KP Group appoints Dr. Alok Das, an Alumna of IIT Kanpur and RE Industry Veteran as Group CEO

Surat, 11th November 2024 - KP Group, a leading player in the renewable energy sector, is pleased to announce the appointment of Dr. Alok Das as the new Group Chief Executive Officer (CEO), effective on 11th November 2024.

Dr. Alok Das brings over 30 years of extensive experience in the Renewable Energy industry, specializing in wind, solar, hybrid energy systems, green hydrogen and ammonia including offshore technologies coupled with, other allied RE services in the sector, which will help KP Group towards rapid growth of future. He has a proven track record of leading various renewable energy projects, fostering international business development, and advocating for sustainable energy policies across India and other countries. An alumna of IIT Kanpur and holding PhD in Renewable Energy and hands-on leadership in strategic planning, project management, and business growth, Dr. Das is poised to lead KP Group to new heights in renewable energy innovation and operational excellence.

He has also held leadership positions at Suzlon Energy, Reliance Energy and NEPC Micon Limited, where he managed renewable and conventional power projects, driving growth and operational efficiency in the country. His pivotal role in shaping the policy & Regulatory environment since 1993 i.e. from inception of Renewable Energy initiatives in India has greatly advanced the Industry.

A recognized thought leader in renewable energy, Dr. Das is actively involved with various industry organizations, including the Confederation of Indian Industry (CII), the Gujarat Chamber of Commerce and Industry (GCCCI), and the Canada India Business Council (C-IBC). He also serves as Chair of the Renewable Energy Subcommittee at the Federation of Indian Chambers of Commerce and Industry (FICCI) in Gujarat.

Dr. Das's leadership will be instrumental in driving KP Group's continued advancements in renewable energy initiatives. With his visionary guidance, KP Group is confident in its ongoing efforts to expand and diversify the renewable energy sector, reinforcing its commitment to a sustainable energy future.

About KP Group

Founded in 1994 by Dr. Faruk G. Patel, KP Group has grown to become a highly respected conglomerate in Gujarat. Originally established as a logistics service provider, the group has expanded over the years into diverse sectors, achieving cumulative commissioning of 1.37+ GW of renewable energy projects.

With more than 30 years of successful operations, KP Group now comprises multiple companies, each playing a vital role in its steady and dynamic growth. In the past decade, KP Group has experienced remarkable growth through strategic diversification into fabrication and galvanizing, renewable energy (solar and wind), and telecom infrastructure. Key entities within the group include KPI Green Energy Limited, KP Energy Limited, KP Green Engineering Limited, and KP Human Development Foundation. Through its expansion in renewable energy, KP Group continues to support India's industrial progress and economic development, aligning with the nation's push for sustainable growth in solar and wind energy.
