The Board of Directors

1. We have reviewed the accompanying statement of unaudited standalone financial results of **iStreet Network Limited** ('the Company') for the quarter ended September 30, 2024 and the year to-date results for the period from April 01, 2024 to September 30, 2024 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('the Regulations').
2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting', prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder ('Ind AS 34') and other recognised accounting principles generally accepted in India and is in compliance with the Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared by the Company in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards ('Ind AS') 34 prescribed under Section 133 of the Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted

in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement except that, Company has been incurring losses and also the net worth of the Company has turned negative. Further, the Company is classified into the Graded Surveillance Measure (GSM) list by BSE since 2017. The Company has suspended its Internet Retail operation and has moved forward to providing services in the area of Artificial Intelligence (AI). The company had issued 70 Lacs equity warrants in earlier years which was to be subscribed within 18 months from the date of issue. Since the warrants were not subscribed with the said timelines, the same were forfeited by the Company. The Company is in the process of raising additional funds for building necessary strengths for this new business opportunity in AI. In view of this, the unaudited financial results for the quarter ended September 30, 2024 and the year to-date results for the period from April 01, 2024 to September 30, 2024 of the Company are prepared on going concern basis.

Our conclusion is not modified in respect of the above matter.
