Explanatory Statement pursuant to Sections 102 and 110 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014

Item No. 1:

The Members had, vide their Resolution dated August 17, 2023 accorded approval for borrowing upto INR 6,500 Crores (Rupees Six Thousand Five Hundred Crores only) consisting of INR 5,000 Crores towards non-fund based and INR 1,500 Crores towards fund based limits from its Bankers/Financial Institutions or from any one, for operations of the Company.

The current utilization levels of the above non-fund based limits are at approximately 80 percent as on December 31, 2024. Also, for the same period, the amount of outstanding Fund Based facilities is Nil.

Given the likely increase in business opportunities and new orders in the near future, the Board of Directors at their Meeting held on January 29, 2025, has provided their approval and recommended the same to the Shareholders to increase the existing limit from INR 6,500 Crores to INR 11,500 Crores by enhancing the non-fund based limit by INR 5,000 Crores. As a result, the revised limits would be INR 11,500 Crores consisting of INR 1,500 Crores towards fund based limits and INR 10,000 Crores towards non-fund based borrowing facilities. It may be noted that the proposal for increase is only towards non-fund based limits and no increase is sought for the already approved fund based limits of INR 1,500 Crores.

With the new high value projects in pipeline, the Company expects an increase in business growth in the near future. Such high value projects usually require issuance of Letter of Credit or Bank Guarantees, as and when needed, which in turn will increase the non-fund based facilities that the Company would require. It is therefore, proposed to seek approval of the Shareholders for increase in the non-fund based facilities.

With the increase in the non-fund based facilities, no direct impact on the financials is expected. However, as and when the limits are utilized, commission would be charged by the Bank on such agreed rates. Further, with the proposed increase in borrowing limits, there would be no overall impact on the Debt Equity mix.

The proposed increment in non-fund based facilities lines are standalone, unsecured lines and the Company does not foresee any material implications for the overall credit protection measures. Further, since the non-fund based facilities are unsecured in nature, there is no expectation of creation of charges on the Company's assets.

Section 180 of the Companies Act, 2013 provides that consent of the Members of the Company is required to be secured for borrowing in excess of its paid-up Share Capital, free reserves and securities premium (apart from temporary loans obtained or to be obtained from the Company's bankers in the ordinary course of business). Since, the proposed borrowing exceeds the paid-up Share Capital, free reserves and securities premium of the Company, approval of the Members of the Company is sought by way of a Special Resolution.

The Board recommends the Resolution set out at Item No. 1 of the Notice for the approval by the Members as a Special Resolution.

None of the Directors, Key Managerial Personnel or their respective relatives are, in any way, concerned or interested, financially or otherwise, except to the extent of their shareholding, if any, in the Company.
