## INDEPENDENT AUDITOR'S REPORT ON AUDIT OF THE STANDALONE FINANCIAL RESULTS

#### TO THE BOARD OF DIRECTORS OF JIYA ECO PRODUCTS LIMITED

## Report on the audit of the Standalone Financial Results

#### **Disclaimer of Opinion**

We have audited the accompanying statement of quarterly and year to date standalone financial results of **Jiya Eco Products Limited** (the "company") for the quarter ended 31st March, 2024 and the year to date results for the period 1st April, 2023 to 31st March, 2024, ("Statement") attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations. 2015 as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

We do not express an opinion on the accompanying financial statements of the Company. Because of the significance of the matter described in the 'Basis for Disclaimer of Opinion' section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

#### **Basis for Disclaimer of Opinion**

As informed by the Director/Suspended Management/Resolution Professional and various points pertaining to various elements of the financial statements as mentioned below may require necessary adjustments / disclosures in financial statements including material uncertainty regarding Company's ability to continue as a going concern and may have material and pervasive impact on the financial position of the Company for the year ended and as at 31 March, 2024. As per requirements of the 'Code' and 'CIRP Regulations' Resolution Professional has invited expression of Interest (Eol) from prospective Resolution Applicants (PRAs) to submit the Resolution Plan for the Company. The books of account of the company have been prepared on going concern basis. Accordingly, pending following adjustments and unavailability of sufficient and appropriate audit evidence, we are unable to express our opinion on the attached financial statements of the Company.

1. The Company has been facing liquidity issues and was unable to discharge its dues to its creditors. With effect from 19 May, 2021, the Company had to temporarily suspended its operations owing to critical liquidity position. Before and after temporary suspension of operations, all the members of the Board of Directors, Key Managerial Persons ("KMPs") including CEO, CFO, company secretary and other employees of the Company resigned from their respective positions which had severe impact on all functions of the Company. Based on the petitions filed by financial creditors, the Hon'ble NCLT, Ahmedabad Bench, passed the order for initiation of CIRP under section 7 of the Insolvency and

Bankruptcy Code, 2016 (As amended and hereinafter referred to as "the Code") appointing Mr. Keyur J Shah as Interim Resolution Professional, subsequently confirming Prawin Charan Dwary as the Resolution Professional. ("RP") vide NCLT order dated 17.07.2023 under the provisions of the Code. Due to absence of CFO, Company Secretary and other officials who were primarily responsible for the book keeping and closure process and financial reporting, upon insistence of the RP, the suspended management made all practical and reasonable efforts from time to time to gather details to prepare these financial statements. These financial statements belong to the period comprising of pre CIRP period, hence as informed to us these financial statements have been prepared with the same 'Basis of Preparation' as adopted by the erstwhile board of directors under section 134(5) under Companies Act, 2013 and related regulations, while highlighting/addressing any material departures as per the current condition and events which occurred subsequent to the Balance Sheet date. We have been informed that for the closing balances as on 31 March 2024 and period prior to initiation of CIRP, the RP has taken on record the representations and statements made by remaining staff Head of department and accounts, finance and tax team of the company. We have been given to understand that RP has signed the attached financial statements for the limited purpose of compliance and discharging his duty under the CIRP, as governed by the Code.

- 2. As informed by the Director/Suspended Management/Resolution Professional, certain information including the minutes of meetings of the CoC and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and same could not be shared with anyone other than the Committee of Creditors and Hon'ble NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation / disclosures etc., if any, that may arise if access to above mentioned documents would have been provided to us.
- 3. Basis the information and explanations provided to us, as part of RP's responsibility under the CIRP, the Director/Suspended Management/Resolution Professional has sent recovery notices to certain parties having outstanding trade receivables/ loans & advances, security deposits etc., however, RP could not receive adequate response. As required by Standards on Auditing (SA's), we could not carry out/complete certain mandatory audit procedures like attending physical verification of inventories, obtaining direct confirmations from banks/ trade receivables / loans & advances/ trade and other creditors, etc. due to various factors. Accordingly, we could not obtain sufficient and appropriate audit evidence for adequacy and reasonableness of management estimates for various provisions, fair valuation/ net realizable value of various assets etc. These matters can have material and pervasive impact on the financial statements. Consequential impact, if any, of matters described below, on the recognition of certain components in financial statement including its presentation / disclosure is currently not ascertainable. Certain such matters pertaining to major elements of financial statements are mentioned below:

#### a) Tangible and intangible assets:

- In light of the ongoing Corporate Insolvency Resolution Process (CIRP) initiated on April 24, 2023, with a Resolution Professional (RP) appointed on July 17, 2023, the company has refrained from conducting impairment testing on its assets until the resolution process concludes. This decision is reflective of the uncertainties associated with the CIRP, and the company will address impairment assessments at an appropriate juncture post the resolution outcome.
- Basis the information and explanation provided to us the Resolution Professional (RP)
  has assumed control of assets situated across multiple locations in India to secure
  assets, limited to the Factory in Bhavnagar, an unoccupied Shop in Surat, and an
  unoccupied Flat in Ahmedabad.

External valuation for investments has not been conducted in the current year as the business plan for subsidiary is in a flux given substantial dependency on the outcome of the IBC proceeding of holding company. Due to temporary suspension of operations of Jiya Eco Products Limited on 19 May 2021, there has been a reduction in revenue of Jiya Eco India Limited. Based on the confirmation received from Jiya Eco Products Limited's management, during the year, Jiya Eco India Limited's revenue were wholly depended on the production of Jiya Eco products Limited and hence associated revenues were low and there also lies a significant uncertainty in the future projections about revenue of Jiya Eco India Limited. Hence, it was not feasible to determine impact of impairment if any for Company's investment in Jiya Eco India Limited as included in note to financial statements.

#### c) Loans and advances:

Basis the information and explanations provided to us; the RP has sent recovery notices to certain parties especially w.r.t. security deposits. In addition, prior to initiation of CIRP, certain parties have utilized these deposits against their pending dues from the Company and have filed claims with RP under CIRP. Pending outcome of the CIRP, we are unable to comment whether loans and advances have been fairly stated in the financial statements.

- d) Other non-current assets: It includes capital advances and deposits with Government authorities:
  - In case of capital advances especially given for purchase of machineries, balances are either
    not confirmed or not reconciled. In addition, as informed to us, RP is in process of taking
    necessary steps to safeguard the interest of the Company. Pending outcome of CIRP, no
    adjustment is made to these balances.
  - Majority of the deposits with Government authorities are unutilised input credits lying with them.

#### e) Inventories:

As informed to us, Director/Suspended Management was unable to conduct physical verification of inventories as at balance sheet date. We were unable to obtain sufficient and appropriate audit evidence by way of alternate additional procedures as stated in SA 501, 'Audit Evidence - Specific consideration for Selected Items' and 'Key audit considerations. The valuation of inventories has been certified by the management an taken on records by the resolution professional.

#### f) Trade receivable:

Certain balances are either not confirmed or not reconciled. Accordingly, we are unable to comment with respect to adjustments, if any, required to be carried out. We are also unable to comment about the realizability or otherwise of these trade receivables.

#### g) Cash and bank balances:

 As informed to us, due to restricted access, RP could not conduct physical verification of cash at all locations amounting to Rs. 0.04 lakhs due to non production of evidence and supporting by Suspended Management. Accordingly, we are unable to comment with respect to existence or adjustments, if any, required to be carried out;  Due to lack of receipt of any direct confirmation we are unable to comment with respect to its existence or adjustment.

#### h) Other current assets:

It mainly includes TDS claims receivables from NBFC companies, balances with government authorities and other recoverable. Due to unavailability of confirmations and pending outcome of the CIRP, we are unable comment on the same.

#### i) Borrowings:

- We did not receive direct confirmations loan accounts hence Interest on term loans have been provided by the company through EMI statements originally issued by the lenders at the time of sanctions. We do not have any information about the penal interest charged by banks or any other late payments charges as the case may be due to lack of GL accounts or balance confirmation from various lenders. We have relied on the confirmations given by the RP that balances as stated in the financial records are inclusive of interest or other penal interest and charges as the case may be.
