New Order awarded by Oil and Natural Gas Corporation (ONGC) Limited

New Delhi, Friday, December 20, 2024 United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is with great pleasure to announce the **Award of New Order** conferred upon UDTL from reputed PSU namely **ONGC Ltd.** for one of our product line i.e; **Large OD casing pipe with multi start connectors** worth **INR 552 MN (including GST)**. The company is committed to completing the current order in the next 6 months, ensuring all milestones are met and the project is to be delivered with the highest standards of quality and efficiency.

This order reflects the customers' trust in the Company's technological expertise and execution capabilities and ensure its continued success and strong reputation among stakeholders.

UDTL operates in a dynamic and rapidly evolving market, yet it remains a foundation of stability and growth. UDTL is India's first and only manufacturing company producing multi-start connectors. These products have enabled oil companies to achieve significant savings in both time and foreign exchange while oil well drilling operations. Previously, such connectors had to be imported from foreign manufacturers by Indian pipe mills.

Commenting on the order book position, Shri Pramod Kumar Gupta, Chairman-cum-Managing Director said, It is with great pleasure that we announce the successful receipt of this prestigious order despite facing intense competition from industry leaders. We are excited about this accomplishment and remain committed to delivering the highest quality of products at unmatched price.

Over the years, the company has significantly impacted oil & gas industry through its innovatory initiatives, strategic vision, and unwavering dedication to sustainable practices and corporate responsibility.

This award not only honors the company's achievements but also underscores its vision for a future defined by progress, inclusivity, and positive change. We are confident in UDTL's continued success and its meaningful contributions to the Oil and Gas Industry, fulfilling the aspirations of all its stakeholders.
