Omnitex Industries (India) Limited

The instructions for shareholders voting electronically are as under:

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 27th September, 2024 at 9.00 a.m. and ends on 29th September, 2024 at 5.00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (23rd September, 2024) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders /retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020 on e- Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Policy on Directors Appointment and Remuneration of Directors, Key Managerial Personnel and other employees

Introduction

In accordance with Section 178 of the Companies Act, 2013 the Nomination and Remuneration Committee has formulated Appointments and Remuneration Policy ("the policy").

The objective of the policy is to ensure that right persons are appointed and they are sufficiently compensated for their performance. The Policy seeks to provide criteria for determining qualifications, positive attributes and independence of a director.

Remuneration Policy

Directors

Considering the current financial situation, no remuneration is considered for the office of Directors, other than sitting fees.

However, as and when the situation improves and considered appropriate, the company may adopt the following policy for the office of the Directors.

Nomination and Remuneration Committee shall recommend the remuneration, including the commission based on the net profits of the Company for the Non-Executive Directors and Whole-time Director and other Executive Directors. This will be then be presented for approval to the Board and shareholders. Prior approval of shareholders by way of Special Resolution will be obtained wherever applicable in case of remuneration to non-executive directors.

The Company may pay remuneration by way of salary, perquisites and allowances (fixed component) and variable pay to Whole-time Director. Salary may be paid within the range approved by the Shareholders. Annual increments may be offered, effective 1st April each year, as recommended by the Nomination and Remuneration Committee, and as approved by the Board, within the prescribed ceiling specified under the Companies Act, 2013.

The remuneration to Executive Directors should be determined keeping in view the industry benchmark and the relative performance of the Company to the industry performance. Perquisites and retirement benefits should be paid according to the Company policy as applicable to all employees.

Independent Non-Executive Directors are appointed for their professional expertise in their individual capacity as independent professionals / Business Executives. Independent Non- Executive Directors receive sitting fees for attending the meeting of the Board. No sitting fees is payable for attending Board Committees. No commission is payable to such Independent Directors.

The remuneration by way of commission paid to the Independent Non-Executive directors is determined periodically & reviewed based on the industry benchmarks.

Key Managerial Personnel and Other Employees

The remuneration of employees largely consists of basic salary, perquisites, allowances and performance incentives. Perquisites and retirement benefits are paid according to the Company policy, subject to prescribed statutory ceiling.

The components of the total remuneration vary for different grades and are governed by the industry pattern, qualification & experience / merits, performance of each employee. The Company while deciding the remuneration package takes into consideration current employment scenario and remuneration package of the industry.

The annual variable pay of managers is linked to the performance of the Company in general and their individual performance for the relevant year measured against Company's objectives fixed in the beginning of the year.

Criteria for Board Membership

Directors

The Company shall take into account following points:

- Director must have relevant experience in Finance/ Law/ Management/ Sales/ Marketing/ Administration/ Research/ Corporate Governance/ Technical Operations or the other disciplines related to company's business.
- Director should possess the highest personal and professional ethics, integrity and values.
- Director must be willing to devote sufficient time and energy in carrying out their duties and responsibilities.

Independent Director

Independent Director is a director who has no direct or indirect material relationship with the Company or any of its officers, other than as a director or shareholder of the Company.

Independent Director shall meet all criteria specified in Section 149(6) of the Companies Act, 2013 and rules made thereunder and the LODR 2015.

MANAGEMENT DISCUSSION AND ANALYSIS

Management discussion and analysis report containing the performance and outlook including the future prospects for the Company is presented herewith.

OVERVIEW

During the year, the Company has earned a profit of after tax of Rs. 351.56 Lakhs as against a loss of Rs. 20.69 Lakhs in the previous year. This is mainly on account of one time profit on account of sale of investment property and dividend income. The other comprehensive income stands at Rs. 11,798.36 Lakhs as against Rs. NIL in the previous year which is entirely due to fair valuation of its investment in Strata Geosystems (India) Private Limited. There is no certainty of actual realization of this income as it depends on various factors. There is a marginal reduction in other expenses.

RISKS AND CONCERNS:

The Board of the Company has formed a risk management policy to frame, implement and monitor the risk management plan for the Company. The Board of Directors are responsible for reviewing the risk management plan and ensuring its effectiveness. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. In the opinion of Board the rising costs and changing government policies and regulations are the key risk factors of the company.

OPPORTUNITIES AND THREATS:

The potential value of the investments in Strata Geosystems (India) Private Limited will give reasonable resources and opportunities to reward the shareholders and to take the company forward. At the same time any erosion in the potential value is considered as a risk to future possibilities and therefore, the company is continuously monitoring its investment.

SEGMENT WISE OR PRODUCT-WISE PERFORMANCE:

The company is engaged in business of trading in textiles and there was no other business carried out during the financial year.

OUTLOOK:

During the year the company could unlock partially the value of its investments in Strata Geosystems (India) Private Limited and Office premises at Tantia Jogani Industrial Premises, Mumbai. This has improved the financials of the company. As and when the full unlocking happens it is expected to improve the financials further.

INTERNAL CONTROL AND SYSTEMS

The Company has adequate internal control procedures commensurate with its size and nature of business. These internal policies ensure efficient use and protection of assets and resources, compliance with policies, statutes and reliability as well as promptness of financial reports.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

Sales:

Total income from operations was Rs. 169.52 Lakhs as against last year's figure of Rs. 34.05 Lakhs.

Profit / (Loss) before Interest, Depreciation, Taxes and Impairment Loss on Fixed Assets:

The Company has earned a profit of Rs. 153.25 Lakhs, as against last year's loss of Rs. 12.69 Lakhs.

Financial Charges:

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF OMNITEX INDUSTRIES (INDIA) LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the financial statements of **Omnitex Industries (India) Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2024, and the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "**the financial statements**").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2024, and of the profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on these financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities;

Omnitex Industries (India) Limited

selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure-A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. According to the information and explanations given to us, the Company has not paid any remuneration to its directors during the current year hence our report on the compliance of provisions of Section 197(16) of the Act are not applicable.
3. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 3.20(1) to the financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year.
 - iv) The management of the Company has represented to us that to the best of its knowledge and belief, other than as disclosed in the notes to the accounts:

Omnitex Industries (India) Limited

- (a) no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity (ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.
- v) The Company has not declared or paid any dividend during the year, hence our comments whether the same is in accordance with section 123 of the Companies Act 2013 are not applicable.
- vi) Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

The Annexure referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in our report of even date to the members of OMNITEX INDUSTRIES (INDIA) LIMITED for the year ended 31st March 2024. We report that:

1. (a) A. The Company has maintained proper records showing full particulars including quantitative details and situation of **Property, Plant and Equipment**.
B. The Company did not own any **intangible assets** during the year hence the requirements to maintain proper records for the same did not apply to the Company.
- (b) Some of the **Property, Plant and Equipment** were physically verified at the end of the financial year by the management in accordance with a phased programme of verification, which in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. No material discrepancies were noticed on such verification.
- (c) According to the records of the Company examined by us and the information and explanations given to us, the title deeds of immovable properties included in Investment Properties and disclosed in the financial statements were held in the name of the Company. The said immoveable property has been sold during the year.
- (d) According to the records of the Company examined by us and the information and explanations given to us, the Company has not revalued its Property, Plant and Equipment (including Right of Use Assets) or intangible assets or both during the year.
- (e) According to the records of the Company examined by us and the information and explanations given to us, no **proceedings** have been initiated or are pending against the Company for holding any **benami property** under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
2. (a) Physical verification of inventories has been conducted by the management at reasonable intervals. In our opinion, the coverage and procedure of such verification is appropriate. There were no discrepancies of 10% or more in the aggregate noticed on such verification.
- (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets during any point of time of the year hence our comments on the quarterly returns or statements filed by the company with such banks or financial institutions and details thereof are not given.
3. According to the records of the Company examined by us and the information and explanations given to us, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured during the year to companies, firms, Limited Liability Partnerships or any other parties hence sub-clauses (a) to (f) of clause (3) (iii) of the Order are not applicable to the Company.
4. In our opinion and according to the information and explanations given to us, the Company has complied with provisions of Section 186 of the Act in respect of making investment. According to the information and explanations given to us, there are no loans, guarantees and security, in respect of which provisions of section 185 and 186 of the Act are applicable.
5. The Company has not accepted any deposits from the public or received amounts which are deemed to be deposits within the meaning of Section 73 to 76 of the Act and the rules framed there under. We are informed that the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court has not passed any Order.
6. The maintenance of cost records has not been prescribed for any of the products of the Company under sub-section (1) of section 148 of the Act.
7. (a) According to the records of the Company, the Company is generally regular in depositing with appropriate authorities undisputed statutory dues, including goods and service tax, provident fund,

Omnitex Industries (India) Limited

employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues as applicable to it. According to the information and explanations given to us, there are no arrears of undisputed amounts payable in respect of above statutory dues which were outstanding as on the last day of the financial year for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no cases of non-deposit with appropriate authorities of disputed statutory dues referred to in sub-clause (a) above.
8. According to the records of the Company examined by us and the information and explanations given to us, the Company has not surrendered or disclosed any transactions not recorded in the books of account as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961), hence clause (3)(viii) of the Order is not applicable to the Company.
9. According to the records of the Company examined by us and the information and explanations given to us:
- (a) the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) the company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) the Company has not taken any term loan hence our reporting on the utilization of the same for the purpose for which the loans were obtained is not applicable.
- (d) funds raised on short term basis have not been utilized for long term purposes.
- (e) the company does not have any subsidiaries, joint ventures or associate companies hence the question of taking any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates, or joint ventures, does not arise.
- (f) the company does not have any subsidiaries, joint ventures, or associate companies hence question of raising loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies does not arise.
10. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year, hence the question of application of funds and delays and defaults and subsequent rectification does not arise.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year hence the question of compliance of the requirements of section 42 and section 62 of the Act and use of funds raised does not arise.
11. (a) During the course of our examination of the books of account and records of the Company carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any instances of fraud by the Company or any fraud on the Company which were noticed or reported during the year, nor have we been informed of any such instances by the management.
- (b) During the year, no report under sub-section (12) of section 143 of the Act in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government has been filed.
- (c) According to the records of the Company examined by us and the information and explanations given to us, the Company has not received any whistle-blower complaints during the year.
12. The Company is not a Nidhi Company hence our comments as required under sub-clauses (a) (b) and (c) of clause 3 (xii) of the Order are not given.
13. In our opinion and according to the records of the Company examined by us and the information and explanations given to us, the transactions entered by the Company during the year with related parties are in compliance with the provisions of Section 177 and 188 of the Act, where applicable and the details thereof have been disclosed in the Financial Statements, etc. as required by the accounting standards.

14. (a) In our opinion and based on our examination, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
15. According to the information and explanations given to us, in our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with him during the year hence provisions of section 192 of Act are not applicable to the Company.
16. According to the information and explanations given to us, in our opinion:
- (a) the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (b) the Company has not conducted any Non- Banking Financial or Housing Finance activities during the year.
- (c) the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
- (d) In view of comments in sub-clauses (a), (b) and (c) above, the sub-clause (d) of clause 3 (xvi) of the Order is not applicable to the Company.
17. The Company has not incurred any cash losses in the financial year under report; but incurred cash losses of Rs. 13.64 Lakhs in the immediately preceding financial year..
18. There has been no resignation of the statutory auditors during the year, hence clause 3 (xviii) of the Order is not applicable to the Company.
19. According to the information and explanations given to us and on the basis of the financial ratios disclosed in Note 3.20 (10) to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, in our opinion, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts upto the date of our present audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
20. According to the records of the Company examined by us and the information and explanations given to us, the provisions of Section 135 of the Act relating to CSR activities are not applicable to the Company for the year under report due to loss position hence our reporting on transferring the unspent amount in respect of CSR activities other than ongoing project and unspent amount in respect of any ongoing project is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

The Annexure referred to in paragraph 2 (f) under “Report on Other Legal and Regulatory Requirements” in our report of even date to the members of **OMNITEX INDUSTRIES (INDIA) LIMITED** for the year ended 31st March 2024. We report that:

We have audited the internal financial controls over financial statements of **Omnitex Industries (India) Limited** (“the Company”) as of 31st March 2024 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India (“the Guidance Note”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statement includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls were operating effectively as at 31st March, 2024, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(Valued at fair value through profit and loss)		158.10	-
		15,805.16	323.31

1.12.1. These shares were acquired at a cost of Rs. 323.31 Lakhs in earlier years. The Company had, along with other promoter shareholders of Strata Geosystems (India) Private Limited (SGIPL) entered into Share Subscription and Purchase Agreement (SSPA) on 20th June 2023 with a party to sell the above equity shares at a consideration of Rs. 1,722.25 (Rupees One Thousand Seven Hundred Twenty Two and paise Twenthy Five Only) per equity share. The sale of these shares was subject to various terms and conditions to be fulfilled by the purchasing party. Pending completion of the sale, the agreed sale prices of each share was considered as the best estimate of fair value of these share for the purpose of quarterly results as on 30th June, 2023 and subsequently. Necessary fair value adjustment, accordingly was made by the Company through Other Comprehensive Income in the quarterly financial results announced by the Company during the year based on the above SSPA. The SSPA was terminated by the Company and other shareholders of SGIPL as intimated to the BSE Limited on 22nd September, 2023 due to failure of the acquirer to complete the proposed transaction within the agreed time. Subsequently, SGIPL bought back part of its shares after the close of the financial year at a price of Rs. 2,100/- per share based on the valuation report of an approved valuer dated 21st March, 2024. Accordingly, the fair valuation of these shares of SGIPL as on 31st March, 2024 has been considered as per the accounting policy followed by the Company based on the above price of Rs. 2,100/- per equity share (net of expenses incurred in connection with proposed sale of shares referred to above). In the previous year, cost of these unquoted shares was considered as an appropriate estimate of fair value because of wide range of possible fair value measurements and cost represented the best estimate of fair value within that range. These investments in equity instruments are not held for trading, instead they are held for medium or long term strategic purpose.

1.12.2 After the close of the financial year, the Company surrendered 12,241 equity shares of SGIPL to the said company pursuant to exercise of buy-back option at a price of Rs. 2,100/- per share in terms of Letter of Offer dated 1st April, 2024 against receipt of buyback proceeds of Rs. 257.06 Lakhs on 25th April 2024. Under the buyback process, these shares have been cancelled by SGIPL after the close of the financial year.

NOTE – “3.10”**CORPORATE INFORMATION AND STATEMENT OF MATERIAL ACCOUNTING POLICY INFORMATION****1. Corporate Information**

Omnitex Industries (India) Limited (“the Company”) is a listed public limited company incorporated on 30th January, 1987 under **CIN L17100MH1987PLC042391** under the provisions of the Companies Act, 1956. Company’s shares are listed on Bombay Stock Exchange. The Company is presently engaged in trading of fabrics and yarn.

The financial statements were approved by the Board of Directors and authorized for issue on 30th May, 2024.

2. Basis of Preparation and Measurement**A) Basis of Preparation**

The financial statements are prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the “Act”) read along with Companies (Indian Accounting Standards) Rules, as amended and other provisions of the Act. The presentation of the Financial Statements is based on Ind AS Schedule III to the Companies Act, 2013.

B) Basis of Measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All assets and liabilities are classified into current and non-current generally based on the nature of product/ activities of the Company and the normal time between acquisition of assets/ liabilities and their realisation / settlement in cash or cash equivalent. The Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3. Valuation of Inventories:

Inventories are valued at Lower of Cost and Net Realisable Value. Cost comprises all cost of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition. The cost is arrived at on First In First Out (FIFO) basis. Due allowance is estimated and made for defective and obsolete items, wherever considered necessary.

4. Property, Plant and Equipment:

- Property, plant and equipment are stated at historical cost less depreciation and impairment loss, if any.
- Historical cost includes expenditure that is directly attributable to the acquisition of the items.
- Subsequent costs are included in the asset’s carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
- All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred

5. Investment Property:

- Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property.
- Investment property is measured initially at its cost, including related transaction costs and borrowing costs where applicable.
- Subsequent expenditure is capitalized to the asset’s carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably.
- All other repairs and maintenance costs are expensed when incurred.
- Investment properties are depreciated using the straight line method over their estimated useful lives which is 60 years.

6. Impairment of assets:

- At each balance sheet date, the Company reviews the carrying value of assets for any possible impairment.
- An impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount.
- The recoverable amount is determined as higher of the asset’s fair value less costs of disposal and value in use.

Omnitex Industries (India) Limited

- For the purpose of assessing impairment, assets are grouped at the levels for which there are separately identifiable cash flows (cash generating unit). Assessment is done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting period may no longer exist or may have decreased, and in such cases the impairment loss is reversed to that extent.

7. Financial Assets / Liabilities:

A. Financial Assets

Initial recognition and measurement

- All financial assets are recognized initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset, except in the case of financial assets not recorded at fair value through profit or loss.
- Transaction costs of financial assets carried at fair value through profit or loss are expensed through the Statement of Profit and Loss.

Subsequent measurement

- For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:
 - ◆ Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
 - ◆ Those measured at amortized cost.
- The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.
- For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income.
- For investments in debt instruments, this will depend on the business model in which the investment is held.
- For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. Fair value of the unquoted shares is determined based on the income approach or the comparable market approach. For these unquoted investments categorized under Level 3, their respective cost is considered as an appropriate estimate of fair value if wide range of possible fair value measurement exists and cost represents the best estimate of fair value within that range.

Derecognition

- A financial asset is derecognized only when the rights to receive cash flows from the financial asset have expired, or the Company has transferred its rights to receive cash flows from the financial asset or has assumed an obligation to pay the received cash flows to one or more recipient.
- Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized.
- Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.
- Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognized to the extent of continuing involvement in the financial asset.

B. Financial Liabilities

- Classification as liability or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

- Initial recognition and measurement

Financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortized cost unless at initial recognition, they are classified at fair value through profit or loss.

- Subsequent measurement

Financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

- Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

8. Borrowing Costs:

- General and Specific Borrowing Costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is required to complete and prepare the asset for its intended use.
- Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use.
- All other borrowing costs are expensed in the period in which they are incurred.

9. Depreciation:

- Depreciation is calculated using the Straight Line Method to allocate cost, net of estimated residual value over its estimated useful life.
- The useful lives and residual values are as prescribed under Schedule II to the Companies Act, 2013.
- Gains and Losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

10. Foreign Currency Transactions:

- Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions.
- Realized gains and losses on settlement of foreign currency transactions are recognized in the Statement of Profit and Loss.
- Foreign currency denominated monetary assets and liabilities at the year end are translated at the year-end exchange rates, and the resultant exchange difference is recognized in the Statement of Profit and Loss.
- Non-monetary foreign currency items are carried at cost.

11. Revenue Recognition:

- Revenue from sale of goods is recognized when all significant risk and rewards in the ownership of the goods are transferred to the buyer and it is probable that the future economic benefit will flow to the entity as per the terms of the contract, which usually co-incident with the delivery of the goods.
- Revenue from sale of goods is recognized in the Statement of Profit and Loss, net of returns, Trade Discounts, Goods and Services Tax and other taxes as may be applicable.
- Rental income from operating leases is recognized in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. In such cases the revenue is recognized as per the terms of the Agreement. The respective leased assets are included in the balance sheet based on their nature.
- Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- Dividend income from investments is recognized when the right to receive dividend has been established.

12. Employee Benefits:

Short Term Employee Benefits

- Liabilities for salaries, wages and other benefits including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the Balance Sheet.

Long Term Employee Benefits

Defined Contribution Plans

- Contribution to defined contribution plans such as Provident Fund, are charged to the Statement of Profit and Loss as incurred, as the Company has no further obligation beyond making these contributions.

13. Taxation:

- Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with prevailing income tax law.
- Deferred tax is recognized for all the temporary differences by using the liability method, only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.
- Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date.
- At each Balance Sheet date, the Company reassesses unrecognized deferred tax assets, if any.

14. Provisions

- The Company recognizes a provision when there is a present legal or constructive obligation as result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.
- Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

15. Contingent Liabilities and Contingent Assets

- A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.
- Contingent Assets are neither recognized nor disclosed in the financial statements.

16. Earnings Per share

Basic Earnings per Share

Basic earnings per share is calculated by dividing:

The profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

Diluted Earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

17. New Standards / Amendments Notified but not yet effective:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31st March 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

18. Rounding of Amounts

All amounts disclosed in the financial statements and notes have been disclosed in Rupees in Lakhs rounded off to two decimals as per the requirement of Schedule III, unless otherwise stated.

4. Segment Reporting:

The operation of the Company represents only one business segment, viz. 'Trading in Textiles'. Accordingly, all earnings, assets and liabilities relate to this activity only and there is no separate Segment.

5. Financial risk management

Company's activities expose it to credit risk, liquidity risk and market risk. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and its impact on the financial statements

(i) Credit Risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The credit risk arises from trade receivables, security deposits, cash and cash equivalents and deposits with banks.

Trade receivables

The company supplies yarn / fabric to customers. Concentrations of credit risk with respect to trade receivables are limited as majority credit sales are made to high credit worthy entities. All trade receivables are reviewed and assessed for default on regular basis. Our historical experience of collecting receivables, supported by the level of default, is that credit risk is low.

For trade receivables, except for specifically identified cases, Company follows a simplified approach where provision is made as per the ageing buckets which are designed based on historical facts and patterns.

(ii) **Liquidity Risk**

Liquidity risk is the risk that the Company will find it difficult in meeting its obligations associated with its financial liabilities in time. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The tables below analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

(iii) **Market Risk**

Foreign Exchange Risk

Company is not exposed to foreign exchange risk presently.

Interest Rate Risk:

The Company's investments in fixed deposits with banks are for short durations, and therefore do not expose the Company to significant interest rates risk.

6. Disclosure as required by Indian Accounting Standard 40, "Investment Property"

1) Accounting Policy for measurement of Investment Property

- o Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as investment property.
- o Investment property is measured initially at its cost, including related transaction costs and borrowing costs where applicable. Subsequent expenditure is capitalized to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred.
- o Investment properties are depreciated using the straight line method over their estimated useful lives which is 60 years.

Omnitex Industries (India) Limited

- o Fair valuation is based on projected rent capitalization method, which is Rs. Nil (previous year Rs. 793.80 Lakhs). The fair value measurement is categorized in Level 3 fair value hierarchy. This property has been sold during the year. Refer Note 1.11.1

9 Financial instruments

A Accounting classification and fair values:

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value

Fair value hierarchy

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices in an active market. This included listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The carrying amounts and fair values of financial instruments by category are as follows:

B Measurement of fair values

Valuation techniques and significant unobservable inputs

The Fair Value of financial assets included is the amount at which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair value.

- The equity investments included in the level 3 of the fair value hierarchy have been valued using the cost approach to arrive at their fair value. Cost of unquoted equity instruments (refer Note 1.12) has been considered as an appropriate estimate of fair value because of a wide range of possible fair value measurements and cost represents the best estimate of fair value within that range.
- The Company has not disclosed the fair value of financial instruments such as trade receivables, trade payables, etc. because their carrying amounts are a reasonable approximation of fair value.
- Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data. Financial instruments such as unlisted equity shares, loans are included in this hierarchy.
- The management considers that the carrying amount of financial liabilities carried as amortised cost approximates their fair value.

Return on investment **	Income generated from invested funds	Average invested funds (*)	38.80	NA	NA

(*) Average = (opening + closing)/2.

(**) Reasons for variation.

- (i) The current ratio has improved due to increase in cash and cash equivalents during the year on disposal of investment property and dividend received.
 - (ii) The Company has not borrowed any funds and debts was Rs. NIL in both the years
 - (iii) Return on Equity has improved in view of increase in net profit after tax for the year on account of profit on sale of investment property and receipt of dividend income on shares.
 - (iv) The Company did not have any inventory at the end of the financial year or previous year
 - (v) Trade receivable ratio with revenue from operations increased due to increase in the amount of trade receivable at the end of the financial year.
 - (vi) Trade payable ratio is not applicable since there were no trade payables at the end of financial year or previous year.
 - (vii) Net profit ratio and return on capital employed increased due to increase in net profit after tax for the financial year as compared to net loss in the previous year.
 - (viii) Return on investment was on account of dividend income on shares and capital gain on mutual fund.
11. The figures of the previous year have been regrouped / reclassified, wherever necessary, to conform to the current year's presentation.
