44th ANNUAL GENERAL MEETING 2024

STATEMENT ANNEXED TO THE NOTICE AND SETTING OUT THE MATERIAL FACTS CONCERNING EACH ITEM OF SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND SECRETARIAL STANDARD ON GENERAL MEETINGS.

Item no 3.:

The Explanatory Statement pursuant to Section 102 read with Section 108 of the Act and Regulation 36 of the SEBI Listing Regulations, setting out the material facts and reasons for the proposed Ordinary Resolution, considered to be of urgent nature, to be transacted by AGM and Remote e-Voting, is appended herein below and forms a part of this AGM Notice. Members are requested to peruse the proposed resolution along with the Explanatory Statement and thereafter, record their assent or dissent through the Remote e-Voting facility provided by the Company.

As per the audited Balance Sheet of the Company as on March 31, 2024, the Company has accumulated Reserves of ₹ 2435.39 lakhs, representing more than times the size of the Company's existing paid up Equity Share capital.

The Company considered the proposal for the issue of fully paid Bonus Equity Shares at par in the proportion of one point five (1.5) Equity Share against one (1) Equity Share already held by the members, whose names appear in the records of the Depositories as on the date to be determined by the Board ("Record Date") consequent upon receipt of approval from the Shareholders to the above proposal by way of an Ordinary Resolution.

The Company has been performing consistently well for the last few years and the Board of Directors have, therefore, considered it appropriate to reward the Shareholders by capitalising a portion of the undistributed profits standing to the credit of the Free Reserves.

Even after the proposed capitalisation, the Reserves of the Company shall be adequate to withstand the vicissitudes of business and barring unforeseen circumstances, which are beyond the control of the Board, the Board envisages that the Company's growth trajectory shall be maintained in the foreseeable future.

The Company's Articles of Association contain enabling provisions for the capitalisation of reserves and there is no requirement to carry out amendments thereto to facilitate the above proposal.

The existing Authorized Share Capital is also not sufficient to cover the proposed issue of shares to be issued as Bonus Shares and hence, there requirement to increase the Authorised Share Capital.

The Company has, in accordance with the requirements of the SEBI (Listing Obligations and Disclosure Requirements) (LODR) Regulations 2015, as amended from time to time, informed the Stock Exchanges in which the Company's Shares are listed for trading about the proposal for the Bonus issue immediately after conclusion of the meeting at which the Board has approved the proposal, subject to the consent of the members.

44th ANNUAL GENERAL MEETING 2024

The Company is also fully compliant with the requirements under Section 63(2) of the Companies Act, 2013 read with the relevant Rules thereunder in connection with the proposed issue.

The Company is fully compliant with the terms and conditions as applicable to a Bonus issue as per the SEBI (Issue of Capital and Disclosure Requirements) Regulations 2018 and a certificate in confirmation thereof shall be submitted to the Stock Exchanges upon receipt of approval from the members.

Pursuant to the requirements of the Foreign Exchange Management Act, 1999 and amendments thereto, the Company shall, if necessary, make applications with the Reserve Bank of India, seeking approval for allotment of Bonus Shares as may be necessary.

The Record Date to determine the eligibility of the members who shall be entitled to the Bonus Shares arising out of the above shall be decided in consultation with the Stock Exchanges, once the members grant their consent to the resolutions appended to the Notice for the AGM.

Members are requested to grant their approval to the proposal, including granting the required authority to the Board of Directors to settle any questions / difficulties arising from the proposed issue.

Directors and Key Managerial Personnel of the Company and their relatives are deemed to be interested in the resolutions to the extent of their shareholding in the Company.

Item No.: 04

The existing Authorised Capital of the Company is Rs. 16,60,00,000/- (Rupees Sixteen Crores Sixty Lakhs Only) divided into 166000000 (Sixteen crore Sixty Lakhs) Equity Shares of Rs. 1/- (Rupees one Only). Section 61 of the Companies Act, 2013, (including any statutory modification(s) or re-enactment thereof, for the time being in force, the "Companies Act") provides that a Limited Company having a share capital may, if so authorized by its Articles of Association, with the consent of its Members, alter the conditions of its Memorandum of Association so as to increase its share capital by such amount as it thinks expedient by issuing new shares.

In view of this, the Company proposes to increase the existing Authorised Equity Capital from Rs. 16,60,00,000/- (Rupees Sixteen Crores Sixty Lakhs Only) divided into 166000000 (Sixteen crore Sixty Lakhs) Equity Shares of Rs. 1/- (Rupees one Only) each, to Rs. 37,10,00,000/- (Rupees Thirty seven Crore ten Lakhs Only) by creation of additional Equity Shares of face value of Rs. 1/- each.

Consequently, Clause V of the Memorandum of Association would also require alteration so as to reflect the changed Authorised Share Capital.

44th ANNUAL GENERAL MEETING 2024

The proposal for increase in Authorised Share Capital and amendment of Memorandum of Association of the Company requires approval of Members at a General Meeting.

The draft Memorandum of Association after incorporating the proposed change is available for inspection at the registered office of the Company during business hours on all working days excluding Saturdays and Sundays between 11.00 am to 1.00 pm upto the date of the meeting.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives, are in any way concerned or interested, financially or otherwise in the said resolution.

The consent of the Members is, therefore, being sought for passing the aforesaid resolution of the notice as an **Ordinary Resolution**.

REPORT ON CORPORATE GOVERNANCE & NON DISQUALIFICATION OF DIRECTORS

Corporate governance is an ethically driven business process that is committed to values aimed at enhancing an organisation's brand and reputation. This is ensured by taking ethical business decisions and conducting business with a firm commitment to values while meeting stakeholder's expectations.

It is imperative that our Company affairs are managed in a fair and transparent manner. This is vital to gain the trust of our stakeholder.

Pursuant to Regulation 15(2) of SEBI (Listing and Obligation Requirements) Regulations, 2015, compliance with the certain provisions of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 is not mandatory for the time being for Companies having paid up equity share capital not exceeding Rs 10 crore and Net Worth not exceeding Rs 25 crore, as on the last day of the previous financial year.

Since our Company falls in the ambit of foresaid exemption, compliance with the certain provisions of SEBI (Listing obligation and Disclosure Requirements) Regulations 2015 is not mandatory for our Company. Consequently our Company is not required to provide Certificate of Corporate Governance and Certificate of Non- Disqualification of Directors.

However, our Company has complied with all the disclosures and requirements which are applicable under all the rules, regulations for the time being in force.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
WORTH INVESTMENT & TRADING COMPANY LIMITED

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of **WORTH INVESTMENT & TRADING COMPANY LIMITED** (the "Company"), which comprise the Balance Sheet as of March 31, 2024, and the Statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and statement of profit and loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Our opinion is not modified in respect of these matters.

We have determined that there are no Key audit matters to communicate in this report

Other Information

44TH ANNUAL GENERAL MEETING 2024

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report, Management Discussion and Analysis and Business Responsibility Report but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015 as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the Ind AS financial

44TH ANNUAL GENERAL MEETING 2024

statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation. Materiality is the magnitude of misstatement in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in:

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements for the financial year ended March 31, 2023, and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

1. As per explanations by the Management, all the loans and advances provided by the Company are repayable on demand and therefore no term of repayment is specified or stipulated as per explanations received by the Management

44TH ANNUAL GENERAL MEETING 2024

2. As per explanations by the Management, there are no Loan Agreements entered into by the Company for loans provided and all loans in nature are unsecured.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, based on our audit we report, to the extent applicable that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, statement of changes in equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 4 of the Companies Indian Accounting Standards Rules, 2015 as amended.

e) On the basis of the written representations received from the directors as on March 31, 2024, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations on its financial position in its Ind AS financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. The company is not liable to transfer any amounts to the Investor Education and Protection Fund. Therefore, there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv.

- i. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

44TH ANNUAL GENERAL MEETING 2024

- b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (a) and (b) contain any material misstatement.
- v) During the year, the Company has not declared any dividend.
- (b) Based on our examination in accordance with the Implementation Guidance on Reporting on Audit Trail under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 issued by the Institute of Chartered Accountants of India, which included test checks, the Company has not used accounting software's for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has not been operated throughout the year for all relevant transactions recorded in the software's.

Further, during the course of our audit we were unable to check any instance of the audit trail feature being tampered with. Our examination of the audit trail was in the context of an audit of financial statements carried out in accordance with the Standard of Auditing and only to the extent required by Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

We have not carried out any audit or examination of the audit trail beyond the matters required by the aforesaid Rule 11(g) nor have we carried out any standalone audit or examination of the audit trail.”

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

44TH ANNUAL GENERAL MEETING | 2024

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under Report on Other Legal and Regulatory Requirements section of our report to the members of **Worth Investment Trading & Co Limited** of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Worth Investment Trading & Co Limited (“the Company”) as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial

44TH ANNUAL GENERAL MEETING 2024

reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to standalone financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

44TH ANNUAL GENERAL MEETING | 2024

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Schedules forming part of the standalone financial statements

(Rupees in Lakhs unless otherwise stated)

1 Corporate information

The Company, Worth Investment & Trading Company Limited has been incorporated on 16th August, 1980.

2 Basis of preparation

a) Statement of compliance:

These financial statements have been prepared on a going concern basis following the accrual basis of accounting in accordance with the Generally accepted Accounting Principles (GAAP) in India (Indian Accounting standards referred to as "IndAS") as specified under the section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standard) Rules, 2015 and relevant amendments rules issued there after.

The standalone financial statements are presented in Rupees and all values are rounded to the nearest lakhs upto two decimals places except when otherwise indicated.

b) Basis of measurement:

The financial statements have been prepared on a historical cost convention, except for certain financial assets and financial liabilities that are measured at fair value as required under relevant IndAS.

c) Significant accounting judgements, estimates and assumptions

The preparation of the company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

44TH ANNUAL GENERAL MEETING 2024

3 Significant accounting policies

3.1 Property, Plant & Equipments

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

All other repair and maintenance costs are recognized in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses, if any.

Depreciation on property, plant and equipment has been provided using written down value method using rates determined based on management's assessment of useful economic lives of the asset.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition:

An item of property, plant and equipment and any significant part initially recognized is de-recognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in the statement of profit and loss, when the asset is de-recognized.

Capital work-in-progress (CWIP)

Cost of property, plant and equipment not ready for use as at the reporting date are disclosed as capital work-in progress.

3.2 Impairment of non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets to determine whether there is any indication of impairment. If any such indication of impairment exists, then the asset's recoverable amount is estimated. For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or cash generating units (CGUs).

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.3 Provisions, Contingent Liabilities And Contingent Assets

Provisions:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the Company expects some or all of a provision to be reimbursed, reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in respective expense.

44TH ANNUAL GENERAL MEETING 2024

Contingent Liabilities :

Demand from income tax authorities is given below

(Amount in Lakhs)

A.Y.	Demand from income tax authorities as at 31st March, 2024
2022-23	111.62
2022-23	2.96
2006-07	7.21
Various Priod	1.15
Total	122.95

Contingent Assets :

Contingent Assets are neither recognized nor disclosed in the financial statements.

Income tax

Current tax:

Provision for current tax is made as per the provisions of the Income Tax Act, 1961.

Deferred tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Minimum Alternative Tax ("MAT") credit entitlement under the provisions of the Income-tax Act, 1961 is recognised as a deferred tax asset when it is probable that future economic benefit associated with it in the form of adjustment of future income tax liability, will flow to the Company and the asset can be measured reliably. MAT credit entitlement is set off to the extent allowed in the year in which the Company becomes liable to pay income taxes at the enacted tax rates. MAT credit entitlement is reviewed at each reporting date and is recognised to the extent that is probable that future taxable profits will be available against which they can be used. MAT credit entitlement has been presented as deferred tax asset in Balance Sheet. Significant management judgement is required to determine the probability of recognition of MAT credit entitlement.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxation authority.

Employee Benefits

Short-term Employee Benefits:

Employee benefit liabilities such as salaries, wages and bonus, etc. that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at an undiscounted amount expected to be paid when the liabilities are settled.

44TH ANNUAL GENERAL MEETING 2024

Post-employment benefit plans:

Defined Contribution Plans:

State governed Provident Fund Scheme and Employees State Insurance Scheme are defined contribution plans. The contribution paid / payable under the schemes is recognised during the period in which the employees render the related services.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

The Company's gratuity scheme is a defined benefit plan. Currently, the Company's gratuity scheme is unfunded. The Company recognises the defined benefit liability in Balance sheet. The present value of the obligation under such defined benefit plan and the related current service cost and, where applicable past service cost are determined based on an actuarial valuation done using the Projected Unit Credit Method by an independent actuary, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligations are measured at the present value of the estimated future cash flows.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) is reflected immediately in Other Comprehensive Income in the Statement of Profit and loss. All other expenses related to defined benefit plans are recognised in Statement of Profit and Loss as employee benefit expenses. Re-measurements recognised in Other Comprehensive Income will not be reclassified to Statement of Profit and Loss hence it is treated as part of retained earnings in the Statement of Changes In Equity.

3.6 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible to/ by the Company.

Fair value hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: valuation techniques for which the lowest level input that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3: valuation techniques for which the lowest level input which has a significant effect on the fair value measurement is not based on observable market data.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.7 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

44TH ANNUAL GENERAL MEETING 2024

a) Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- ▶ **Debt instruments at amortised cost** - The Company has cash & cash equivalents, loans and trade receivables classified within this category.
- ▶ **Debt instruments at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.
- ▶ **Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)** - The Company does not have any financial asset classified in this category.
- ▶ **Equity instruments measured at fair value through other comprehensive income (FVTOCI)** - The Company does not have any financial asset classified in this category.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation and losses arising from impairment are recognised in the Statement of Profit & Loss. The amortised cost of the financial asset is also adjusted for loss allowance, if any.

Debt instrument at FVTPL

Derecognition

Impairment of financial assets

In accordance with IndAS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets that are debt instruments, and are measured at amortised cost e.g. Loans and trade receivables.

The company follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables that do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

b) Financial liabilities

Initial recognition and measurement

All financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

All financial liabilities are initially measured at fair value deducted by, in the case of financial liabilities not recorded at fair value through profit or loss, transaction costs that are attributable to the liability.

Subsequent measurement

Financial liabilities are classified as measured at amortised cost using the effective interest method. The Company's financial liabilities include trade payables, borrowings and other financial liabilities.

Under the effective interest method, the future cash payments are exactly discounted to the initial recognition value using the effective interest rate. The cumulative amortization using the effective interest method of the difference between the initial recognition amount and the maturity amount is added to the initial recognition value (net of principal repayments, if any) of the financial liability over the relevant period of the financial liability to arrive at the amortized cost at each reporting date. The corresponding effect of the amortization under effective interest method is recognized as expense over the relevant period of the financial liability in the Statement of Profit and Loss.

44TH ANNUAL GENERAL MEETING 2024

Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the Derecognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognized and the consideration paid is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the Balance Sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

3.8 Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

3.9 Revenue Recognition

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

A 5-step approach is used to recognise revenue as below:

Step 1: Identify the contract(s) with a customer

Step 2: Identify the performance obligation in contract

Step 3: Determine the transaction price

Step 4: Allocate the transaction price to the performance obligations in the contract

Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Interest Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable

3.10 Earnings per share

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of equity shares.

3.11 Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.12 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets up to the assets are substantially ready for their intended use. The loan origination costs directly attributable to the acquisition of borrowings (e.g. loan processing fee, upfront fee) are amortised in the year in which they occur

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

There were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into and out of Level 3 fair value measurements.

The carrying amounts of trade receivables, trade payables, cash and cash equivalents and other bank balances are considered to be the same as their fair values, due to their short-term nature.

The fair values of borrowings are based on discounted cash flows using a borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

44TH ANNUAL GENERAL MEETING 2024

23 Financial risk management objectives and policies

The Company's principal financial liabilities comprise borrowings, trade and other payables, etc. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include cash and cash equivalents that derive directly from its operations. The Company also holds investments in the shares of other companies measured at amortised cost.

The Company is exposed to market risk, credit risk and liquidity risk. The management oversees the management of these risks. The management is responsible for formulating an appropriate financial risk governance framework for the Company and periodically reviewing the same. The management ensures that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The management reviews and agrees policies for managing each of these risks, which are summarised below.

(a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: interest rate risk, foreign currency risk and Equity price risk.

(i) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has borrowings, therefore Company is exposed to such risk.

(ii) Foreign Currency Risk

The Indian Rupee is the Company's most significant currency. As a consequence, the Company's results are presented in Indian Rupee and exposures are managed against Indian Rupee accordingly. So, the Company is exposed to such risk.

(iii) Equity Price Risk

The Company's investment in shares are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the price risk through diversification and by placing limits on individual and total instruments. Reports on the portfolio are submitted to the management on a regular basis.

(b) Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are fallen due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.
