Subject: Clarification on Increase in Volume

Dear Sir/Ma'am,

This is with reference to e-mail dated December 24, 2024 as received from you, seeking clarification on significant increase in the volume of your security across Exchanges, in the recent past.

We would like to inform you that the Company has intimated from time to time to the Exchanges of all the events, information etc. that have a bearing on the operation and performance of the Company which include all price sensitive information as required to be disclosed under Regulation 30 and other applicable regulations of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time.

The Company has not withheld any material information or events (including impending announcement) which in our opinion would have a bearing on the price/volume behaviour in the scrip of the Company. In the event there is any information, event etc. that requires disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we will make the same in accordance with the regulatory requirements.

Therefore, the increase in volume of the Company's security is purely due to market conditions and absolutely market driven and the management of the Company is in no way connected with any such movement in price of the securities of the Company.

We request you to take this as a clarification to your mail and acknowledge the receipt.

Thanking you,

Yours Faithfully
