, which has an 8% share in India's overall credit and money market, is being expedited, they said. There are 120 unlisted non-financial public sector enterprises (PSEs) as per the Department of Investment and Public Asset Management (DIPAM) data.

### PSU Valuation Remains High

Market valuation of PSEs

Market cap	₹28.55 Cr
Price/earnings	46.84 Cr
Price/book value	₹20.21 Cr
Price/cash flow	₹26.49 Cr

Expected listing benefits: More transparent corporate governance, Greater accountability, Greater competitive spirit, Limited or no staff resistance.

### Going Big in the Port Canals

AA may develop airport, NTPC power unit

New Delhi: The proposed 60,000-crate Great Nicobar Island International Container Terminal will be supported by a 400 megawatt liquefied natural gas (LNG) based power plant and a greenfield international airport at the island.

# ADB Retains India's FY25 GDP Growth at 7%

## Cautions that forecast must be weighed against downside risks arising from weather events & geopolitical shocks

By Our Bureau

New Delhi: The Asian Development Bank (ADB) has retained India's gross domestic product (GDP) growth forecast for FY25 at 7%, as it remains strong, led by public investment in infrastructure driven by housing, it said.

### 2024 Projections at a Glance

Country	Growth (%)	Inflation (%)
India	7.0	4.6
Philippines	6.0	3.8
Vietnam	6.0	4.0
Indonesia	5.0	2.8
China	4.8	0.5

The IMF had revised India's growth forecast for FY25 to 7% from 6.8% projected in April.

### India's Growth Outlook

ADB also said, export growth will continue to be led by services, with merchandise exports showing relatively weaker growth.

# 2 Cabinet Notes on IPEF's Clean, Fair Economy Soon

By Kiritika Suneja

New Delhi: The commerce and industry ministry is finalising two cabinet notes for the Indo-Pacific Economic Framework (IPEF) as the inter-ministerial discussions are almost complete.

### FOUR PILLARS

IPEF is structured around four pillars: trade, supply chains, clean energy and fair economy

The IPEF is structured around four pillars: trade, supply chains, clean energy and fair economy. It aims to enhance economic resilience and growth in the Indo-Pacific region.
